

The Amazing Son In Law Chapter 4809 (The Charismatic Charlie Wade Chapter 4809)

Hearing this voice, Arman trembled.

Immediately, he raised his head and faced the direction of the voice, and was surprised to find that charlie was looking at him with a smile on his face.

He was so shocked that he was speechless. After a while, he muttered, "Young Master wade...you...why are you here?"

charlie looked at Arman, and couldn't help but be a little surprised, because Arman was already old and decadent after not seeing him for a few days.

Come to think of it, he must have been tortured recently.

So, charlie smiled slightly, and said casually, "I've been here for a few days, and it's such a big thing that you want to go home, I definitely can't ignore it, I'm here on Hong Kong Island this time to make sure that you can return home safe and sound. Get home and make sure no one dares touch you from now on."

Arman hurriedly said: "Master wade... Liu Jiahui took out 30 million US dollars of secret flowers and wanted to buy my life. It is very dangerous for you to pick me up at this time..."

"It's not dangerous." charlie smiled, pointed at Abbas beside him, and said, "Uncle Arman, let me introduce to you, this is the master of Wanlong Palace, Abbas, if anyone dares to confront him today If you are motivated to kill, or dare to stop you from going home, I will definitely make him pay a heavy price."

Abbas said respectfully from the side: "Uncle Arman, don't worry, with Mr. wade and me here, no one on Hong Kong Island would dare to do anything to you!"

Arman couldn't be more grateful for a moment, his eyes were red, he tried his best to hold back the tears, and choked: "Young Master wade... I have never had the chance to repay the

kindness I owe to Master Bruce, and now I owe you such a kindness, I am really sorry. It's a shame..."

Speaking of this, he looked at charlie and said very firmly: "Master wade, from now on, as long as you can use it anywhere, you will definitely have nothing to say about this old bone!"

charlie really wanted to bring Arman under his command earlier and let him help him manage more and more capital and industries.

But now, he just wants to help the wanderer who has been away from his hometown for more than 20 years to return home safe and sound.

The rest is not important.

So, he turned around and asked Abbas: "abbas, are all the things I asked you to prepare in advance ready?"

"Mr. wade, everything is ready." Abbas responded respectfully, and immediately winked at a man in plain clothes in the crowd, and then the man immediately pulled a 20-inch suitcase away. come over.

The man handed the suitcase to Abbas and said very respectfully, "Mr. wade, Hall Master, everything is here."

"Okay." charlie nodded and said to Arman, "Uncle Arman, I have prepared a brand-new outfit for you, and a razor for you. I will take you to the bathroom to prepare it, and I will bring it with you later. You go to see two old friends."

Arman was startled and couldn't help but ask, "Young Master wade, could you be... Could it be that you brought Liu Jiahui and Fang Jiabin under control?!"

Arman knew that since charlie said he wanted to help him solve the problem of going home, he must have contacted Liu Jiahui in advance.

When he heard that the young man beside Charlie was the famous Abbas, he was very worried, worried that Charlie would use violence against Liu Jiahui.

When he heard Charlie say that he was going to take him to see the two old friends, he was even more worried that Liu Jiahui and Fang Jiabin had been controlled by Charlie.

Although he had always known that Liu Jiahui's intention to kill him would not die, he himself had no intention of letting Liu Jiahui die.

As for Fang Jiabin, he didn't even complain or blame at all.

Therefore, he was afraid that Charlie would use thunder to deal with them.

Seeing his worry, Charlie smiled slightly and said, "Uncle Arman, it seems that I can't hide anything from you, but don't worry, I didn't kidnap Liu Jiahui and his wife, and the two of them are still in the dark. I'll take you to see them when you're in order. Let's make this grievance clear face to face. After making it clear, this matter will be over. I promise that Liu Jiahui will not dare to do anything wrong to you from now on. read."

When Arman heard this, he finally breathed a sigh of relief, he nodded lightly, and said gratefully: "Master Wade, no matter what the outcome of the matter is, please don't embarrass the two of them, what happened back then was me anyway. There was a mistake first..."

When Arman was young and vigorous, he never felt sorry for Liu Jiahui.

After all, he helped Liu Jiahui to make a lot of money back then, and he did not cuckold Liu Jiahui. He only asked Liu Jiahui to ask for mercy after he was sure that Fang Jiabin was willing to reunite with him.

Moreover, Fang Jiabin did not marry Liu Jiahui at that time, and she was not a third party involved.

However, as he got older, he gradually realized that although he didn't feel guilty about handling this matter, in all fairness, it did cause a lot of trouble to Liu Jiahui.

After all, Lau Ka Fai is a well-known super rich man, and he was well known for taking care of Fang Jiabin back then. He took Fang Jiabin and eloped with him, which brought him a very negative social impact. It is very likely that people on Hong Kong Island are talking about after dinner, and this one about Liu Jiahui's current wife, who once eloped with someone.

charlie also understood Uncle Arman's mentality, so he smiled and said, "Uncle Arman, don't worry, since I want to take you to see them, I don't want to make too much trouble for them, otherwise, I'll let them kill them directly. It was resolved once and for all."

After speaking, charlie said again: "But Uncle Arman, I came to Hong Kong Island this time not only to seek justice for you alone, but also to seek a statement for my father. Liu Jiahui had backtracked on my father. This matter, I must ask him to give me a satisfactory statement."

Arman didn't know how to answer for a while, but charlie changed the subject and said, "Uncle Arman, I'd better take you to change your clothes. You can't be so decadent when you want to see your old friend later."

Arman nodded lightly and said gratefully, "Thank you, Young Master wade!"

...

ten minutes later.

Arman had put on the white short-sleeved shirt, black trousers, and leather shoes that charlie had prepared for him.

This suit is a high-end series of well-known brands, and Arman is a talented person. Even if he is old, he is still very handsome, so after putting on such a suit and shaving his beard, his visual age is instantly much younger. He was only about forty years old when he got up.

When he was ready, charlie smiled and said, "Uncle Arman, your two old friends are in the VIP lounge on the second floor of the airport at the moment, I'll take you up."

"Okay." Arman nodded slightly, followed Charlie nervously and took the elevator to the second floor.

In the VIP lounge at this time, Liu Jiahui was still looking forward to Charlie's second VIP, and couldn't wait to see the true face of this VIP.

At this moment, Charlie pushed open the door and walked in. Seeing that both Liu Jiahui and his wife were full of expectations, he smiled slightly and let him go.

Arman's figure instantly fell into the sight of the two of them.

Fang Jiaxin covered her mouth in shock and was speechless, while Liu Jiahui was stunned at first, then immediately became furious, pointing at Arman and shouting angrily: "Damn, Arman!"

At this time, Liu Jiahui has been carried away by anger.

He blurted out an angry curse, but Arman said with a somewhat ashamed expression: "Mr. Liu, it's been a long time."

"See your mother, see you!" Liu Jiahui pointed at Arman and cursed angrily: "You are so f*cking arrogant. How dare you run in front of me! You really think you have a long life!"

Charlie on the side said coldly: "Mr. Liu, you treat my honored guest like this, don't you think that I, Charlie, am not in your eyes? "

Liu Jiahui came back to his senses instantly, and then shivered in fright.

Only then did he realize that Liu Jiahui was actually brought over by Charlie!

So, he asked charlie nervously: "Mr. Wade, you...how did you know him?"

charlie frowned and said, "Uncle Arman is my father's friend."

Having said that, charlie looked at Liu Jiahui, Ask him: "Mr. Liu, do you still want to ask who my father is?"

Liu Jiahui nodded subconsciously.

He had only one relationship with bruce Wade back then, not to mention that bruce Wade had been dead for 20 years, and he could no longer remember this person in his mind.

charlie looked at him, smiled slightly, and said word by word, "Mr. Liu, my father's name is bruce Wade, bruce Wade of wade's family in Eastcliff, your nobleman forgets things so much, you can turn your head and throw it away when you turn your head. In the back of your head, after so many years, do you still have any impression of my father?"

"bruce Wade..." Liu Jiahui murmured and repeated, his brows furrowed.

Immediately afterwards, he suddenly remembered the middle-aged man who had met him on a special trip from the mainland to Hong Kong Island.

At that time, bruce Wade was very famous in the Chinese circle.

Not only because of his good background and strong ability, but also because he married a very remarkable woman, Lydia (Ava) (Charlie's mom), who is famous all over the world for promoting the rapid development of countless companies in Silicon Valley!

Back then, when Liu Jiahui met bruce Wade, he also sighed that this person is of extraordinary strength.

It was because of bruce Wade's face and potential that Liu Jiahui readily agreed to let Arman go. Although he hated Arman at the time, he still decided to let go of the past when he thought of the chance to get on the boat of the Wade family and the An family. .

Originally, Bruce Wade did have plans to give Liu Jiahui something in return.

Unfortunately, not long after, Bruce Wade broke with the Wade family and left Eastcliff with his wife and children.

Just when Liu Jiahui was thinking of finding an opportunity to catch up with Bruce Wade, he heard the news of Bruce Wade's death.

Liu Jiahui's first thought at that time was that he had lost a lot of money.

He made concessions to Arman not because of Bruce Wade's face, but because he wanted to benefit from Bruce Wade for a long time.

However, the benefits of bullshit were not obtained, Bruce Wade and his wife were both killed, which was equivalent to stealing chickens without losing rice.

Therefore, Liu Jiahui at that time immediately forgot his promise to Bruce Wade.

As time went by, he gradually forgot about Bruce Wade as the number one person.

However, today I suddenly heard the name again from Charlie's mouth, and all of a sudden his memory related to Bruce Wade was awakened.

He looked at Charlie in disbelief: "You...you are Bruce Wade's son?! This...how is this possible, I heard that their family...all died!"

Charlie was cold and said: "I'm sorry to disappoint you, I'm still alive."

Liu Jiahui shuddered and waved his hands quickly: "Mr. Wade...I...I didn't mean that..."

Then, what did he think of? , looked up at charlie, widened his eyes and said, "You are bruce Wade's son... That means, you are not from Ys Shipping at all..."

charlie said lightly: "Although I am not Ys Shipping but I am the boss of Yisu Shipping, and Ziva works for me."

Liu Jiahui was horrified, and then subconsciously said: "But...but...I heard that the Wade family was sought revenge by the Wanlong Palace, You were robbed of half of the assets by the Wanlong Palace, and now you are in a state of failure... But you are the owner of the Wanlong Palace, this...this is a complete contradiction..."

charlie sneered: "You think the Wade family lost, but that's just my hope that outsiders think the Wade family has lost." Abbas, who was beside him

, immediately said, "It's me, Abbas, who is overthinking and trying to challenge himself. Mr. Wade, in the end, Mr. Wade spared my life regardless of the past!"

Liu Jiahui's cold sweat at this time has left his face and entire back.

And his brain also began to run rapidly, and he thought to himself: "Since this charlie is bruce Wade's son, it also means that Eastcliff

The owner of the Wade family is his grandfather, and the owner of the An family in the United States is his grandfather... And what happened at the Hongmen Bar yesterday proved that he is still the real owner of the Wanlong Palace, and now he says that he It's the boss of Yisu Shipping... In this way, the strength behind charlie is much greater than I imagined before..."

"The reason why charlie used the excuse of Yisu Shipping to approach me, I am afraid he also knows. I want Arman's life, that's why I do it on purpose..."

"Now, charlie brought Arman here, he must have come to me to ask for his guilt..."

"This is really over..."

At this time Liu Jiahui, who was in the middle of nowhere, was already extremely flustered, and then, a thought suddenly flashed in his mind, he quickly put on a smiling face, and said excitedly, "You are Young Master Wade? So you are Young Master Wade! Oh, I have always admired your father so much! Back then, I was fortunate enough to have a drink with him on Hong Kong Island! Now that I can see the son of Master Bruce, I am really excited! Having

said that, he hurriedly looked at Arman again and said with emotion, "Oh, Arman! You left without saying goodbye for so many years, and now you are finally back! You don't know how much I feel guilty about you all these years, I always want you to go back to Hong Kong Island to live a good life, but I just can't find your contact information. In order to make up for the shame in my heart, I have let Jiaxin take care of you on my behalf for so many years. family, she went to see your old mother a few days ago! It's great that you're back safely now! charlie looked at Liu Jiahui 's

sincere look, and couldn't help laughing: "Mr. Liu's ancestor should be from Sichuan Province in the Mainland, right?" "

Liu Jiahui shook his head subconsciously and said with a smile: "Master Wade, my ancestors were from Guangdong Province in the Mainland. "

charlie frowned: "Your ancestor was from Guangdong Province? This is not right, the craft of changing face seems to be only from Sichuan Province, right? "

Liu Jiahui is extremely shrewd, and he immediately heard the sarcasm in charlie's words.

He hurriedly said, "Master Wade...you...what do you mean..."

charlie's expression turned cold, and he asked coldly, "Liu Jiahui, it doesn't matter. I just want to know now, how do you explain that you have spent 30 million dollars to kill Uncle Arman?"

Liu Jiahui hurriedly waved his hand. Said: "Master Wade is wronged, Master Wade, I have known Arman for many years, and he is my old subordinate, how could I spend money to buy his life, there must be some misunderstanding..."
