

The Amazing Son In Law Chapter 4746 (The Charismatic Charlie Wade Chapter 4746)

If according to what charlie said, he was working in Yisu Shipping, then even if the entire Yisu Shipping was handed over to him, he would not have such a wealth.

Therefore, this also made him more curious about charlie's true identity.

The waiter came over with the pos machine diligently, and after swiping the card for charlie, he immediately reported the three big news to the manager.

The first news was that the famous Mia actually came to their store;

The second news, the man who came with her actually held a top black card;

The third news is that Mia seems to be in a relationship with that man.

After the manager heard about it, he immediately ordered the waiter to serve him well. At the same time, he also subconsciously took out his mobile phone and prepared to call Pankaj, the young master of the Zhong family.

Everyone knows that Pankaj has been pursuing Mia, but now it seems that Mia already has a name.

Therefore, he planned to report the news to Pankaj as soon as possible.

However, when he called Pankaj, he found that the other party couldn't get through.

In desperation, he sent a message to Pankaj, and then he didn't pay much attention to it.

at the same time.

Coach Lin has already led people to Honghualing.

When they saw three cars parked on the side of the road, they immediately found the trail of everyone walking into the forest, so a group of people rushed in immediately.

It doesn't matter if this is gone, the tragic situation in the mountains and forests made everyone, including Coach Lin, struck by lightning!

The famous Aaron brother was leaning against a tree with a thick bowl at this time, wiping his tears in despair.

Most of the remaining little brothers were lying on the ground and moaning constantly. Each of them had broken bones in many places, and they couldn't even crawl.

Coach Lin was suddenly shocked, and quickly asked Brother Aaron: "Aaron, this... what the hell is going on? Where is Young Master Pankaj?!"

Brother Aaron swallowed even more: "Teacher Lin... You must avenge us, Coach Lin..."

Coach Lin frowned and immediately asked, "Where is Young Master Pankaj? The sect master and Mr. Zhong are waiting for news at the moment!"

Brother Aaron hurriedly said: "Master Pankaj was kidnapped by a boy from the mainland! That boy seems to be good at fighting, fighting and Sanda, and his strength is better than mine. We are not his opponents, only you, Coach Lin, can handle him... "

Instructor Lin said coldly: "It's the key! Who is that kid, what is his origin, what clues can I find for him as soon as possible, and, is Young Master Pankaj still alive?"

Brother Aaron blurted out: "Master Pankaj was knocked unconscious by him and kidnapped. He should still be alive. As for that kid, I don't know who he is."

As he said, he remembered something, and quickly said: "By the way, Coach Lin, that kid is going with Mia, the eldest lady of the Liu family! As long as you find Mia, you will definitely find that kid!"

"Mia..." Teacher Lin frowned and asked coldly, "I looked at the surveillance camera, and Young Master Pankaj came here in your car. Why did you come here?"

Brother Aaron explained: "Master Pankaj asked us to drive and track that Mia and his adulterer, so we drove all the way here. Master Pankaj wanted us to kill that kid, but I didn't expect him to be stronger than us. ."

Coach Lin nodded and said coldly: "You guys wait here first, my top priority now is to find Young Master Pankaj as soon as possible!"

After that, he said to the Hongmen disciples who followed him: "Follow me!"

Brother Aaron hurriedly shouted, "Teacher Lin, take us with you too!"

Coach Lin said coldly: "We don't have time to deal with your affairs now, you wait here first, and I will have someone call an ambulance for you!"

After all, he took out his mobile phone and called Zyaire while walking back.

After Zyaire on the other end of the phone learned what happened, he immediately ordered: "Teacher Lin, in my name, you immediately ask all Hongmen children to find Mia and the whereabouts of that boy on Hong Kong Island. If you have any clues, you must first In a hurry, I must rescue my godson!"

Immediately, he paused for a moment and said coldly, "I must arrest the kid who hurt my grandson, contact me then, and I will watch him die!"

The Amazing Son In Law Chapter 4747 (The Charismatic Charlie Wade Chapter 4747)

For a time, the members of Hongmen on the entire Hong Kong Island received a message that they were looking for the whereabouts of Mia, the eldest lady of the Liu family.

But most people did not expect that Mia was sitting in a nightclub run by Hongmen at this time.

The waiter just brought charlie's set menu and drinks, and the nightclub manager also stepped forward and said respectfully, "Two distinguished guests, I'm Kevin, the manager of the store, you can tell me directly if you have any needs."

charlie waved his hand at him: "Okay, you can go to work first."

The nightclub manager nodded quickly and said, "Okay sir, then I won't disturb you."

After speaking, he turned around and returned to the bar, and the phone immediately received the message from Hongmen.

When he saw that Hongmen, in the name of the sect master Zyaire, asked Quanhongmen disciples to find clues about Mia and a young man, he reported the news almost without hesitation.

Soon, Coach Lin received feedback that the person he was looking for was actually in Hongmen's own nightclub in Lan Kwai Fong!

Lin coach did not dare to delay, and immediately reported the news to Zyaire.

After Zyaire heard about it, the whole person was very angry, and said coldly: "This girl named Liu and that unknown boy are really good enough! They tied my godson, and they dared to go to my nightclub. Drinking, really broke the ground on the head of Tai Sui, don't die!"

When Huzaifa heard this, he couldn't wait to say: "Godfather, quickly ask your subordinates to arrest these two people and force me to find out the whereabouts of my son!"

Zyaire waved his hand and said lightly: "This matter can't be rushed, don't forget, Mia is Liu Jiahui's daughter."

Huzaifa couldn't help but said sternly: "What about Liu Jiahui? Isn't he just a little more money than me? Are you still afraid of him?"

Zyaire snorted coldly: "Of course I won't be afraid of him. His daughter participated in the kidnapping of my grandson. Doesn't this mean that the God of Wealth knocked on the door to send money? How could I miss such a good opportunity?"

Huzaifa suddenly realized.

It turned out that Zyaire wanted to take the opportunity to knock on Liu Jiahui's bamboo stick.

As Zyaire said, Liu Jiahui's daughter, no matter what, is impossible to get rid of this matter, and Zyaire happens to be his godfather and son's godfather, which gives him a full excuse. Go to Liu Jiahui for an explanation.

At that time, it will definitely have to spend a lot of money to settle things down...

Thinking of this, Huzaifa couldn't help but scolded inwardly, "This immortal man can really seize every opportunity to make money! When something happens to my son, not only will I give him money, but he will also use my son as a threat. The reason for others to pay... the money has made this immortal earn all!"

Although Huzaifa was very annoyed, he didn't dare to have any disobedience at this time, so he quickly asked, "Godfather, what are your plans now?"

Zyaire laughed, stood up, took care of his Tang suit, and said with a smile, "Since they have already arrived at my nightclub, that is the turtle in the urn, you can have a good time with them."

After that, he said to his subordinates: "Inform Coach Lin, let him take someone to the nightclub first, but don't startle the snake, just make sure that the other party can't escape, and the rest will wait for me to arrive in person. solve."

Huzaifa exclaimed: "Godfather, do you want to go too?"

"Of course!" Zyaire said with a smile, "I not only want to go in person, but also call Liu Jiahui over, I want him to tell me in front of me how much money he is willing to spend to solve the problem! "

Huzaifa understood in an instant.

Zyaire wanted to take Liu Jiahui's daughter and threaten Liu Jiahui with bleeding.

However, he was more worried about the safety of his son, so he said: "Godfather, Pankaj's life and death are unknown now, I am really worried, no matter what, let them explain my son's whereabouts first!"

"Don't worry." Zyaire said lightly:

The Amazing Son In Law Chapter 4748 (The Charismatic Charlie Wade Chapter 4748)

The more this is the case, the more you have to be calm. Now the culprit is sitting in my nightclub, which also means that if Pankaj is still safe, then he must not There will be other dangers, but if Pankaj has already been killed, it would be meaningless to kill them both now, so you must wait! Wait for me to resolve this matter!"

Huzaifa was so anxious that he was about to breathe fire, but at this time he could only grit his teeth and nodded: "Okay... I will listen to you, godfather..."

Zyaire nodded and said with a smile: "Let's go Huzaifa, let's go to Lan Kwai Fong together and meet those two young people for a while."

...

At this time, Lan Kwai Fong Inspur cb.

Because of the news, the whole wave no longer allows any FIT to enter.

Many Hongmen younger brothers who were nearby also rushed here to support.

They first guarded all the entrances and exits of the entire nightclub to prevent charlie and Mia from escaping.

And Coach Lin also brought his younger brother and quickly rushed over from Honghualing.

charlie was sitting in the booth of the nightclub at this time, picked up a bottle of Ace of Spades champagne very calmly, and asked Mia, "Miss Mia, would you like a drink?"

Mia shook his head nervously: "I never drink."

charlie looked at her and asked with a smile, "Are you afraid?"

Mia nodded: "A little..."

Speaking, Mia asked Marven Ye, "Should I call my dad over?"

"No." charlie smiled and said, "Someone will definitely call him later."

Mia was helpless and said, "If it really doesn't work, let him clean up this mess, or go back and be scolded by him."

charlie smiled slightly: "Don't worry, there must be a lot of mess tonight, but you don't need to worry about it."

With that said, charlie poured himself half a glass of wine, took a light sip, and looked at the time.

It's half past eight.

Come to think of it, it's about time.

So, he took out his phone and sent a message to abbas: "Lan Kwai Fong Inspur cb, don't rush to show up when you come, wait for my news."

abbas replied immediately: "Okay, Mr. wade, this subordinate will pass, ten minutes!"

Ten minutes later, a black off-road vehicle stopped opposite the wave cb.

There were five people in the car, and the co-pilot sat abbas, who had already entered the dark.

And in the co-pilot is Chen, one of the two kings of Wanlong Palace.

Among the three people in the back row, one of them was another battle king, Salmaan, and the other two were five-star generals.

abbas was ordered to come to Hong Kong Island first, so he called the two war kings under his command to avoid encountering the mysterious organization that killed Anjia in New York.

A few minutes later, when Coach Lin led the people from Honghualing to Lan Kwai Fong, Zyaire's Rolls-Royce just arrived.

Coach Lin was a little shocked. He didn't expect Zyaire to come over in person, so he immediately pushed the door and got out of the car, and quickly came to Zyaire's Rolls-Royce.

At this time, Zyaire and Huzaifa also got out of the car one by one.

Coach Lin asked Zyaire, "Sect Master, why did you come here in person?"

Zyaire said with a smile: "The God of Wealth arranged for someone to rush to send me money. If I don't come in person, how can I be worthy of his painstaking efforts."

Coach Lin instantly understood Zyaire's intentions, so he asked, "Sect Master, people should still be inside, what are you going to do with them? Do you want me to go in and control them?"

Zyaire said with a smile: "Haha, don't be in such a hurry, let the people inside start to clear the scene first, and invite those who are irrelevant out, and then I will personally go on stage and sing a good show for them!"

The Amazing Son In Law Chapter 4749 (The Charismatic Charlie Wade Chapter 4749)

Mia soon discovered a strange phenomenon. The waiters in the entire nightclub seemed to be whispering something to the guests at other tables.

Soon after, the guests who have communicated with the waiter will get up and leave immediately.

She couldn't help being nervous for a while, and said to charlie in a low voice, "Have they already come over? I don't think something is right with these waiters."

charlie smiled and said, "Don't be nervous, the show is just about to start."

With that said, he poured another glass of champagne and took a sip to himself.

Soon, the other guests in the nightclub were almost gone, leaving only the table of charlie and Mia.

Immediately afterwards, all the lights on the ceiling lit up at this moment, illuminating the dim nightclub lobby as bright as day.

The explosive music has also stopped abruptly, and the dj and the waiter quickly left through the staff channel.

Immediately, a large group of young and dangerous boys with machetes swarmed in, blocking the water surrounding charlie and Mia.

charlie was not in a hurry or panic, with a smile on his face, while Mia next to him couldn't help but ask: "What are you doing?! Be careful I'll call the police!" As soon as he finished speaking

, a joking voice came: " Miss mia, you have such a big temper."

Following these words, an old man in his 60s wearing a Tang suit walked in with his hands behind his back.

This person is Zyaire, the sect master of Hongmen on Hong Kong Island.

Entering with Zyaire, there are Huzaifa, Pankaj's father, and Lin, who took a lot of effort for Zyaire to attract his subordinates.

Mia had never met Zyaire, but because Zyaire was so famous on Hong Kong Island, she recognized him at a glance.

Seeing that Zyaire came in person, Mia was extremely nervous, because she knew that, looking at this posture, today's troubles may be difficult to solve.

So, she said with a bit of respect in her tone: "Mr. Hong, I don't know what you are doing?"

"What is it?" Zyaire snorted coldly and asked, "Did you hurt me? The people who are here, also kidnapped my godson?"

Mia hurriedly explained: "Mr. Hong, things are not what you think, the whole thing is Pankaj's initiative to provoke first..."

Huzaifa on the side was furious and blurted out. Said: "Mia, right, you'd better tell me quickly, the whereabouts of my son!

If my son has any problems, I want you to look good! "

charlie, who was sitting on the side, couldn't help raising his eyebrows at this time, and said, "I think you two are in your 50s or 60s. The two of you add up to more than 100, and they are all going to be buried in the ground. Are you not afraid of people laughing if you unite here and shout with a girl? When

Zyaire heard this, he immediately became furious and shouted sharply, "Boy! You're a motherf*cker. I heard that you are from the mainland. Do you know who I am? "

charlie said lightly: "In my eyes, you are just an old dog with almost all his teeth, I don't care who you are. "

"Grass!" "The younger brothers were immediately furious, and one of them blurted out: "You dare to scold our master of Hongmen, see if I don't hack you to death!" "

charlie smiled and said, "No, you're going to kill someone as soon as you come up?" Isn't it boring to have an orgasm so fast? "

Zyaire looked at charlie with a sinister expression, and said, "Boy, you really are very kind!" I don't even care about you, what is your origin?

charlie hummed: "What is my origin, you don't deserve to ask, don't you want to solve the problem? " I will now give you a solution to the problem. As the boss of Hongmen, you condone your younger brother's mischief and mischief. For the sake of your age, you bow and apologize here today, and I can not pursue this matter.

The Amazing Son In Law Chapter 4750 (The Charismatic Charlie Wade Chapter 4750)

After that, he pointed to Huzaifa beside him, and said coldly, "You are Pankaj's father, right? " Your son is plotting against Miss Mia today, but as a father, you have no way to teach your son, so the responsibility is inevitable, so if you kneel down and kowtow three times to Miss Mia, I can no longer hold you accountable. "

charlie's remarks made Zyaire and Huzaifa angry enough.

Especially Zyaire, he has been out all his life, and he has never met someone as arrogant as charlie.

So, Zyaire said to Coach Lin furiously, "Head Coach Lin! I want you to tear this kid's mouth to pieces! I have torn the corners of both sides of his mouth to the roots of his ears, I'll see how hard his mouth can be!"

Coach Lin Immediately, he clasped his fists with both hands: "Yes!"

After saying that, he frowned when he looked at charlie, and he was about to rush forward.

charlie saw that his cultivation level, a mere three-star warrior, in his eyes, was inferior to a dog.

If you really want to move your hands and kill him with one punch, it is far easier than not killing him, because it is difficult to control your strength in the face of such a martial artist, and move a little.

A little bit of aura beat him to the death.

At this moment, Mia suddenly stood up, and said in front of Charlie, "Mr. Hong, you have something to say! My friend's brain is not very easy to use, don't know him in general, I can let me know about this matter. Dad will come to solve it, and I will give you a satisfactory answer!"

When Zyaire heard this, he immediately stopped Teacher Lin, then looked at Mia with great interest, and asked with a smile, "Miss Liu, are you sure your father can give it to me? Is it a satisfactory answer? I have a great appetite."

Mia gritted his teeth and said firmly: "I can ask my dad to come over to interview you! But the premise is that you can't do it, otherwise there is no point in talking about it. Now!"

Zyaire nodded and said with a smile: "I also admire Mr. Liu very much. Although I have met several times before, I have never had the opportunity to make deep friendships. Since Miss Liu said so, I might as well take this opportunity to talk to you. Get to know Mr. Liu."

Huzaifa, who was on the side, said quickly: "Godfather! You have to quickly ask Pankaj's whereabouts! Pankaj's life and death are unknown now, if something happens, it will be over!"

Mia said subconsciously: "Pankaj is not in danger of life.!"

Huzaifa blurted out, "Then where is he?!"

Zyaire interrupted Huzaifa at this time, and said, "Huzaifa, don't be so excited, since Miss Liu said that Pankaj is not in danger, it must be fine. After that, he smiled and looked at Mia, hehe said with a smile: "

Miss Mia, please call your father, I'll be waiting for him here."

"Okay!" Mia took out his cell phone without hesitation. .

At this moment, charlie wanted to stop her.

After all, in charlie's opinion, this matter is not that troublesome, either to get the group down by himself, or let abbas come in and get this group down.

After they are put on the ground, then at this venue and at this opportunity, come to the court to try the case, Zyair, Huzaifa, Pankaj, and even the teacher Lin in front of them, one is counted as one, let them experience what is called the disaster of extinction .

However, seeing Mia trying to protect himself from disasters over and over again, he was somewhat moved.

Just as Mia wanted to call Liu Jiahui over again, charlie thought, he might as well use the donkey down the slope to give Liu Jiahui a chance.

If he can really do some human affairs, then Uncle Arman's affairs, he can take Mia's face and treat him a little more leniently!
