

The Amazing Son In Law Chapter 4855 (The Charismatic Charlie Wade Chapter 4855)

The next morning.

The media on Hong Kong Island received a message that shocked them.

That is, the top rich man on Hong Kong Island, Liu Jiahui, actually bought the Huo family's mansion in Shixun Road, and invited media reporters to attend the housewarming ceremony!

Moreover, what shocked the media the most was that Liu Jiahui bought this mansion in order to give it to his former rival in love and his former right-hand man, Arman!

Although Arman has no money, his reputation on Hong Kong Island is surprisingly big.

In the whole of China, the most favorite place to gossip is Hong Kong Island, a city with millions of people. During the peak period of the 1990s and the beginning of this century, it contributed more than half of the country's gossip news.

Therefore, the love triangle between Liu Jiahui, Fang Jiabin and Arman was known to almost everyone on Hong Kong Island.

Moreover, the whole of Hong Kong Island knows that Liu Jiahui wants Arman's life even in his dreams.

But now, Liu Jiahui actually bought the villa next to his house and planned to give it to Arman, and also held a big ceremony and invited the media from all over Hong Kong to attend the ceremony, which is simply incredible in the eyes of the media.

However, the sense of smell of the media people told them that this incident will definitely become a big news in Hong Kong.

Therefore, when the media received the news, almost all the media reporters on Hong Kong Island rushed to Shixun Road, blocking this quiet winding road.

At the same time, Liu Jiahui has taken his wife, Fang Jiabin, to the old house of Arman's family in Sham Shui by car.

In order to show his sincerity, Liu Jiahui planned to personally take the team to welcome Arman's family to their new house.

Fang Jiabin was sitting beside him at this time, and said a little embarrassedly, "Ka Fai, in fact, you don't need to come here in person for this kind of thing. Now the media reporters are all waiting at Shi Xun Dao. If you see you pick up the Arman family in person, At that time, I still don't know how to make up stories to ridicule you..."

Fang Jiabin really didn't want Liu Jiahui to come forward, because she knew very well that even if Liu Jiahui was forced to accept Charlie's conditions, he was still very dissatisfied with Arman.

If because of this incident, he will be ridiculed by the whole Hong Kong, then he will definitely be more depressed.

At that time, his full of depression will have nowhere to be resolved, and it will definitely be imposed on himself.

Liu Jiahui was also very helpless. He scolded and said, "Do you think I want to lose face? Isn't it to satisfy Charlie? Don't forget, Charlie asked me to invite media reporters, so I don't want to come. Pick up their family, and when they arrive at Shi Xundao and hold the housewarming ceremony in front of the media reporters, the reporters will also find out that I bought this villa for them. pass me."

Speaking of this, Liu Jiahui sighed, "Instead of doing this, I might as well be direct and pick up Arman's family in person, which will also make Charlie more satisfied."

Fang Jiabin held Liu Jiahui's hand and said distressedly: "I'm actually mainly worried about your mood, I'm afraid this matter will make you too bored..."

Liu Jiahui smiled bitterly and said, "It's definitely annoying, but as long as you can send away the true god charlie well, it's worth it..."

Fang Jiabin nodded lightly, and couldn't help but sigh softly: "If charlie is gone, our life will be back on track. I hope he will never come to Hong Kong Island again..."

Liu Jiahui gritted his teeth and said, "I have already agreed with Master of Xuanji Hall. After he presided over the housewarming ceremony today, he will go back to Xuanji Hall to prepare a ritual for me. I suspect that I have been a faggot of my time recently. It's too old, so I recruited the evil star charlie, and when charlie is gone, I will do a good ritual and send the god of plague!"

Just as he was talking, Liu Jiahui's cell phone suddenly rang.

He looked down and found that it was charlie who was calling. Because of his guilty conscience, he was instantly frightened, and then looked around in the car, wondering if charlie had installed a bug in the car.

However, he quickly regained his composure, answered the phone, and asked respectfully, "Mr. Wade, what are your orders for calling so early?"

charlie said, "I just saw the news. It seems that many media reporters went to Shi Xundao to report on the spot. The media reporter said that they didn't see Mr. Liu's whereabouts? Today's housewarming ceremony, don't you come out and preside over one. Fan?"

Liu Jiahui hurriedly said: "Don't worry, Mr. Wade, I have invited Master from Xuanji Hall to organize this housewarming ceremony, and I will also come forward to preside over it at that time, but I am on my way to pick up Arman's family in Sham Shui Po, so I may have to I'll have to wait until I go back to make it clear to the media reporters."

charlie hummed and said lightly, "I'm calling to give you some advice."

Liu Jiahui blurted out, "Mr. Wade, say it!"

charlie said: "Although the old affairs between you and Uncle Arman are well known on Hong Kong Island, the media reporters do not know what happened after Uncle Arman returned to Hong Kong Island this time. You have created a relatively positive image yourself. You can tell media reporters that Uncle Arman is coming back this time because the two of you have decided to turn the fight into jade and silk, and the reason why you bought this villa for Uncle Arman is also hope. He and his family can live a better life, so I believe the media on Hong Kong Island will definitely appreciate you."

Liu Jiahui was stunned for a moment, and couldn't help but asked excitedly, "...Mr. Wade, I...can I really say that?!"

In fact, Liu Jiahui didn't think about it, and took this opportunity to engage in a wave of personality marketing.

Although he gave up pursuing Arman because he was afraid of charlie, but the outside world didn't know it, and he could completely say that he took the initiative to open up to Arman.

In this way, it can also create a positive image in front of the media that repays grievances with virtue.

However, he didn't dare to say such words casually.

Because charlie will also participate in this housewarming ceremony today, if he uses this idea to pretend to be coercive, if he angers charlie, he will have no choice but to walk around.

Therefore, he can only think about this kind of idea, and dare not practice it.

However, he also heard in his dreams that charlie would take the initiative to propose this suggestion to himself, which instantly made him so excited that he couldn't add it.

Seeing that he didn't seem to believe it, charlie said indifferently, "I'm a person who always speaks well, this time your performance is not bad, you might as well use this method to make up for yourself, so that you can create a good image for yourself. "

Liu Jiahui was a little moved. He really didn't expect that a devil like Charlie would think about himself.

So, he couldn't help sighing: "Mr. Wade, you have really helped me a lot... With your words, I will face the media reporters later, and I will feel a little more confident... .."

Charlie hummed and said lightly, "Please tell Uncle Arman, Miss Fei and I will wait for him, and we will not go."

Liu Jiahui asked in surprise, "Mr. Wade, Miss Fei will also attend this housewarming ceremony?"

Liu Jiahui knew very well in his heart that Fei Kexin had just taken the position of the head of the Fei family, and was already attracting attention. In addition, everyone knew about the scandal of Jamura's previous Fei family, and after Fei Kexin took over the Fei family, she has done a textbook crisis PR with a very sincere solution, so she is now very well-known around the world.

If Fei Kexin also came to the ceremony, he would definitely be recognized by the media reporters.

Charlie smiled slightly at this time and said, "You did a good job this time, and I will also send you a favor, and let Miss Fei make a brief speech at the ceremony, saying that she came to Hong Kong Island this time to discuss cooperation with you, I learned that you and your long-time enemy turned war into jade, and I was moved by your character, so I specially participated in this ceremony."

After speaking, Charlie added: "Miss Fei's influence is still very large. With her endorsement for you, your future development will be smoother."
