

The Amazing Son In Law Chapter 4881 (The Charismatic Charlie Wade Chapter 4881)

In this world, the person who knows Arman's abilities best is Liu Jiahui.

If it wasn't for Fang Jiaxin, he would definitely do everything possible to keep Arman by his side and let him act as his think tank.

It's a pity that the hero was saddened by the beauty pass. Neither of them took a step back then, and they finally became enemies for 20 years.

Now that Lau Ka Fai has let go of his past grievances, from the perspective of an old friend, he also hopes that Arman can find his true value again.

And he also felt that his temple could no longer hold the Buddha Arman. Arman could only reflect his value to the greatest extent by staying with Charlie.

He could also see that Charlie must have seen the value of Arman, so he devoted so much energy to him at all costs.

Therefore, at this time, on the one hand, he is affirming Arman's strength, and on the other hand, he also expresses his thoughts on behalf of Charlie.

Although Arman had already looked down on everything, he was somewhat encouraged when he heard Liu Jiahui's affirmation and expectation of him.

Immediately, he looked at Charlie and said solemnly: "Young Master Wade, rest assured, I will do my best for you in the future and die!"

Charlie said seriously: "Uncle Arman, by comparison, I hope you can renew your life. Find your own value and prove your strength to everyone."

Arman clasped his fists in both hands and said gratefully, "Young Master Wade, rest assured, I will definitely do it!"

Seeing Arman's renewed fighting spirit, Charlie felt even more relieved, and said with a smile: "In this case, then I have nothing to worry about. Uncle Arman takes good care of his family for the past few days. I will go back to the United States in the evening. I will contact you before returning to China, and we will see you in Aurous Hill when you arrive."

Arman nodded lightly, He opened his mouth and said, "Master Wade, you must be more careful in the United States."

Charlie smiled slightly: "Don't worry, Uncle Arman, I know what I know."

"

After lunch, Arman's family was busy cleaning up their new home, while Liu Jiahui and Fang Jiabin insisted on staying to help.

Mia was going to school in the afternoon, so before leaving, he quietly told Charlie to take off after 7:00 pm as originally planned, and don't advance the departure time, she will go directly to the airport to drop off the plane.

Charlie naturally agreed, and after watching Mia drive away, he planned to go shopping in the city center of Hong Kong Island and buy some gifts for his wife Claire and mother-in-law Elaine.

Every time he goes out on the grounds of feng shui, Charlie will take the initiative to bring some gifts back to the two of them, which has become a habit.

So he went back to the villa, found Fei Kexin, and asked her: "Miss Fei, what other arrangements do you have in the afternoon?"

Fei Kexin shook her head: "Mr. Wade, I don't have any other arrangements, if you have no other arrangements, I can also let the flight take off earlier, so that I don't have to waste an afternoon here."

Charlie smiled: "You don't need to take off early, you will accompany me in the afternoon. Let's go shopping and buy some handy gifts."

Fei Kexin heard that Charlie wanted to invite herself to go shopping, and said with joy: "Okay, Mr. Wade, it's my honor to be able to accompany you shopping."

charlie smiled and said: "You don't have to be so polite, just treat it as giving me advice. My biggest headache is buying gifts. You can help me make up my mind.

" Time to leave?"

"Now." charlie said, "I'll say hello to Uncle Arman and let's go."

Soon, charlie said hello to Arman, and drove with Fei Kexin to the largest island on Hong Kong Island. business district.

On the way, Fei Kexin asked him, "Mr. Wade, what kind of gifts do you plan to bring to your family?"

The Amazing Son In Law Chapter 4882 (The Charismatic Charlie Wade Chapter 4882)

charlie smiled and said, "It's just my wife and my mother-in-law, just choose something that women like more."

Fei Ke Xin nodded and said with a smile: "bags and jewelry are definitely the best choices for buying things for women. As for the bags, they are Hermes and Chanel. As for jewelry, there will be more brands, such as Van Cleef & Arpels, Tiffany, and Bulgari. They are all good choices."

charlie said: "The bag will not be delivered, it has been delivered before, but you can consider jewelry..."

Thinking of this, charlie suddenly remembered the situation that Jasmine moore helped him set up for Elaine.

At that time, Elaine ended up spending almost all the cash because of an emerald necklace from Bulgari.

charlie suddenly thought, if Elaine was to buy another necklace that was exactly the same as the necklace she bought when she won the lottery, how would Elaine feel in the depths of her heart?

Thinking of this, charlie said without hesitation, "Let's go to Bulgari!"

Soon, the two parked the car and came to the largest Sogo department store on Hong Kong Island.

In order to prevent being recognized, Fei Kexin put on a mask and sunglasses, and followed charlie into the mall.

As soon as he arrived at the mall, Fei Kexin saw the sign of Bulgari, so he said to charlie, "Mr. Wade, Bulgari is over there."

"Okay." charlie nodded and came to Baoshan with her. In the Geli store, a shopping guide

then he enthusiastically stepped forward and asked, "Welcome to Bulgari, what do you two want to see?"

charlie asked, "I heard that you have a necklace. Is the green necklace in stock in the store?" The

shopping guide hurriedly said, "Sir in stock, wait a moment."

After speaking, the shopping guide took out an emerald pendant necklace from the counter and handed it to charlie. He said respectfully, "Sir, this emerald necklace is our latest model this year, and it's selling very, very well. The price is HKD 550,000."

charlie took the necklace and looked at it, and found that the necklace is indeed real It's very beautiful, showing style and temperament at the same time, but also low-key and restrained, not as flamboyant and superficial as diamond jewelry, it is indeed a rare good style.

No wonder Elaine was willing to spend all the cash to buy such a necklace.

Moreover, charlie felt that his wife Claire should also be very suitable to wear such a pendant. Not only is the style fresh and elegant, but the green pendant can also bring out the fairness of the skin.

So, charlie said: "Okay, I want this necklace, please get me two." The

shopping guide said in surprise: "Sir, do you want to buy two identical ones?"

"Yes." charlie nodded and said : "It needs to be exactly the same." The

shopping guide explained patiently: "Sir, if you are planning to give it to your wife, I would recommend that you buy two different styles. Women prefer different styles of jewelry."

charlie said : "I'm going to give it to my wife and my mother-in-law." The

shopping guide nodded and said sincerely: "Then I suggest you buy two different styles, women's matching shirts, shoes, matching hairstyles of the same style, and haircuts. If your wife and your mother-in-law both wear the same necklace, they will definitely feel awkward."

charlie smiled: "Listen to you, I want to buy it even more. It's the same."

For charlie, he knows Claire's character very well. Claire is a dedicated personality. He is indifferent to the world and doesn't care about himself. If he buys the same jewelry as Elaine, she will definitely not have it. any dissatisfaction.

But Elaine is different.

The two major taboos for women's jewelry mentioned by the shopping guide just now, one is to have the same jewelry, and the other is to clean up the same as others. As long as you buy two identical ones and give them to Claire and Elaine, then Elaine will touch them at the same time. Touch these two taboos.

Elaine is greedy and unrestrained, and charlie didn't want her to be too proud. She could make her feel a little uncomfortable and correct her so that she wouldn't get too complacent.
