

The Amazing Son In Law Chapter 4857 (The Charismatic Charlie Wade Chapter 4857)

Seeing Mia's face, charlie planned to give Liu Jiahui a step up.

If he is not given a step up, he will surely become the object of ridicule of the whole Hong Kong people in the future.

If you give him a step down, you can help him to mediate a little bit, and leave a positive image of smiling and ignoring grievances.

Moreover, Fei Kexin has come here, and it is not a bad idea to send him a favor.

Liu Jiahui was still worried about the next thing that might be ridiculed by the whole Hong Kong group, but when he heard charlie's words suddenly, the whole person seemed to be hit with adrenaline, and he asked excitedly: "Mr. Wade...you... Are you serious?!"

charlie said lightly, "Do I need to call you early in the morning to tease you?!"

Liu Jiahui's tears were about to fall, and his voice even trembled: "...Mr. Wade...Thank you so much! You...you are...just my savior..."

charlie smiled: "Mr. Liu, you don't have to thank me in such a hurry, I It is also

for Miss Mia's face, giving you an opportunity to reshape your image, if you take good care of it, the incident in that year may not only not be your shame, but will become your shining point." Before, Liu Jiahui must have felt that charlie was mocking himself and was wearing a green hat. How could he be a shining point?

However, hearing charlie say this now, he feels that what charlie said is simply the truth.

He couldn't help but ponder in his heart: "Damn, although wearing a cuckold can't be changed, if you really do the public relations as charlie said, maybe it will really become a

huge shining point! Everyone knows that I, Liu Jiahui, retaliate with virtue, so my character and personality in front of the public is really straight to the top and the end!"

Thinking of this, he immediately said respectfully: "Mr. Wade, thank you for me and for Man. Joan thinks so! I will definitely seize this opportunity!"

charlie snorted and said, "Okay, go get busy, I'll wait for you at Shixun Road."

Liu Jiahui quickly and respectfully said, "Okay, Mr. Wade, thank you, Mr. Wade!" After

hanging up the phone, all Liu Jiahui's The haze was swept away, and he was waving his fists in the car excitedly, and the whole person was even more excited and grinned.

Fang Jiabin, who was beside him, didn't understand why he became so excited in an instant, and quickly asked, "Dear, what's wrong with you? What did the surnamed wade tell you?"

Liu Jiahui subconsciously shouted angrily, "B*stard! How can you do this? Disrespectful? You want to call Mr. Wade! Or Young Master wade!"

Fang Jiabin muttered a little aggrievedly: "You just said that the surnamed wade was a malefic star, and now you are talking about me..."

"That was just now!" Liu Jiahui said with a look on his face Reverently said: "After today, charlie will be my reborn parents!"

He said excitedly, "If today goes well, not only will I be able to take off the green hat that I have worn for more than 20 years, but I will also be able to let go. The people on Hong Kong Island looked at me with admiration, Lau Ka Fai! More importantly, Miss Fei came forward to endorse me, and I will not be what I used to be in the future!"

Fang Jiabin exclaimed, "Miss Fei is going to endorse you?!"

"Yes!" Liu Jiahui exclaimed excitedly: "This time it is really a desperate situation! Thanks to Mr. Wade's kindness, in Mia's face, he gave me a hand!" After speaking

, he couldn't help saying excitedly: "Oh! Mia! Mia is my hero! These days, besides spending your money to give birth to a son, it's just to make you angry and cause trouble for you, so it's better to have a daughter! It's better to have a daughter! It's all about making money!"

Fang Jiabin couldn't help complaining: "You used to complain that you didn't have a son, but now my son has given birth to you, and you said that again..."

Liu Jiahui said seriously: "I'm with you. To be honest, our stinky boy, I knew when I saw him that he would definitely not be successful in the future. Damn, in elementary school, he didn't even pass 20 in 100 exam papers. , there will be ghosts in the future!"

Fang Jiabin also lowered her head in frustration.

My own son is really not very promising. It's okay if he doesn't like to study. The key is that his brain is stupid. He invited the best teacher on Hong Kong Island to teach him at home, but he still couldn't learn.

People say that three-year-olds look old. Judging from his situation, there is basically no hope of counterattack.

Moments later, Lau Ka Fai's motorcade entered Sham Shui Po.

The all-Rolls-Royce team formed an extremely strong contrast with the dilapidated streets of Sham Shui Po.

Almost all the residents stuck their heads out from the narrow windows and stared dumbfounded at this endless luxury motorcade.

In a place like Sham Shui Po, such an incredible sight has not been seen for decades.

As a result, many people took out their mobile phones to shoot, and at the same time published these contents on short video platforms and news self-media platforms.

The convoy quickly arrived in front of the Arman family's old house.

In the dilapidated room, Arman, along with his mother, younger siblings, and several other families were already waiting here.

When the convoy arrived at the door, Arman's little sister looked at the luxury convoy below through the window and asked nervously, "Brother, do we want to go out to meet you?"

Arman shook his head and said lightly: "Today, there are two purposes. , the first is to be equal to each other, and the second is to be indifferent between honor and shame."

My sister nodded in understanding.

She simply felt that it might be inappropriate not to go out to meet Liu Jiahui, a famous and rich man, to come to his home to pick up his family in person.

However, for Arman, he doesn't want his family to lose a head in front of Liu Jiahui from today.

Even though Lau Ka Fai is a billionaire, he still hopes that his family can maintain their dignity in front of Lau Ka Fai.

At this time, Liu Jiahui had already stepped through the door.

As soon as he entered the door, he shouted loudly outside the door: "

Arman, Auntie, I'm here to pick you up!" Arman opened the door, and said politely, "Thank you, Mr. Liu himself."

Liu Jiahui hurriedly smiled: "Oh, it's not hard, it's not hard!"

He walked into the door, looked at the old lady, bowed slightly and asked, "Auntie, are you all ready?"

Although the old lady was a little nervous, she thought of her eldest son. With the two purposes just mentioned, he said, "Thank you Mr. Liu for your concern, it has been cleaned up."

Liu Jiahui smiled and said, "It should be all right." After

speaking, he pointed to the outside and said, "The car has already been taken care of. Are you ready, how much luggage do you have? If there is more, I will ask someone to come and help!"

"No need." The old lady smiled and said, "Arman reminded everyone last night to prepare less luggage, so basically Just one suitcase per person."

Liu Jiahui nodded again and again: "It's right to bring less things, I told my subordinates last night to go to the department store under my name overnight and replace all the daily necessities in it, and We have prepared a lot of stockpiles, you all just need to pack your bags and check in!"

He looked at the time and said to Arman, "Arman, we are about to set off, don't delay the auspicious time, and Mr. Wade and Fei Miss has already passed, it's not good to make them wait too long!"

Arman nodded cheerfully: "Okay, let's go!"

The Amazing Son In Law Chapter 4859 (The Charismatic Charlie Wade Chapter 4859)

At this moment.

charlie and Fei Kexin had already left the hotel and were on their way to Shi Xun Dao.

Fei Kexin knew that charlie hoped that she would give a speech at the housewarming ceremony today and stand on the platform for Liu Jiahui. she was a little puzzled, and after holding it all the way, he couldn't help but ask: "Mr. Let me endorse Liu Jiahui?"

charlie looked at her and smiled slightly: "You are the smartest woman I have ever seen, slap and give a sweet jujube a monkey training skill handed down from the ancestors. Don't you understand?"

Fei Kexin smiled slightly and said, "I understood the strategy of combining favor with power when I was very young, but I always feel that Liu Jiahui has already been slapped honestly by you, so there is no need to give him any more. Eat a sweet jujube, what's more, it's not as simple as giving a sweet jujube to me, it's not me who cares for me. With the size of the Fei family, to endorse Liu Jiahui is like giving him a jujube tree."

charlie was slightly startled . , and then smiled somewhat unnaturally: "I haven't thought about this too carefully, I just think his performance is acceptable, and it's okay to encourage him."

Fei Kexin looked at charlie, smiled and said: " In fact, you understand in your heart that the reason why you are open to him, and even give him a generous gift, is mainly because of Miss Mia's face, right?"

charlie was a little embarrassed at first, but he felt that he was not paying attention. In front of Ke Xin, there was no need to cover up too much, so he nodded generously and admitted: "There is indeed a reason for this, because I concealed something from her before, so I felt a little bit sorry."

Fei Kexin nodded and smiled. Said: "Miss Mia actually likes you very much. she feel very sad to know that you are married. she cried like that in the snack street last night, not because she dropped phone, but after hearing about your marriage. she can't accept it for a while."

charlie asked in surprise, "Did she tell you?"

Fei Kexin smiled and said, "I can see it without her telling me, maybe you just didn't see it."
After speaking

, Fei Kexin said again: "But think about it, why is Miss mia from a wealthy family? Miss, since she was a child, she was used to seeing everything, how could she cry like that because of a mobile phone? A girl from this background has already reached the realm of not being happy with things, unless she has feelings for her. Something of great significance,

otherwise, like a mobile phone, an industrial product produced by an assembly line, no matter how expensive she is, she will never take it to heart."

"This is..." charlie whispered softly, brain

, Mia couldn't help crying last night, and his heart suddenly throbbed.

charlie couldn't talk about liking this girl, but he did feel a little distressed.

His father cheated since she was a child, and it is well known in the city that his mother passed away in pain. With Liu Jiahui as a father, it may be more difficult than Jasmine moore who lost his parents early. After all, this guy is not a fuel-efficient lamp. Don't block Mia less.

The Amazing Son In Law Chapter 4860 (The Charismatic Charlie Wade Chapter 4860)

It is precisely because of this that charlie feels so guilty towards her.

When I thought of how she cried out of control yesterday, I felt even more sorry in my heart.

Seeing that charlie was silent, Fei Kexin couldn't help but tease: "Mr. Wade, you owe so much peach blossom debt, how are you going to pay it back in the future?"

charlie shook his head: "I don't know..."

He really didn't know.

It is said that it is the hardest to accept the grace of a beautiful woman, and charlie agreed.

It's not that he can't feel the affection of many girls for him, but he just doesn't know how to respond.

After all, he was a married man, and he didn't even know how to deal with Stefanie sun, whose parents were matchmakers, let alone other girls.

Seeing that Charlie's expression was a little dazed, Fei Kexin smiled and said, "You don't have to worry too much, after all, you don't have to worry about having too much debt." After

that, she didn't want Charlie to continue to be troubled by the topic she raised, so she He opened his mouth and said, "By the way, Mr. Wade, I asked people to buy two houses on Shixun Road. If you come to Hong Kong Island frequently in the future, you will also have a convenient place to stay. When the ceremony is over, do you want me to show you? Charlie asked in surprise, "

Why do you want to buy a house in Shixundao?

Fei Kexin smiled and said, "It's mainly for convenience in the future. After all, Hong Kong Island is also an international metropolis. It is inevitable to come here to expand business or attend summits. After all, the feeling of staying in a hotel is not as good as your own home." : "The two houses are very big. I have someone buy them in the name of the group. After the house is collected, I will arrange for someone to renovate it. If you come over in the future, you can choose one to live in at any time."

Unlike others, Fei Ke Although Xin said that he bought the house for Charlie, he never mentioned anything to Charlie.

After all, she knew that for Charlie, the value of a house was already negligible, and she didn't need to give Charlie such a gift at all, it would only add to Charlie's troubles.

In Charlie's consciousness, if Fei Kexin insists on giving her own room

, I must refuse, after all, it is unreasonable to accept gifts from others for no reason, not to mention that Fei Kexin came to Hong Kong Island this time to help himself, I haven't given her a gift yet, so how can I accept a gift from her.

However, Fei Kexin skillfully avoided the embarrassment of giving, but it also made Charlie unable to refuse.

So he nodded and said, "Okay, if I come to Hong Kong Island in the future, I'll ask Miss Fei to help to arrange it."

Fei Kexin smiled and said, "Don't worry, just leave it to me to arrange it."

" Enter Shixun Road.

At this time, on both sides of Shi Xun Road, the cars of media reporters were already parked. Fei Kexin slowed down and drove slowly to the new villa that Liu Jiahui bought.

Because Liu Jiahui said hello in advance, their car drove directly into the courtyard of the villa.

At this time, in the courtyard of the villa, the lanterns have been decorated. Not only are two lion dance teams waiting here, there is also an altar specially set up by Feng Shui masters.

People on Hong Kong Island believe in feng shui the most, not to mention big events like housewarming, marriage, birth, old age, sickness and death, even if you buy a pot of green plants, you can't wait to find a feng shui master to do the math, where can you prolong your life or make money from all directions.

Once it comes to such a big event as a housewarming, it is not a simple calculation that can be solved. If conditions permit, you must invite Feng Shui masters to come and do it, and congratulate the whole house.

At this time, in the center of the altar, a young man wearing a Taoist robe was preparing the magic tools needed for the practice.

Seeing the Rolls-Royce that Fei Kexin was driving in, the young man thought it was Liu Jiahui. He deliberately pinched his hand, and then carefully placed the Taomu sword beside him. He walked out and walked over with a smile on his face.

However, when he saw that it was Charlie and Fei Kexin who came out here, the whole person was stunned for a moment, and then he recognized Fei Kexin's identity, and he was suddenly surprised!

He didn't expect that he would be able to see Miss Fei's family here today, and even more did not expect that Miss Fei's family was much more beautiful than what he saw on TV, she was simply stunning!

So, he suppressed his excitement, stepped forward immediately, bowed his hands to Fei Kexin slightly, and said with a smile, "If I'm not mistaken, you should be Miss Fei Kexin, right?"

Fei Kexin looked at The young man asked curiously, "Who are you?" The

young man smiled and said, "Hello, Miss Fei, I am the head of the Hong Kong Island Xuanji Hall, and my name is Jack Yaleman 2nd!"
