

The Amazing Son In Law Chapter 4573 (The Charismatic Charlie Wade Chapter 4573)

Asher was very dissatisfied with the Wanlong Palace.

The reason for this is because Wanlong Palace had done something to the Wade family before, and it had also spoken out to smash his brother-in-law Bruce to ashes.

Asher is different from his second brother Homula. In Homula's eyes, he only recognizes his elder sister, Lydia (Ava) (Charlie's mom), and his nephew, Charlie.

This is mainly because Homula is younger. When his sister Lydia (Ava) (Charlie's mom) married Bruce, he was still in college and had little contact with Bruce.

But Asher is different. He is only two years apart from his sister Lydia (Ava) (Charlie's mom), so he has had a lot of contact with Bruce. In his heart, he still has a certain recognition of Bruce, his brother-in-law.

It is precisely because of this that he heard that when Wanlong Palace brought the coffin to the Wade family, he had mentioned this to Homula, hoping that Homula could put pressure on Wanlong Palace on behalf of the An family to let them not embarrass the Wade family.

But Homula did not agree.

The reason why he didn't agree is very simple, that's because he didn't take the Wade family seriously.

A long time ago, Lord Wade, the old man of the Wade family, took the initiative to approach Homula at an elite chamber of commerce, but Homula told him clearly at the time that the Wade family only recognized Charlie, and no one else would do.

Since Charlie didn't find it, he naturally had no reason to help the Wade family.

However, this incident also made Homula afraid for a while.

Because he never thought that Abbas would go to Yeling Mountain to crush the remains of his sister and brother-in-law!

Fortunately, the Wade family took the initiative to take out half of the property to settle matters, otherwise Homula would not be able to forgive himself if his sister's remains were destroyed.

It was also at that time that Homula felt a little looser in his heart towards the Wade family, and he also expressed his attitude to Asher. If the time is right in the future, he will definitely give some help to the Wade family.

And now, when Asher heard that the Wanlong Palace was coming again, he couldn't help but feel a bit of disgust in his heart.

So, he said to Li Yalin: "If the Wanlong Temple is really behind the scenes, you can't let them easily succeed. If you New York police can't deal with them, go to the CIA and the Homeland Security Bureau. If you can pass the Homeland Security Department, it would be better to let the Wanlong Palace suffer a big loss!"

Li Yalin said seriously: "I also plan to do the same, but there is not a good opportunity yet, after all, as I know now, I have already arrived at the Wanlong Palace in New York. As a member, only Xion is the only one, and the information and evidence at hand is seriously insufficient."

Speaking of which, Li Yalin added: "Besides, there is something I still don't understand."

Asher asked, "What's the matter??"

Li Yalin said, "That's what you just said. It's reasonable for Wanlong Palace to help Mr. Fei seize power and make a fortune by the way, but they have no reason to kidnap Jamura unless someone else kidnaps Jamura."

Asher sighed: "It's really a problem. It feels like solving a complex equation. No matter which direction you cut in, it's not right, as if some necessary conditions are missing."

Li Yalin remembered something and asked quickly: "Oh yes Now, do you still remember what I told you about the star named Stefanie?"

"Remember." Asher asked, "What's wrong? Does this matter have anything to do with her?"

Li Yalin smacked his lips and said seriously : "There is no evidence to show that it is related to her, but I always feel that it is related."

Asher did not say that Stefanie delivered medicine to his father tonight and saved his life, but asked: "Are you How did you think about it?"

Li Yalin said, "I don't think this girl is easy!"

After speaking, he added: "Look, judging from the exposure of Jamura, the charity dinner held on the night of his disappearance was clearly set up for Stefanie, and he definitely wanted to tie Stefanie. , used to satisfy his perverted desires, but Stefanie, who came from afar, did not fall in, but Jamura, who was in charge, fell in by himself. Qianglong still doesn't overwhelm the snake, let alone Jamura. Long, just say how talented this girl is..."

Asher's expression froze slightly when he heard this.

After a while, he said, "Old Li, do you know what Stefanie has to do with our family?"

Li Yalin asked in surprise: "What? I want to have a good relationship with your sister's in-law's family, but the strength seems to be worse than your sister's in-law's family. It stands to reason that in the eyes of your An family, it should not be enough to see?"

Asher said seriously: "Stefanie, it's me. My nephew's fiancée!"

Li Yalin asked in shock: "Really? Your nephew found it?!"

" It was decided at the time."

"Oh... baby..." Li Yalin mumbled to himself, and blurted out, "But I haven't heard you say this before."

Asher said seriously, "Me too. I just found out this evening that my father is in critical condition and his heart has stopped beating. It happened that Miss sun came to visit and gave me a blood-rescue pill to bring my father back from the brink of death. "

Li Yalin was stunned for a while on the other end of the phone, and after a while, he said cursingly, "I'm such an uncle, it's really bad tonight! How come all the weird things happen this night? What happened to the Fei family? Let's not mention it, your old man is critically ill. This Stefanie flew from the east coast to the west coast to deliver medicine for thousands of miles. Is she a prophet? Or did she get some rumors in advance? "

"This..." Asher frowned and said, "This shouldn't be the case... She just happened to come over to visit, I'm not telling you, she is my nephew's fiancée, and this time she is on tour in the United States, so I will smoke It's time to visit at home, and I happened to meet my father in critical condition, so..."

Asher suddenly stopped when he said this, his expression very puzzled.

Although Li Yalin couldn't see his expression, he could guess, and he asked, "Do you also think that when Stefanie doesn't know anything, he can still spend the night at the time when the old man is critically ill. Flying from the east coast of the United States to the west coast of the United States to visit is really a bit of a nonsense?"

Asher muttered: "Listening to you, it is indeed a bit..." After speaking,

Asher said again: "But this matter It's a bit strange to push it the other way around, the news of my father's critical illness has never been leaked to the public, and no one knows except you, how did she know that my father was critically ill?"

Li Yalin asked him, "What time is that Stefanie? Arrived ?"

Asher thought for a while and said, "Maybe it's ten or twenty minutes later than me, and I can't remember the details."

Li Yalin smacked his lips and said, "This is a goddamn hell, you It was from New York, and she also left from New York, and it was only ten or twenty minutes later than you, that is to say, it was basically equal to the front and back! Go save the old man!"
