charlie's understatement made Mia nervous for no reason.

She couldn't help questioning charlie: "What do you want to do? What do you have to do in a place with few people?!"

charlie looked at her and smiled, and said casually, "Don't be nervous, what I want to do has nothing to do with you, just watch."

After all, he kicked the accelerator and drove Mia's Tesla out.

As soon as the car left the basement, three different cars quickly followed.

Pankaj sat in one of the cars, gritted his teeth and looked at the Tesla driven by charlie, and said coldly to the people around him, "Follow that punk! I have to ki\*I him today!"

The young man driving the car sneered: "Don't worry, Young Master pankaj, we will definitely ki\*I this kid!"

This man's arms are covered with tattoos, coupled with the muscles all over his body and the flesh on his face, he is not a man to be provoked at first glance.

There was a smile on the corner of Pankaj's mouth, and said coldly: "If this Mia is still so ignorant, I will simply find a chance to deal with her!"

The guy driving the car said with a smile: "Master pankaj, if you really do it, let your father and your godfather go to Liu's house to propose marriage. Liu Jiahui will never refuse!"

"Makes sense!" Pankaj nodded again and again, and said, "If she really doesn't know how to flatter her, then don't blame me for being rude!"

According to the navigation, charlie drove the car all the way to the urban area of Hong Kong Island. During the driving process, he kept observing the cars behind him through the rearview mirror. .

More than half an hour later, charlie drove the car to the vicinity of Honghualing in the northern mountainous area of Hong Kong Island.

Afterwards, he slowed down a little, intending to find a suitable place to stop and meet his new friends behind.

At this time, Pankaj was sitting in the car behind, and his expression became more and more ugly.

At this moment, the driver couldn't help but muttered: "Damn, this couple of dogs and girls ran into the mountains during the day. Could it be that they wanted to cause a car shock or simply fight a field battle!"

Pankaj's face became even more angry, and he scolded through gritted teeth: "I always thought she Mia was a serious woman, but I didn't expect her to be so boring!"

The driver said subconsciously: "Master pankaj, people say that Mia is a jade girl on Hong Kong Island. I think this 'jade' should be replaced by desire!"

Pankaj said angrily, "If Mia is really ruined, I'll just F\*ck her up, it's absolutely impossible to marry her!"

After speaking, he scolded again: "And that kid from the mainland! If Mia is really broken by him, I will F\*cking kill him!"

At this time, the driver blurted out: "Master pankaj, they stopped, shall we surround ourselves now or wait?"

Seeing that charlie stopped the Tesla, Pankaj said, "Don't worry, wait for them to get off, otherwise, if they speed up and try to escape, we may not be able to control them on this kind of mountain road. And there's still danger, as long as they get out of the car, there's nothing to worry about."

The driver asked again, "Master pankaj, what if they get into trouble in the car?"

Pankaj gritted his teeth and scolded: "Damn, if the two of them really dare to get into trouble in the car, just drive them down the mountain for me!"

...

At this time, charlie in the car in front unfastened his seat belt and said to Mia next to him, "Miss Mia, get out of the car."

"Get off?" Mia asked in surprise: "What are you going to do when you bring me to this kind of wilderness?"

charlie smiled and said, "You'll know when you get out of the car."

After speaking, charlie said again: "Of course, if you don't believe me, just wait in the car, I'll do something, and come back when I'm done."

When Mia heard this, she didn't know where the courage came from. She immediately unbuckled her seat belt and said unswervingly, "I want to be with you!"

"Okay." charlie nodded and opened the door first and got out of the car.

Mia followed the door and walked down, looking left and right, and asked charlie, "Where are we going?"

charlie looked at the path leading to the mountains and said, "Let's go from here, go down and have a look."

Mia was puzzled. It stands to reason that if any man wanted to take her to such a deserted place, she would never agree.

But after thinking about it, she still decided to trust charlie.

So, she followed charlie down.

Seeing that charlie and Mia really got into the forest, Pankaj roared furiously: "Get the F\*ck off me! I must kill this punk today!"

A dozen or so people quickly got out of the three cars and followed in the footsteps of charlie and Mia.

The location of Hong Kong Island is already very south. In addition, it is summer, and the mountains and forests are very dense. Walking in it, you can only see the sun shining through the dense branches and leaves.

Mia followed charlie to the depths of the mountain forest. She, who was relatively calm at first, also felt a guilty conscience as she went deeper and deeper.

After finally walking to an area where the terrain eased off, she couldn't help but ask charlie, "Where are you taking me?"

charlie waved at her and said, "Come on, stand behind me."

Mia was even more surprised. As soon as he walked in front of charlie, he heard rustling voices coming from behind.

She thought it was some kind of beast in the mountains, so she turned around to look, but after a while, more than a dozen people came out of the forest one after another.

Moreover, these dozen people are all strong muscular men, and they all have tattoos. At first glance, they are gang members who are mixed on the road.

Mia suddenly became nervous, and was about to pull charlie to dodge quickly when he saw Pankaj following with a dark face.

When Pankaj saw charlie and Mia, he gritted his teeth and scolded: "What a F\*cking couple, there are so many hotels on Hong Kong Island that are not enough for the two of you to sleep? To go to such a place to fight in broad daylight!"

Mia didn't care about being angry, and asked coldly, "Pankaj, what are you doing?"

"What am I going to do?" Pankaj scolded angrily: "I F\*cking want to F\*ck you! What do you want me to do?! F\*ck! Seeing how reserved you are all day long, I didn't expect you to be so mean!"

Mia said angrily, "What nonsense are you talking about!"

Pankaj gritted his teeth and said, "I'm talking nonsense? You F\*cking ran here with wild men to fight in the field, and you F\*cking call me nonsense? I've been chasing you for so many years, you F\*cking! I'll deal with you later! After I finish you, let the brothers handle you together, and make you feel good!"

Mia's face was ashen, and although her whole body was trembling, she still gritted her teeth: "You dare!"

Pankaj pouted: "Of course I dare, if you don't believe me, I'll let you try my power!"

charlie said coldly at this time: "Boy, your mother never taught you, should you be polite when talking to girls?"

Pankaj looked at charlie and said with a sneer: "Damn, I just saw that you were upset, I haven't asked you to settle the account yet, you F\*cking dare to pretend to me! Do you know that this is Hong Kong Island! It's not the mainland! F\*ck you! No matter how awesome you are, you have to be honest with me when you get to Hong Kong Island!"

charlie asked with a smile, "What? I listened to what you said. I want to be honest now, let's pass this matter?"

"F\*ck!" Pankaj scolded angrily, "It's too late to be honest! Damn it! I came here with you to kill you bastard!"

After he finished speaking, he immediately said to the strong men around him, "F\*ck him and beat him to death!"

When a group of strong men heard this, they immediately rushed towards charlie imposingly.

Seeing this situation, Mia subconsciously stood in front of charlie, and blurted out, "Pankaj, if you dare to touch him, I will call the police and arrest you immediately!"

charlie patted her on the shoulder and said with a smile: "Come on, take it behind me, don't wait for a moment to bleed your face."

## The Amazing Son In Law Chapter 4729 ( The Charismatic Charlie Wade Chapter 4729 )

charlie's casual sentence made Mia extremely nervous.

From her point of view, how could charlie be the opponent of these dozen or so people? At first glance, these people are people from Hongmen. They K\*ll each other without blinking an eye.

And these strong men saw that charlie was still pretending to be forceful at this time, each with a hideous face.

At this time, Pankaj said with a look of contempt: "Good boy, you are really a goddamn seed! You are dying, so don't forget to pretend to be in front of women!"

charlie smiled: "Who is dying? I don't know, the shrimp soldiers and crab generals you brought are not even as good as dogs in my eyes."

The person headed by the strong man opposite immediately roared: "Damn! We are people of Hongmen, you dare to disrespect us!"

charlie said lightly: "What? You said that you are not even better than a dog, and you still refuse to accept

it ?" Admit it!"

charlie smiled disdainfully: "It turned out to be a black-bone chicken, but it's not as good as a dog."

Brother he seemed to have suffered a great humiliation, pointed at charlie and yelled hysterically, "I f\*cking K\*llled you!

" When it fell, he immediately rushed towards charlie, punching hard and hitting the bridge of charlie's nose.

He is one of the double-spend red sticks in Hongmen's family. He has a strong personal strength. He has played many underground boxing matches on Hong Kong Island and won more than half of them.

In his opinion, his punch was enough to knock charlie to the ground and splatter blood on the spot!

And himself, not only can he use his strength to make charlie pay the price of blood for the remarks just now, but he will also win the first credit in front of Pankaj because of the first shot.

However, what happened next took a 180-degree turn from his expectations!

With a smile on the corner of charlie's mouth, he looked at him motionlessly, but just said, "I have a few skin shrimp tattooed on my body, and dare to be presumptuous in front of me!"

As soon as the words fell, Brother Aaron's fist also arrived.

charlie, who had not moved all the time, suddenly punched and hit the opponent's fist head-on.

This punch was as fast as lightning, and no one at the scene could see it clearly.

#### **Advertisement**

A moment later, with a loud bang, a series of cracking sounds like a bamboo pole splitting, as well as the man's slaughtering pig-like howl!

His entire arm was completely shattered at this time!

and his expression has been extremely distorted by pain.

On the other hand, charlie looked relaxed, as if the punch just now had nothing to do with him.

Seeing Brother Aaron's painful tears rolling down, charlie couldn't help sneering: "The double-flowered red stick is this strength? If you are a dog, you can't even eat shit!"

At this moment, the audience was shocked.

No one would have thought that the strongest Brother Aaron was actually abolished by the opponent's punch.

Pankaj took two steps back in fright, shouting to the others, "Let's rush to K\*ll him together! I'll give you ten million!"

Under the heavy reward, there must be a brave man.

## The Amazing Son In Law Chapter 4730 ( The Charismatic Charlie Wade Chapter 4730 )

Although the others were stunned by charlie's performance just now, they immediately rushed towards charlie when they heard that Pankaj offered a bounty of 10 million yuan.

They felt that even if charlie was very strong, he would definitely not be able to beat more than ten people.

So, as long as we work together, we can get rich overnight!

At this time, the man in front of him jumped and kicked straight to charlie's face!

According to his assumption, this kick can definitely kick charlie to the ground. As long as the remaining brothers can rush up in time and kick and don't give charlie a chance to fight back, it is enough to beat charlie to half death.

I saw charlie didn't retreat or hide, but suddenly stretched out his hand, and his hands suddenly grabbed the leg he flew over!

**Advertisement**

Immediately afterwards, he felt that his entire body was instantly stagnant in the air, and the inertia of rushing over and jumping up seemed to disappear without a trace in an instant, which went against common sense!

Just when he was deadlocked in mid-air and the whole person didn't know why, charlie looked at him and sneered: "Where is the dog, f\*ck you!"

After that, charlie swung his hands hard, the man He was directly swung out by charlie as a half-moon machete!

The rest of the people just wanted to quickly knock charlie down and kick them, so they rushed forward and were about to attack. Who would have thought that the brother who flew out just now would suddenly turn himself into charlie's hands weapon.

### **Advertisement**

I saw that man was thrown out by charlie in a semi-circle, and directly turned the gang of people who rushed up to their backs

The huge force smashed them into multiple fractures, and there was absolutely no chance for them to stand up and resist.

And the one who was thrown out is even more

appalling, the price of a person throwing a piece is that he himself has multiple fractures in an instant, and the rib on the side that was thrown out is almost broken Clean up!

At this time, whether it was Mia behind charlie or Pankaj opposite charlie, they were all dumbfounded, as if everything in front of them were hallucinations, and they couldn't believe their eyes at all.

Pankaj was stunned.

I never dreamed that more than a dozen people would fight one, not only did they have no chance of winning, but they persisted for a total of two rounds.

charlie looked at Pankaj at this time, waved at him, and said, "Come on, Master pankaj, let

's talk." Pankaj turned around in fright and was about to run away, but just two steps away, he felt his neck tighten. The soles of the feet have not stepped on the ground.

### **Advertisement**

Turning his head again, he realized that charlie had already caught up, grabbed the collar around his neck, and lifted himself up.

He said in an instant panic: "Big brother... Forgive my life, big brother! We have something to say, and we have something to say, big brother!"

"Forgive your life?" charlie snorted coldly, raised his hand and slapped him hard in the face. When he was pumping, gold stars appeared in his eyes, and he even lost several of his posterior molars.

Pankaj was dizzy after being beaten, and he cried vaguely: "You dare to hit me...you..." Before he finished speaking

, charlie slapped another slap in the face, and asked coldly, "Why do I hit you? Are you not convinced?!"

Pankaj was furious: "I am the eldest young master of the Zhong family... I am..."

"Crack!" charlie slapped him again, and said coldly, "The eldest young master of the Zhong family, right? The one I hit is the eldest young master of the Zhong family!"

A few slaps in the face, and Pankaj's mouthful of teeth almost fell out.

His entire head was also beaten into a pig's head, and his eyes were swollen with slits.

He never dreamed that charlie was so ruthless and didn't take his identity seriously at all.

Anger, grievance, and unwillingness made him cry, and he said vaguely cruel words: "You...you wait...my dad...and me...godfather...they definitely won't... definitely not. I'll let you go!"

charlie said coldly, "It's alright, even if they don't come to me, I'll find them."

After that, charlie looked at him, smiled slightly, and asked, "That's right. , It seems that someone was crazy just now, who will do this in a while, and do that in a while, isn't it you?"
