Tsim Sha Tsui is one of the most prosperous commercial centers on Hong Kong Island and a shopping paradise on Hong Kong Island.

According to Mia (Liu Manqiong), she and her classmates have been raising funds for a charity sale in the central area of Tsim Sha Tsui Commercial Street these days.

According to everyone's original division of labor, she was going to come back tomorrow, but just at noon, she was called home from school by Liu Jiahui, and in the afternoon, she promised to take charlie around, so she simply brought the things she had prepared for the charity sale with her. Come on, by the way.

Moreover, Mia (Liu Manqiong) really didn't know where to take charlie. She spent most of her time at home and school. Apart from doing some charity, she didn't have any entertainment activities on weekdays, so she asked her to give charlie. As a tour guide, she also had a black eye, so she simply went about her own business and took charlie with her.

charlie came with his parents several times when he was young. He felt that because of the small area of Hong Kong Island, there were many people, cars, and most of the streets were narrow and cramped, so he was not interested in the tourism resources of Hong Kong Island, so he planned to follow Mia (Liu Manqiong) walked around to have a look.

Mia (Liu Manqiong) drove the car into the parking lot of a shopping mall in Tsim Sha Tsui, and then got out of the car with charlie.

Mr. charlie went to the back of the car, opened the trunk and helped Mia (Liu Manqiong) get her personal belongings.

At this time, an all-black Rolls-Royce Cullinan parked in front of Mia (Liu Manqiong) Tesla's car, the cab window was lowered, and a boy in a suit and leather shoes with neatly combed hair said in surprise: "Man Joan, aren't you here tomorrow? Why are you here now?" Mia (Liu Manqiong) frowned slightly and asked him, "What are you doing here?"

The other party smiled and said: "I didn't hear that your Hong Kong University is holding a charity sale, so I thought about coming to join us. I heard that you will come tomorrow, so I didn't want to be too deliberate, so I came early today, but I didn't expect you to be early too. , it's so fateful!"

Mia (Liu Manqiong) asked again, "How do you know I'm coming tomorrow?"

The young man known as Pankaj said with a smile: "I happened to pass by here at noon and saw the school badge and volunteers of your Hong Kong University, so I went over to ask, and I found out that it was a charity sale organized by you, so I asked. When are you coming, they tell me that you are coming tomorrow, you know me, I don't like to be active, so I thought about going home to get a few watches and donating them before you came. It's such a coincidence to meet you here."

As he said that, he hurriedly said flatteringly: "Oh, by the way, Mia (Liu Manqiong), in order to support your Hong Kong University Charity Sale, I brought a few Patek Philippe and Rolex watches to cheer you on. There are two Nautilus and three Daytonas. The price is almost four million."

Mia (Liu Manqiong) said with a cold expression: "I'm sorry, Young Master Pankaj, we are all selling small personal items for charity here, and the unit price is not more than 10,000 Hong Kong dollars. Your items are too precious, and it is difficult to sell them on such occasions. Go out, thank you for your kindness."

Pankaj waved his hand and said: "It doesn't matter, although it is a watch worth more than four million, it can be priced at three million. It is a good price. I believe it will be sold out soon."

As he said that, he deliberately blinked at Mia (Liu Manqiong) and said with a smile, "I'm here to cheer for you. The famous Mia (Liu Manqiong) organized a charity sale. If there aren't a few valuable goods, it's really impossible to justify. Are you right?"

Mia (Liu Manqiong) shook his head and said lightly: "Thank you for your kindness, but the reason why I organized a charity sale is to make charity work more grounded, to minimize the threshold of charity, and to allow more people to participate. After the valuables you mentioned come in, they will dampen the enthusiasm of ordinary people to participate in charity, so there is no need."

Pankaj hurriedly said: "Mia (Liu Manqiong), if you think it's inappropriate, then I can donate money. How about ten million Hong Kong dollars?"

Mia (Liu Manqiong) said: "There is no problem with donating, our charity foundation has opened a notarized account, you can send money directly to the account, and you can also note whether you want to donate anonymously or with a real name. If it is an anonymous donation, we will write the enthusiastic citizens, If it is a real-name donation, your name will be written on it."

After speaking, Mia (Liu Manqiong) said again: "But since Pankaj doesn't like to be too active and deliberate, then I think it is more appropriate for you to choose anonymous donations."

Pankaj's expression suddenly became ugly.

He originally wanted to take advantage of Mia (Liu Manqiong)'s absence today, and hurry to show it first.

As soon as a few precious watches are taken out, it is estimated that the volunteers here will definitely be in an uproar. While admiring themselves, they will definitely contact Mia (Liu Manqiong) as soon as possible, and then they will be able to passively pretend to be in front of Mia (Liu Manqiong). .

When I suddenly bumped into Mia (Liu Manqiong) just now, he felt that God was helping me, and this was just a good way to put on a wave without showing any signs.

But unexpectedly, Mia (Liu Manqiong) didn't appreciate herself.

with a few words, he dug a hole for himself.

Now it is difficult for me to ride a tiger. If I don't want to lose face, I can only honestly cash in the donation of 10 million Hong Kong dollars, and according to Mia (Liu Manqiong), it must be an anonymous donation.

Seeing his embarrassed expression, Mia (Liu Manqiong) said indifferently, "It doesn't matter if Young Master Pankaj goes back on it, just treat it like I didn't say it."

As soon as Pankaj heard this, he blurted out without hesitation: "No! Absolutely not! How could I, Pankaj, go back? Isn't it just 10 million Hong Kong dollars? I'll transfer the money immediately!"

#### **Advertisement After**

all, the phone has been picked up.

Mia (Liu Manqiong) nodded: "Then turn around slowly, I have something else to do, so I'll go first."

Saying that, she saw charlie's delay in showing up, so she turned and glanced at the back of the car: "Mr. wade?"

charlie stuck his head out at this time, and said with a laugh, "Oh, I won't delay the two of you?"

Knowing that charlie was teasing herself, Mia (Liu Manqiong) complained a little: "charlie, you are also the fiancé my father arranged for me. What do you mean by hiding behind the car at this time? Are you still not a man?"

When charlie heard this, he couldn't help but cracked his mouth and smiled.

He somewhat admired Mia (Liu Manqiong).

One is to admire how fast this girl turns her head;

The second is to admire that this girl does not have revenge overnight, and will report it on the spot.

I was just making fun of her. I didn't expect her to turn her face and use herself as a shield. By the way, she also damaged herself. It was indeed something.

However, Mia (Liu Manqiong) underestimated charlie.

She doesn't hold grudges overnight, so does charlie.

So, charlie said with a look of shame: "I'm sorry, Mia (Liu Manqiong), it's my fault. If I encounter such troublemakers in the future, I will definitely stand in front of you as soon as possible."

Mia (Liu Manqiong) nodded with satisfaction, and said, "In the future, when you stay with me, you must not be so girly, you must be tough and annoyed! Otherwise, how can you give me a sense of security?"

"You're right." charlie said earnestly, "My previous character... is really too good-for-nothing."

Mia (Liu Manqiong) couldn't resist laughing and said, "It's good that you know!"

At this time, charlie put one arm of the cardboard box under his armpit, walked to Mia (Liu Manqiong), took advantage of her unpreparedness, reached out and grabbed her other hand and held it tightly, his eyes and tone were firm. : "Dear, please believe me, from now on, I will do my best to protect you and never let you get hurt!"

## The Amazing Son In Law Chapter 4721 ( The Charismatic Charlie Wade Chapter 4721 )

Mia (Liu Manqiong) was grabbed by charlie's small hand, and her first reaction was like being electrocuted, and she wanted to break free, but charlie's grip was strong, and Mia (Liu Manqiong) couldn't pull it out at all.

Moreover, she didn't dare to blatantly forcefully pump.

Because in that case, I am afraid that Pankaj will see through the trick between the two at once, and then he will really steal the chicken and lose the rice.

So, she could only suppress the anger in her heart and said to charlie, "You better do what you say!"

After he finished speaking, he said to charlie, "Let's go!"

Pankaj's face was ashen, and he blurted out, "Mia (Liu Manqiong)! Who is this guy?!"

Mia (Liu Manqiong) was still holding hands by charlie, feeling very irritable, so she said angrily, "Did you not hear what I said just now? He is my fiance!"

"How is that possible!" Pankaj said angrily, as if his tail had been stomped on: "My dad had dinner with Uncle Liu. only last week, and Uncle Liu. said that he was in favor of me being with you, and that you never took pictures. It's too late, I hope I can work harder, it's only been a week, how come you have a fiancé?!"

Mia (Liu Manqiong) pointed his left hand to the right hand held by charlie, and said with a serious expression: "You also know that I have never dated, if he wasn't my fiancé, how could I have let him hold my hand? It's over!"

charlie knew that Mia (Liu Manqiong) said this to himself, so he yelled at Pankaj with a stern face: "What do you mean? You want to pick up my fiancée? If you dare to pester my fiancée again, be careful that I will slap you to death. !"

After he finished speaking, he turned to look at Mia (Liu Manqiong) and asked seriously,

"My dear, am I being so annoyed?"

Mia (Liu Manqiong) was depressed and wanted to die, but she could only bite the bullet and say, "Enough is enough... You've changed so quickly all of a sudden, I'm a little uncomfortable..."

Pankaj was in a hurry at this time, pointed at charlie and scolded: "What the hell are you doing? Dare to talk to me like Pankaj, haven't you heard of the Four Little Dragons on Hong Kong Island?!"

charlie shook his head and said blankly, "What are the four little dragons on Hong Kong Island? I'm from the mainland, I've never heard of it."

"I lost it!" Pankaj gritted his teeth and said, "You haven't even heard of the Four Little Dragons on Hong Kong Island, so you dare to pretend to be in front of me. Believe it or not, I'll let you come this time and leave!"

charlie hurriedly asked Mia (Liu Manqiong) with a look of panic: "Dear, who are the four little dragons on Hong Kong Island? Do they have a big background?"

Mia (Liu Manqiong)'s hand was held by charlie all the time, feeling very depressed, and said with a face of hopelessness: "The background... the background is quite big, his father is Huzaifa, the top five richest man on Hong Kong Island, and he is with him. The famous Hongmen has a deep relationship and belongs to the kind that can eat both."

charlie asked in surprise: "Ah? What should I do? Can my future father-in-law help me settle it?"

Mia (Liu Manqiong) shook his head: "My dad can't speak at Hongmen, so it should be settled."

After saying that, she saw that charlie seemed to be really scared, so she said, "But if you are scared, just say it, I will ask my dad to arrange for you to run away and leave Hong Kong Island, they should not treat you like that. ."

Pankaj also heard the conversation between the two, and shouted coldly: "Boy, you f\*cking mess with me and want to run away? Let me tell you, if you don't kneel in front of me and kowtow three times in front of me today, If I slap myself a hundred more times, I, Pankaj, will never let you go!"

charlie raised his eyes and looked at Pankaj, and asked suspiciously, "Are you kidding me?"

"Just kidding?" Pankaj thought that charlie was afraid, and said angrily: "What the hell are you, I, Pankaj, would joke around like you?!"

## The Amazing Son In Law Chapter 4722 ( The Charismatic Charlie Wade Chapter 4722 )

Seeing Pankaj's fierce appearance, Mia (Liu Manqiong) couldn't help realizing that he seemed to be playing a big game, so he didn't care about charlie holding his hand, and quickly pulled charlie aside and said in a low voice, "This Pankaj is not easy to mess with, and Jie Ji will report it, you should apologize to him quickly, and let's fight for this matter, otherwise, I'm afraid my dad won't be able to protect you..."

charlie couldn't help smacking his lips, put away his playful expression, and said, "Let me, charlie, apologize to a bedbug. If this spreads out, what will my fathers and villagers think of me in the future? How will the big yellow dog at the head of the village think of me? "

After that, he turned his face, looked at Pankaj in the car, put away the joking expression just now, and said seriously: "Boy, according to my previous temper, I will just say a few words to you just now, I will definitely take it out. My royal body calligrapher will call over and slap you ten thousand first, and then put some calligraphy on your forehead, but you are lucky, I came to Hong Kong Island this time, not to waste time with your stinky fish and rotten shrimp Yes, so from now on, don't let me see your face again, otherwise, I will make you, the four little dragons on Hong Kong Island, become a worm on Hong Kong Island!" Mia (Liu Manqiong) was surprised to hear that, it was too late to stop charlie.

Pankaj was instantly furious at charlie, and pointed at charlie and said coldly: "You are really looking for death! Do you know that no one on Hong Kong Island dares to talk to me like this!"

charlie was too lazy to pay attention to him, and said lightly: "Remember what I said, avoid my sight, or you will be finished if you see me or not."

After that, he took Mia (Liu Manqiong)'s hand, turned around and walked towards the exit of the parking lot.

Pankaj didn't catch up, but while looking at charlie's back through the rearview mirror, he gritted his teeth and took out his mobile phone and made a call.

At this time, Mia (Liu Manqiong), who was dragged away by charlie, stomped his feet in a hurry and blurted out, "charlie, why do you have to compete with that Pankaj!"

charlie asked her back: "Isn't this what you want? You want me to be your shield, then I will do what you want, how is it, are you satisfied with the effect?"

Mia (Liu Manqiong) blurted out: "I asked you to be my shield, but I didn't expect you to speak harshly to him! You don't have to say anything, just leave with me, there's absolutely no need to provoke him! This man must be repaid. He will definitely trouble you!" As she said that, she suddenly stopped, grabbed charlie's hand and was about to walk back, and said eagerly, "No! You hurry back with me, and I will ask my dad to arrange for someone to take you off Hong Kong Island immediately!"

"No need." charlie pulled her with a little force, then dragged her out, and said indifferently, "Apologizing is not my style, let alone running away, the mere four little dragons on Hong Kong Island are not enough for me. charlie stuck his teeth between his teeth, if all the four little dragons are here, I can fry them and they can serve as dishes."

"You..." While being dragged away by charlie, Mia (Liu Manqiong) stomped his feet in a hurry, and blurted out, "charlie! This is not the time for you to say harsh words, they will kill you if you don't. It's all my fault. I'm begging you, okay? You go first! If you want to discuss cooperation with my dad, let my dad go to the mainland to find you, okay?"

"Not good." charlie said lightly: "You promised your dad that you would take me around, and you also promised your dad that you would take me to taste the authentic Hong Kong Island snacks in the evening, you must make these promises first. It's fulfilled, and then tell me about other things~~~"
