Seeing Jack Yalaman 2nd's attentive look, Fei Kexin frowned slightly, but nodded politely and said, "You are good Mr. Yalaman 2nd."

It was the first time Jack Yalaman 2nd met. Having reached such a high rank, he was excited and said flatteringly, "I never expected to see Miss Fei here. It's such a great honor!" After

speaking, he hurriedly asked, "Miss Fei, you are here on Hong Kong Island this time. , was it invited by Mr. Liu?"

Fei Kexin nodded lightly: "Yes."

Jack Yalaman 2nd said excitedly: "I have a very close relationship with Mr. Liu, since my father, Mr. Liu has been very good in feng shui fortune. It's up to us."

Having said that, Jack Yalaman 2nd said again: "By the way, Miss Fei, if you have any needs in terms of feng shui fortune, you can contact me at any time, and I will provide you with the most professional services for free!"

Immediately , Jack Yalaman 2nd took out a business card from the inside of the Taoist robe, handed it to Fei Kexin, and said respectfully: "Miss Fei, this is the business card below, with the contact information below, please save it!"

Fei Ke Xinben didn't want to talk too much with Jack Yalaman 2nd, but he didn't expect him to keep chasing and talking, so he planned to take the business card and quickly find an excuse to leave with charlie.

However, charlie said to Yalaman 2nd at this time, "Sorry, Mr. Yalaman 2nd, I am Miss Fei's royal Feng Shui master, so Miss Fei may not need your professional services."

Jack Yalaman 2nd did not expect that charlie It turned out to be Fei Kexin's Feng Shui master.

Originally, he wanted to take this opportunity to get close to someone like Fei Kexin and try to be her feng shui master, but he didn't expect that the young man with Fei Kexin was actually his comrade, and he also Take the big boat of Fei Kexin first.

Jack Yalaman 2nd, who was depressed in his heart, couldn't help frowning and asked, "This gentleman, I don't know who and what sect did you learn from?"

Feng Shui metaphysics is most about inheritance. Generally speaking, there are six major sects in Feng Shui. , must be the teacher-inherited relationship obtained from these six sects.

Therefore, only those who have a clear teacher's inheritance can show their strength in the field of Feng Shui. If there is no clear teacher's inheritance, they will not be recognized at all in this field.

It's like a pilot who wants to fly a plane, he must study in a professional flight school and obtain a pilot license. If he doesn't have a degree and a license, no one will want to fly in the plane he drives, no matter how strong the driving skills are.

It is precisely because of this that when people in the field of feng shui meet, they must first ask about the relationship between teachers and teachers.

charlie smiled slightly at this time and said, "I don't have a teacher, but I often watched TV and read novels in the early years, and learned some feng shui knowledge."

Jack Yalaman 2nd was dumbfounded, and blurted out: "You You don't even have a teacher, and you dare to show Feng Shui to the distinguished Miss Fei, aren't you a scam?!"

As soon as Jack Yalaman 2nd said these words, charlie was not angry, but Fei Kexin became angry first, she sternly said with a cold face Said : "Mr. Yalaman 2nd, please pay attention to your words, Mr. wade is not for you to judge!"

In fact, the reason why Jack Yalaman 2nd said this was to remind Fei Kexin that charlie was a liar who came from a wild way, and his strength and Her fame is far inferior to herself, so instead of letting such a person be her royal feng shui master, she might as well replace her with herself!

However, how could he have thought that Fei Kexin, such a high-ranking person, would take the initiative to stand for a Feng Shui master, and he was instantly jealous.

## The Amazing Son In Law Chapter 4862 ( The Charismatic Charlie Wade Chapter 4862 )

So, he looked at Charlie and said coldly, "I am the eighth-generation descendant of Xuanjitang, the name of Xuanjitang is like thunder on Hong Kong Island, the mainland, and even the whole of East Asia and Southeast Asia, how can you compare fakes like you? Come on, I advise you to stay away from Miss Fei before you reveal yourself, or if something happens to Miss Fei's Feng Shui fortune because of your trash, you will be blamed for your death!"

At this time, Charlie squinted at Jack Yaleman 2nd, and asked with great interest, "Mr. Yaleman 2nd is from Xuanjitang? I don't know what is the relationship with Jack Yaleman?"

Jack Yaleman 2nd immediately said arrogantly: "Jack Yaleman is my father! He is famous at home and abroad in the field of Feng Shui metaphysics, and he is the number one master! Countless big figures on Hong Kong Island are all his fans!"

"Oh... so it turns out. That's it..." Charlie smiled slightly: "I don't know where Master Yaleman is now?"

Jack Yaleman 2nd immediately cupped his hands in the distance: "My father left Hong Kong Island last year, and went out to find a unique place to retreat and practice. "

Retreat?" Charlie smiled and played with his taste: "Actually, I had a relationship with your father back then."

Jack Yaleman 2nd asked in surprise, "Have you met my father?"

"Yes ." Charlie smiled and said, "It was last year."

Jack Yalaman 2nd stared at it dumbfounded charlie, blurted out: "My father did go to Aurous Hill last year. At that time, he told me that he was going to participate in an auction to bid for a peerless Tridacula. Did you meet him at that time?"

"That's right." charlie smiled and said, "Master Yalaman is at the auction, that's really impressive, I'm deeply impressed."

Jack Yalaman 2nd couldn't help but get nervous.

It's not that he is afraid of charlie, but that he has never known his father's whereabouts.

Shortly after his father went to Aurous Hill, he lost the news. Jack Yalaman 2nd was worried that something would happen to him. He once found someone to investigate in Aurous Hill, but no clues were found.

In order to maintain the reputation of Xuanjitang, Jack Yalaman 2nd announced that his father had started retreating.

But he never gave up looking for his father's whereabouts. After all, Xuanjitang's reputation was mainly supported by his father, Jack Yalaman. The wealthy people on Hong Kong Island were willing to recognize Xuanjitang's signboard because of Yalaman 's strength.

Only by declaring that Jack Yalaman is in retreat can the influence of Xuanji Hall be maintained.

Otherwise, once the people of Hong Kong Island know that Jack Yalaman's whereabouts are unknown, the influence of Xuanji Hall will also plummet.

So, Jack Yalaman 2nd asked charlie a little nervously: "Sir, where did you last see my father? What is he doing?"

charlie smiled and said, "The last time I saw your father was At that auction, your father didn't bring enough money to buy that clam shell, it seems to be quite unpleasant."

Jack Yalaman 2nd's expression changed slightly.

When his father attended the auction last year, he once heard his father talk about it on the phone.

At that time, my father was very angry, saying that he killed a young boy halfway and snatched the trilobite for a price of over 100 million, which made him very depressed.

Later, my father also said that he wanted to find an opportunity to snatch the clam shell back.

But then, the father's whereabouts are unknown.

At this time, Jack Yalaman 2nd couldn't help but ask: "What happened later?! Do you know what happened after that?!"

charlie smiled and said, "I heard later that your father was offended at a metaphysics conference. A master of metaphysics in the mainland, when he was fighting with others, because he liked to pretend too much, he was led by the other party to a thunderbolt, and he was split into powder."
