Liu Jiahui said with a sullen face: "Aiya! If you can really be with him What's the point of your father kneeling down for him when we're together? Even kowtow to him is no problem!"

After that, Liu Jiahui said again, "Besides, we have to discuss things and seek truth from facts. I'll kneel to charlie, yes. Because I offended him, I have to ask for his forgiveness, there is nothing I can do. To put it bluntly, it is my own fault, but if you can develop with charlie, will he be okay for me to kneel down for him?"

Mia said in a panic, "I...I really don't...I've only known charlie for a few days..."

Fang Jiabin on the side couldn't help but said: "Mia, you are so careful, even my eyes can't hide it, let alone your father."

If you made a mistake, charlie will be leaving soon, you have to seize the opportunity and don't leave any regrets! "

Mia couldn't help biting her lower lip with the tip of her teeth, and her whole heart was very tangled.
