

The Amazing Son In Law Chapter 4553 (The Charismatic Charlie Wade Chapter 4553)

In charlie's view, the first condition for a family to prosper and prosper must be internal unity.

The biggest advantage of unity is that it can avoid internal friction to the greatest extent, and use all the energy of the family to do useful work.

In this case, even if this family is a poor peasant facing the loess and back to the sky, this family will definitely maintain an upward trend.

However, if there is division and confrontation within the family, most of the energy will be consumed in the internal struggle.

As a result, this family not only does not have enough energy to do useful work, but also falls into the quagmire of regression due to constant internal friction.

If it has been consumed in large quantities internally, even if it is a trillion-dollar property, there will be a day when it will be exhausted.

That's why charlie reminded Fei Kexin that he must keep an eye on the Fei family and make sure that they can keep up with her.

Fei Kexin naturally understood what charlie meant, and nodded again and again: "Mr. Wade, please rest assured, I will definitely pay more attention."

Seeing that Fei Kexin seemed to be somewhat uneasy, charlie gave her an encouraging look and said seriously: "After you have dealt with Jamura's affairs, the Fei family will definitely fall into an unprecedented low point because of this incident. , but I believe that your ability will definitely be able to lead the Fei family out of the slump."

Fei Kexin said gratefully, "Thank you, Mr. Wade, for your encouragement. I will do my best to make the Fei family get through the slump as soon as possible."

As she said that, she paused for a moment, stared at charlie with hot eyes, and blurted out, "If Mr. Wade has any requirements for the Fei family in the future, feel free to ask, and the Fei family will not dare to refuse!"

charlie nodded and said, "If you need it, I won't be polite to you."

After all, he looked at jay beside the old man, and said, "You are the strongest among the martial arts masters of the Fei family, and you will protect Miss Fei's safety from now on."

jay said hurriedly and respectfully: "Mr. Wade... I should have returned to my division to return to my life. From now on, my junior brother Zhang Chuan will be responsible for the safety of the Fei family."

charlie frowned and said, "Zhang Chuan? Could it be the five-star warrior?"

jay hurriedly asked, "Has Mr. Wade met Junior Brother Zhang?"

charlie sneered: "If nothing else, he should still be kneeling in the restaurant."

After that, he looked at yogi and said coldly, "Go and call Zhang Chuan over."

yogi didn't dare to refuse, and hurriedly said: "Mr. Wade wait a moment, I'll call now..."

Soon, yogi walked over with Zhang Chuan, whose legs were constantly swinging.

At this time, Zhang Chuan, there were already large white stains between his legs and crotch, accompanied by bursts of stench, people could guess at a glance that he was the urine alkali formed after urinating his pants.

As soon as Zhang Chuan saw charlie, he couldn't help kneeling on the ground, and choked: "Mr. Wade... I have been listening to your orders to kneel in the restaurant, and I haven't gotten up for a while. The cultivation base has been restored..."

As he spoke, he couldn't help crying.

Decades of cultivation had vanished in an instant. For Zhang Chuan, this blow was a disaster.

Therefore, as long as he can exchange his cultivation base, he is willing to let him do anything.

jay didn't expect that his high-spirited junior brother would be reduced to this appearance after only half a month's absence.

He was immediately surprised to find that Zhang Chuan had no trace of his cultivation base at this time, and he seemed to be an ordinary person, which made him startled and blurted out: "Junior Brother Zhang, what's wrong with you?!"

All Zhang Chuan's attention was on charlie, and suddenly he heard jay speak, and only then did he realize that his senior brother had come back, so he immediately cried like a wronged child seeing his parents, "Brother jay... ..you are finally back, Senior Brother jay..."

jay stepped forward quickly, and while supporting him, he said sadly: "Junior Brother Zhang, why is your cultivation base gone?!"

Zhang Chuan said with remorse: "Senior brother doesn't know anything. Today at noon, Mr. Wade came to the mansion for a banquet. I have no eyes and don't know Mount Tai. I was presumptuous in front of Mr. Wade. Kneeling in the restaurant until now..."

After that, he suddenly remembered something, and blurted out: "Senior brother, Mr. Wade said that someone will come and teach me a lesson for him. It should be you, brother..."

jay was shocked.

He knew that charlie was very strong, so strong that it was unpredictable, but he didn't expect that charlie would directly abolish all of Zhang Chuan's cultivation.

What made him even more unbelievable was that although Zhang Chuan had lost his cultivation, his meridians were intact and there were no signs of being broken or abolished, which meant that Zhang Chuan's cultivation was not destroyed by violence.

This alone made jay's expression stunned.

Violently destroying a person's cultivation is actually not difficult. As long as he is not your opponent, you can knock him down while violently destroying all his meridians.

This is tantamount to breaking a person's tendons and hamstrings, which is simple and rude.

However, charlie's approach was even more bizarre.

The meridians were intact, but the cultivation base was completely abolished. This gave jay the feeling that charlie had used some kind of power to completely seal Zhang Chuan's cultivation base.

If charlie really has this kind of strength, then he and the warriors in the world are no longer on the same level.

Thinking of this, he was extremely shocked.

At the same time, he also subconsciously wanted to intercede for his poor junior brother.

However, when he thought of what Zhang Chuan had just said, he immediately realized that since charlie asked himself to teach Junior Brother Zhang a lesson for him, he could not directly plead with charlie.

So, he looked at Zhang Chuan, slapped him in the face, and shouted angrily, "Zhang Chuan, you are so bold! You even dare to offend Mr. Wade! Don't you know how much you weigh?!"

Zhang Chuan was stunned by the slap from his senior brother, but he also quickly understood that he was busy with charlie, and it was impossible to get out safely. Now he can only do everything possible to make charlie satisfied.

And the senior brother slapped himself to give charlie an explanation.

Thinking of this, he hurriedly said with remorse: "Senior brother, I know I was wrong... I offended Mr. Wade with blind eyes, please punish me..."

Jay slapped him again, and said coldly, "Of course I will punish you! Otherwise, with your role, do you still want Mr. Wade to do it himself?"

After speaking, Jay glanced at Charlie quietly, and seeing Charlie's expression was cold and unmoved, he couldn't help but gritted his teeth, rushed forward, kicked Zhang Chuan to the ground, and cursed angrily: "Today, I will teach you a lesson for Mr. Wade, you blind bastard!"

After saying that, he grabbed Zhang Chuan and slapped Zhang Chuan in the face one after another. For a while, Zhang Chuan, who was slapped with continuous applause, was bruised and bruised.

Zhang Chuan was slapped in the face one after another, not only did he dare not have any anger, but instead choked with humility: "Senior brother is right, there are thousands of mistakes, it's all my fault, it's my bastard, it's me... "

Charlie couldn't see the bitterness of these two people, so he said coldly: "Okay! You brothers and sisters don't act in front of me! You Jay, a dignified seven-star warrior, slapped so many slaps in the face that you even got one. The teeth are not knocked out, do you really think that Charlie is a fool and play me here?"
