

The Amazing Son In Law Chapter 4607 (The Charismatic Charlie Wade Chapter 4607) –

At this moment, Li Yalin had two things in his heart.

One is to quickly arrest and bring to justice the murderer who has been massacred in New York in the past two days;

The other thing is to help his good brother Asher find out what secrets there is on Stefanie sun.

Right now, the Fei Group is under full control, and it is only a matter of time before he finds Xion, so when he received this call, he was very much looking forward to good news from his subordinates.

However, the voice on the other end of the phone said helplessly: “Boss, we did a whole play according to your instructions, but I didn’t expect that there was no hard disk in the surveillance video recorder of that barbecue restaurant.”

“No hard drive?!” Li Yalin poured a basin of cold water on him and blurted out, “Why no hard drive? Was it taken away in advance?”

The subordinate replied: “The colleagues I sent out reported that the boss said that the hard drive was broken before, and he never replaced it with a new one.”

Li Yalin blurted out, “What about the broken hard drive? Isn’t it in the machine?”

The subordinate said: “No, I also asked, and he said that the hard disk of the surveillance video recorder is indeed empty.”

Li Yalin was stunned, frowned and said, “This is not right! If the hard drive is really broken and he is not ready to repair it, then he has absolutely no need to take the hard drive out of the hard drive, just like your computer. The CPU is broken, and then you are going to put this computer aside and idle, it has already been idle, will you only take out the computer CPU?”

“This...” The subordinate groaned and blurted out, “Boss, do you mean that there is something wrong with that shop owner?”

“There must be something wrong with this person.” Li Yalin said coldly: “Check the information of that boss for me, and send some other people to monitor him quietly so that he doesn’t escape.”

With that said, Li Yalin instructed again: “You guys have to remember, don’t startle the snake with grass!”

“Okay!” The subordinate agreed immediately and said, “Then I will arrange it.”

After hanging up the phone, the person in charge at the scene ran over and said, “Inspector Li, the people at the Fei Group headquarters have been evacuated almost, and the trace of Xion has not been found yet, the special operations team will soon bring a life detection. I went in with the search and rescue dog.”

Li Yalin nodded and said: “Instructed to go on a carpet search, combined with the architectural blueprint of the Fei Group headquarters building, don’t let any passages that may escape!”

The other party immediately said, “Please, Inspector Li, rest assured, we have cut off all the channels connecting the group headquarters with the outside world. Unless the other party turns into a fly and flies out, it is definitely impossible to escape.”

“That’s good.” Li Yalin ordered: “Let the special operations team start! Before it gets dark, be sure to find that Xion for me!”

At the same time, charlie had left Long Beach and went to the venue where Stefanie sun performed.

Since Stefanie sun couldn’t carry her mobile phone during the rehearsal on stage, she opened a WeChat group in advance, and dragged herself, charlie, and agent Zuri into a group, and asked Zuri to be in charge of receiving charlie.

All the cast and crew related to the performance threw themselves into the rehearsal, but Stefanie sun’s agent Zuri had nothing to do.

For Zuri, she is the busiest before the performance preparations, such as discussing various cooperation, engaging in various publicity and coordinating various media resources, and researching and studying how to help Stefanie sun in resource replacement.

However, as soon as the performance enters the countdown state, it also means that her preliminary work has been basically completed, so this time she ends up being idle.

Knowing that charlie was coming, Zuri waited outside the venue early. When he saw charlie, he stepped forward and said attentively, “Mr. Wade, you are here! Stefanie is rehearsing, let me receive you!”

charlie looked at Zuri and asked in surprise: “Miss Zuri, we have known each other for a long time, why are you suddenly so polite today?”

Zuri laughed and said, “Look at what you said about Mr. Wade, I, Zuri, have always been very polite to you.”

charlie teased: “Now is not the time for you to point at me and call me a heartless man.”

Zuri said with a serious face: “No, no, adults, you must learn how to use one code to one code. You are indeed acting like a heartbreaker when dealing with Stefanie’s problem, but you are still very powerful in other aspects. of.”

After she finished speaking, she ignored charlie’s depressed expression, pointed to the huge performance venue behind her, and said with a smile, “Look, this is the best performance venue in New York, we were still worried before, it was put together by the Fei family, maybe I don’t even have the chance to use it, but who would have thought that this venue has now become ours directly...”

Speaking of this, she said to Charlie with admiration: “Mr. Wade, it has to be you!”

Charlie couldn't help crying and laughing at this time.

Zuri is eccentric, sometimes speaking with a gun and a stick, but sometimes giving people a rare and honest feeling.

So she stepped on it like this, and she really didn't know how to answer.

So, he could only change the subject and said, “By the way, what's the layout of this pavilion? Is there a private room?”

“Yes.” Zuri replied smoothly, and then asked: “Mr. Wade, don't you want to watch the performance in the box tomorrow?”

Charlie nodded: “Yes, the private room should be low-key.”

Zuri said: “Low-key is low-key, but the distance is also the farthest. It is above the head in the last row. When Stefanie is on the stage, it is estimated that you will not be able to see you.”

Charlie said seriously: “The situation is special, I will not show up this time.”

For Charlie, what worries him most is that someone from grandma's house will come to support him tomorrow. In that case, once he sees him, he will most likely recognize him.

Zuri also understood Charlie's request, and said, “Then I'll take you in for a walk. You can take a look at the venue first.”

“it is good.”

Soon, charlie entered the venue under the leadership of Zuri.

At this time, Stefanie sun was busy rehearsing on stage.

So Zuri became charlie’s guide and took charlie around the entire performance venue.

This is a large-scale performance venue that can accommodate tens of thousands of people. The audience seats are distributed in steps, and the closer they are to the stage, the lower they are, and the farther they are, the higher they are.

At the end of the venue, just above the highest row of auditoriums, there is a row of private rooms with very good privacy. These private boxes are usually reserved for VIPs when important sports events are held in the venue. of.

In this way, VIPs can drink and chat with their friends while overlooking the entire game from a height, while maintaining excellent privacy.

In some European football stadiums, many celebrities have their own private boxes. When there is a game, they will invite friends to drink and watch football in the box.

charlie fell in love with this position at a glance, so he asked Stefanie sun’s assistant Zuri: “Zuri, has the VIP room been sold for this concert?”

“No.” Zuri said: “Stefanie’s concerts only sell audience tickets in different areas, not VIP rooms, and VIP rooms are generally not used.”

charlie nodded, pointed to the box in the middle, and said, “Then leave this room to me.”
