This also means that charlie's punishment for him should be based on Huzaifa.

"If my guilt is smaller than Huzaifa's, then it's easy to say, if my guilt is greater than Huzaifa's, then the amount of my compensation must not be lower than Huzaifa's standard."

"That's 10 billion in ten years...and it's still in US dollars. ...Fang Jiaxin has been with me for so many years, and I didn't give her 100 million dollars. This man named charlie suddenly came out and asked me to pay so much money, which is more uncomfortable than killing me..."

"But ...but he is so powerful, how can I provoke him? Not to mention Wanlong Palace, I can't even hold back Zyaire of Hongmen!"

Thinking of this, Liu Jiahui trembled in fear.

At this time, he didn't know how to answer charlie's question.

Because he knew very well in his heart that he would be disrespectful to charlie's dead father by going back on his word. It stands to reason that this sin is much greater than Huzaifa's teaching his son! More than double the size!

However, how could he be able to say this?

Once this is said, it will be a lot of money!

Thinking of this, Liu Jiahui, who was deeply in love with money, burst into tears, and he begged with snot and tears: "Mr. Wade... Please look at the next one for the sake of repentance, and use practical actions for the next one. The chance of redemption, I would like to kneel before your father's grave for three days and three nights to express my repentance, and at the same time, I pray that he will know better and forgive the mistakes I made when I was young..."

After he finished speaking, he looked towards Arman said earnestly, "I have delayed Arman's youth for 20 years. I would like to compensate him for 20 years of income based on the highest income of professional managers on Hong Kong Island!"

charlie laughed out loud when he heard it: "Oh, Mr. Liu, you are really good at making calculations. The highest income of professional managers on Hong Kong Island can't exceed HK\$100 million to HK\$200 million a year. The five billion Hong Kong dollars has come to an end, you just said that two billion dollars in 20 years, and now it is less than one billion dollars, you are still reporting less and less money, right?"

Liu Jiahui trembled in fright, and hurriedly Said: "No, no, that's not what I meant, Mr. Wade, I'm willing to kneel on your father's grave for three days and three nights, and then spend two billion dollars over twenty years!"

charlie looked at him and smiled playfully. He deliberately frightened him and said: "Let me offer a price of 20 billion US dollars in ten years. If you agree, we will talk down. If you don't agree, you don't have to talk!"

With a word from charlie, Liu Jiahui's eyes were so frightened that he fainted immediately.

Fang Jiabin, who was beside him, hurriedly stretched out his hand to support him, holding his head, shaking while shouting hoarsely in his ear: "What's wrong with you, Ka Fai, wake up, Ka Fai, you Don't scare me..."

With Fang Jiabin's screams, Liu Jiahui woke up, the first thing he did when he woke up was to look up at charlie and cry, "Mr. Wade, you want me My life! 20 billion in 10 years, it's still US dollars, how can I get it..." As

he spoke, he cried bitterly: "It was true that I, Liu Jiahui, were not things, but you can't take advantage of the topic and ask me So much money! If you want me so much money, it is better to kill me directly! If you kill me, my inheritance can still be left to Mia and my other children, but if I have to promise you, but I will They will become nothing, and their future will become poor and white!"

charlie smiled coldly, and said lightly: "Hey, I think your idea is very good!"

After that, charlie said seriously: "No To tell you the truth, I am now the owner of the Wade family, and I still have Emgrand Group, Jiuxuan Pharmaceutical, Yisu Shipping and Wanlong Palace in my hands. There is no place to spend a lot of money. It is meaningless to ask you for this little money. Ah!"

"Besides, if I really took your money, I wouldn't hold you accountable anymore, then I, being a son, didn't give my father any breath, but exchanged his father's dignity for money, and I'll be shameless when I die in the future. Go to see him under Jiuquan!"

"So, the best solution for this matter is that you apologize by death, not only have an explanation to my father, but also to Uncle Arman, and like you said just now, you die Now , your assets will not be affected in any way, and your children will be able to get all of your inheritance, everyone is happy."

"Ah?!"

Liu Jiahui was dumbfounded for a while.

He originally wanted to come up with a pair of broken pots and smashed, damn birds facing upwards, to force charlie to lower the price.

But who would have thought that judging from charlie's performance, he would prefer to die...

If so, wouldn't the cruel words he just said hit charlie's heart?

Just when Liu Jiahui was so frightened that he didn't know what to do, charlie said to Abbas beside him

"abbas, I really didn't expect that Mr. Liu has such courage. Since he intends to apologise with death, then you can find a suitable time to fulfill him!"

abbas said without hesitation. He blurted out, "Don't worry, Mr. Wade, your subordinates will definitely arrange it properly!"

Liu Jiahui was almost stunned, but at this time, charlie said to Abbas, "However, I have a request, abbas You must listen carefully!"

Abbas clasped his fists and said respectfully: "Mr. Wade, please tell me!"

charlie said very seriously: "Mr. Liu has such a boldness, it really impresses me, so you sent him on the road. At that time, don't be too embarrassing for him, it's best to let him walk faster and minimize his pain, which is also my respect for him by charlie."

Abbas immediately said: "Mr. Wade, don't worry, My subordinates will definitely let Mr. Liu go without pain!"

Liu Jiahui was so frightened that he almost turned his back, and charlie said to Fang Jiaxin at this time: "Mrs. Liu, after Mr. Liu leaves, I hope you, as a widow, will be able to For his beautiful funeral, we must buy Mr. Liu the best cemetery on Hong Kong Island."

Fang Jiaxin was also dumbfounded, she choked: "...Mr. Wade...I...I'm at Liu 's house. , I don't have the right to control property..."

"It's fine." charlie waved his hand: "You go to buy first, how much you spend, open an invoice, and I'll reimburse you. I'll call, and I'll arrange for someone to check out."

Liu Jiahui became more and more frightened, he knelt on the ground and said with a face full of remorse: "Mr. Wade, I really regret it, I beg you to give me another chance, we can discuss the specific amount. ..."

charlie smiled slightly: "Mr. Liu, there is no need to say such things again, I don't want a cent of your money, you just go on the road, and you don't have to worry about the rest."

Liu Jiahui was so frightened that he burst into tears. He felt that if charlie really wanted his own life, he would have no chance to survive. Even if he was worth hundreds of millions, Abbas had 10,000 ways to kill him in one day.

Thinking of this, his desire to survive was instantly full, and he said with great pain: "Mr. Wade...I promise...I promise you, can't I? Twenty billion yuan in ten years, even if I sell iron, I will definitely find a way to make it out."

charlie watched with interest

at him, he asked curiously: "Mr. Liu, didn't you just say that it is better to kill you if you want your money? Why did you change your mind so quickly?"

Liu Jiahui cried and said: " Mr. Wade, I haven't lived enough yet... Please give me a chance..."

charlie snorted and said, "The opportunity has been given to you just now, but you can't grasp it."

Liu Jiahui was extremely frightened and howled. Cried: "Mr. Wade...how do you want to be satisfied...as long as you can stay in the next one, you will agree to whatever you want..."

Liu Jiahui cried hoarsely, not like a man in his fifties, A successful old man.

At this moment, the door was suddenly pushed open, and a hurried voice came: "Dad, what's wrong with you?!"

charlie frowned slightly, and he didn't need to turn around to know that it was Mia.

It's just that Charlie didn't understand that Mia was supposed to have a charity sale in Tsim Sha Tsui today, but he didn't know why he suddenly appeared at the airport.

When Liu Jiahui saw his daughter, he was overjoyed, as if he had caught a life-saving straw, and cried and shouted: "Mia, but please save father! Mr. Wade wants your father's life, you can say anything. I want to plead for your father..."

Mia looked at charlie in shock, and blurted out, "Mr. Wade, what's going on??"

charlie turned around, looked at Mia, and said seriously: " I'm sorry, Miss Mia, I have some old accounts with your father to settle."

Mia rushed over to pull Liu Jiahui up, stared at charlie, and asked, "Mr. Wade, my father said you want to His life, is this true?"

charlie shrugged and said, "Miss Mia, I don't want his life, I just want him to give me an explanation, but he is afraid of me. He wanted his money, so he took the initiative to choose to apologize to him, maybe for Mr. Liu, money is more important than life."

Liu Jiahui didn't dare to let Mia pull himself up, so he quickly pushed her hand away, knelt on the ground again, looked at charlie and choked: "Mr. Wade, money is not as important as life... Money is really not as important as life..."

Mia Seeing his father's terrified appearance, she questioned charlie angrily: "Mr. Wade, my father is getting old too. How did he offend you? You want to treat him like this?!"

In the face of Mia's questioning, charlie stopped covering it up and asked Mia, "Miss Liu, do you know that your father once promised a man named bruce Wade more than 20 years ago. , said that he would not trouble another young man named Arman, but not long after that, bruce Wade died unexpectedly, and your father immediately broke his promise, so that Arman hid in Chinatown for more than 20 years? Mia

's eyes widened, looked at charlie in disbelief, and asked him, "You... what is your relationship with them?"

charlie said lightly: "bruce Wade is my father, and Arman , is my father's friend."

When Mia heard the news, she felt her scalp explode instantly, her eyes were fixed on charlie, and she choked up: "That is to say, when you come to Hong Kong Island and live in our house, you simply You didn't come to talk about cooperation with my father, you are deliberately approaching our family, waiting for the opportunity to seek revenge against my father..."

As she spoke, her eyes instantly turned red, and tears could not help bursting out of her eyes, she asked softly: " So from the first time we met until we separated at noon today, you were just acting, right?"

charlie was suddenly stared at by Mia's desolate eyes, and he subconsciously explained, "I was acting, but I'm just acting in front of Liu Jiahui."

Mia burst into tears and asked, "When you are in front of me, aren't you acting?! If you are not acting, why do you hide your true identity and truth? Intention?!"

charlie looked at Arman next to him, and said lightly: "The reason why I hide my identity and intention is to wait for justice for Uncle Arman today, you should know that your father wanted to kill Uncle Arman, and he No matter how hard I work, if I don't come, Uncle Arman may be assassinated after leaving the gate of this airport!"

Mia followed charlie's eyes and looked over, when she saw Arman, the whole person was unavoidable A little ashamed.

So, she looked at Arman, bowed deeply, and said apologetically, "Mr. Arman, I have heard about my father wanting to kill you before, and I have persuaded me over the past few years about this matter. He has many times, and every time he prevaricates on the grounds that your whereabouts are unknown, I also learned from someone else today that you have returned to Hong Kong Island, so I hurried over and wanted to make it clear to my father, Let him not embarrass you any more."

Speaking of which, she glanced at charlie again, and said resentfully, "It's just that I didn't expect it to be like this after I came here..."

Liu Jiahui cried immediately upon hearing this. He said: "Mia... Dad really knows what's wrong. You and Mr. Wade have to beg for mercy. As long as you give Dad a chance to reform, Dad is willing to bear any price..."

Mia sighed , looked at charlie, pursed his red lips, and pleaded, "Mr. Wade, I beg you, for the sake of my father's not making any big mistakes, don't embarrass him too much..."

After speaking, Mia looked at him. Looking at Liu Jiahui, he added: "Although my father's behavior is not very correct and his character outside is not good, he is also very old after all..."

"And...and I am a daughter. Yes, I know his character very well. Although he is not a good person, he is not a bad person. Compared with the real evil people like Zyaire, he is just a little narrow-minded and mercenary, but he never really means anything. I have killed other people's lives in the past, and this time with Mr. Arman, thanks to you, my father didn't make a big mistake..."

Liu Jiahui did not expect that in his daughter's eyes, he would have such an image.

But he also knew very well in his heart that what his daughter said was true.

I'm not a good person, I haven't done any good deeds, and even my behavior is a bit clumsy, but I'm not a bad person who can't be forgiven.

I have never killed anyone in my life, and I have never let anyone else kill someone for me.

The only one who wanted to kill was Arman, but he didn't succeed.

So, he knelt down in front of Charlie again and begged: "Mr. Wade, Mia is right, I, as a person, have never done anything bad, no matter how bad I am, I will not die, please forgive me. I have a dog's life, and the money you want, I will give you a lot of money!"

At this time, Mia also knelt down suddenly, lowered his head and said, "Mr. Wade, money is something outside the body, as long as you can give my father a chance to reform, no matter how much money we have, we will not hesitate!"

Charlie didn't expect that Mia would kneel as well, so he hurriedly stretched out his hand, trying to lift her up.

But Mia resisted and said expressionlessly: "Mr. Wade, if you don't agree, I won't get up, if you really want my father's life, then

Just kill me too. "

charlie looked at Mia's resentful eyes, and his heart throbbed a little, so he couldn't help sighing, looked at Liu Jiahui, and said coldly, "Mr. Liu, you have raised a good daughter!"

Speaking, he looked at Arman and asked, "Uncle Arman, how do you think this matter should be resolved?" "

Arman hurriedly said respectfully, "Back to Young Master Wade, I just want to go home safely and reunite with my family. The rest is not important..."

After speaking, he was afraid that his expression was not clear enough, so he said to charlie: "Mr. Wade, as long as Mr. Liu can take back the secret flower, I don't want to pursue the others! When

Liu Jiahui heard this, he was immediately moved and ashamed. He looked at Arman, kowtowed, and choked up, "Arman, thank you for your kindness, if I, Liu Jiahui, can survive, I will do my best to repay." your kindness! charlie looked at Liu Jiahui at this time, and said lightly: "

Liu Jiahui, I can spare your life for the sake of Uncle Arman and Miss Mia.

Liu Jiahui burst into tears with excitement, and kept kowtowing: "Thank you, Mr. Wade, thank you, Mr. Wade! " Thank you for raising your hand, thank you! "

charlie said coldly: "Don't be too happy, I forgive you one, doesn't mean you don't need to pay other prices. "

Liu Jiahui nodded again and again without thinking: "I know Mr. Wade, I know!" Twenty billion dollars in ten years! Even if I smash the pot and sell iron, I will collect the money!

charlie waved his hand and said lightly, "I don't want your money either. "

"Huh?" ! "Liu Jiahui thought he had heard it wrong, and exclaimed: "Mr. Wade...you...what did you say?" ! "

charlie said coldly: "Don't doubt yourself, you heard right, I don't want your money!" "

"Then..." Liu Jiahui suddenly became nervous again: "charlie doesn't want my life or my money, what price will I have to pay?! Do you want my legs and arms? Or make me a paraplegic in a high position. Lie on the bed until you die?"

Just when Liu Jiahui was uneasy, charlie looked at Arman and said word by word: "Liu Jiahui, you want me to let you go, listen to me about the next few things I said. As long as you can do it, I can let you go!"

Liu Jiahui nodded without hesitation: "Mr. Wade, don't say a few things, I will agree to a few hundred things!"
