

The Amazing Son In Law Chapter 4785 (The Charismatic Charlie Wade Chapter 4785)

Soon, a middle-aged and elderly man wearing glasses and very gentle walked in with two young girls.

The two young girls kept their heads down, probably because they were nervous, looking very restrained.

As soon as Mike came in, he first saw Liu Jiahui who was sitting on the sofa facing the door, so he smiled very familiarly: "Jiahui! Let me introduce you to the two newcomers I just signed!"

Liu Jiahui waved his hand and smiled, and said happily: "Don't rush to introduce, come, I will introduce you a young and promising new friend."

After speaking, he respectfully said to charlie, "Mr. Wade, if it is convenient for you, let me introduce you to you!"

Mike only saw the back of charlie's head, and he was still wondering why this person was so rude. When a guest came in, he didn't even turn his head back, which made him a little unhappy.

However, upon hearing that Lau Ka Fai used the title "you" for him, he suddenly felt a thump in his heart, realizing that he must be a big man.

So, he immediately put away his displeasure and ran to Liu Jiahui. When he found out that charlie turned out to be a young man in his twenties, he was even more surprised, and quickly complimented: "Aiya , I didn't expect Mr. Wade to be so young and promising, it's really surprising!"

charlie looked at him with interest and smiled, "Boss Mike, right, you don't even know what I do, why do you decide that I am young and promising?"

Mike said without hesitation: "I know Ka Fai very well. If Mr. Wade can be his guest, then there must be something extraordinary!"

Liu Jiahui introduced with a smile: "Naturally, Mr. Wade is the assistant to the chairman of Yisu Shipping. This time on Hong Kong Island, he made a special trip to discuss cooperation with me."

When Mike heard Liu Jiahui's introduction, he felt a little contempt in his heart and thought to himself, "I think I am a great person. I didn't expect to be the assistant to the chairman of a shipping company. Liu Jiahui is really going backwards now."

He thought so in his heart, but Mike said very politely: "Oh, it turns out that Mr. Wade is from Yisu Shipping, and the reputation of this company is booming now! To work in such a big company, Mr. Wade has a certain future. Infinite!"

Liu Jiahui knew Mike very well. Seeing him say these words, he knew that he looked down on Charlie a little in his heart.

However, he also knew that Charlie didn't want others to know that he was the master of Wanlong Palace, so he looked at the two cautious newcomers and said to Mike, "Mike, you haven't introduced these two yet. Little girl?"

Mike hurriedly said with a smile: "Come here, let me introduce you to the two of them. These two are newcomers that our company just signed this month, one is a new idol trainee, and the other is me from abroad. Excavated singer-songwriter!"

After speaking, he greeted the two girls and said, "Quick, say hello to Mr. Liu!"

Liu Jiahui didn't expect Mike to be polite on the surface, but when it came to the matter, he directly ignored Charlie, so he quickly waved his hand and said, "Don't, don't, please say hello to Mr. Wade first!"

At this time, the two girls could only see the back of Charlie's head, and upon hearing Liu Jiahui's greeting, one of them hurriedly came across to Charlie, looked at Charlie, bowed and said, "Hello Mr. Wade! My name is Mi Leqi, I'm very happy. Meet you!"

charlie glanced at the girl. The girl was only about 20 years old, and she did have a bit of beauty, but her clothes were too revealing, with a low-cut suspender on her upper body.

The girl looked at charlie with hints, and when she bowed, she deliberately wanted to reveal more of her neckline.

charlie frowned slightly. Although the girl was pretty, she really couldn't catch his eye. What's more, he never liked this kind of woman who didn't know how to keep herself clean, so she just nodded coldly and didn't speak.

Liu Jiahui looked at charlie's performance and knew that he definitely didn't like this kind of girl, so he immediately said to the second girl, "You, come and say hello to Mr. Wade."

The girl was a little timid, but Mike coughed, her whole body trembled slightly, and she could only bite the bullet and walk in front of charlie, and said timidly: "...Hello Mr. Wade...I... My name is Xue...Xue Ziqi..."

Liu Jiahui was a little dissatisfied, and said coldly, "I asked you to say hello to Mr. Wade. You don't even dare to look into Mr. Wade's eyes. Do you know how to be polite?"

The girl was frightened and looked up at charlie. At this moment, her expression was so shocked that she couldn't speak, and she blurted out subconsciously, "Ah! Why is it you!"

charlie also recognized the girl.

Unexpectedly, when I went to Japan, near the University of Tokyo, I met the Huaxia girl who was singing on the street.

charlie saw that she was also like the girl just now, dressed in revealing clothes, and couldn't help frowning and asked, "Aren't you studying in Japan? Why did you come here?"

Liu Jiahui asked in surprise, "Mr. Wade, do you know this girl?"

charlie nodded and said lightly, "I had a relationship with her once."

At this time, the girl was very ashamed and said: "I...I...I graduated last month...Originally...I wanted to stay in Japan to study for a master's degree, but Mr. Mike was willing to sign me and give me an album, so I... I came to Hong Kong Island to sign Mr. Mike's company..."

charlie said with a bit of rebuke: "Sing well when you sing, write well when you create, and release an album when you release an album. Is it part of the album to come here dressed like this?"

The girl's eyes suddenly turned red, she raised her collar nervously, and squeezed her legs as much as she could. She choked with shame and said, "I'm sorry Mr. Wade... I've let you down..."

For charlie, her heart has always been grateful.

Back then, when he was singing and subsidizing his studies on the streets of a foreign country by himself, charlie generously gave himself all the cash.

Then, he was entangled by the Tokyo beasts, and it was charlie who did justice for him.

It was only that time that she never forgot charlie, but she also knew that she might never have the chance to see charlie in her life.

Since then, she has been singing on the streets in her spare time every day at the risk of being retaliated by the barbarians, just to see charlie again in the crowd.

However, charlie left Japan since then and never set foot on that street again.

Now suddenly seeing charlie here, in addition to surprise, she is more ashamed.

charlie glanced at Mike. He had already heard about the deeds of this old thief. He looked like a dog, but he was actually a beast with a human face. The entertainment industry was already filthy, and he was even a filthy old Montenegrin demon.

So, he raised his finger and pointed at Mike, frowned and asked, "Is this old thing forcing you to dress like this?"

As soon as Mike heard this, he immediately cursed angrily: "Who the hell are you calling an old thing?"

In the face of Mike's questioning, charlie sneered: "I'm referring to you and asking, of course it's you, so what's the point of asking? Is that paste in your head?"

"I lost it!" Yang Tian Tian was instantly furious. He changed his previous gentle appearance and roared through gritted teeth: "You f*cking assistant to the chairman of a shipping company, you dare to talk to me like that. Do you know what my status is on Hong Kong Island?!"

charlie laughed and said coldly: "I know who you are, and I see your old face on the lace news a lot. I don't want to care about your background, I just want to know if you forced her to dress like this. What?"

Mike gritted his teeth and said, "Damn, as long as it's an artist who signs with my company, it's my dog! She has to wear whatever I tell her to wear, and she has to do whatever I tell her to do. What the hell are you, you dare to question me?!"

charlie smiled, ignored him, turned to look at Liu Jiahui, and asked, "Mr. Liu, are all your friends so arrogant?"

Liu Jiahui's liver trembled with fright, and he quickly said to Mike: "Mike, you... what are you talking about, don't apologize to Mr. Wade!"

Mike was stunned, pointing to his nose and asked, "He Scolding me, you asked me to apologize to him?! Lau Ka Fai, I am not as rich as you, but in terms of social status, I am not much worse than you on Hong Kong Island! You are asking for Ys Shipping, to curry favor with this kid, follow me What does it have to do with Mike? I don't make a f*cking dime from him, why should I put up with him?!"

Liu Jiahui was at a loss for words, but his expression was extremely anxious, he dared not tell charlie's background, but precisely because he did not Dare to say, Yang Tiancai was even more resentful.

Just when Liu Jiahui didn't know how to speak, Mike looked at charlie and yelled angrily: "Boy, don't you go and find out, on Hong Kong Island, who doesn't know that Mike is the godfather of Hong Kong Island's entertainment circle?! Who Do you dare to give me face?! Even if Aaron is in front of me, you have to respectfully call Mr. Mike! You f*cking little assistant, you dare to yell at me in front of my artist, today you If you don't kneel down and apologize to me, I will never let you go!"

Liu Jiahui's frightened legs became weak, he quickly avoided Mike a few meters away, pointed to Mike and said to charlie, "Mr. Wade... I'm not familiar with him..."

Mike looked at Liu Jiahui's submissive appearance , was even more furious, and scolded: "Liu Jiahui, we have been friends for 30 years, you are saying that you are not familiar with me now?! You have so many confidantes in the entertainment industry, and almost all of you are helping you match up, and now you want to not offend a small Little assistant, you actually said that you don't know me well!"

Speaking of this, mike trembled in anger, pointed at Lau Ka Fai and said, "You, Lau Ka Fai, are also very rich on Hong Kong Island. Don't you feel ashamed to bend your waist?!"

Liu Jiahui looked at his deadly appearance, and cursed in his heart: "Mike, you old bastard, don't pull me when you seek death yourself? I'll take care of this. The uncle still can't wait, you are still here to cause trouble for me!"

Thinking of this, he said with a sullen face: "born, I did not bow down for five buckets of rice, I bowed for this thing around my neck, if you believe me, you Just hurry up and apologize to Mr. Wade and ask Mr. Wade to forgive me, otherwise, I really can't save you!"

Mike said coldly: "Joke! I, Mike, have been on Hong Kong Island for dozens of years, how could I be with such an outsider? The brat who came here to apologize?! He apologizes to me now, and I won't forgive him! He must pay for his words and deeds just now!"

After that, he took out his mobile phone and said with a sinister expression: "I will now Call MR. Zyaire! Don't let this kid kneel down and apologize to me today, I, Mike, have been in vain for so many years on Hong Kong Island!" When

Liu Jiahui heard that he was going to call Zyaire, he subconsciously covered his face with his right hand, thinking to himself. : "Mike, Mike, you are really going further and further on the road to death. I can understand if you want to find someone to help you, but you can even change someone else. It's not good to find someone, but you are looking for Zyaire. abused half of his life is gone, and you asked him to help you clean up charlie today, aren't you tired of living too long?"

So he said helplessly: "If you don't believe me, you Just call Zyaire and tell him directly, you have a conflict with my guest, Mr. Wade, and you want to ask him for help, see if he dares to help you!"

Mike said coldly: "MR. Zyaire is the head of the Hongmen Sect, and he has over ten thousand younger brothers. In Hong Kong Island, there is nothing that he can't deal with. If his old man knew that you looked down on him so much, he would be angry in front of you. !"

Liu Jiahui was completely helpless and waved his hand: "I said, let him come if you are not convinced! Do you think he dares to come?"

Mike sneered: "I have a very close relationship with Mr. Zyaire, and I have anything to do on Hong Kong Island. If you don't believe me, just wait and see!"

He took out his mobile phone and called Zyaire.

Zyaire, as the head of Hongmen, has an intricate relationship with the filthy entertainment industry.

Back then, the entertainment industry on Hong Kong Island was nothing but a tool for their big gangs to make money and launder money. No matter how famous they were, they were nothing but ants in front of them.

When the development of Hong Kong Island Film and Television was at its peak, as long as the gang boss had a gun, he could let the hottest star at that time make a movie for them with zero pay.

Those big stars not only dare not have any complaints, but also deliberately try to please them.

As for those female stars, not to mention, they even sharpened their heads and leaned on them.

There are even some male stars who, in order to stand out, take the initiative to cater to those bad old men who are good at Longyang.

As a leader in the entertainment industry, Mike has been in friendship with Zyaire for decades. Zyaire used him to extract the value of the entertainment industry, and he also used Zyaire to consolidate his absolute prestige in the entertainment industry.

It can be said that the two are the best partners and have been working closely for decades.

So, at this time, the first thing he thought of was Zyaire, and he planned to call Zyaire over and give charlie a king bomb!

At this moment.

Zyaire was just standing in front of the mirror in the luxurious bathroom of his mansion.

The corners of his mouth were sutured by a trusted doctor last night, but after the sutures, the wounds were still shocking, making him extremely decadent.

Moreover, according to charlie's request, he will soon donate his family property as well as all the houses and cars.

Although he was reluctant in his heart, he didn't dare to disobey charlie's intentions, so he was going to put on a mask and take care of this matter immediately.

At this moment, he suddenly received a call from Mike, so he picked up the phone and asked, "Mike, do you have something to do with me?"

Mike said hurriedly: "MR. Zyaire, there is something I need to do. Please do me a favor!"

Zyaire said: "Mike, you and I have been in a relationship for so many years, you can say anything if you have anything."

Mike glanced at charlie and gritted his teeth: "That's right, I'm here with Liu Jiahui now. , there is a boy surnamed wade on his side, who is extremely rampant and humiliated me over and over again. I can't bear it anymore, and I ask MR. Zyaire to help me teach him a lesson!"

"The boy surnamed wade?!" : "Are you sure your surname is wade?!"

"That's right!" Mike looked at charlie, and said coldly, "It's wade, a boy from the mainland!"

Zyaire trembled in his heart and thought to himself, "Mike , did you f*cking go out this morning and didn't watch the almanac? There are millions of people on Hong Kong Island, who is it bad for you to provoke, but you have to provoke charlie?"

Thinking of this, Zyaire's first thought was to quickly find an excuse to get rid of it.

However, in the next second, he suddenly thought: "Since Mike offended charlie, he will not end well. Why don't I take this opportunity to perform in front of the surname wade?!"

" Said: "Where are you, mike? I'll take someone there!"

Mike immediately showed a vicious smile on his face when he heard this, and said, "I'm in Liu Jiahui's Huadi Building, in his Office!"

"Okay!" Zyaire said excitedly: "You wait, I'll be right here!"

Mike hung up the phone, looked at Liu Jiahui with a sneer, and said contemptuously, "Liu Jiahui, you didn't mean MR. Zyaire Don't you dare to come and help me? But MR. Zyaire said on the phone just now, he! Come on! Come on! Come!"

Liu Jiahui is like a man, Zyaire was just abused into a dog by charlie yesterday, and today I know that charlie is still here. Dare to come, it proves that he must have come to please charlie.

If Zyaire came to please Charlie, would Mike end well?

Thinking of this, look at Mike's smug look, he covered his face with his hands, and sighed: "Hey! Good words are hard to persuade you damn it, it's me who talks too much! It's me who talks too much!"
