

The Amazing Son In Law Chapter 4789 (The Charismatic Charlie Wade Chapter 4789)

"Good words?"

Mike, who was in high blood, was very unhappy with Liu Jiahui's words, and roared coldly: "Liu Jiahui, remember what you said, MR. Zyaire will come later, please don't plead for this kid!"

charlie's contempt for Mike today really made him resentful.

The reason why he is so angry, in the final analysis, has to do with his complimented status on Hong Kong Island over the years.

He stayed in this acre for too long, and the people he dealt with on weekdays were all stars who were high in the eyes of ordinary people. The social status of the original stars was much higher than that of ordinary people, and he, the godfather of the entertainment industry, it is even more unattainable.

Those fanatical fans, who spend a lot of money, material resources and energy, can at most win a face-to-face opportunity with a star, and they don't even have a chance to hold it.

But for Mike, he has long been used to being respected and licked by a group of top stars, and now being humiliated by charlie is something he has not experienced in decades.

It is precisely because of this that he is so embarrassed and angry.

Liu Jiahui was also extremely helpless. Right now, Mike didn't cry without seeing the coffin. He tried his best and couldn't shake it, so he gave up the idea of persuasion.

At this time, the girl who claimed to be Xue Ziqi said to charlie nervously: "Mr. Wade, you must not have any conflicts with Mr. Mike because of me..."

charlie waved his hand: "This matter has nothing to do with you. I have never liked this kind of gentle scum. In my opinion, such beasts are not as good as the beasts on the streets of Tokyo, who are at least real and unpretentious."

After that, he asked the girl, "Your name is Xue Ziqi?"

The girl hurriedly shook her head: "No...my name is Xue Shiyu...Mr. Mike said that my name was difficult to catch fire, so he changed it to Xue Ziqi... He also said that there was a name similar to this before, but now it has become very popular. now..."

charlie has heard that it is common for Hong Kong Island entertainment circle to change their names. Many artists will change their stage names for the sake of popularity. Some people even change their stage names and they have changed their stage names several times. Said: "I don't think your real name sounds as good as your real name. It's not a name given to you by a beast."

The girl bowed her head in shame, but said in a very firm tone: "Okay, Mr. Wade, I'll call back my real name."

When Mike heard this, he roared furiously: "You dare! Do you think the contract I signed with you is a piece of waste paper?! You signed a full brokerage contract! If I don't nod, you are not qualified at all. Do anything! Including changing your own name!"

charlie looked at Mike, frowned and asked: "You old dog is somewhat unethical, if you want to bark, at least you have to wait for your backer to come, otherwise you are a sixty-year-old old man, I am now If I punch you twice, your body may not be able to stand it."

Mike closed his mouth in fright.

He knew the reason why a hero does not suffer from immediate losses, so he brought two girls up himself. If charlie really made a move, he would be no match for him.

So, he subconsciously took a few steps back, but still said very arrogantly: "Boy, wait, MR. Zyaire will be here soon!"

"Okay." charlie nodded: "It depends on the owner if you beat the dog. Since you said so, then I will wait for the Zyaire to come and clean you up!"

After that, he looked at Xue Shiyu and asked, "I asked you a question just now, but you haven't answered me yet. Did this old dog make you come here dressed like this?"

Xue Shiyu nodded slightly, and said shamefully, "I didn't expect that the company would have such a request after signing the contract... But Mr. Mike said that my contract is a ten-year full brokerage contract, and the company has already paid for it. I have an advance payment of one million Hong Kong dollars, and I have to obey the company's arrangement, otherwise, the company will hide me, and I will not only have no income, but I will not even be able to find a job.

Saying that, Xue Shiyu's tears kept falling, and she choked: "And if the contract is terminated, I need to pay twenty times the liquidated damages of the group. I can't take out so much money, so I can only listen to Mr. Mike's instructions..."

charlie frowned and asked, "Why do you need this million? Have you encountered any trouble?"

Xue Shiyu nodded and said in a low voice, "I originally wanted to continue studying, but something happened to my family and I owed a lot of foreign debts, so I can't afford to continue my studies..."

Speaking of this, Xue Shiyu said again: "I originally planned to find a job immediately after graduation to make money to support the family, and help my parents pay off the foreign debts they owe as soon as possible, but I didn't expect to meet Mr. Mike on the streets of Tokyo, He said he would sign me and make me a singer."

"Moreover, Mr. Mike also promised a signing fee of one million Hong Kong dollars. This signing fee is enough for me to help my family solve all the crises, so I signed..."

charlie continued to ask, "He signed your ten-year full brokerage contract and only gave you one million Hong Kong dollars?"

Xue Shiyu hurriedly said: "Yes... But for me, one million is already a lot... I had no other choice at that time..."

charlie nodded and asked, "If you don't have to consider liquidated damages or family debt, would you rather be a star or continue to go to school?"

Xue Shiyu subconsciously blurted out: "I want to continue to go to school... Although I like music, I never wanted to be a star. After signing here, I also know a lot of unknown insider stories in this industry. If there is a chance to choose, I am willing to go back to school..."

As she said that, her tears kept falling, and she choked: "Actually, I have already received a master's admission letter from the University of Tokyo, but... it's just that the situation does not allow me to continue reading..."

charlie asked her, "When will the master's degree start?"

Xue Shiyu replied, "September..."

"Okay." charlie nodded and said earnestly, "You and I are destined to meet each other, not to mention that it is two times, I will definitely handle your affairs today."

Mike saw that charlie was so arrogant, and immediately sneered: "What a joke! She signed in black and white under the name of my company, how could I let her go?! There are many people who want to take someone away from my company, Mike, But none of them were successful!"

Liu Jiahui said subconsciously at this time: "born, you are talking nonsense with your eyes open. Didn't the eldest son of the Li family take a woman away from you?"

"You..." When Mike heard this, he was immediately annoyed, his face flushed red, and he said angrily, "That time doesn't count! That time, I, someone from Mike, gave him face! It was me who gave him face!"

Liu Jiahui shrugged his shoulders and said helplessly: "Whatever you want, you are a boss, whatever you say is what you say."

At this moment, the secretary came to report again: "Chairman, there is a group of people downstairs who want to see you, and the first one said he is Zyaire..."

Mike laughed: "Haha! MR. Zyaire is here! Why don't you invite people up!"

Liu Jiahui glanced at him with pity, and said seriously: "Born, regret it now, maybe it's still too late..."

"Stop talking nonsense!" Mike said angrily: "Now you want to plead for that kid? It's too late!"

Liu Jiahui nodded and said helplessly to the secretary: "Okay, please come up..."

At this time, Mike pushed his glasses without fear, and immediately took a few steps forward subconsciously.

In his opinion, as long as Zyaire arrives, he will be invincible today.

The rest is just how to torture this surnamed wade to relieve the hatred in his heart.

However, he was a little surprised that charlie was still sitting on the sofa very casually, and he was not nervous at all.

And Liu Jiahui, who was on the side, simply sat back on the sofa at this time.

He really wanted to pull Mike, but unfortunately, this Mike was about to fall into a cliff without knowing it.

I desperately grabbed one of his hands and pulled him up first, but he didn't expect that he would slash back at his hand.

This is really forcing myself to let go, and there is nothing I can do about it.

Soon, Zyaire rushed in aggressively with more than a dozen double-flowered red sticks.

The moment the door opened, Zyaire was wearing a thick mask, which surprised Mike a little, but he still recognized the Hongmen boss at a glance.

So, he immediately greeted him diligently and complimented: "MR. Zyaire, you are finally here!"

Zyaire glanced at him, and then shouted loudly, "What kind of ignorant thing dares to be rude to Mr. Wade?!"

Mike was too excited, he didn't react for a while, he subconsciously pointed at the back of charlie's head, and blurted out, "MR. Zyaire, that's it! Yes! Him!"

After speaking, his mind suddenly short-circuited, and he looked at Zyaire blankly and asked, "MR. Zyaire, what did you just say? ...Mr. Wade?!"

At this time, charlie stood up, turned to look at Zyaire, and said with a smile, "MR. Zyaire, we meet again."

When Zyaire saw charlie, his legs suddenly became weak.

The moment his eyes met, his first thought was to kneel down.

Because charlie is really too scary, no matter what the reason is today, it's always better to kneel down first.

However, it was only halfway through that he reacted, and he thought to himself, "I lost, this is not right! This time I came here, not to oppose charlie, I came here to gain a good impression in front of charlie! I What the hell are you afraid of!"

Thinking of this, he looked at Mike, slapped him fiercely, and slapped Mike's glasses out.

Immediately, he roared angrily: "F*ck Mike, where did you borrow the guts, you dare to yell at Mr. Wade! You f*cking ripped off your family's ancestral grave last night, and you are with me! Did the ancestors borrow the guts?"

Mike never dreamed that the person who called him would actually move his hands on him involuntarily.

So he covered his face and blurted out: "MR. Zyaire, what do you mean? I came to you, and you asked you to help me deal with that surnamed wade, why did you beat me up?!"

Zyaire rushed up, raised his hand and slapped him back again and again, and then took advantage of his unsteady footsteps and flew up and kicked him to the ground.

Mike screamed in pain again and again, but Zyaire ignored him and stomped on his chest and said sternly, "Mike, you really ate the guts of an ambitious leopard! Mr. Wade is like a new parent to me. Let me deal with him! Aren't you courting death?!"

The Amazing Son In Law Chapter 4792 (The Charismatic Charlie Wade Chapter 4792)

Mike couldn't care about the severe pain all over his body, and his whole body was instantly dumbfounded.

Give him eight more heads, and he would never have imagined that things would develop to this point.

He pondered in a panic, "What's going on? What the hell is going on here? Isn't that wade the assistant of a shipping company? I can understand that Liu Jiahui, the old dog complimented him, but he just wanted to catch up with him. The line makes more money, but why did Zyaire do it for him?! Moreover, this Zyaire is not afraid of anything and everything. He even said that the boy in his twenties is his reborn parents. What is the origin of this boy? "

Thinking of this, he hurriedly cried and said to Zyaire: "MR. Zyaire must have misunderstood you, I have known and worked together for so many years, you can't treat me like this no matter what, what's the difference between this and cannibalism??"

"I'm throwing mine!" Zyaire scolded angrily, and stomped down again, directly stomping off a few of Mike's ribs, and shouted coldly: "I warn you Mike, don't talk to Mike here. I am in a relationship! My Zyaire is no longer the Zyaire of the past, and the Zyaire of the present disdains to be in the company of a bastard like you! This is also thanks to Mr. Wade, the bright light of life, who pointed me in the right direction in time, otherwise If you do, I will only be taken further and further away by a bastard like you!"

After that, he looked at charlie, clasped his fists in both hands, and said respectfully, "Mr. Wade, thanks to you for letting me get lost, otherwise, I might be brothers with this kind of garbage!"

charlie didn't expect that Zyaire's drama was so full.

He couldn't help laughing and said, "MR. Zyaire is indeed a veteran figure who has been immersed in the entertainment industry for a long time. It really makes me admire."

Zyaire knew that charlie's words were actually making fun of himself, but he could also hear that there was no malicious intent in charlie's words except for the ridicule. It seemed that his decision and actions today were absolutely correct.

So, he immediately asked charlie: "Mr. Wade, what are you going to do with this piece of shit?!"

charlie smiled and said, "I didn't think about it. I just came to Mr. Liu's company to sit down today. I didn't expect him to come to the door on his own initiative, and even called you over. How do you think this matter should be resolved?"

Zyaire blurted out without hesitation: "Since this bastard offends Mr. Wade, he can't be left in the world to disturb Mr. Wade's mood anyway! I will have him take him away and put it in my smuggling frozen meat after disposal. Freezer, take it abroad to deal with it, make sure no one is alive, no corpse is dead!"

Zyaire's remarks are by no means joking, he really has the heart to kill Mike.

After yesterday's events, Zyaire completely understood what it means that there are people outside people and there are heavens outside the sky. With charlie's background as the master of Wanlong Palace, how many Hongmen are not enough for Wanlong Palace to plug his teeth.

Therefore, he immediately wanted to understand one thing, whether he can live in the future, whether he lives well or not, does not depend on anyone other than charlie.

Because of this, there is only one thought in his mind now, that is, to satisfy charlie no matter what, as long as charlie can be satisfied, he doesn't care who he kills.

He and Mike have indeed had friendship for many years, but he himself has been in the world and knows what it means to use each other and play on the scene. As long as Mike is beneficial to himself, he will definitely hold him and cover him, but once he is right If he has his own faults, he will kill him without hesitation.

In other words, if killing him can exchange for greater benefits for himself, then he will not have any hesitation.

When Mike heard this, the whole person was instantly frightened and scattered.

Endless fear surged into his heart, and his sphincter muscles loosened in an instant, and the blanket of his buttocks was dyed a striking piece.

Liu Jiahui was stunned for a while, and couldn't help but sigh: "My carpet...the carpet I bought for 1.8 million Hong Kong dollars..."

At this time, Mike couldn't care about the act of urinating his pants, and he cried out in fear, "MR. Zyaire! Forgive me, MR. Zyaire!"
