

The Amazing Son In Law Chapter 4777 (The Charismatic Charlie Wade Chapter 4777)

charlie followed Mia and took the elevator to the third floor of the villa.

Mia took charlie to the center of the two doors, pointed to the room on the right and said to charlie, "Mr. Wade, this is the guest room where you rest. It is a suite with an area of about 80 square meters and a living room. , bedroom and separate bathroom."

Saying that, she opened the door and walked in with charlie.

The door to enter is the living room of this suite, which is about 30 square meters. The decoration is very luxurious, and there are all kinds of furniture and appliances.

Mia said to charlie, "Mr. Wade regards this place as a hotel. If you have any needs, please call the housekeeper directly. He will arrange someone to serve you as soon as possible. In addition, I live opposite you. You can come to me if you have anything."

charlie thanked: "Okay Miss Mia, I understand, thank you."

Mia nodded and said a little shyly: "Mr. Wade, it's getting late. If there is nothing else, I won't disturb your rest."

charlie smiled and said, "Okay, Miss Mia also rest early."

Mia said hurriedly: "Oh, by the way, Mr. Wade, don't call me Miss Mia, just call me Mia."

"Okay." charlie was not polite, and said, "Then let's call each other's names in the future, and don't want to be called by Mr. and Miss."

Mia blushed slightly, and said in a low voice, "Mr. Wade can call me Mia directly, but according to our habit, we still like to call men Mr."

After speaking, she asked charlie again: "Mr. Wade, which communication software do you usually use? WeChat or P?"

charlie said: "I use WeChat, but it seems that you use P more here?"

"Yes." Mia said: "Most people use p, but some people use both software. After all, everyone has many mainland friends."

With that said, Mia took out his mobile phone, opened his WeChat, and said to charlie, "Mr. Wade, if it's convenient, let's add a WeChat friend for the two of us."

"Okay." charlie also took out his mobile phone and added WeChat friends with Mia.

Seeing charlie's friend application, Mia felt a burst of joy, and said, "Mr. Wade, I'll go back to my room first, and you can tell me on WeChat if you have anything."

"no problem."

Mia smiled and waved his hand: "Good night Mr. Wade then."

After saying good night to each other, Mia returned to her boudoir, and the moment she closed the door, she leaned against the door and covered her chest with both hands, and the two blushes on her face were much deeper than before.

After she calmed down a little, she immediately turned on her phone and entered charlie's circle of friends, wanting to see more information about him from his circle of friends.

It's a pity that charlie is not a person who likes to post on Moments.

His circle of friends is set to be visible for half a year, but he has not posted a single circle of friends in the past six months.

Mia found that charlie's circle of friends was empty, and couldn't help but feel a little lost.

However, Mia thought about it, and it is also in line with the character of charlie who doesn't like to post Moments. He is very low-key, and naturally he can't be the kind of person who often posts Moments to show himself.

...

That night, Mia tossed and turned in bed, almost insomnia.

This is the first time she can't sleep at night because of a man.

Early the next morning, Mia got up from the bed, thinking that charlie must be resting in the room, but when she came downstairs, she found out that charlie had already eaten breakfast and was ready to go out.

She asked charlie in surprise, "Mr. Wade, what are you doing out so early?"

charlie said with a smile: "I want to go out for a walk and take a walk, just to see how many mansions Shi Xundao has."

Mia asked in surprise, "Mr. Wade, don't you want to buy a house in Shixundao?"

charlie smiled casually: "Yes, no, even if I bought it, it wasn't me who bought it."

Mia didn't quite understand what charlie meant, but it sounded like charlie was very interested in Shi Xundao, so she was overjoyed and said quickly, "If Mr. Wade is interested in the house here, I can let me introduce you, the Huo Mansion next door to us is for sale, and it is the property of the Huo family on Hong Kong Island."

charlie smiled and said, "Then I'll go out and take a look."

Mia hurriedly asked, "Do you need me to accompany you?"

"No need." charlie said, "Don't you have something else to do in a while?"

As he said that, he found that Mia was not looking very well, so he asked curiously, "Mia, did you sleep last night?"

Mia was a little embarrassed for a while, and while arranging his hair, he said hesitantly: "That...it rained last night...so I couldn't sleep..."

charlie didn't think much, nodded lightly, and said to her, "You look so bad, and you have to go to Tsim Sha Tsui for a whole day, I'm afraid your body won't be able to bear it."

Having said that, he walked up to Mia and said very seriously, "Come on, give me your hand."

Mia didn't know what charlie wanted to do, but he still blushed and handed him his right hand.

charlie used his fingertips to squeeze a few times on her tiger's mouth, and said nonsense: "There are many acupuncture points in the palm and the tiger's mouth. Energize your day."

While speaking, a trace of spiritual energy quietly entered Mia's body.

Mia didn't believe it at first. It's not that he didn't believe in acupoints and massage, but he just didn't believe that pressing the palm of the hand could make the whole person full of vitality.

However, after charlie pinched a few times, she felt that her whole body was much more comfortable, and the fatigue that she hadn't slept well all night disappeared instantly without a trace.

Instead, she felt as if she had slept for more than ten hours in one breath, a spirit that she couldn't tell.

So, she couldn't help but exclaimed: "This is amazing, Mr. Wade, how did you massage twice to have such a strong effect?"

charlie smiled and said, "I have learned some Chinese massage techniques before."

Mia sighed: "I really didn't expect that just massage can have such a good effect!"

charlie smiled slightly and said, "Mia, you go to the restaurant to eat first, I'll go out for a walk."

"Okay." Mia nodded and said, "If Mr. Wade has any questions, you can ask me on WeChat at any time. If you like a house, you can take a photo of the house number and let me ask you for help."

"OK."

charlie agreed, then waved with Mia, and left the Liu family's mansion alone.

As he told Mia just now, he did plan to buy a house in Shi Xundao, but instead of buying it himself, he planned to let Liu Jiahui pay for it.

Moreover, after buying it, he did not plan to live by himself, but planned to let Uncle Arman and his family live here.

Liu Jiahui was aggressive and murderous towards Uncle Arman. Although charlie didn't intend to make things difficult for him too much, it was still necessary to severely dampen his dignity and spirit!

charlie turned around in Shixun Dao, and felt more and more that this place had a unique geographical location.

On Hong Kong Island, where every inch of land is worth the money, Shi Xundao could not see the slightest congestion, and the density of mansions around Panshan Road was not too high.

Coupled with the warm and humid climate in the south, living here is not only quiet but also comfortable.

He saw the Huo family mansion mentioned by Mia. The door of the house was closed, and it seemed that no one lived there. Although the facade of the house was a little old, it still looked very stylish.

Charlie strolled around, and when he returned to Liu's villa, Mia just came out of it. Seeing Charlie, her pretty face blushed, and she asked, "Mr. Wade, how's it going?"

Charlie smiled. Said: "Very good, are you ready to go out?"

"Yes." Mia smiled and said, "I will try to end today and pick you up at my dad's company then."

"Okay." Charlie nodded and said: "But don't worry, you can do your business first."

Mia said: "Okay, Mr. Wade, then I'll go first."

Charlie instructed: "Be careful on the road."

Watching Mia drive away, Charlie only leisurely walked into the villa.

As soon as Liu Jiahui saw him, he stepped forward with a smile on his face, and said with a smile, "Mr. Wade, I heard from Mia that you are interested in buying a property in Shixundao?"

Charlie said casually, "No, no, just take

a look." Liu Jiahui said without hesitation: "Mr. Wade, Shi Xundao is definitely a good place, if you are interested in the houses here, I can send you a set!"

Charlie waved his hand and said, "As the saying goes How can I accept such an expensive gift from Mr. Liu without merit?"

Lau Ka Fai said very seriously: "Mr. Wade, you and I are like old friends at first sight, and the little girl can get along with you very well. I will give you a house so that you can come to Hong Kong Island for a small gathering in the future. This is also human nature!" ,

Fang Jiaxin walked up quickly and said flatteringly: "Yes, Mr. Wade, Ka Fai told me tonight that he hopes to become a close friend with you. He rarely admires others, and you are the first. , if you can be our neighbors, he will be very happy!"

charlie didn't expect that Fang Jiaxin's attitude towards him would change so obviously.

Yesterday, she seemed to be a little contemptuous of herself, but today she suddenly changed her way, and began to compliment you.

However, charlie was not surprised.

After all, she is Liu Jiahui's bedside. Liu Jiahui will definitely tell her what happened at Wanghongmen bar last night, so today Fang Jiaxin knows that she has a great background, and her attitude has naturally undergone a 180-degree change.

So, charlie chuckled and said, "Mrs. Liu is too polite. I have no idea of settling on Hong Kong Island yet. I will wait for a few years." When

Liu Jiahui heard this, he hurriedly said, "Aiya, Mr. Wade , Now that society is so developed, the concept of settlement has long since disappeared. Even if you usually live in the Mainland, as long as you want to come to Hong Kong Island, you will be there in two hours by plane. To be honest, it is more convenient than driving to the suburbs and outings.

After that, Lau Ka Fai added: "Also, there are just a few more private planes next. If Mr. Wade wants to come to Hong Kong Island, just call me a few hours in advance and I will arrange a plane to pick you up immediately. The plane is at After you just landed at the airport, you don't need to take a car anymore. I directly arranged a helicopter and took you to Shi Xun Dao. You come to Hong Kong Island for a day or two and then go back. Weekends are no different."

The Amazing Son In Law Chapter 4780 (The Charismatic Charlie Wade Chapter 4780)

Fang Jiaxin echoed with a smile, "Aiya Jiahui, your idea is really good. Mr. Wade must have his own affairs in the mainland, but he can definitely rest well on weekends, otherwise

You pay to buy the house of the Huo family next door, have them renovated and give it to Mr. Wade, and then send a plane to take Mr. Wade to Hong Kong Island for vacation every Friday."

charlie smiled: "Thank you two You are kind, but this matter doesn't sound suitable for me, but it is suitable for one of my elders."

After speaking, he changed the subject and said to Liu Jiahui: "Mr. Liu, shall we go to your company for a chat?"

" No problem!" Liu Jiahui said excitedly, "I'll have someone prepare the car!"

Fang Jiaxin asked, "Jia Hui, will you and Mr. Wade come back for lunch at noon? Would you like me to prepare lunch in advance?"

Liu Jiahui waved his hand and said, "I won't come back. I plan to take Mr. Wade to Long Jing Xuan at noon to have a taste. Taste the authentic Hong Kong Island cuisine."

Fang Jiaxin hurriedly said: "In this case, do I need to go to Long Jingxuan in advance for lunch at noon?"

"Alright." Liu Ka Fai said with a smile: "You make arrangements in advance. I will call Mia and ask her to come with her."

"Okay." Fang Jiaxin said with a smile, "I'll just contact Mia then. You and Mr. Wade can concentrate on the business."

Liu Jiahui nodded with satisfaction. At this time, the driver had already driven the car in front of him, so he asked the other party. Jiaxin said with a smile: "Jiaxin, then I'll go with Mr. Wade first and call if you have anything."

Fang Jiaxin said with a smile: "If there is anything in the afternoon and evening that I need to arrange for you in advance, please let me know at any time, and I will give it to you. Today's game has been overturned."

"Okay." Liu Jiahui smiled fondly: "You are the most sensible."

After that, he said to charlie, "Mr. Wade, shall we go?"

charlie nodded, Sitting in the back row of Rolls-Royce with Liu Jiahui, he then left Shi Xundao's villa under the attention of Fang Jiabin.

When the car came out, charlie looked at Liu Jiahui with great interest, and said with a smile, "Mr. Liu and Mrs. Liu have a very deep relationship."

Liu Jiahui sighed with a smile: "Mr. Wade, to tell you the truth, I have been considered for these years. There are countless reading girls, but Jiabin is the only one who really won my heart." As

he spoke, Liu Jiahui looked at charlie, and said to charlie as if he had come over, "Mr. Wade, in fact, for successful men like us, Speaking of women, especially good women, the more the better, of course, but no matter how many women there are, there are thousands of flowers. In the end, you still have to choose the one that suits you best, understands you best, and is most satisfied with you. The woman you want to be your life partner."

charlie raised his eyebrows and smiled, and asked him, "It seems that Mrs. Liu is the one that suits you best."

"Yes." he said: "To be honest, I do love her very much! The whole of Hong Kong Island knows that I, Lau Ka Fai, are good to women, but I am the best to her!"

Speaking of this, Lau Ka Fai said very seriously: "Damn, if it wasn't for me. She did something wrong when she was young, and I f*cking spoil her even more now!"

charlie said with a faint smile: "Before I came, I had heard about Mr. Liu and Mrs. Liu's past, but Mr. Liu could finally choose to accept Mrs. Liu. It seems that it is indeed true love."

Liu Jiahui sneered: "It is true love . It's true, but true love is bound to have some grudges." After

speaking, he suddenly sighed with emotion: "But fortunately, this grudge will soon become a thing of the past!"
