

The Amazing Son In Law Chapter 4804 (The Charismatic Charlie Wade Chapter 4804)

charlie looked at the time and said lightly, "It's almost ten minutes."

Liu Jiahui asked with a smile, "Do you think we should wait in the car or wait inside?"

charlie casually said, "Wait inside. Let's go."

After saying that, he opened the door first and got out of the car.

Liu Jiahui was about to get off the car when the driver turned around and said in a low voice, "Boss, I just received the news that Arman has entered the customs."

"Oh, it's already here..." Liu Jiahui nodded and muttered: " To be honest, I really want to meet that poor boy and see what the hell he looks like now... But my wife is here today, so try not to meet him." The

driver said hurriedly, "Mr. Wade said Miss Fei will arrive in 20 minutes, and we should leave after picking her up. Arman estimates that it will take at least half an hour to come out. In this case, the time is just staggered and we will not meet Arman."

"Okay." Liu Jiahui After a sigh of relief, seeing Fang Jiabin who was sitting in the car in front also pushed the door and got out of the car, she said to the driver, "My wife doesn't know that Arman is coming back today, you all have to keep your mouth shut and don't let her go until Arman is killed. I've received any rumors." The

driver nodded and said, "Don't worry, boss, we will never talk nonsense."

After that, he added, "If those people started fast, Arman probably wouldn't survive tonight, right?"

Liu Jiahui said with emotion: "If nothing happened, he might not have lived until it was dark, but the situation has changed a lot now. Originally, the teacher Lin of Hongmen wanted to take this secret flower, but the teacher Lin has left Hong Kong now. Moreover, I see Zyaire of Hongmen, and now I definitely don't dare to openly accept this deal, I can only see if other gangs and killers on Hong Kong Island can kill him today!"

After speaking, Liu Jiahui said again: "It's better to do it as soon as possible, In order not to have too many dreams at night, it's best if my wife hears Arman's obituary directly before he hears about his return." The

driver smiled: "Boss, don't worry, there is no way he can survive with the 30 million dollars hidden here. tonight."

"Well." Liu Jiahui nodded and said, "Mr. Wade and I will pick you up, you guys are waiting here."

"Okay boss."

Liu Jiahui pushed open the door and got out of the car, not knowing that he was standing not far away. charlie, who had already heard all the conversations between him and the driver.

He walked to charlie and said with a smile: "Mr. Wade, let's go in now?"

charlie looked at him, nodded slightly, and said with a smile, "Go in, Miss Fei should land in ten minutes."

Fang Jiabin, who was on the side, stepped forward, took Liu Jiahui's arm, and whispered nervously: "Kahui, do you think there is nothing wrong with my dress? If there is any problem, tell me immediately, and don't let Miss Fei see the joke. In fact ,

Liu Jiahui can clearly see that he is a little nervous. While adjusting his tie, Jiabin said to the other side: "There is no problem with dressing up. Don't say the wrong thing when you get excited."

In fact, Liu Jiahui didn't say anything.

Fang Jiabin's education is not very high, she just dropped out of high school after finishing high school, so her speech and manners are relatively low, it is difficult to be elegant, and she often subconsciously swears.

And Fei Kexin's resume can be checked everywhere on the Internet. Not only did he study at the top Stanford University, but he also had very good grades and a very high degree.

Therefore, what Liu Jiahui is most worried about is that Fang Jiabin can't keep his mouth shut, and if he says something vulgar, it will reduce Fei Kexin's impression of them.

Fang Jiabin also knew her shortcomings, so she nodded quickly and said, "I'll see Miss Fei later, so I must speak less!"

Liu Jiahui and Fang Jiabin, although they have reached the top of the pyramid on Hong Kong Island, but looking at the world, they are still far behind.

And the strength of the Fei family is no longer on the list of ordinary rich people. The strength already belongs to the hidden wealthy family, and the overall strength is countless times stronger than Liu Jiahui.

Fei Kexin is also the head of the Fei family, and in the eyes of Liu Jiahui and Fang Jiabin, it is even more unattainable.

At this moment, the mentality of the two of them is like the richest man in a small county. They finally have the opportunity to meet the richest man in the country. In addition to being excited, they are inevitably nervous.

Unlike the two of them, Charlie was in a very relaxed state.

With his hands in his pockets, he swaggered into the arrival hall.

In the arrival hall at this time, there were many people who came to pick up the plane, but Fang Jiixin did not put on sunglasses and a mask like when she came to pick up charlie with Liu Jiahui before, and she did not have the attitude of a rich wife before.

At this time, Abbas turned around from the crowd, came to charlie, and said respectfully, "Mr. Wade!"

charlie nodded and asked him, "Did you find anything special?"

Abbas respectfully said Said: " Mr. wade, no."

Seeing that Abbas was also here, Liu Jiahui immediately clasped his fists nervously and said, "Mr. abbas... Hello, Mr. abbas!"

Abbas glanced at Liu Jiahui and bowed slightly to him. Hands over as a response, but no words.

Abbas knew very well, don't look at Liu Jiahui and charlie like old friends now, but it won't take long for Liu Jiahui to know charlie's true identity and the real purpose of his coming to Hong Kong Island this time.

Therefore, there is no need to chat too much with Liu Jiahui.

Twenty minutes later.

A beautiful figure appeared at the customs exit, instantly attracting the attention of many people.

Fei Kexin, who is young and beautiful and has a strong aura, walked out of it, accompanied by Master jay.

Before Fei Kexin came out, she saw charlie in the crowd at a glance, she waved to charlie excitedly, and said loudly, "Mr. Wade!"

After that, she quickly ran a few steps and came In front of charlie.

When Fei Kexin stood in front of charlie, a little blush appeared on her originally fair cheeks.

I just don't know if she blushed because she ran a few steps quickly or because she was shy.

However, Fei Kexin sees

with charlie's expression clearly showing joy beyond words. For Liu Jiahui, who has countless royal daughters, he can see at a glance that this Fei Kexin must like charlie !

Thinking of this, he couldn't help exclaiming in his heart: "What kind of virtue is this charlie! Why is even a young lady like Fei Kexin worth thousands of trillions of dollars so full of admiration for him?! And This Fei Kexin is not only rich, but also has the same appearance and figure. He is not inferior to Mia at all, and his background is much stronger than that of Mia. It seems that Mia has almost nothing in front of her. There is no chance of winning..."

Just when Liu Jiahui secretly screamed that it was not good, charlie said to Fei Kexin with a smile: "Miss Fei, Master jay, the two of you have worked hard all the way."

Master jay on the side said very respectfully: " Mr. Wade's words are serious, it's all under the responsibility."

Fei Kexin also said seriously: "Mr. Wade who doesn't work hard, it's Kexin's honor to be able to share your worries for you."

Fei Kexin's remarks are even more It shocked Liu Jiahui and Fang Jiabin.

The two looked at each other with shock and disbelief in their eyes.

Originally thought that Fei Kexin was Charlie's friend, but who would have thought that Fei Kexin would drop herself in front of Charlie, call Charlie respectfully, and said that it was her honor to share Charlie's worries.

This is even a bit humble, more like the subordinate's tone and attitude towards the boss.

Neither of them could understand why Fei Kexin, the head of the Fei family, was so humble towards Charlie.

At this time, Charlie said to Fei Kexin, "Miss Fei, let me introduce you to two friends."

Then he pointed to Liu Jiahui beside him, and said, "This is the famous Liu Jiahui on Hong Kong Island, Mr. Liu; next to him that is his wife, Fang Jiaxin, Miss Fang."

Fei Kexin was shocked when she heard the names of the two.

She knew that Charlie came to Hong Kong Island this time to help Arman solve the troubles here, and she also knew that the person who wanted Arman's life was Liu Jiahui, the richest man on Hong Kong Island.

But she really didn't expect that Charlie brought Liu Jiahui here, and looking at this situation, Liu Jiahui seemed to have become friends with Charlie, and he had no sense of danger at all.

Just when she was surprised, Lau Ka Fai took the initiative to stretch out his hand and said very respectfully: "Hello, Miss Fei, my dear Lau Ka Fai, I have admired your name for a long time, but I didn't expect to see you on Hong Kong Island today."

Fei Kexin put away the surprise in his heart, looked at Liu Jiahui, stretched out his hand to shake him lightly, and turned around.

smiled and said, "It turned out to be the famous Mr. Liu, it's a pleasure to meet you!" Fang Jiaxin on

the side also said nervously: "Fei ... Hello, Miss Fei. I'm Fang Jiabin, it's a pleasure to meet you!"

Fei Kexin nodded slightly and said with a smile, "Hello Mrs. Liu.

", and you are a good friend of Mr. Wade, you come to Hong Kong Island this time, you must give the next opportunity to fulfill the friendship of the landlord!" After

speaking, he continued: "I have prepared a banquet at home, if Miss Fei doesn't dislike it, please condescend to have a small talk in the humble house!"

Then, Liu Jiahui quickly added: "By the way, Miss Fei, Mr. Wade has been living in the humble house for two days. If Miss Fei doesn't dislike it, she will be on Hong Kong Island. You can also live in the next house these few days."

Fei Kexin smiled slightly, looked at Charlie with affectionate eyes, and said, "To be honest with Mr. Liu, I came to Hong Kong Island this time because of Mr. Wade, so I obey Mr. Wade's orders."

Liu Jiahui hurriedly looked at Charlie, who was beside him, and asked respectfully, "Mr. Wade, what do you mean?"

Charlie smiled and said, "It's too early to say this.

" After finishing, he asked Liu Jiahui: "By the way, Mr. Liu, you have a deep relationship on Hong Kong Island, can you ask the airport to provide us with a VIP lounge in this building?"

Liu Jiahui asked curiously: "Mr. Are we not leaving now?"

Charlie laughed casually: "To be honest, there are two distinguished guests today, Miss Fei is the first one, and there is another one later, it may take a while."

Liu Jiahui heard this He didn't think about Arman at all, he just couldn't help but asked in surprise: "Mr. Wade, do you still have a distinguished guest?! I don't know what this distinguished guest is? Could it be... the famous An family?"

charlie smiled slightly: "This distinguished guest is one of my elders and has a very close personal relationship with my father. As for his surname, Mr. Liu should not be so detailed."

Liu Jiahui thought to himself: "Even the fee Ke Xin is very respectful to charlie, and then charlie, the second distinguished guest, may be even bigger than Fei Kexin! Maybe it's the An family I guessed, if that's the case, I'm really lucky today Thinking of

this, he immediately patted his chest and said to charlie: "Mr. Wade, don't worry, I have shares in this airport, and it's easy to solve a VIP lounge, you wait a moment, I'll arrange it!"
