

The Amazing Son In Law Chapter 4537 (The Charismatic Charlie Wade Chapter 4537)

At this time, Jian hurriedly bowed and bowed with both hands: "Mr. Wade is dead, don't dare to obey!"

charlie took out his mobile phone, unlocked the screen, and opened one of the video albums, all of which were downloaded in advance Some videos related to Jamura.

Immediately, he threw the phone to Jian, and said coldly: "You can open it yourself!"

After that, he pointed to the descendants of the Fei family behind him, and said coldly: "Everyone who is 18 years old or older. If you are under 18, avoid it immediately!"

Jian agreed in a row, and most of the descendants of the Fei family quickly surrounded them. They also wanted to know now that charlie killed him with great fanfare. Enter Fei's house, why?

Although those who were under the age of eighteen also wanted to find out, they did not dare to come forward at this time, and could only honestly retreat to the end of the hall.

On mobile phones, each video is just a thumbnail the size of a fingernail, and there is a play button in the middle, so people can't see what these videos are at all.

Jian didn't think much about it, and just clicked on the first video.

The moment the video popped up, a girl screamed in pain like crazy, and there was also Jamura's perverted laughter.

When the Fei family saw the pictures on their mobile phones, they all turned pale in shock, and a few young people couldn't help retching.

At this time, Jian was also frightened, and he almost failed to hold the phone. Fei Kexin immediately turned his face away and did not dare to look again, and his eyes instantly turned red.

Zaki, yogi, and all the middle-aged and elderly members of the Fei family were all terrified.

Zaki's wife, who is also Jamura's grandmother, just watched for ten seconds, and immediately collapsed with her legs limp. Fortunately, her daughter was there to support her, otherwise she would have to fall on the back of her head. .

yogi's wife, Jamura's mother, only watched for a while, then covered her eyes and cried and said, "This...this is not true...that person is not Jamura...Jamura can't do such a thing. The devil's business..."

yogi also collapsed. He shed tears and muttered to himself: "Why...why is this...why does this bastard do such inhumane things..."

Zaki's blood pressure was soaring, He said silently in his mouth: "Beast... it's really a beast..."

After speaking, he didn't dare to look any further, and could only turn his face to one side.

The video was broadcast for less than 30 seconds, and these middle-aged people turned their faces away and dared not watch any more.

Jian kept staring at the screen of his mobile phone, only to feel his heart rate soaring, causing pain in his entire chest.

In less than a minute, he couldn't hold on any longer, he could only lock the screen of his phone, and choked: "Mr. Wade... I'm down... I really can't watch it anymore..."

charlie said coldly, "This kind of video still doesn't work . There are many, at least dozens of paragraphs, and the victims of each paragraph are different girls."

Jian murmured: "The family is unfortunate! The family is unfortunate! Mr. Wade, I really didn't expect that my Fei family would actually There will be such a scum! It's really the anger of the gods and the gods!"

charlie looked at him, sneered, then turned to Zaki, and asked indifferently: "Come on, the current head of the Fei family, tell me, as the head of the family, this How are you going to handle the matter?"

Zaki hesitated for a while.

He didn't know what to say either.

If it is serious, saying that this kind of scum should be broken into thousands of pieces, after all, he is his own grandson, how can he say such a thing?

But if it's too light, it doesn't match the behavior of this beast at all, then charlie will definitely blame himself again...

And he doesn't dare to say that all this will be handed over to the law for a fair trial, although a fair trial will certainly be possible. Premium Jamura lost his life, but it must be accompanied by a complete exposure of everything he did.

By that time, the Fei family's reputation will inevitably plummet, and they will become the target of everyone in the United States.

Therefore, for Zaki, no matter how he chooses, there is an unbearable price...

charlie saw his hesitation, and said coldly, "If you can't say it, then don't say it."

Immediately, he looked at Jian In the middle, he asked coldly: "You are the previous head of the Fei family, and you are considered to be experienced. I ask you, how do you think this matter should be handled?"

Jian was also in a dilemma at this time.

He and Zaki have basically the same idea.

For Jamura, he could neither be killed, nor spared, and at the same time, he could not make it public.

For the reputation of the Fei family, he looked at it more than anyone else. After all, this family was made big by him, and it was all his hard work.

So, after thinking about it, he could only say: "Mr. Wade, it is indeed unfortunate for my family to have such a beast... I am willing to give 10 billion US dollars to compensate the families of all the victims. As for that beast, I will let Master jay. If he breaks his legs and hands with his own hands, and keeps him at home for the rest of his life, then he will be raised as a dog, and he will not be able to leave the house for half a step in his life..."

charlie sneered: "Why, you still want to stay His life?"

Seeing charlie's playful expression, Jian suddenly panicked!

He suddenly realized that he had made a very serious mistake.

He couldn't help but slandered with remorse in his heart: "I'm really stupid... charlie fought so much for Jamura's affairs, which is enough to prove that he would never let Jamura have a chance to survive, he must be killed and harmed for the people. Yes, but I just wanted to save that beast's life, how stupid!"

"charlie deliberately asked me how to deal with it just now. It must have given me a chance to see how I would express my position, but my answer just now must have made him extremely dissatisfied..."

Thinking of this, he suddenly panicked in his heart, and immediately blurted out: " Mr. Wade, I thought about it carefully, Jamura is a beast who has done too much evil, and God cannot tolerate it! If he doesn't die, I'm sorry for those innocent girls who died tragically in his hands! So I think he should be allowed to apologize by death!"

As soon as words came out, yogi became anxious and blurted out: "What are you talking about, you immortal? Jamura is your great-grandson! Moreover, he is the eldest great-grandson of the eldest son and eldest grandson! You will die in the future, he will I beat the flag for you! You asked him to apologize with his death, what is your motive?"

yogi was naturally most concerned about Jamura's life and death, because he was his son after all. He was annoyed when he heard Mr. Fei's words. To the extreme, he has already lost his mind.

But his father Zaki didn't think so.

Zaki also figured out charlie's intention for doing this.

He knew that charlie would never let Jamura go, and he had already made up his mind to kill him. The reason why he asked Fei's family was nothing more than killing people!

At this time, the safety of the Fei family is a problem. If you still think about the insurance premium Jamura, it would be too naive!

So, he hurriedly and respectfully said to charlie: "Mr. Wade, I think..."

"You don't have to think so!" charlie interrupted him without waiting for him to finish, and said coldly, "One person at a time to express his opinion. Your opinion has already been expressed." After

that, he looked at Fei Kexin and asked lightly, "Miss Fei, what do you think?"
