At this moment, the Arman family's old house.

This is an old house located in Sham Shui Po, Hong Kong Island. The actual usable area is only more than 30 square meters.

In the land of Hong Kong Island, where every inch of land is so precious, owning a house of more than 30 square meters is already more than many people.

In Kowloon Walled City back then, countless families of five or even eight were crammed into a coffin room of less than 10 square meters. In comparison, the Arman family's house in Sham Shui Po was considered to have escaped the title of slum.

Arman grew up here when he was a child. Later, his father made a fortune by making roast goose, and the family moved to the bustling city center of Hong Kong Island.

Later, Arman became a well-known professional manager on Hong Kong Island, helping Liu Jiahui to make a lot of money, and he also made a lot of income. Speaking of townhouses.

When Arman left Hong Kong Island, his family was well-off, but because he offended Lau Ka Fai, the whole family was implicated. It was difficult for his younger brothers and sisters to find jobs, and even love, marriage, and marriage were greatly affected. The business of the family roast goose shop also plummeted.

For so many years, in order to provide for his younger brothers and sisters to study, as well as to treat their parents and maintain their family, the Arman family's terraced house has long been sold. Fortunately, Arman's old father is very nostalgic. The old house was sold, so the family finally had a place to stay.

Arman's two younger sisters, without exception, were married to migrant workers on Hong Kong Island. The reason for this was that local people on Hong Kong Island knew that their brother had offended Lau Ka Fai, so no one dared to marry him.

And Arman's younger brother is still lucky. His girlfriend, who has been in love for many years, has always been with him.

Right now, this old house is inhabited by Vihaan's family of three and the old lady. Although it is already very crowded, Vihaan still separates out a separate room for the old mother, and also installs a window air conditioner for the old mother, so that the Mother has a place to live.

However, when Arman suddenly came back, the cramped house was stretched all of a sudden.

After the family came back here after paying respects, the old lady said to Arman with some shame: "Arman, the house is too crowded, tonight you will stay at the hotel next door first.

Uncle's Ah Cheng, he has often come to the house to help these years, and often asks about your news, you should stay there for one night first, and tomorrow Mom will ask Ah Zu to buy it Get on and off the bed, change the bed in Mom's room, and then you will live in the same room with Mom!

Arman said hurriedly, "Mom, you don't have to worry, these few days I will accompany you during the day and stay in a hotel at night. After these few days, I will go to work. " "The

old lady said distressedly: "You finally returned home after so many years, don't worry about working immediately, take a good rest first!"

Arman explained: "Mom, Young Master Wade has helped me so much, while I still have a little power, as long as he doesn't dislike it, I plan to work for him in the future. Most of his business is in the mainland, if you need me. " , I may go to work in the Mainland. With

that said, Arman took out 30,000 US dollars in cash from his carry-on luggage, handed it to his younger brother Vihaan, and said, "vihaan, I haven't saved too much money over the years. I handed over the store to Gunbir, and brought back the 30,000 USD deposit. You can keep this money to subsidize the household. Vihaan hurriedly refused: "

Brother, this is your own hard-earned money, how can I collect it? Besides, my income is quite stable now, my mother has recovered, and there will be no need for high medical expenses in the future. You can keep the money yourself. Bar! "

Arman said with a smile, " With such a small amount of money, you can buy a car at most on Hong Kong Island. Big brother has no ability, so he has only so little ability. You can rest assured. I am not hungry. It's useless. If Young Master Wade looks down on me in the future, I'll be satisfied with my food and accommodation. If Young Master Wade doesn't need me, I'll just sell roast goose at a stall in Sham Shui Po, and then I'll ask you to get some capital. You should take care of your brother. The

Arman knew that his family must have been bullied and ostracized by others all these years in Hong Kong Island, and he felt extremely guilty.

Just as he was about to say something, he suddenly heard a familiar voice outside: "Is Auntie at home?" "The

old lady said in surprise: "Oh, it's Miss Fang!" With

that said, she hurriedly walked over to open the door.

Fang Jiabin did not expect that the old lady opened the door on her own initiative, and said in surprise, "Auntie, are you alright?" I went to the hospital just now, and the people at the hospital said that you were missing, and they didn't even go through the discharge procedures, so I quickly found this place..." The

old lady smiled and said, "Miss Fang, thank you for your hard work, I'm all right now. , Arman brought back an elixir, I ate it and it was fine. Liu Jiahui, who was on the

side, was startled and thought to himself: "The person who secretly investigated the Arman family told me two days ago, saying that this old woman won't live for a few days, why is she suddenly okay? Shouldn't the elixir she mentioned be given by Charlie? At this time , the

old lady also noticed Liu Jiahui next to Fang Jiabin, so she became nervous and blurted out, "You...what are you doing here...haven't you made up your mind with my Arman..."

Liu Jiahui smiled apologetically Said: "Auntie, I came here specifically to apologize to you and Arman. I used to be wrong, but now I have deeply realized my mistake and the harm it has caused to Arman and you, so I sincerely hope You and Arman, give me a chance to rehabilitate..."

Arman was a little caught off guard, and quickly said, "Mr. Liu, didn't we already talk about what happened earlier today? You and I both have something wrong, so this matter is over, don't care about who is right and who is wrong. "

Liu Jiahui said heartily: "Damn, do you think I want to care about this with you again?" I came here because Charlie forced me to come, otherwise, I really don't want to see you for a f\*cking second! "

Although he was unhappy in his heart, Liu Jiahui said very humbly: "Arman, I know that you have a lot of adults and don't want to care about me, but this matter is my fault first, causing you to be displaced in the United States. Ten years, I feel really sorry for this, so please give me a chance to make up for it!"
