

The Amazing Son In Law Chapter 4872 (The Charismatic Charlie Wade Chapter 4872) -

Jack Yalaman 2nd looked at charlie in a panic, and asked incredulously: "I...my father...he...is he really dead?!"

charlie nodded: "He is like you, he likes raising this kind of stuff. Mosquitoes that can't come to the table, and your master Master Felix likes to keep those kind of Gu insects that love to eat human brains, so I simply eliminate the harm for the people and send them both to hell."

"What? ?! Master Felix also..."

Jack Yalaman 2nd was completely desperate at this time.

He no longer doubted what charlie said, because his intuition told him that charlie was definitely not joking with himself.

However, he couldn't care about hating charlie anymore, so he could only plead with tears in his eyes: "Mr. Wade... as long as you can... spare my life... I... I will never... never again... Don't do anything wrong..."

charlie smiled and said, "Aren't you afraid of death? I can call an ambulance for you, and the antidote you have just now is working, so it won't be a big problem for a while."

Speaking of this, charlie said with a smile. turned around and said indifferently: "But I see the wound on your head, the toxin has begun to penetrate into the brain, it is estimated that you will soon be in a coma, and then you will never be able to wake up again."

Jack Yalaman 2nd was frightened all over his body . Trembling violently, he begged terribly: "Mr. Wade...you...you are a person with great supernatural powers...Please raise your hand..."

charlie shook his head and said seriously: "This is

The root of this kind of thing is never to beg others to give you a high hand, but you yourself to give a high hand to others, I don't want to care about you today, but you keep on repeating It's nothing more than provocation again and again, and even quietly

releasing such vicious things to attack me, and I'm just using the way of people, but also treating people's bodies. "

Jack Yalaman 2nd cried and said: "Mr. Wade... I am this year... I am only twenty-three years old this year... I... I don't want to die..."

charlie said helplessly: "If you don't want to die, you raise such a pervert." What do mosquitoes do? Isn't this digging one's own grave? "

Jack Yalaman 2nd wanted to beg for mercy at this moment, but he felt a sudden sharp pain in his entire head, and even his own consciousness began to be a little chaotic.

Seeing his tragic state, charlie knew that the toxin of the blood mosquito had invaded his body. Brain, so he took out his mobile phone and dialed the emergency number.

Shi Xun Road is indeed the most valuable luxury residential area on Hong Kong Island. There is a powerful general hospital at the foot of Shi Xun Road

. The owners of Dao have sponsored this hospital, so this hospital has two ambulances that are only prepared for Shi Xun Dao all year round. Once someone calls an ambulance in Shi Xun Dao, they can drive the car to the door in a few minutes. Therefore ,

after charlie called the emergency number, only six or seven minutes later, an ambulance drove directly into the villa courtyard. The emergency doctor and several nurses carried the stretcher as fast as possible and ran into the villa.

At this time, Jack Yalaman 2nd had lost consciousness and passed out in a coma.

When these doctors and nurses saw Jack Yalaman 2nd lying on the ground, they were all frightened by the tragic situation in front of them.

Jack Yalaman 2nd's face, head, The torso and limbs were full of ulcers the size of ping-pong balls, the wounds were black and purple, and even oozing pus and stench. The appearance was terrifying.

Some servants who came in with the doctors and nurses, and even Lau Ka Fai's assistant, Amin, were stunned. This scene was so frightening that I couldn't speak.

The emergency doctor didn't know where to start for a while, and quickly asked charlie who was beside him: "What's wrong with him?!"

charlie shrugged and said, “Mr. Yalaman 2nd kept a bunch of strange mosquitoes, and then somehow if you are bitten by these mosquitoes, you hurry up and take him to the hospital for emergency treatment, and if you delay it any longer, you will not be able to do it.” The

emergency doctor couldn't help being a little flustered and blurted out: “This...this...this...this is also it's so weird... what mosquitoes can hurt people like this...”

After speaking, he quickly instructed the nurse beside him, “Quick... get people into the car!”

The Amazing Son In Law Chapter 4873 (The Charismatic Charlie Wade Chapter 4873) -

ambulance roared and took Jack Yalaman 2nd, who was already in a deep coma, away from the villa.

Everyone else at the scene also had lingering fears, not knowing what to do for a while.

Liu Jiahui's assistant, Amin, knew a little about Jack Yalaman 2nd, and guessed that this guy might have raised something that was not so good that he ended up in the tragic situation just now.

And he was too lazy to take care of Jack Yalaman 2nd's life and death, but the auspicious time was coming soon, and Liu Jiahui and Arman's family would also arrive at the villa. According to the procedure, after they arrived at the villa, they would first have a grand housewarming ceremony. In addition to the lion dance team outside the door, the most important thing is actually the ritual presided over by Jack Yalaman 2nd.

However, before the person who was going to move to the new house arrived, the Feng Shui master who was going to preside over the housewarming ceremony was taken away by an ambulance with a strange serious injury. He didn't know how to deal with the next situation.

So he could only find charlie and asked nervously, “Mr. Wade...Mr. Liu and Arman will be there in a few minutes, but something like this happened to Jack Yalaman 2nd, what should I do at the housewarming ceremony... charlie said indifferently: “

It's nothing more than a celebration. Whether Jack Yalaman 2nd presides over it shouldn't be that important, right?”

Amin said nervously: "Mr. Wade, you don't know something...Mr. Liu, he attaches great importance to today's day." The housewarming ceremony, for this matter, also specially invited well-known media from all over Hong Kong Island. Standing at the gate of the villa, hundreds of reporters were waiting to come in to watch the ceremony. Without Jack Yaleman 2nd, no one will host the ceremony... I'm afraid It's time to make a joke..."

charlie nodded, then looked at Fei Kexin who was beside him, so he made up his mind and said to Amin, "I'll solve this matter, you don't need to worry about it, go first The altar for the practice has been removed from the outside, and since Jack Yaleman 2nd is gone, I won't engage in Feng Shui metaphysics this time."

Amin had no idea at this time, and could only hope that charlie would be able to do it properly. After making the arrangement, he thanked Dade and said, "Mr. Wade, I'll leave it to you this time!"

charlie smiled slightly: "Okay, go ahead and do the rest first, and I'll arrange the rest."

Amin left with great gratitude, and charlie came to Fei Kexin and asked, "Miss Fei, would you like to play the role of the host temporarily?"

Fei Kexin said somewhat uncertainly: "Mr. Wade... there is nothing wrong with hosting, but... feng shui metaphysics, as well as the local ceremony process on Hong Kong Island.

Some...I don't understand...I don't know how to host..."

charlie waved his hand: "If you are hosting Miss Fei, you don't have to stick to the local procedures on Hong Kong Island. Come on, you can do whatever you want. I believe that with your eloquence, you will be able to preside over it perfectly. Hearing this ,

Fei Kexin was a little relieved, and asked charlie, "Then in what capacity do I preside over this housewarming ceremony? I mean... When I introduced myself, did I say that I knew Lau Ka Fai, or that I knew Mr. Arman? charlie said with a smile: "

In fact, in this matter today, all Hong Kong Island wants to see Lau Ka Fai's joke. After all, in their opinion, Uncle gave Lau Ka Fai a green hat back then, so they wanted to know why Lau Ka Fai gave up. Chasing down Uncle Arman, and even buying such an expensive mansion for Uncle Arman. If you say you know Uncle Arman, they will think that Liu Jiahui is afraid of giving in because Uncle Arman has your backing. Don't let him lose face too much at his age. "

Fei Kexin nodded understandingly, and smiled: "Then you mean to ask me to introduce myself because I already knew Liu Jiahui?" "

The Amazing Son In Law Chapter 4874 (The Charismatic Charlie Wade Chapter 4874) -

"Yes. charlie smiled and said, "You just said that you and Lau Ka Fai have known each other for a long time, and this time I came to Hong Kong Island to discuss cooperation with Lau Ka Fai. Lau Ka Fai specially invited you to preside over the ceremony, and you also heard about him. After the past with Arman, I felt that the relationship between the two of them was very positive, so I agreed to his request. With

that said, charlie said again: "Actually, you have only two tasks, one is to make this housewarming ceremony a successful conclusion, and the other is to give Liu Jiahui more face.

Fei Kexin nodded, smiled slightly, and said, "Mr. Wade, if you are not humble, if the Fei family endorses a company or individual, it is equivalent to creating a huge amount of goodwill for him . Compared with the one-time costs that Liu Jiahui paid to solve this matter, this kind of goodwill can almost bring him a steady stream of benefits in the future, so you may end up losing money in this transaction. "

charlie smiled and said: "The main purpose of my coming to Hong Kong Island is to solve Uncle Arman's affairs. As for whether Liu Jiahui will ultimately benefit, I won't bother with him."

Fei Kexin said with a smile: "I just now It seems that the calculation is wrong, after this transaction is calculated, Liu Jiahui should be at a loss."

charlie asked curiously: "Why did you change your opinion again?"

Fei Kexin said seriously: "I didn't take Mia into consideration just now, she has fallen in love with you now, although Liu Jiahui earns fees The endorsement of the family, but Mia was indemnified, and in the end it is still a loss."

charlie said a little embarrassedly: "You said this, as if I did something to Miss Mia, I just treat her I have a little more appreciation on the basis of ordinary friends, and besides, I didn't do anything to her, how can it be considered that Liu Jiahui paid her in?"

Fei Kexin smiled and said meaningfully: "Sometimes, I didn't pay attention to her. What happened to the other party, it's not as good as what actually happened."

charlie asked in surprise, "What does this mean?"

Fei Kexin waved his hand quickly: "I just said nonsense, Mr. Wade don't have to mind."

Her voice was just now . After falling, I heard the sound of firecrackers in the courtyard of the villa, and then the sound of gongs, drums and suonas also sounded, it seems that the lion dance team has started to perform.

At this time, Amin hurried in and said to charlie, "Mr. Wade, the convoy has arrived at the door, and we are about to come in!"

charlie nodded and asked him, "Have Jack Yalaman 2nd's set of things been put away? ?"

Amin nodded hurriedly: "According to your instructions, I have put it away."

"Okay." charlie smiled: "Today's housewarming ceremony will be hosted by Miss Fei."

After speaking, he looked at Fei Ke Xin said, "Miss Fei, I'll leave everything to you."

Fei Kexin asked in surprise, "Mr. Wade, are you not going?"

charlie smiled and said, "There are so many reporters outside, but I still don't show up. , so as not to be recognized."

For charlie, what he was worried about was that if he had this face on the TV media, he would be recognized by his grandmother's family.

In the front-end time, Stefanie sun took the blood-saving pill and went to Anjia as her fiancée, which to a certain extent rekindled the An family's determination to find her.

However, charlie didn't plan to recognize them for the time being. Naturally, it was the most appropriate not to attend such an occasion that the whole Hong Kong Island was attracting attention.

Fei Kexin also understood charlie's original intention in making this decision, and nodded slightly: "Okay, Mr. Wade, since that's the case, then please rest assured and leave the matter to me, I will definitely not disappoint you!"
