After the killer fell from the building, outside the airport exit, several killers hidden in the crowd were suddenly subdued by other Wanlongdian members in disguise.

The killer hiding in the car, waiting for an opportunity, had not had time to react, and was immediately caught in the front and back of the car by the members of the Wanlong Palace. Before he could react, he was broken into by the members of the Wanlong Palace. take away.

Only now did these killers realize that they had already been closely monitored by the soldiers of Wanlong Palace. Those killers who left the scene immediately after receiving the news of the withdrawal of the dark flower, Wanlong Palace did not feel embarrassed, and those who were unwilling to leave , and directly became a prisoner of Wanlong Palace.

At this moment, in the VIP lounge of the airport, Liu Jiahui said to charlie with relief: "Mr. Wade, the dark flower has been withdrawn, those killers must have received the news, you can rest assured..."

charlie ignored him, and He looked at Abbas and asked, "abbas, are you all done?"

Abbas respectfully said: "Mr. Wade, Dark Flower has indeed been withdrawn, but within our control range, there are still some killers who have not left, but Our people have already dealt with it, killed one, and arrested seven."

"Well done." charlie nodded slightly and said, "Send these seven people to Syria too, so as not to affect Hong Kong Island. Long- term peace."

Abbas immediately cupped his hands and said, " subordinates obey!"

charlie looked at Liu Jiahui and said indifferently, "Mr. Liu, the grievance between you and Uncle Arman will be settled after you return from Yeling Mountain in Eastcliff. Come to an end, if you want to cooperate with Yisu Shipping, I will also arrange a special person to

connect with you at that time. As long as you can keep your promise from now on, I, Charlie, have no other requirements for you, and I will not embarrass you again. When

Liu Jiahui heard this, he really felt relieved, and said respectfully, "Thank you, Mr. Wade for your magnanimity!"

After speaking, he quickly said to Arman, "Arman, I will write a check today for the money I promised you. Give you!"

Arman on the side said, "Master Wade, I don't want this money, donate it all."

Charlie nodded and said, "How you manage this money is your freedom, Uncle Arman, no matter what. No matter what, I support it."

Arman said, "I have been in the United States for years, and I have seen many Chinese orphans like strong boys, so 20% of the money is used to support those Chinese orphans who have fallen overseas, and the rest Yes, donate all of them to the Hope Project."

"Okay." Charlie didn't have any objection, and said, "Uncle Arman is a person who has great love. Since you have decided, I will use your

to do it. At

this time, Fang Jiaxin, who had not spoken, struggled for a long time before she couldn't help reminding: "Arman...you...your mother suffered from a stroke and is in very poor health. She is hospitalized in the church hospital. Give her money to treat her illness..."

Arman was stunned and blurted out, "When did it happen? ! "

Just a few days ago..." Fang Jiaxin didn't dare to look Arman's eyes, and whispered: "I went to the hospital to see her, and the doctor said that the situation is not very optimistic, it is best to send it to the United States for treatment, otherwise... I am afraid... Time is running out..."

Arman was flustered, he looked at Fang Jiaxin and said gratefully, "Thank you Mrs. Liu.

After speaking, he turned around and said to charlie, "Master wade, I want to go see my mother first! " "

charlie then said: "Uncle Arman, let me go with you.

Arman hesitated for a moment, but agreed, and said respectfully, "Then there is Young Master wade . charlie said to Abbas, "

Abbas, get the car ready and go to the church hospital. "

"Okay, Mr. Wade." charlie turned to Liu Jiahui and said, "

Mr. Liu, you can go too, hurry up and take care of the rest, it's best to finish the villa tomorrow. "

"Good good!" "Liu Jiahui nodded without hesitation and said, "Don't worry, Mr. Wade, I will solve this matter tonight!" charlie nodded with satisfaction ,

then looked at Mia, whose eyes were red, and said, "Miss Mia, I have offended you a lot today, please forgive me. "

Mia looked at charlie angrily with big eyes full of tears, and wanted to say something, but he didn't say anything.

Liu Jiahui hurriedly reminded in a low voice, "Mia! Mr. Wade is talking to you! What are you doing stupidly, don't answer quickly! "

Mia stubbornly turned his face to one side, and reached out to wipe away the tears from the corners of his eyes.

charlie felt guilty, but he didn't know how to explain it, so he said to Liu Jiahui, "Mr. Liu, since Miss Mia doesn't want to talk to me, you don't have to force it."

Liu Jiahui laughed awkwardly and said, "The little girl doesn't understand. The etiquette... made Mr. Wade laugh..."

charlie shook his head slightly, turned to look at Fei Kexin, and said, "Miss Fei, thank you for flying over so far with Mr. jay, if you are not in a hurry to go back, I Please eat with us."

Fei Kexin smiled and said, "Okay, I'm not in a hurry at all, if Mr. Wade has to stay on Hong Kong Island for a day or two, I can

to wait for you on Hong Kong Island, we can go back together after Mr. Wade has dealt with things. "

"Good. charlie nodded readily and agreed. He planned to leave for the United States after Uncle Arman's family moved to a new house. Since Fei Kexin was not in a hurry, he could take the same flight with her.

Fei Kexin asked charlie again. : "Mr. Wade, which hotel are you staying at?

charlie looked at Liu Jiahui and Mia, and said, "I haven't found a hotel yet. "

Fei Kexin probably saw what was going on, and said, "Then I will choose a hotel and reserve a room for you too." "

charlie nodded: "Then it's hard work, Miss Fei. "

Mia looked up at charlie and wanted to say something, but he didn't say anything.

Liu Jiahui on the side was a little disappointed. Although he had just been abused by charlie, he still wanted to continue inviting charlie . Fei Kexin went to live at his own house.

However, he also knew that this was the case. If he wanted to show his face, it would be really difficult for him to open his mouth, so he hesitated again and again, but didn't say anything.

charlie didn't delay any more, She left with Arman and Abbas.

Fei Kexin was also about to leave, but before she left, she deliberately came to Mia, took out a business card from her bag, took the initiative to hand it to Mia, and said with a smile: "Mia Miss, I'm Fei Kexin. This is my business card. If you need anything in the future, you can contact me at any time. "

Mia was still immersed in trance and pain, and suddenly saw the business card that Fei Kexin handed over, and the whole person was a little astonished.

She came over later, so she didn't even speak to Fei Kexin, she I don't know why the famous Fei family helmsman gave herself a business card.

Liu Jiahui, who was beside him, saw that his daughter was still in a daze, and quickly reminded in a low voice: "Mia, Miss Fei is talking to you! "

Mia came back to his senses and hurriedly said, "Thank you, Miss Fei..."

Fei Kexin smiled kindly, and said seriously: "You don't have to be so polite."

After that, she put the business card into Mia's hand and smiled lightly: "Miss Liu, I have to leave first, we will contact you later."

Mia After nodding lightly and being polite, he watched Fei Kexin leave.

Fei Kexin took master jay out of the airport, and jay asked a little puzzled: "Miss, you seem to be paying attention to that Miss Mia?"

Fei Kexin smiled slightly, shook her head and said, "Mr. Wade compares her to her. Pay attention, I just love That."

"Cough cough... Miss, did you just say Aiwu Jiwu?!"

Master jay looked at Fei Kexin in surprise, but he didn't expect her to say such an understatement.

Seeing Master jay's astonished expression, Fei Kexin smiled and said, "Master jay, you are also a martial arts master who listens to all directions. I said so clearly just now, can't you hear it clearly?"

Master jay said hurriedly, "No. No... I just didn't expect these words to come out of your mouth, Miss, I'm a little surprised..."

Fei Kexin smiled and said seriously: "Master jay, don't be surprised, I'm not the only one who likes Mr. Wade, Have you noticed how resentful that Miss mia looked at Mr. Wade just now, and how resentful a woman looks at a man, how much she loves him in her heart."

Master jay nodded and said with a smile, "What do you say? It's true..."

Fei Kexin couldn't help sighing: "Oh, Mr. Wade has only been on Hong Kong Island for two days. I'm not surprised that she likes to give birth to Mr. Wade in two days, but she can make Mr. Wade feel distressed in two days. , I really didn't expect it."

Master jay asked in surprise, "Why didn't I see that Mr. Wade felt bad for that Miss Mia?"

Fei Kexin smiled and said, "That may be because you didn't observe carefully enough."

Master jay laughed at himself He smiled, and then asked Fei Kexin: "Miss, since you like Mr. Wade too, then Miss mia is your competitor, why do you take the initiative to make friends with her?"

Fei Kexin smiled: "Ye If Mr. Wade is not married, then she is my rival in love, but the problem is that Mr. Wade is already married, so she is my comrade-in-arms, my comrade, and my sister."

After speaking, she added: "Men There is an adjective called "difficult brothers and difficult brothers", and she and I can be regarded as difficult sisters and difficult sisters."

Master jay was stunned by Fei Kexin's frankness, but after thinking about it, this eldest lady herself is by no means an ordinary woman, and her style of conduct is very different. It's normal to be so straightforward.

Thinking of this, he said casually: "Miss, it is said that Mr. Wade has many confidantes, such as the big star Stefanie, Zara of the banks family, and Ito Nanako of the Ito family, all of them are the heirs of the big family just like you. "

Yes." Fei Kexin sighed: "You said, this is only a small part of it, there are many competitors! And all of them are very powerful. It seems that I have nothing but smartness. The advantage of..."

After saying that, she turned to look at Master jay and asked, "Master jay, do you think there is any surprise here?

? "

Cough, cough..." Master jay coughed awkwardly and said, "Miss, let me tell you the truth, Mr. Wade is a strange person, not someone like me can figure it out. In terms of intelligence, you are much smarter than me." Well, if you can't think of a way to win by surprise, I can't even more. "

Fei Kexin said helplessly: "If it is how to refuse a man to chase me, then I must be experienced, but how to chase a man, I have no experience at all..."

After that, she sighed and shook her head: " Forget it, the road is a long way to go, take your time. Speaking of

which, Fei Kexin couldn't help but whisper softly: "I saw that Mr. Wade seemed helpless when he left, but now he can help Mr. Wade and Miss Mia to clear up the past." "

Master jay is even more puzzled: "Miss, what kind of chess are you playing..."

Fei Kexin said seriously: "It's not playing chess, I really want to share my worries for Mr. Wade, I don't have any other thoughts. Mr. Wade pays, even if he doesn't get on the podium in the end, at least he's repaying his gratitude. "

...

At this moment.

charlie and Arman are sitting in the car driven by Abbas and quickly heading to the church hospital.

Along the way, Arman became more and more anxious, with cold sweat on his forehead.

charlie saw him Feeling nervous in his heart, he said with relief: "Uncle Arman, you don't have to worry too much, the old man will definitely be able to turn the corner. "

Arman sighed: "The old mother is in her 80s this year. She suffered a stroke at this age, so I'm afraid the situation will not be very optimistic."

charlie smiled slightly: "Don't worry, there will be no problem . "

Arman nodded slightly, but his expression was still worried.

abbas quickly drove his car to the gate of the church hospital.

Without waiting for the car to stop, Arman hurriedly pushed the door to get out of the car and ran all the way towards the hall.

He came to the nurse's desk to inquire about his mother's relevant information, and the nurse on duty quickly found out the department and the bed number of the old lady.

Arman quickly followed the instructions and ran to the ward where his mother was.

When he came to the door of the room, he stopped and knocked gently on the door.

A woman's voice soon came from inside: "Please come in."

Arman pushed open the door of the ward, and saw that there was only one hospital bed in the ward. The old lady was wearing an oxygen mask, lying on the bed very weakly, and surrounded by the old lady There are three men, two women and five

A middle-aged person, and several teenage children.

When the five middle-aged people saw Arman at the door, they all stood there as if struck by lightning. One of the older women asked in horror, "Big brother?! Is that really you, big brother?!"

Arman Looking at her, she couldn't hide her excitement and blurted out, "You...you are Trayi?!"

The woman burst into tears when she heard Arman call her name, she hurriedly ran over and hugged Arman, crying and said: " Big brother, why are you back, the surnamed Liu always wanted to kill you, and if you came back at this time, if he knew about it, he would definitely not let you go..."

Another man and a woman also rushed up at this time, and the two He also hugged Arman tightly, crying and asking the same question.

This man and two women are Arman's younger brother and two younger sisters.

When Arman and Fang Jiaxin eloped, the eldest brother and sister were still studying, and the youngest were underage.

In the blink of an eye, 20 years have passed, the younger brother who was still in college at that time is now in his forties, and the little sister who was still in middle school at that time is now married.

In addition to his younger siblings, the other two men are his two brother-in-laws, and he is meeting for the first time today.

Although Arman has been in the United States for so many years, although he often used e-mail to communicate with his family, he has never met with his family for so many years.

Even though his family knew he was in New York's Chinatown, no one dared to go to New York to see him for his safety.

Moreover, they are now on Hong Kong Island, and they are all relatively low-level people. They are doing their jobs to make a living. They don't know much about the outside world, and they have not heard the news that Arman will be extradited.

Therefore, when they suddenly saw Arman come back, besides being excited, they were more worried, worried that when Arman came back, Liu Jiahui would kill him.

Arman held back his tears and comforted them: "You don't have to worry, Mr. Liu and I have already cleared up the old grudge."

After that, he quickly asked, "How's mom?"

Arman's brother cried and said: " Brother, Mom is already in a deep coma. The doctor said that she can't wake up. The doctor called us this morning and told us that Mom should be in a day or two..."

Arman rushed to the hospital bed when he heard this. Holding the old lady's hand on the hospital bed with both hands, she cried and said, "Mom, it's me, Arman... I'm back to see you, open your eyes to see if I'm okay, Mom!"
