

The Amazing Son In Law Chapter 4841 (The Charismatic Charlie Wade Chapter 4841)

Fei Kexin's words shocked Mia deeply.

She really did not expect that Fei Kexin, as the helm of the entire Fei family, could fall in love with a married man so calmly emotionally.

Moreover, from her words, it is not difficult to even hear a hint of humble feeling.

She suddenly admired Fei Kexin's calmness. She felt that compared with Fei Kexin, she was really a thousand miles behind.

However, she was still puzzled and asked her, "Miss Fei, since Charlie is already married, you still love him so much, don't you worry that there will be no results in the future?"

Fei Kexin smiled and said indifferently: "Emotional This kind of thing can't be stopped, just like some things, you can control yourself not to eat, but you can't control yourself to want to eat." After

speaking, Fei Kexin stared at her and joked: "By the way, you also know He has been married, can you manage to no longer have any good feelings for him from now on? If you can, please teach me."

Mia was startled, then lowered his head and said angrily: "I can't do it..."

"Yeah." Fei Kexin shrugged: "Since you can't do it, don't be hard on yourself, if you like him, like him boldly; if you want to see him, create opportunities as much as possible; If you get involved in someone else's marriage, then never let him know that you like him;"

Speaking of this, Fei Kexin changed the subject, and said with a bit of vigour in his eyes: "If you feel that feelings are more important to you than morality , then you have to work hard for your own happiness. Even if you get involved in someone else's marriage, I don't think it's a big fault. Everyone comes to the world only for this lifetime. Jobs, opportunities, and wealth can be achieved by their ability. Why can't you be happy?"

Mia blurted out: "But he's already married... If someone else interferes in his marriage, it would be very unfair to his wife..."

Fei Kexin shook her head: "I will if you love me. The natural law of survival of the fittest should be applied, not whoever comes first will be able to sit firmly on the Diaoyutai."

After saying that, Fei Kexin said again: "I will ask you in turn, if you have a boyfriend but fall in love with charlie, what would you do? It is to continue pretending to be nothing, and continue to be inseparable from your boyfriend. , or break up with him and pursue your true love?"

"I..." Mia was stunned, not knowing how to answer for a while.

After thinking about it again and again, she bit her lower lip and said seriously: "I should choose the latter, at least give my boyfriend enough respect."

"Respect?" Fei Kexin asked in surprise: "What do you think, right? For a person who loves you, you live with him in a detached manner, lying beside him every day, thinking of another man, is it respect for him? Then if it is your boyfriend who falls in love with other women, lying down every day Beside you, imagine you as someone else, do you think this is respect for you?"

"I..." Facing Fei Kexin's sharp questioning, Mia was even more at a loss for words.

On the one hand, she felt that what Fei Kexin said was reasonable, but on the other hand, she couldn't help thinking of her mother and all the things that her father and Fang Jiabin got together.

Seeing her stunned, Fei Kexin continued: "Mia, let me tell you what I would do if I encountered such a problem."

After a pause, Fei Kexin said seriously: "First of all, It's not scary to fall in love with others, the most important thing is to be upright! Therefore, I will definitely confess to my other half without hesitation, and tell him frankly that I'm in love with someone else, which is not only respect for him, but also for me Respect yourself."

After speaking, Fei Kexin added: "Of course, this kind of thing must conform to the basic principles in the process. For example, I will never ride a donkey to look for a horse, nor will I keep my boyfriend steady He takes it as the bottom line and goes after the person I really like. After he succeeds, he kicks his boyfriend away, or if he fails, he pretends that nothing happened and returns to his boyfriend. I will talk to my boyfriend first. After breaking up with him completely, go after that person;"

"Moreover, if that person also has his other half, I won't seduce him by rude means, I will only try my best to show my best side in front of him, if I can openly let He falls in love with me, and he is willing to break up with the other party like me, openly and openly, and then stay with me, so what am I doing wrong?"

"Open and honest..." Mia couldn't help repeating these four words softly.

Then, as if she had figured out something, she blurted out, "Miss Fei, you're right... It's not wrong to fall in love with someone else, but being upright is the most important thing..."

Fei Kexin nodded and asked her with a smile: "How is it, do you still feel wronged now?"

Mia pursed her lips and said softly, "I'm still wronged...but it's better than before..."

Fei Kexin sighed softly and said with a smile: "Oh, if you feel wronged Feeling wronged and unable to control what you like about charlie, then you must adjust your mentality, because you have too many competitors, and each of them has a lot of strength, so I can't rank here."

Said, Fei Ke Xin asked her: "Do you know why Ys Shipping seems to be a joint venture between the Japanese Ito family and the china banks family, but is charlie the biggest boss?"

Mia shook his head and asked blankly, "Why? Fei Kexin said: "

Because Ito Nanako of the Ito family just came forward to hold 51% of the equity of Ys Shipping on behalf of charlie. You should know about Ito Nanako?"

"Yes..." Mia nodded: "When Ito Nanako participated in the Sanda competition, she was very famous. It is said that she is the Yamato Nadeko recognized by all Japan..."

Fei Kexin smiled and said: "It is this Yamato Nadeko recognized by all Japan, she is actually ours. One of the competitors."

"Ah?!" Mia exclaimed subconsciously: "She likes charlie too?"

"More than that." Fei Kexin chuckled: "It should be said that love is dead and alive, right?"

Said, Fei Kexin saw Mia's surprise, and continued to smile: "Don't be so surprised, another shareholder of Yisu Shipping, Zara banks of the banks family, do you know?"

"Yes..." Mia Eyes widened: "Miss Fei, are you going to tell me that Zara banks also likes charlie..."

Fei Kexin said with an unsurprising smile: "Be strict, it should be said that Zara banks and Her half-sister, Xion, likes charlie, and Xion is now charlie's person."

"Ah?!" Mia blurted out with a flustered expression: "charlie has cheated on banks. If you leave?!"

Fei Kexin shook his head and said, "That's not what you meant, Xion is now a member of Wanlong Palace, charlie's subordinate, isn't he charlie's person."

"Oh..." Mia breathed a sigh of relief: "So that's what I meant..."

She said with a weird expression: "The two sisters are in love with the same man, it's a little embarrassing..."

Fei Kexin smiled and said, "Aren't you embarrassed? I don't know, after all, I am the youngest in the Fei family, and most of my sisters are over forty years old, so I have no chance to experience the feeling of the banks family sisters."

Speaking of this, Fei Kexin Deliberately asked her: "Don't you have a sister? Would you dare to let her meet charlie?"

Fei Kexin's joke scared Mia into a panic, and quickly waved his hand: "I...I dare not...my sister is still studying..." Fei Kexin smiled and said, "You can't fall in love if you read? Isn't she also studying for a doctorate? Haven't you graduated yet?"

Mia said quickly, "I...I didn't mean that..."

Fei Kexin saw her cramped appearance and said with a smile, "Let's turn over the matter of my sister first. , I'll ask you again, do you know Stefanie sun?"

"Big star Stefanie sun?!" Mia blurted out subconsciously: "She's my idol!" As

she spoke, she thought of something and asked in horror: "Stefanie sun also... ..also like charlie?!"

Fei Kexin raised her eyebrows and smiled: "Stefanie sun is different from us. Stefanie sun and charlie have a marriage contract. In the early years, when the two were young, their family already gave They are engaged, they have been searching for charlie for so many years, and they just met again some time ago, and their relationship has not diminished at all."

Having said that, Fei Kexin looked at Mia and asked, "Do you know why Stefanie sun quit the entertainment industry? Is it?"

Mia was already dizzy and dizzy by the successive insider stories. She looked at Fei Kexin in desperation and asked, "Is it for marrying charlie?"

Fei Kexin smiled and said, "Definitely yes, this is still a problem. What do you think?"

Mia said, "But charlie is already married..."

Fei Kexin smiled and said, "But they have already had a marriage contract for more than 20 years, so you said that she and charlie 's current wife, who is the third party?"

"This..." Mia only felt that the computing power of her brain was not enough, so that the process in her brain related to charlie had become unresponsive. state.

She could only bite her lip tightly, took a sip of water silently, and after taking dozens of seconds to restart her brain, she murmured a little broken: "Why did you let me know him... It feels like the first time I have faced Emotional problems, I chose the difficulty of hell..."

Fei Kexin laughed and said, "It doesn't matter how difficult hell is, at least there are a lot of people going through the level with you." After speaking

, Fei Kexin became serious again and said, "I tell you this with the sincerity of hope that you can When you are mature, love is an adult war. If you want to participate, you must first have an adult mentality. Only by correcting your mentality can you be qualified to participate in the war."

Mia nodded lightly and said seriously: "I understand... Thank you Miss Fei..."

Fei Kexin handed her a tissue and smiled, "Wipe away your tears, charlie should be back in a while, he is very smart in every way, but not emotionally. Tai Lingguang, as far as I know, among so many competitors, it was Nanako Ito who really gave him an epiphany."

"Nanako Ito?" Mia asked in surprise, "You mean, charlie likes Nanako Ito?"

Fei Kexin nodded: "It should be, otherwise he wouldn't have made a special trip to Kyoto to save her. That time, charlie almost pierced the sky in Tokyo for her."

Mia wiped away the tears from the corners of his eyes, While asking puzzled: "Miss Fei, how do you know so much about charlie? You have known each other for a long time?"

"No." Fei Kexin said: "We have not known each other for a long time, only a month or two. "

Mia was shocked and asked her, "You only know charlie for a month or two, why do you know him so well?!"

Fei Kexin laughed at himself and said, "Who told me to be smart, I have to ask him the bottom line, but the deeper I dig, the deeper I get."

After speaking, Fei Kexin smiled and said, "Sometimes being too smart can It's not a good thing, I know that when he liked Nanako Ito, he was like you, and he was sad all day."

Mia was even more puzzled: "Miss Fei, how did you know?"

Fei Kexin smiled and said: " Reasoning."

After speaking, Fei Kexin said eloquently: "First of all, as far as I know, Ito Nanako was seriously injured during the Aurous Hill competition. The media once said that her life was in danger, and even if she survived, she might have to live for the rest of her life. Bedridden, this is the first clue;"

"Secondly, charlie left the country for Japan shortly after Ito Nanako was injured and returned to China. On the bright side, he went to incorporate Japan's Kobayashi Pharmaceutical, but a series of extremely serious incidents happened in Tokyo. In the assassination incident, several major families were stunned, and even Ito Nanako's father, Ito Yuhiko, almost died in the chaos, but do you know what's interesting?"

Mia asked inexplicably, "What is it? Fei Kexin said seriously: "

It's interesting that so many people died in several major families in Japan, and one of them was also wiped out. Ito Yuhiko also had his legs amputated because he was seriously

injured. However, after that , Ito Nanako, who was seriously injured, recovered miraculously, and even took over the Ito family, guess why?"

Mia shook his head: "I can't guess, is it a medical miracle?"

Fei Kexin smiled : "How can there be so many medical miracles... The real medical miracle is charlie! He has two invaluable medicinal herbs, one called Huichun Dan and the other called Sanxue Jiuxin Dan, the latter can cure hundreds of people Sickness and healing of thousands of injuries, the former is even more incredible, and can even make a person twenty years younger."

Mia asked in surprise, "Is there really such a miraculous medicine?"

"Of course." Fei Kexin said seriously: "A rejuvenation pill can't be bought for 300 billion US dollars. Although the Sanxue Jixin Pill is less valuable, it is also invaluable to those who need it, Ito Nanako. There is only one possibility that she can recover miraculously, and that is that charlie cured her."

Speaking of which, Fei Kexin said with envy on her face: "I don't know where Ito Nanako is, but I know. , she must be very important in charlie's heart."

While Mia was shocked, she suddenly remembered something.

So, she subconsciously took out the powerful pill that charlie gave her from her handbag, handed it to Fei Kexin, and asked, "Miss Fei, what kind of medicine do you think this is?"

Fei Kexin looked at it. When she arrived at the small wooden box in her hand, she felt like she was struck by lightning, and blurted out, "This...is this a rejuvenation pill?! Miss Mia, you...where did you get it?!" Liu

Mia said truthfully: "Before I Came here for dinner with Charlie. It happened to be my birthday on the lunar calendar. I just casually talked to Charlie and asked him to give me a birthday present. He took out this powerful pill and gave it to me. , let me take good care of it, and if I get seriously ill or injured in the future, I will take it out and eat it..."

Fei Kexin was stunned for a long time, and suddenly said: "So, this should be a blood-scattering pill to save the heart. Now ..."

As she said that, she looked into Mia's eyes, and said with a very complicated expression: "Miss Mia, Charlie should really care about you... You may not know that this medicinal pill is something that countless people can't ask for. ...even when my grandfather was dying, I knelt on the ground and begged him, but only got half of it for my grandfather..."
