

The Amazing Son In Law Chapter 4751 (The Charismatic Charlie Wade Chapter 4751)

At this time, Liu Jiahui had just had dinner at his mansion and came to the pool with a cigar and a bathrobe.

Fang Jiaxin, who was still beautiful, was wearing a bikini by his side.

Fang Jiaxin, who hadn't worn a bikini for a long time, felt somewhat uncomfortable, and said, "Jia Fai, there are guests at home, you let me dress like this, and it's not good to be caught?"

Liu Jiahui said carelessly: "What are you afraid of, that man surnamed Wade has dinner with Mia, and he will definitely not come back too early."

Fang Jiaxin was helpless and asked him, "Why do you have to swim at night? Where did you get such a good interest?"

Liu Jiahui was shy, smoking a cigar, and smiling, Jiaxin said, "I just heard that Arman will be sent back to the United States soon. If you hurry, maybe he will be there early the day after tomorrow!"

Fang Jiaxin's expression turned pale all of a sudden, and she blurted out, "Ka Fai... You really can't let him go?"

Liu Jiahui glared at him and asked coldly, "Why, you still want me to spare him?!"

Fang Jiaxin was shocked by his eyes, and quickly shook her head: "No... I didn't mean that..."

Liu Jiahui said coldly: "In the future, if I mention this person, you should listen. If you want to express your opinion, you'd better follow my opinion, otherwise, shut up for me!"

Fang Jiaxin could only nod in agreement and said, "Okay...I see..."

Liu Jiahui's expression softened a little. He took off his bathrobe, stretched out his feet to test the water temperature, and then jumped in with a thud, causing a huge splash of water.

As soon as Lau Ka Fai entered the water, the cell phone he placed beside the reclining chair rang.

Fang Jiabin glanced at it and said, "It's Mia's call, do you want to answer it?"

"Take it." Liu Jiahui swam slightly clumsily to the edge of the pool, stretched out his hand, and took his mobile phone from Fang Jiabin's hand.

"Hello." As soon as Liu Jiahui answered the phone, he asked with a smile, "Mia, have you finished dinner with Mr. Wade?"

Mia blurted out, "Dad, we're in a situation. We're in Lan Kwai Fong, can you come over?"

Liu Jiahui frowned: "What happened?!"

Mia said helplessly: "Mr. Wade had some conflicts with people from Hongmen because of me, but they surrounded us and wanted to do something. I had no choice but to call you."

"Conflict with Hongmen?" Liu Jiahui suddenly had a big head like a fight, and blurted out: "This Mr. Wade is not good at recruiting, what does he have to recruit people from Hongmen? Doesn't he know that Hongmen is the most famous on Hong Kong Island? Dog skin plaster? At least one layer of skin should be torn off when they stick it on!"

Mia said seriously: "I have already said that Mr. Wade had conflicts with them because of me. If it wasn't for Mr. Wade, I might have been in trouble now!"

When Liu Jiahui heard this, he sighed helplessly and asked, "Okay, okay... Tell me where you are, and I'll go right now!"

Mia said: "Our wave cb in Lan Kwai Fong."

"Inspur cb?" Liu Jiahui frowned: "Isn't that the venue of Hongmen? It's not good for you to go, you have to go to the venue of Hongmen..."

Mia asked him, "are you coming or not?"

"Come on, I'll come." Liu Jiahui was extremely helpless, but he could only say: "Tell the person on the opposite side not to act rashly, I'll come over now!"

After he finished speaking, he hung up the phone, climbed up from the swimming pool in embarrassment, and muttered: "Damn, I will really cause trouble for him!"

Fang Jiabin asked curiously, "What's wrong? What happened to Mia?"

Liu Jiahui scolded and said: "There is a conflict with Hongmen. Damn, Zyaire is a mad dog. Anyone who passes by him will have to take a bite. Mia and Charlie have offended them, and I am afraid that I will bleed again.!"

Fang Jiabin couldn't help frowning and said, "Mia too, it's not good to provoke anyone, but to provoke people from Hongmen... They are all a bunch of desperadoes, whoever sees them doesn't hide away..."

Liu Jiahui put on his bathrobe and said lightly, "Okay, just wait at home, I'll go see what's going on."

Fang Jiabin asked him, "Do you want me to come with you?"

"No." Liu Jiahui waved his hand and said, "It will be more troublesome if you go."

...

Soon, a convoy of three Slass drove out of Lau Ka Fai Shih Hun Dao's mansion.

As soon as the convoy left, they quickly drove to Lan Kwai Fong.

At the current tide eb, Zyaire sat in front of Charlie and Mia with a smile on his face.

He looked at Charlie and said with a smile, "You are so lucky, bad boy, you have caused trouble, and Miss Mia is a beautiful woman standing in front of you, it's really a blessing, if you can live tonight Go out from here, then you really have to thank Miss Mia."

Charlie said lightly: "You should thank her. If she hadn't stopped me, I would have killed you long ago."

"F*ck!" The faces of several younger brothers turned green, and they really couldn't understand why this kid was acting so aggressive.

The key is that, for this sake, he still pretends to be forceful.

Are you really not afraid of death?

Mia is also about to collapse. She really can't figure out what Charlie wants to do. With so many people in Hongmen here, does he still want to kill a bloody way?

Zyaire was almost mad at this time.

If he hadn't wanted to wait for Lau Ka Fai to come over and talk about the price, he would have ordered his younger brother to rush up and hacked to death this thick boy.

But for the sake of money, he still forcibly suppressed the anger in his heart and sneered: "Boy, I won't be quick to talk to you, if Mr. Liu can't give me a satisfactory solution after coming here, The first thing I do is cut your tongue off!"

Charlie smiled slightly: "If you are willing to wait, then I will accompany you to the end."

Twenty minutes later, Liu Jiahui hurried over.

As soon as he entered the door, he was taken aback by the battle here.

Not to mention so many fierce Hongmen members with machetes, Zyaire alone makes Liu Jiahui feel bad in his heart.

On the phone, he only heard from his daughter that there was some friction with Hongmen, but he didn't expect that Zyaire came over!

So, he hurriedly said with a smile: "Oh, I didn't expect you to be here, Mr. Hong, it's really disrespectful!"

Zyaire looked at him with a smile on his face, and said, "Mr. Liu, I'm sorry, I asked you to make a special trip at night."

Liu Jiahui hurriedly said, "It should be."

After he said that, he glanced at Mia and asked Zyaire: "Mr. Hong, I don't know what the little girl has offended Hongmen. Please read that she is still young, hold your hands high, and don't have the same knowledge as her!"

Zyaire snorted and said: "Mr. Liu may not know what happened, your daughter and her friend injured more than ten of my Hongmen subordinates, and also kidnapped my grandson. If you don't let her give me an explanation, how can I raise your hand?"

When Liu Jiahui heard this, he was shocked and blurted out to ask Mia: "Mia, what the hell is going on?!"

Mia said, "It was his grandson who led people to follow me. He wanted to be wrong with me, and he wanted Mr. Wade's life. Mr. Wade had a conflict with them because he wanted to save me!"

Liu Jiahui hurriedly said to Zyaire: "Mr. Hong, it sounds like your grandson doesn't follow the rules first, so I shouldn't let my daughter come to tell you anyway, right?"

Zyaire slapped the table, pointed at Liu Jiahui and said angrily, "Do you think I made you come here to reason with you? A dozen of my younger brothers from Hongmen were injured, and my grandson is missing. If you don't give me an explanation today, I will even Your daughter is abolished together, give me an explanation for the disciples of Hongmen!"
