

The Amazing Son In Law Chapter 4741 (The Charismatic Charlie Wade Chapter 4741)

...When charlie and Mia ate almost the same and started to cut the cake, the younger brothers of Hongmen had already found Pankaj's Rolls-Royce in the underground parking lot.

At that time, when Pankaj and Aaron and others tracked charlie and Mia together, he thought he was smart and did not drive his Rolls-Royce. After all, the Rolls-Royce was too eye-catching, and he was afraid that charlie would find out in advance.

However, he, who was lying in Mia's trunk at the moment, never dreamed that charlie had noticed them long before they set off.

When Hongmen's younger brothers found Pankaj's Rolls-Royce, they reported to Zyaire while calling for surveillance in the parking lot, looking for clues after Pankaj left the Rolls-Royce.

At this time, the anxious Huzaifa also came to Zyaire's house and waited for news with him.

Soon, the younger brother in front returned the message, Pankaj actually got into the car of Brother Aaron with Hongmen Shuanghua Red Stick, and left the parking lot with Brother Aaron and his younger brothers!

When the news came back, Zyaire immediately instructed a middle-aged man beside him: "Teacher Lin, please contact Aaron and ask where this kid is now."

The person called Coach Lin nodded immediately, picked up his mobile phone, found the number and dialed it.

However, on the other end of the phone, there was a prompt tone that the other party could not be connected temporarily.

Coach Lin frowned and said, "Sect Master, Aaron's mobile phone should not be in the service area."

"Go!" Zyaire blurted out, "Go to Aaron's younger brother and ask where they are!"

Instructor Lin immediately ordered to go down.

The orders were conveyed layer by layer, and the news was reported layer by layer. The result was that all the members of Hongmen who appeared in the video with Aaron, without exception, all disappeared.

When Huzaifa heard this, he subconsciously said, "Godfather! Could it be that black chicken turned against the water and deliberately kidnapped my son for ransom?!"

Zyaire waved his hand: "You don't have to worry that Aaron kidnapped him. I know the situation of Aaron very well. This kid's whole family is on Hong Kong Island. He doesn't have the guts."

Coach Lin on the side said sharply: "Sect Master, Mr. Zhong, I suspect that Young Master pankaj and Aaron must have some kind of accident."

Zyaire said coldly: "I don't believe it, there are still people on Hong Kong Island who dare to touch my godson and my subordinates! Who is so bold?!"

Coach Lin said: "Sect Master, I have sent people to continue to track the movement of Aaron and their vehicles. Hong Kong Island is not big, and they should be able to find out their whereabouts soon!"

"Okay!" Zyaire said immediately: "Teacher Lin, you have to do it yourself! If there is any emergency, I am afraid that only you, Coach Lin, can handle it with ease."

Coach Lin clasped his fists with both hands and said loudly, "Don't worry, Sect Master, Lin must do his best!"

After that, he said to the two of them, "Sect Master, Mr. Zhong, Mr. Lin will leave first, and I will tell the two of you as soon as there is any news!"

Teacher Lin turned and left. Seeing Huzaifa's anxious face, Zyaire comforted him and said, "Huzaifa, you don't have to worry too much. I believe that no one on Hong Kong Island would dare to do anything to them."

Huzaifa said with a bitter face: "Godfather, to tell you the truth, even if that black chicken is not suspected, I am afraid that there will be other desperadoes who want money or not, and kidnap Zi Tao for ransom!"

Zyaire waved his hand: "huzaifa, it doesn't matter if someone from outside kidnaps him. Coach Lin is a three-star warrior I dug with a lot of money. With him, no matter who dares to harm Pankaj, I want him to die without a burial. place!"

Huzaifa asked in surprise: "Three-star warrior?! Godfather, where did you invite such a true god?"

Zyaire smiled slightly and said arrogantly: "Teacher Lin used to be a three-star warrior in the famous Wanlong Palace. Two years ago, he was expelled from Wanlong Palace for violating discipline. Since then, he has come to Hong Kong Island and wants to open a I made a living in the martial arts hall, and there were some conflicts with my subordinates. At that time, I went to six double-flower red sticks, and he abolished five in one breath. It was only because of the policy that he was brought under his command."

Having said that, Zyaire looked at Huzaifa and said seriously: "Look, a three-star warrior is a great god here. I have to make offerings every day, but now Hongmen's income is not very optimistic, and the economic pressure here is also very high. Big, next, I have to ask Huzaifa to help you more."

Huzaifa froze in his heart.

He never knew that there was still a three-star warrior sitting here in Zyaire, and he was very worried right now.

After all, the strength of the three-star warriors is strong. If they are used as killers, they can definitely kill people invisibly.

Therefore, Huzaifa couldn't help shrinking his neck, and immediately said: "Godfather, why are you being so polite to me! If there is anything I can help you with, just say it."

After speaking, he deliberately pretended to remember something, and said in surprise: "By the way, Godfather, Liu Jiahui, didn't he put 30 million US dollars in secret flowers and plan to kill Arman who gave him a green hat? That coach Lin Since he is already a three-star warrior, with him coming forward, isn't the 30 million dollars just as easy as looking for something?"

Zyaire snorted coldly: "I'm not angry if you don't say this. Coach Lin is indeed very interested in this matter, but he has already greeted me this afternoon, saying that this is his personal behavior, if he succeeds, the secret flower of 30 million US dollars has nothing to do with Hongmen, and it belongs to him alone."

Huzaifa frowned and said, "Is there such a thing?! Then this instructor Lin is too arrogant, right? What's more, he is a member of Hongmen, how can he bypass Hongmen and act alone?"

Zyaire said very angrily: "In order to clear up the past with him and let him use it for me, I did agree to many of his requests, the most important of which was that he did not want to officially join Hongmen, but used the teacher's advice. In the name, he was hired to train red sticks for Hongmen, and he also demanded freedom to come and go, I can't stop him, so now he wants to snatch Liu Jiahui's secret flower by himself, I have no f*cking way!"

"Tsk..." Huzaifa couldn't help frowning, and said with emotion, "It seems that this person is really not so controllable!"

While speaking, what he thought in his mind was that since this instructor Lin did not officially join Hongmen, and he loved money, then he might find an opportunity to contact him in the future. If he could use it for himself, then even more Nothing better.

Zyaire didn't know what he was thinking, so he just took the opportunity to cry and said: "Huzaifa, I originally thought that after winning the \$30 million secret flower this time, Hongmen's economic situation would have a relatively large link, but now it seems, This thing is probably going to fail."

After speaking, he raised his head to look at Huzaifa, and said seriously: "Huzaifa, Hongmen's current difficulties, I can only rely on you to help me a lot!"

Huzaifa knew that he would inevitably bleed again this time.

However, now that my son is missing, I still have to count on Zyaire for help, so I can only ask respectfully: "Godfather, tell me, what kind of help do you need from me, as long as I can help, I will do my best."

Zyaire nodded with satisfaction and sighed, "You, Huzaifa, know the best way to repay your gratitude!"

After speaking, he sighed and said again: "Hey! Recently, my frozen meat smuggling business has indeed seen a little improvement, but this business is not as easy to do as I imagined, especially when the frozen meat has just arrived. The loss is too high. The anti-smuggling department has been keeping an eye on this area. We have lost a lot of goods, so I want you to help me register a shipping company. With your reputation on Hong Kong Island, your shipping company must have a lot of room for operation. , you can also help me bring in some goods at that time."

Huzaifa was shocked and blurted out: "Godfather, it took me so many years to finally clear the white, you now ask me to go back and register a company to do smuggling, if this incident happens to the public, my whole Everyone is finished!"

Zyaire waved his hand and comforted: "Huzaifa, don't be so excited, I don't mean to let you do it yourself, after you register the shipping company, you can operate some legitimate business normally, and I will arrange for someone to work normally with you. Frozen meat is entrained in the transportation. Under normal circumstances, there will never be an accident. Once an accident occurs, you only need to find someone from your subordinate to be your scapegoat, and you can classify it in his personal name. Using the company's resources to smuggle, won't you be fine?"

Huzaifa listened to the cold sweat and said, "Godfather, it's not that I don't want to help, but this kind of thing is really too risky for me, and as you know, the media like Hong Kong Island, they like to dig deep to expose, engage in Big event....."

Speaking, Huzaifa gritted his teeth and said with great distress: "Godfather, why don't you do this, Hongmen is in financial difficulties now, since you have found me, I will definitely not stand by and watch, in the next three years, I think The way to give out 30 million US dollars to Hongmen, as for how you use this money, it is entirely up to your own preferences!"

With a dark face, Zyaire fiddled with the wrench on his hand and sighed: "Huzaifa, you are so filial! Just give me three years and 30 million US dollars for this poor old man in one sentence, and I can't find any similarities on Hong Kong Island. You are such a filial godson."

Speaking of this, Zyaire changed the subject and said seriously: "If I'm just a bad old man, then this money will definitely be enough for me to spend to death, but don't forget, I still have thousands of mouths waiting to eat. Ah, this little money is not enough for me."

"In addition, I used to only focus on buying and selling goods, regardless of delivery, and a lot of profits were taken away by the people in the delivery link, so I wanted to make it twenty or thirty big flights, do the delivery myself, and take the Hongmen Maximize profits! Buy boats, labor, and prepare tens of millions of Hong Kong dollars."

The Amazing Son In Law Chapter 4744 (The Charismatic Charlie Wade Chapter 4744)

Huzaifa's expression was startled, and he was already scolding the sky in his heart: "Zyaire, this bastard! You are still not satisfied with the 30 million dollars given to you in three years?! You f*cking old man, you have such a big appetite, you are not afraid to die!"

But right now, Huzaifa didn't dare to make trouble with Zyaire, he gritted his teeth quickly, made a difficult decision, and said, "Godfather, let's see, 50 million dollars in three years, this is really my limit, you know, now the economy In the recession, the cash flow of all walks of

life is very poor, most of the assets have been reduced to non-performing assets, and there is no chance to realize it, and my life is very difficult!"

Zyair raised his eyebrows and said, "Huzaifa, our family doesn't talk about two things. You give Hongmen 60 million US dollars in three years, which is 20 million in one year. In return, I promise that no matter what you have. Demand, as long as you speak, the top and bottom of the Hongmen are all for you!"

Huzaifa's heart was trembling.

"\$60 million in three years, that's nearly 500 million Hong Kong dollars!"

"500 mill!"

Seeing Huzaifa's depressed expression, Zyair said with a smile, "Huzaifa, do you still remember when you offended Sangbiao, and Sangbiao sent three or four hundred little brothers, carrying knives, all over Hong Kong Island to find you. You hacked to death? If it wasn't for my shot that time, you would have died on the street long ago!"

After speaking, Zyair said again: "How much I hurt you at that time! Although I persuaded Sangbiao not to oppose you, but in order to help you solve this trouble completely, I still asked Sangbiao out and sent him to see him with a belt. Second Master Guan, Sangbiao's body and my belt are still sealed in the foundation of the Jiulongtang overpass! When I did this for you, were you as embarrassed as you are now? Are you as hesitant as you are now?!"

When Huzaifa heard this, he couldn't help trembling.

Back then, when his business had just picked up, Sangbiao, relying on his background on the road, insisted on coming in and taking a knife.

He didn't agree, and Sangbiao let out a message to make him look good.

However, at that time, Sang Biao never wanted to kill him, he just wanted to give him an arm.

At that time, when he asked Zyaire for help, he didn't want to kill Biao at all, he just wanted Zyaire to come forward to reconcile and let Sang Biao stay away from him.

However, Zyaire made his own decision and killed Sangbiao directly, and threw his body into the foundation poured at the overpass construction site.

Since then, whenever Zyaire needs Huzaifa's help, he will use Sangbiao to talk about it. The subtext is nothing more than a warning to Huzaifa that he has such a handle in his own hands.

At the beginning, Huzaifa was not afraid, after all, it was Zyaire who killed, and he never said that he wanted him to kill Sangbiao.

However, Zyaire, the old fox, had already recorded a recording. In the recording, Huzaifa really begged Zyaire to help him solve the problem of Mourning Biao.

The Amazing Son In Law Chapter 4745 (The Charismatic Charlie Wade Chapter 4745)

When Coach Lin led the crowd to Honghualing, Mia drove charlie to Lan Kwai Fong in his Tesla.

After the car stopped at the entrance of Inspur cb, Mia asked Charlie, "Do you really want to go?"

charlie nodded and said, "I've come here, why do I have to go in and sit down."

After saying that, charlie was about to push the door and get out of the car.

In a hurry, Mia took charlie's hand and said nervously: "charlie, think about it again, the Zhong family and Hongmen must be looking for Pankaj and their whereabouts right now, as long as they find Honghualing, they will know that we are the one who brought them. If Pankaj is gone, by then, they will definitely be looking for us all over Hong Kong Island, if we run in time, we will have time, but if we get in here, it will be difficult to figure out."

charlie smiled slightly and said, "Don't be afraid, it's your birthday today, just treat it as a good show for you. It's not easy to catch up with such a good show."

Seeing his persistence, Mia said helplessly, "Okay, I'll accompany you to the end today."

Saying that, she let go of charlie's hand, pushed the door and got out of the car.

Afterwards, the two walked into the door of Inspur CB together.

The time at this time is eight o'clock in the evening.

It was also the time when the nightclub began to pick up customers.

When the two entered the nightclub, the nightclub's booth was already 80% full.

A beautiful waiter stepped forward and asked charlie, "Sir, do you want to sit at the bar or the booth?"

charlie asked him curiously, "What does the bar say, and what does the booth say?"

The waiter said: "Consumption at the bar is optional, and the minimum consumption for the card seat ranges from 3,888 to 88,800."

charlie nodded and waved his hand: "The most expensive one."

The waiter had a look of joy in his eyes, and quickly said respectfully, "Sir, ma'am, please! Our biggest booth just hasn't been reserved yet!"

After she finished speaking, she could see Mia next to charlie clearly through the dim light.

On Hong Kong Island, many people know Mia. After all, she has been rated as the most beautiful second-generation rich on Hong Kong Island in the past few years. Although she is very low-key, she will be featured in local news and magazines on Hong Kong Island for a long time.

The waitress recognized Mia, and she couldn't help being surprised. She didn't expect that Mia would come to a place like a nightclub with a man.

Moreover, this store is not an ordinary nightclub, this is Hongmen's own business.

I often come here to play, and it has something to do with Hongmen. To put it bluntly, they are basically young and bewildered young people who are on the road, or little girls, serious people will never come here when they go to nightclubs.

Therefore, seeing Mia appear here, the waiter was also a little stunned.

However, she didn't show her surprise, but asked charlie respectfully: "Sir, your 88,008 low consumption, is it a set meal or a single order?"

charlie waved his hand: "Serve the set meal."

The waiter nodded and said, "Are you cash or credit card? If you pay by card, I'll bring the pos machine over."

charlie said lightly, "Swipe the card."

With that said, he took out the black gold card and slapped it on the table.

Seeing this card, the waiter and Mia were extremely surprised.

Especially Mia, compared to the waiter who just thinks the black gold card is very powerful, she is the most aware of the gold content of the black gold card.

Without more than 10 billion cash in the account, it is impossible to get this black gold card.

For her rich second generation, it is not surprising that tens of billions of assets are not surprising. After all, her father's assets are almost 100 billion Hong Kong dollars, but the difficulty lies in the tens of billions of cash assets.
