

The Amazing Son In Law Chapter 4559 (The Charismatic Charlie Wade Chapter 4559)

After a while, the entire Fei family, led by Jian and Fei Kexin, walked out of the Fei's villa together and sent charlie out respectfully.

At this time, a helicopter had been waiting on the lawn outside the door for a long time.

Surrounded by the Fei family, charlie came to the helicopter, turned around and said to Fei Kexin, "Okay, go and do your own business."

Fei Kexin nodded lightly, and said respectfully, "Mr. Wade , you have a smooth journey."

charlie looked at her and whispered: "Miss Fei, I will let Abbas keep some people to help you through this transition period, and you must also be wary of people coming from within the Fei family. Although dogs can bite people, if they can be domesticated, they are still very useful."

Fei Kexin was extremely grateful, and said seriously, "Thank you, Mr. Wade, I will pay attention to it next time..."

charlie nodded slightly. He said with a smile: "If that's the case, then I'll go first and call if you have anything."

After that, charlie stepped onto the helicopter.

Immediately afterwards, the helicopter took off slowly amid Fei Kexin's reluctance and Fei's family's comments, and flew towards the northeast.

As soon as charlie left, many Fei family members finally breathed a sigh of relief.

Zaki also had a feeling of the rest of his life at this time, and his whole body relaxed in an instant, as if he had exhausted all his strength.

The same goes for his son yogi.

At this time, they had almost put Jamura's death behind them, and were grateful that they were still alive.

Fei Jian Center was also full of emotion. Although he could not take back the title of Fei Family Patriarch today, he had obtained the most desired rejuvenation pill, so the ending of the matter was super satisfactory for him.

To him, nothing is more important than rejuvenation pill.

Jamura's death is now irrelevant to him. After all, to a certain extent, he still has to thank Jamura. If he hadn't provoked charlie, he wouldn't have the chance to return to New York, much less impossible. Get charlie's Rejuvenation Pill.

What Fei Kexin missed most at this time was his parents, so he immediately asked his uncle Zaki: "Where are my parents and family now?"

Zaki looked tense and said quickly, "Kexin, your parents, they, They have moved out of the Fei family before, if I remember correctly, they should have gone to Miami, where your dad has a villa by the sea, and they all went there for vacation..."

Fei Kexin frowned: "If my parents go on vacation, I can still believe it, but my brothers and sisters have actual positions in the group, how could they go to Miami for vacation? Don't they need to work?"

Zaki felt uneasy.

Fei Kexin's parents and relatives were expelled from the Fei family as soon as he seized power.

And her brothers and sisters who had actual positions in the group were also directly fired without exception.

Moreover, in order to prevent them from posing any threat to him, Zaki explicitly forbade them from participating in any public activities. He would only give them freedom after he knew that his country was stable and that the old man had completely returned to the West.

Therefore, Fei Kexin's family can be said to be forced to go to Miami under house arrest by him.

Fei Kexin is now the head of the Fei family, supported by Charlie and Wanlong Palace. Zaki is worried that she will settle accounts in the autumn, so he is extremely nervous in his heart, so he can only bite the bullet and say: "Kexin... To be honest... let me tell you what I mean is that your family went to Miami... I think it's more comfortable for me that they leave New York..."

Speaking of which, he was afraid that Fei Kexin would get angry, and quickly said apologetically, "I'm sorry. Kexin... Uncle is also confused for a while, you must not have the same knowledge as me..."

Fei Kexin had already guessed his motive for doing this, and the reason why he deliberately asked him was to give him a click. Seeing that his attitude of admitting his mistakes was not bad, Fei Kexin said, "Uncle, as the saying goes, the world is full of prosperity. For the sake of profit, the world is for the sake of profit. Although your actions are very inappropriate and even immoral, I can understand to a certain extent."

"Yes, yes..." Zaki said with a smile on his face. "Thank you Kexin... Long live understanding, long live understanding..."

Fei Kexin said indifferently: "Uncle, I don't need to pursue these matters, but you have to leave for Miami overnight and apologize to my parents and family in person, and then bring them back all without fail."

"Okay!" Zaki didn't expect that Fei Kexin would open up the net and give himself a step. In addition to being excited, he said almost without hesitation: "Then I'm ready to fly to Miami!"

Just as he was talking, a soldier from Wanlong Palace ran over and said to Fei Kexin, "Miss Fei, there are a few police cars outside the gate, saying that Li Yalin, Detective Li, wants to see one. See Zaki."

"Li Yalin?" Fei Kexin frowned slightly and said, "Isn't he the Chinese detective?"

After that, she turned to Zaki and asked, "Uncle, do you have a relationship with Li Yalin? Friendship? Or is he investigating Jamura's case?"

Zaki said quickly, "Ke Xin, you don't know anything, before you came back, Mr. Wade first had Jamura kidnapped, and then Jamura's two His ear was cut off, and he blatantly asked for 200 billion US dollars in digital cryptocurrency. Your eldest brother went to contact them, and they took the opportunity to hype it online, so that the whole world knew about Jamura's kidnapping... And this case happened to be this Li Yalin in charge, he has been unable to find any clues, and he is very impatient. He has come here once before, I ignored him, and I don't know why he has come here again."

Fei Kexin heard this . After only a few words, I couldn't help but sigh: "It seems that Mr. Wade has a plan long ago. He is behind the scenes to help fuel the flames, just to make the reputation of the Fei family suffer after the incident is exposed..."

Zaki hurriedly said: "Ke Xin, this Li Yalin is not a fuel-efficient lamp, do you think someone should send them away first?"

Fei Kexin shook his head and said: "It's good for a while, but not for the rest of my life, please Come in, I'll meet him for a while." When

the Wanlong Hall soldier heard this, he immediately said respectfully, "Okay Miss Fei."

Fei Kexin said to Jian and Zaki at this time, "Grandpa , Uncle, it's hard for you to meet Detective Li with me, as for the others, go back to rest first."

Jian and Zaki naturally had no objection, and the others hurriedly prepared to leave first.

Zaki stopped his son yogi and said, "yogi, you arrange a plane, and after I accompany Kexin to see Inspector Li, let's go to Miami together."

yogi said quickly: "Okay dad, I Let's make arrangements."

After a while, several police cars drove into Fei's manor from the main entrance.

These cars came all the way to the front of the main villa and entered the reception hall under the leadership of a Wanlong Hall soldier.

As soon as he entered the hall, Li Yalin looked at Zaki and blurted out, "Mr. Fei, the 48 hours left by the kidnappers are running out. Do you have any clues here to synchronize with me?!"

Li Yalin just finished speaking. Suddenly I saw Jian sitting next to Zaki, but now Jian seems to be a little younger than the last time I saw him, so I didn't recognize him at once.

When he recognized Jian, he was stunned and blurted out, "Fei... Mr. Fei?! You... When did you come back?!"

The Amazing Son In Law Chapter 4561 (The Charismatic Charlie Wade Chapter 4561)

As a high-ranking Chinese detective in New York, Li Yalin is naturally very familiar with Jian.

Moreover, he also knew the inside story of the Fei family's previous struggle for power, that Jian was seized by his son Zaki, and he even heard that Zaki was spending secretly everywhere to buy Jian's head.

However, he never expected that at this moment, Jian would be sitting beside Zaki without incident.

This made him not understand for a while what was going on here.

At this time, Jian slightly cupped his hands towards Li Yalin and said, "Thanks to Inspector Li's concern, I just came back today."

After speaking, he pointed to Fei Kexin beside him, and said with a smile: "Li Inspector, let me introduce to you, this is my dearest granddaughter Fei Kexin, I don't know if you two have met."

Li Yalin looked at Fei Kexin and said politely, "Hello, Miss Fei, We have met at several events before, but we have not spoken."

Fei Kexin also said respectfully: "Inspector Li, I have long admired your name, but I have never had the chance to get to know you."

Jian said this . Shi Shi said: "Inspector Li, Kexin has now officially become the new head of the Fei family. From now on, she will have the final say on the entire Fei family. If you have anything, just tell her directly. ."

Li Yalin was even more shocked when he heard this.

Jian was able to return to the United States safely, which itself surprised him. After all, in his opinion, since Zaki has successfully seized power, he has enough strength to make Jian never return to the United States alive. .

Therefore, it is unbelievable that Jian can come back alive, and Zaki will give Fei Kexin the position of the head of the family that he has finally snatched up, which is even more bizarre and even a little weird.

Just imagine, who would be so stupid to give up the power that was just snatched but not yet warm, so easily?

Therefore, he felt that the only possibility was that Zaki was forced to give up his position as the head of the family.

But this made him even more confused: "Father Fei's power has been taken away, and he even has to do everything he can to avoid being pursued and killed. How could he be able to force Zaki, who has already taken a high position, to abdicate?"

" Moreover, even if Zaki's brain was kicked into pieces by a donkey, he would not be able to make such a decision..."

"Could it be... Is there any external force stronger than Zaki to help Jian?!"

"It seems that there is only one possibility..."

Thinking of this, he couldn't help thinking of Jamura's kidnapping, and he was even more surprised. There may even be some kind of connection that I can't see or touch for the time being.

So, he couldn't help but ask Zaki: "Mr. Fei, have you come up with any new clues about your son Jamura's kidnapping? Could the kidnappers not come for money, but have other plans??"

Zaki said embarrassedly: "This... To tell the truth, Inspector Li, I have no clue in my heart..."

Li Yalin intuitively thought that Zaki must not be telling the truth to himself, but in front of Jian and Fei Ke Xin's face, he couldn't get to the bottom of it, so he asked: "Mr. Fei, have you prepared the cryptocurrency for the kidnappers?"

The Amazing Son In Law Chapter 4562 (The Charismatic Charlie Wade Chapter 4562)

Zaki said embarrassedly: "Well... Detective Li... ...Now my niece Kexin is in charge of all the affairs of the Fei family, so you should ask her about this..."

Li Yalin frowned slightly, turned to look at Fei Kexin, and asked, "Miss Fei, since you are Fei Patriarch, how are you going to deal with Jamura's kidnapping?"

Fei Kexin calculated the time, thinking that Charlie would soon let people publish those videos first, so she can't expose herself in front of Li Yalin yet. any flaws.

So, she said to Li Yalin with a firm face: "Inspector Li, although Jamura is a little older than me, he is my eldest nephew and the eldest son of the Fei family, so we will naturally do our best. Save him, so I also hope that the police can go all out to save him from the kidnappers..."

Li Yalin didn't know if Fei Kexin's words were sincere, but he could only say seriously: "We New York police have been doing our best. We tried our best to search for all relevant clues, but these kidnappers were too professional. We didn't have any substantive clues in a short period of time. Now we not only don't know where He? We don't even know the kidnapping. What kind of power are his people?"

After speaking, Li Yalin added: "I speculated before that the kidnappers kidnapped Mr. Fei probably not for ransom. In my opinion, the kidnapper's series of actions is more like a long-planned event. , In response to the public execution of the Fei family, they may have mastered some scandalous scandals of Mr. Fei, and then deliberately made the matter of his kidnapping known to everyone, and they also deliberately led public opinion to sympathize with Mr. Fei. In this way, if they expose the scandal of Young Master Fei, they can achieve the effect of promoting first and then suppressing, and in that case, it will also have a huge negative impact on the Fei family."

Fei Kexin couldn't help but be a little surprised in the depths of his heart, it seemed that This Inspector Li has already figured out the cause and effect of the matter, but he has not yet grasped the specific clues.

However, she could only pretend to be confused and say, "Inspector Li, to be honest, I don't quite understand what you mean, Jamura is very young, he has just entered the society not long ago, what scandals could he have? Li Yalin shook his head and said, "

I don't know about this either, but I can be sure that since these kidnapers kidnapped him, and they cut off his ears and told the world, then I am sure that the scandal must have happened to him." ."

As he said that, he looked at Zaki and said seriously: "Mr. Fei, I have told you the same thing before, I feel like you know something, but for some reason you didn't tell me, but I want to remind you Yours is, the time left for the kidnapers is getting less and less. If the kidnapers really disclose Jamura's huge scandal, not only will the Fei family's reputation be discredited, but our police will also face a dilemma! At that time, the people will no longer support us in rescuing Jamura. If we continue, we may lose popular support. If we don't continue, we will lose our dignity as a police officer..."

Zaki said embarrassedly, "Inspector Li... ..I really don't know! That grandson of mine, in every way...all..."

When he said this, Zaki was a little hard to say.

He originally wanted to say that his grandson is excellent in every way, and there will never be any scandals.

However, in his mind, Jamura's inhumane beast behavior in those videos could not help but emerge, which made him not even have the courage to continue lying.

He felt that if he were to say that Jamura was excellent in all aspects in front of other people at this time, those girls who died in the hands of Jamura would definitely turn into deadly ghosts to seek revenge for him. .

Seeing that he became stumbling all of a sudden, Li Yalin couldn't help asking: "Mr. Fei, what do you want to say?"

Zaki avoided his eyes and said bravely, "I...I want to say...Jamura this Child, it's really quite..." The words "

excellent” had already reached Zaki’s mouth at this time, but he couldn’t say these words even if he died.

Just when he was struggling with these two words, a policeman hurried in and said in a panic: “Detective... something big happened...”
