

The Amazing Son In Law Chapter 4555 (The Charismatic Charlie Wade Chapter 4555)

charlie's question made jay panic, and he couldn't hide his nervousness and said, "Mr. Wade, don't be angry... If you feel uneasy, knock out a few of his teeth now... If you can't do it, then you can't do it next time. Just interrupt his dog's legs! In short, I will definitely satisfy you!"

charlie waved his hand and said lightly: "No, he bumped into me at noon, I let him kneel in the restaurant until now, he must have known wrong. When

Zhang Chuan heard this, he quickly knelt on the ground and said with great piety: "Mr. Wade, I really know I'm wrong! Please raise your hand..."

charlie nodded and said calmly, "I can no longer do it. I'll investigate your fault."

After listening to Zhang Chuan, the whole person was instantly very excited, and he quickly knelt on the ground and kept kowtowing, shouting loudly, "Thank you, Mr. Wade for your magnanimity! Thank you!"

charlie said lightly: "You don't need to either. Thank me in such a hurry, I really won't hold you back, but I won't help you restore your cultivation, because this is the price you have to pay for the mistakes you made."

Zhang Chuan had a very excited expression . , suddenly turned pale.

He even pleaded with a bit of tears: "Mr. Wade, I have been practicing martial arts since I was a child. It's better to die..."

jay on the side also quickly bowed and said: "Mr. Wade, although Junior Brother Zhang has a hot personality, he is indeed a loyal person, and it is not easy for him to cultivate for so many years, I hope you can read Since he didn't make any big mistakes, give him a chance to reform."

charlie waved his hand and said, "If it's not easy, it's not easy for everyone. Do you think Jamura lives like this? Isn't it easy? Didn't he eat one bite at a time for more than 20 years? Could this also be a reason to forgive him?"

Jay was speechless.

Zhang Chuan almost collapsed. For him, if his cultivation could not be restored, his life would be basically a waste of life.

However, Jay no longer dared to intercede for Charlie on his behalf. After all, Jay himself had no friendship with Charlie, and his words were insignificant in front of Charlie. At this time, Charlie suddenly remembered something, looked at Jay

, and asked, "There was a guy named Luo, who should be from your apprentice?"

Is he?! He disappeared in Aurous Hill before, is he in your hands, Mr. Wade?!"

Fei Kexin's expression did not change, because she had guessed that Mr. Luo must be in Charlie's hands. So I didn't mention it to Charlie because I couldn't find a suitable opportunity to speak.

At this time, Charlie said calmly: "He is indeed in my hands. If I remember correctly, his strength seems to be a little bit worse than yours, but a little bit stronger than that Zhang Chuan."

Jay Unable to hide his shock, he nodded and said, "Yes... Junior Brother Luo has already broken through the six-star martial artist. Originally, he was going to replace me and continue to serve the Fei family. I don't know how he offended Mr. Wade?"

Charlie smiled slightly . : "I can't talk about offending me, it's just that Miss Fei was racking her brains in Aurous Hill to investigate me. I saw that the bodyguard beside her was in the way, so I asked him to stay at my dog farm for a few days."

Jay said this His expression was extremely sad.

Although there are many disciples in his division, there are very few masters who can really show their hands.

The Amazing Son In Law Chapter 4556 (The Charismatic Charlie Wade Chapter 4556)

One he, one Mr. Luo, and one Zhang Chuan are almost half of the masters of the division, and even more than half of them.

However, for most of the country, only two people were damaged in the hands of charlie, which also greatly weakened the overall strength of the division.

Thinking of this, jay could only bite the bullet and said: "Mr. Wade, my two junior brothers are the mainstays of the division, please don't forget the villain, let them go... In the future, does Mr. Wade have any orders? , under the sword and the sea of fire, don't dare to obey!"

charlie ignored jay's statement indifferently, waved his hand and said, "It's useless to talk too much about this. If you really want me to let them go, it's not impossible, but you have to accept my conditions."

jay heard this. This matter has a door, and immediately said: "Mr. Wade, please tell me! No matter what the conditions are, we will try our best to honor it!"

charlie said lightly: "It's also simple, let the two of them serve in Wanlong Palace for three years, and after three years, I'll give them back their freedom!"

Zhang Chuan, who was kneeling on the ground, said without hesitation, "I am willing! I am willing! As long as Mr. Wade can restore my cultivation, I am willing to serve Wanlong Palace for three years!"

charlie smiled and said, "Since that's the case, I'll give you one night to clean up, and let Abbas arrange for you to go to Syria tomorrow."

Zhang Chuan hurriedly asked, "Mr. Wade, the next cultivation level... Do you want to help him recover first, or wait for him to work for Wanlong Palace for three years before recovering?"

charlie couldn't help but ask: "If you don't have a cultivation base, why would you work for Wanlong Palace?"

Zhang Chuan immediately understood what charlie said. What he meant, he quickly kowtowed and said, "Thank you, Mr. Wade... Thank you, Mr. Wade! Please

rest assured, Mr. Wade, and I will do my best to serve the Wanlong Palace in the future, and I will never disappoint Mr. Wade's expectations!"

charlie nodded and stretched out his hand to He waved slightly and said, "Remember, I can restore your cultivation today, and if you fall into my hands again in the future, I can still destroy your cultivation, and next time, I will not I will give you another chance."

Zhang Chuan said without hesitation: "Mr. Wade, rest assured, I will never do it again next time..."

Speaking of this, he was suddenly stunned, then looked at his hand, and again Closing his eyes for a moment, he blurted out, "My cultivation...my cultivation has recovered?! Why...why did it suddenly recover?!"

After that, he looked up at charlie and said gratefully: "Thank you, Mr. Wade! Thank you, Mr. Wade!"

jay was shocked when he heard it, and after a closer look, he found traces of his cultivation on Zhang Chuan.

At this moment, there were already stormy waves in his heart: "charlie didn't touch Zhang Chuan just now, he just waved his hand, and Zhang Chuan's cultivation has been restored like this?! What kind of strength is this? To achieve such a level of ecstasy?!"

charlie was too lazy to hide his strength in front of the Fei family and his senior brother jay, so he said in a coercive manner: "After I return to Aurous Hill, I will restore Mr. Luo's consciousness and cultivation. , let him go to Syria to report to Wanlong Palace, after the expiration of the three-year period, Wanlong Palace will let them leave, but if the two of them intend to escape during these three years, I will definitely kill them."

Zhang Chuan Nodding and promising, even jay, who was on the side, kept reassuring: "Mr. Wade, rest assured, the two of them will go all out to serve the Wanlong Palace and will never run away halfway!"

charlie nodded slightly, and then said again: " There is one more thing, from now on, whether it is the Fei family or these martial arts masters related to the Fei family, without my order, they will never enter China without permission, otherwise, no matter who they are, I will not be polite!"

The Amazing Son In Law Chapter 4557 (The Charismatic Charlie Wade Chapter 4557)

charlie knew that behind jay and others was a sect in the field of martial arts.

Now, apart from a few martial arts families, there are no martial arts sects in China, and almost all martial arts sects are overseas.

Therefore, he had to remind jay and the sect behind him to stay away from China from now on.

As for the Fei family, charlie didn't want them to get involved in China too much. After all, if such a huge family shifts its focus to China, it will inevitably trigger many chain reactions, which may not be a good thing for charlie and the Wade family.

Moreover, charlie also knew very well that Fei Kexin was too smart, so he subconsciously wanted to keep a certain distance from Fei Kexin to avoid any unnecessary trouble.

Whether it was the Fei family or jay, of course they agreed without hesitation. What they are most afraid of now is charlie's anger, so no one is willing to provoke his majesty.

It's just that Fei Kexin's heart is somewhat bitter.

Just now, she was still thinking about how to transfer her business to China in the future, so that she could find an opportunity to meet charlie more.

Unexpectedly, charlie seemed to see through her mind and directly killed her thoughts in the cradle.

At this time, charlie didn't want to continue to waste time at Fei's house, so he urged Zaki to sign the legal documents immediately and cede the seat of the chairman of the board to Fei Kexin.

Afterwards, Mr. Fei couldn't wait to sign the power of attorney, and fully authorized Fei Kexin to control all his assets.

In this way, Fei Kexin has officially become the new head of the Fei family, and he is the head of the board of directors and finance.

As long as these two rights are firmly held in their hands, absolutely no one in the Fei family will be able to get her.

After everything was settled, Fei Kexin took the initiative to say to charlie, "Mr. Wade, the 50 billion US dollars can be paid to your account at any time. When do you plan to trade the rejuvenation pill?"

charlie smiled and said, "I can do it anytime. I'll give you my account in a while, and you can transfer the money to my account, and I'll give you Pill immediately."

Fei Kexin said without hesitation, "Okay. Mr. Wade, I'll arrange the financial payment!"

charlie remembered something, and said, "Miss Fei, wait a moment."

After that, he took out his mobile phone and called Abbas.

When the call was connected, charlie said: "Abbas, send me the account number of Wanlong Palace, and I will ask Miss Fei to transfer 10 billion US dollars to your account."

Abbas asked in surprise: " Mr. Wade...you...what are you doing? There is no shortage of money in Wanlongdian's account, and how can my subordinates ask for your money..."

charlie said seriously: "You are building a base now, Both hardware and software need a lot of financial support, and the more money the better, and you have invested a lot of manpower and material resources in this time in the United States, how can I let the brothers in Wanlong Temple go home empty-handed?"

Abbas was busy Said : "Mr. Wade, the entire Wanlong Palace is allegiance to you, why do you have to be too out of touch with us..."

charlie said very seriously: "Even the lords and warlords of the feudal society cannot let their subordinates The soldier brought his own food and grass to fight for him. Since the Wanlong Palace is loyal to me, I have to give enough support in terms of funds. In the future, the Wanlong Palace will further expand its strength,

which requires a lot of funds. This money You leave it for your own development.”

When Abbas heard this, he no longer refused, but said respectfully: “Mr. Wade, rest assured, your subordinates will definitely improve the strength of Wanlong Hall by a few levels. ”

Okay.” charlie said with satisfaction: “Tonight’s affairs must be done more beautifully.”

Abbas blurted out: “Don’t worry, I have arranged for a large number of people to control it, and I will never let anyone. Run away!” A

few minutes later.

The US\$50 billion from the Fei family was transferred to the US dollar accounts of charlie and Wanlongdian in two instalments.

Among them, charlie has an account of 40 billion, and Wanlong Palace has an account of 10 billion.

This money is nothing to charlie, but to Wanlong Palace, it is an extremely abundant development fund.

Originally, Wanlong Palace made a lot of functional sacrifices in order to save the budget in the construction planning of the base, but with this money, the base of Wanlong Palace can be built according to the highest standards, and it may not take long. Wanlongdian can become the largest and most powerful mercenary organization in the world.

And charlie, who received the payment, also kept his promise, took out a rejuvenation pill, and divided it into four parts in front of Jian.

Jian looked at Huichundan, those eyes full of anticipation, and could not wait to jump out of their sockets to hug and hug the medicine that he dreamed of.

The rest of the Fei family stared with wide-eyed eyes. They had all heard of the miraculous effects of Huichundan, and now they all wanted to witness with their own eyes whether this medicine was really that miraculous.

The Amazing Son In Law Chapter 4558 (The Charismatic Charlie Wade Chapter 4558)

After charlie divided the rejuvenation pills, he put away three of them, and then handed the remaining one to Fei Kexin, and said, “Miss Fei, now this quarter of the rejuvenation pill is yours. Now , how to use it is entirely up to you.”

Fei Kexin said gratefully, "Thank you, Mr. Wade!"

After saying that, she turned around and looked at her grandfather Jian, and without hesitation she put the rejuvenation pill. He handed it to his grandfather and said respectfully, "Grandpa, you are the root of the Fei family, without you, the Fei family would not have what they are today, so you deserve this quarter of the rejuvenation pill, please accept it.!"

Jian stretched out his hand to take Huichundan, feeling excited and moved.

The excitement is that I finally got the rejuvenation pill and my life is finally extended;

I am moved that my granddaughter did not let me down, even if she was already in power, she still respected herself and gave herself enough face. Be really good to yourself.

Thinking of this, the matter of losing the head of the Fei family has no negative impact on him.

On the contrary, he felt that from now on, he would completely take a back seat, eat rejuvenation pills and sing songs, and at least be able to live happily for another twenty years.

If he, his precious granddaughter, can continue to work hard and help him get a rejuvenation pill, then it is not a problem to live another thirty or forty years.

As for the Patriarch of the Fei Family, there is nothing left to miss.

Thinking of this, Jian's mood suddenly brightened.

This kind of feeling of enlightenment is not just a window in my heart, but it is like tearing down the room in my heart.

So, he put the quarter of Huichundan into his mouth almost without thinking, closed his eyes, and felt the extraordinary medicinal power of Huichundan with his heart.

Although it is only a quarter of a pill, the effect is still very obvious.

Jian only felt that his whole body seemed to be much lighter all at once, and his tired body and sluggish spirit had also been greatly improved in an instant.

This brought him back to the feeling he had felt a few years ago.

At his age, he could feel that his body was not as good as before, so he regained a few years of youth at once, and Jian's complexion, spirit, and physical strength all recovered a lot in an instant.

Seeing that Mr. Fei's complexion has improved a lot, all the Fei family members are speechless in shock.

Especially Zaki, he saw that a quarter of Huichundan had such effects, and he couldn't help sighing in his heart: "No wonder the old man is willing to spend more than 200 billion to buy Huichundan, this is only a quarter, if he can get one. The whole one, isn't it twenty years younger all of a sudden? In that case, I'm afraid I'm about the same age as me..."

Immediately, he couldn't help but think to himself: "If the old man still has a chance to get more rejuvenation pills, then I'm probably going to die in front of him..."

Thinking of this, Zaki felt a little dejected.

He knew that now that he had disarmed and surrendered, something like Huichundan would definitely be out of his hands.

At this time, Jian was already in tears with excitement. He finally got the rejuvenation pill as he wished. In the next few years, he no longer has to worry about death coming to him.

Excitedly, he shed tears silently for a long time before opening his eyes to look at Charlie, and choked with gratitude: "Mr. Wade, thank you for your re-creation! It will be remembered for a lifetime!"

Charlie waved his hand and pointed at Fei KeXin said: "If you want to thank your granddaughter, she gave you the rejuvenation pill."

Jian nodded again and again: "I understand!"

After speaking, he quickly turned around and said to Fei Kexin, "Ke Xin... Thank you..."

Fei Kexin said hurriedly: "Grandpa, what are you saying, these are my obligations!"

Jian couldn't help but sigh: "Good boy, Grandpa really didn't hurt you in vain..."

charlie looked at the time at this time and said, "It's getting late, I have to go back to Providence, you should sort it out tonight, and I will officially announce it to the whole society in the morning tomorrow, and I will show it on TV. Waiting in front of the plane to see your performance!"
