

The Amazing Son In Law Chapter 4709 (The Charismatic Charlie Wade Chapter 4709)

Before charlie landed, he had read all the information of Liu Jiahui.

The old man was a romantic, married three times and had five children.

The eldest of the six children is the eldest daughter Liu Manqiong.

Liu Manqiong, born to Liu Jiahui's wife, is 24 years old this year and is studying for a Ph.D. in the Chinese Department of Hong Kong Island University.

When Liu Manqiong was five years old, his biological mother died of cervical cancer, and a year after her mother died, his father Liu Jiahui married a female star in the Hong Kong Island entertainment circle who was ten years younger than him.

A few years later, Fang Jiaxin ran back from the United States, Liu Jiahui divorced his second wife, and then married Fang Jiaxin.

Liu Jiahui's wife gave birth to two daughters. Liu Manqiong is the eldest. Her sister is three years younger than her and is currently studying in the UK.

And in order to secure her position, the female star gave birth to two children to Liu Jiahui within three years, but they were all daughters without exception.

After Fang Jiaxin came back, Liu Jiahui gave the female star a sum of money and sent her to immigrate to Canada with her two daughters.

After Fang Jiaxin married Liu Jiahui, she gave birth to a son to Liu Jiahui at the age of forty. The child is now ten years old and is in primary school.

Liu Jiahui is very fond of his only son. He once spent tens of millions to hold a 100-day banquet for his son in the best hotel on Hong Kong Island, and at the 100-day banquet, he proudly presented Fang Jiabin with a mid-level mansion and a luxury yacht. and a private jet.

And Fang Jiabin is also more favored in Liu Jiahui's eyes because she gave birth to a son to Liu Jiahui.

As for Liu Manqiong's information, Charlie also read it carefully.

This girl is by no means naughty as Liu Jiahui said, on the contrary, all the resumes of this girl are very good.

She was successful in her studies, and she basically got the best grades in any exam recorded in the file;

In addition, she has been keen on philanthropy since she was a teenager. Not only has she continuously donated to various charities for many years, she even spends almost all her spare time as volunteers for those charitable funds.

Recently, Liu Manqiong is promoting a charity activity to solve the drinking water problem in the extremely poor areas of Africa. The purpose is to raise funds from the whole society and raise HKD 200 million in two phases to solve the problem of drinking water difficulties for the extremely poor areas in Africa.

Moreover, in order to play a real calling role, Liu Manqiong raised half of the funds in two phases, that is, 50 million Hong Kong dollars in each phase.

Of course, although she has excellent grades, she has not entered the society to make money, so these donations are also paid for by her father, Lau Ka Fai.

Twenty minutes later.

The convoy entered the famous Shixun Road on Hong Kong Island.

Shixun Road is a mountain road, and the mansions here are almost all villa-style villas built on the mountain.

The luxury houses located here, without exception, are worth hundreds of millions of Hong Kong dollars, and the largest one is even worth more than one billion Hong Kong dollars.

Hong Kong Island is already rich in land, and here, it is the peak of Hong Kong Island's housing prices.

Almost without exception, those who can live here are all the top wealthy people on Hong Kong Island.

Liu Jiahui's mansion is located near the top of Shixun Road. The entire villa covers an area of at least several thousand square meters, and the yard is enough to park twenty or thirty cars.

When the convoy drove in, more than 20 servants and gardeners in white overalls were already waiting in line. From the first car to the last car, they bowed and remained motionless.

After the convoy came in, the bodyguard first got out of the car and opened the door for Charlie, Liu Jiahui, and Fang Jiaxin in another car.

The servants called Mr. and Mrs. hello in unison, but Liu Jiahui pointed directly at Charlie and said to everyone, "Come on, say hello to Mr. Wade!"

So, everyone hurriedly bowed to Charlie and said hello.

Liu Jiahui continued to say to the crowd, "Mr. Wade will be staying at home in the next few days. You must serve Mr. Wade well and don't let Mr. Wade have any dissatisfaction, did you hear?"

The crowd naturally agreed in succession, daring not to be slighted.

Later, Liu Jiahui said to Charlie: "Mr. Wade, before you came, I had the servants clean up the guest room. As long as you are on Hong Kong Island, you will stay with me, and treat this as your own home. Don't be polite to me!"

Charlie was also so happy, so he said with a smile, "If that's the case, then I'll be more respectful than obedient!"

"Okay!" Liu Jiahui hugged Charlie's back enthusiastically, and said with a smile, "Come on, Mr. Wade, please come inside!"

Having said that, he and Charlie entered his mansion together.

The housekeeper followed step by step and said respectfully, "Sir, the banquet is ready, when do you think it will start?"

Lau Ka Fai asked him, "Has the miss come back?"

The housekeeper said truthfully, "Not yet."

Liu Jiahui suddenly said angrily: "This stinky girl! If she dares to let me do this time, I will not give her a penny in the next three years!"

Fang Jiaxin on the side said tastefully: "Why do you say this when you know you can't do it?"

Liu Jiahui asked angrily, "How do you know I can't do it?"

Fang Jiaxin said indifferently: "You have said this once or twice, aren't you the one to compromise in the end?"

Liu Jiahui felt very shameless and said angrily: "This time is different! This time, I Liu Jiahui will do what I say and never break my promise!"

Fang Jiaxin smiled and said casually, "Then I'll wait and see."

Charlie watched with cold eyes, always feeling that Fang Jiaxin was a bit of a b*tch, and his words were meant to sow discord.

He couldn't help feeling sorry for Arman. Arman originally had a bright future, but for her, it was really not worth throwing half of his life in that roast goose shop in New York's Chinatown.

Moreover, he could also see that Arman was still thinking of this Fang Jiaxin to this day, and when he mentioned Fang Jiaxin, there was always a different kind of light in Arman's eyes.

He always thought that Fang Jiaxin had no choice but to leave because he couldn't bear the hardships of black people in the United States.

However, if he saw Fang Jiaxin today, would he be surprised or disappointed?

At this moment, a woman's cold voice came from behind Charlie: "I'm sorry, Mrs. Liu, if you want to watch a good show, I'm afraid you will be disappointed this time."

When Liu Jiahui heard the voice, he turned around quickly and saw the eldest daughter looking at Fang Jiabin with a cold face. He was stunned for a moment, and then he quickly smoothed out: "Manqiong, what I said just now, your father, were all angry words. Just know that you can't let Dad down!"

After speaking, he hurriedly introduced Charlie: "Mr. Wade, let me introduce to you, this is my eldest daughter, Liu Manqiong, who is now studying for a doctorate at the University of Hong Kong!"

Immediately afterwards, he greeted Liu Manqiong and said, "Manqiong, come here, Dad will introduce you to a young talent, Mr. Charlie from the mainland!"

The Amazing Son In Law Chapter 4711 (The Charismatic Charlie Wade Chapter 4711)

When Charlie saw Liu Manqiong for the first time, he only felt that this girl was much prettier than the photos.

What Charlie saw on the documents were all the ID photos of this girl. The ID photos were wearing glasses and unsmiling. They just looked more delicate and beautiful, but they were far from stunning.

However, in front of Liu Manqiong, who is slender and tall, with fair and rosy skin, the facial features without makeup have a charm of Chinese classical beauty. With a long ponytail, it seems that an angel has fallen into the next door and become the top version of the sister next door.

Liu Manqiong's dress is very simple, an ordinary dress, a pair of simple black sandals, and a shoulder bag with no brand at all. Such a casual dress makes her extraordinary temperament even more, to a new level.

Charlie really did not expect that the fat-headed and big-eared Liu Jiahui could give birth to such a fairy-like daughter. Judging from Liu Manqiong's facial features, Liu Jiahui's genes hardly had any effective effect on her.

At this time, Liu Manqiong just glanced at Charlie lukewarmly, and said casually, "Mr. Wade, right, hello."

After speaking, without waiting for Charlie's response, he directly said to Liu Jiahui, "Didn't you tell me to come back for dinner? Please hurry up, I have something to do in the afternoon, so I can't delay it for too long."

Liu Jiahui was annoyed by Liu Manqiong's attitude and blurted out: "What is your attitude? Mr. Wade is a distinguished guest in the family. He is new to Hong Kong Island. I also plan to ask you to help me entertain me and take Mr. Wade around in the afternoon!"

Liu Manqiong refused without hesitation: "No, I said I have something to do this afternoon! Since it's your guest, why don't you entertain yourself?"

Liu Jiahui said angrily: "I think you and Mr. Wade are about the same age, they are the same age, it is more suitable for you to entertain than me!"

"I don't have time!" Liu Manqiong said angrily: "You asked me to come back for dinner, I'm already back, please stop and don't push yourself too far!"

Liu Jiahui said coldly, "Is this your attitude to talk to your father?"

At this time, Fang Jiabin hurriedly came over and said, "Aiya, Jia Fai, what are you doing with your child fighting each other? Besides, Mr. Wade is also here, so you can't let your guests see the joke."

Saying that, she hurriedly smiled and tried to persuade Liu Manqiong: "Manqiong, you know your father's temper, don't know him in the same way, sit down and eat quickly."

Liu Manqiong gave Fang Jiabin a disdainful look, and said coldly, "You don't need to pretend to be a good person here."

Fang Jiabin's expression changed slightly, but she still said with a smile: "Manqiong, you may have misunderstood me just now, my original intention was to persuade your father not to be serious with you, there is no hatred between father and daughter, how can you say no? It's open?"

Liu Manqiong said lightly: "There is really no hatred between the father and daughter, but there is an inseparable hatred between the daughter and the vixen who destroys the family!"

As soon as these words came out, Fang Jiabin's expression suddenly became very ugly.

Liu Jiahui's face on the side was also ashen.

Fang Jiaxin's big eyes were instantly covered with a layer of water vapor, and she said to Liu Jiahui aggrievedly: "Jiahui..."

Liu Jiahui was also very annoyed. After all, Liu Manqiong called Fang Jiaxin a vixen, and the subtext was equivalent to calling him a heartless man.

So, Liu Jiahui, who was so embarrassed, immediately shouted to Liu Manqiong: "Apologize to your little mother, immediately, immediately!"

Liu Manqiong said with a cold expression: "I'm sorry, you and she are both the murderers who indirectly killed my mother. I will never apologize to you two!"

"You!" Liu Jiahui suddenly became annoyed, pointing at Liu Manqiong and was speechless for a while.

The Amazing Son In Law Chapter 4712 (The Charismatic Charlie Wade Chapter 4712)

In this life, Liu Manqiong hated Fang Jiaxin the most.

From the time she just remembered, she remembered that her mother washed her face in tears every day at home, and her father seldom came home. At that time, her mother told her that her father was hooked by a vixen outside, so she told their mother The two women don't care.

And the fox spirit in her mother's mouth is Fang Jiaxin, who is hidden in Liu Jiahui's golden house.

At that time, her mother was still pregnant with her sister, and it was precisely because she was pregnant with her sister that she ignored the routine physical examination and failed to detect and intervene in time at the initial stage of cancer.

I was pregnant in October. After giving birth to my younger sister, my mother gave her breast milk for half a year. During that time, in order to ensure the health of breast milk, my mother did not want to take even a single pill even if she caught a cold, so her condition was delayed even more.

When her mother felt unwell and went to the hospital, the doctor told her that she had terminal cancer.

The doctor also said that the rapid development of her condition had a great relationship with her depression.

Because of this, Liu Manqiong has been unable to forgive his father Liu Jiahui, let alone Fang Jiabin in front of him.

Fang Jiabin knew that she was wrong, so she never dared to confront Liu Manqiong head-on. After she gave birth to her son, her mother was expensive, and she also tried to use her position in front of Liu Jiahui to find a way to get Liu Manqiong out of this family.

However, after several trials, she found that although Liu Jiahui never admitted the mistakes of the year to Liu Manqiong on the surface, he always felt that he owed this daughter very much, so Liu Jiahui was tolerant to Liu Manqiong in every possible way.

It is precisely because of this that Fang Jiabin has never been able to find a suitable opportunity to drive Liu Manqiong away from his eyes.

As a result, the three people with their own thoughts fell into a strange stalemate.

At this time, Charlie made a round of play and said to Liu Jiahui: "Mr. Liu, I can't talk to an outsider about your housework. Otherwise, I'll go first, and we can talk later?"

When Liu Jiahui heard this, he quickly changed his face and said with a smile, "Oh, Mr. Wade, I'm so sorry, it's my godson who has no way to make you see a joke!"

After that, he said to Liu Manqiong again: "Today Mr. Wade is here, we can't let Mr. Wade see jokes, and I have no other requirements for you, have a good meal together at noon, and help me accompany Mr. Wade around in the afternoon. Turn, starting tomorrow, I will no longer occupy your time, what do you think?"

Liu Manqiong immediately asked: "What about the 50 million donation you promised me?"

With a big wave of his hand, Liu Jiahui said proudly, "As long as you help me take good care of Mr. Wade, I will cash the donation tomorrow!"

"Okay." Liu Manqiong agreed without hesitation, and said, "I promise you!"

When charlie heard this, he smiled slightly and said, "Since the two of you have agreed, let's sit down and talk while eating."

Liu Jiahui said with a smile: "Yes, yes, chat while eating, chatting while eating!"

The four of them sat down at the dining table, and the servant immediately brought a variety of meals.

These meals are almost all classic Cantonese dishes, and each dish is extremely elegant.

While greeting charlie to eat, Liu Jiahui introduced these precious dishes to: "Mr. Wade, our Cantonese cuisine is famous all over the world for the preciousness of the ingredients, and the ingredients of my family are the best of the precious! You see. These shark fins, abalone, fish maw, fish maw, bird's nest, and Aolong are all top-notch! And my Chinese chef is also a master of Cantonese cuisine. There are so many dishes on this table, any one of them can be called the best. The pinnacle of Cantonese cuisine!"

charlie nodded slightly, didn't move his chopsticks, but looked at Liu Jiahui and asked seriously, "Oh, by the way, Mr. Liu, I heard that roast goose is the classic among the classics in Cantonese cuisine. Not ready?"
