

The Amazing Son In Law Chapter 4883 (The Charismatic Charlie Wade Chapter 4883)

When Charlie and Fei Kexin were shopping in the mall, Mia, who was preparing for the thesis defense at school, suddenly received an email signed by Aurous Hill University.

When she saw the four words of Aurous Hill University, she was very excited, opened the email quickly, and then couldn't help but read the content of the email softly:

"Dear Ms. Mia, hello. I am an excellent student of Aurous Hill University. Luo Ruixue, the person in charge of the talent introduction plan, I have received your cover letter and resume. After our preliminary review, we believe that your situation is very suitable for the needs of our excellent talent introduction plan. You are specially invited to Aurous Hill for an interview...Interview time Yes..."

Seeing this, Mia immediately cheered excitedly: "Great!"

Micah, a classmate and friend in the same major, was looking for information quietly when she heard Mia shout, and asked in surprise: "Sister Mia, what's wrong with you? What makes you so excited?"

Mia said without hesitation: "I received an interview notice from Aurous Hill University. After I finish my defense, I can go to the interview! If I pass, I will stay at Aurous Hill University to teach!"

Micah said dumbfounded: "No, Miss Mia...you will be a PhD student at the University of Hong Kong. If you want to stay in school to teach, the school can't ask for it, why do you need to go to a mainland university? What about teaching at a non-graduate university?"

Mia said very seriously: "Aurous Hill University is not a non-graduate university, on the contrary, it is a national double-first-class university with strong faculty and development background."

Micah blurted out: "No matter how strong it is, it can't be stronger than Hong Kong University, and if you stay in Hong Kong University, you don't have to leave Hong Kong Island. You can work at your doorstep. It's better than going to the mainland to develop."

Mia smiled and said seriously. : "I've been in Hong Kong for so many years, and it's time to go out and see the outside world!"

Micah curled her lips: "What's so good about the outside world, I don't think it's as good as Hong Kong Island, and Sister Mia, your family is rich and powerful on Hong Kong Island, and you can call for wind and rain. Why are you running all the way to the mainland?" After speaking

, she asked curiously, "By the way, Sister Mia, you want to go to the mainland to develop, shouldn't it be for love?"

Mia's cheeks instantly turned pale . There was a red tide, but he didn't want to admit it, and quickly said: "I just want to leave the comfort.

stop guessing. Micah had a panoramic view of

Mia's performance, and said very firmly: "Sister Mia, I have known you for so long, and I know you too well. You are a person who can't lie at all, and blushes when you lie." , look how red your face is now, and you still say no..."

Mia subconsciously reached out and touched her cheek, when she realized that her face was really hot, she quickly said to her: "What I said just now So far, you must not talk nonsense to others. "

Micah smiled and said: "Okay, I will definitely not talk nonsense, but Sister Mia, can you satisfy my curiosity, I really can't think of who it is? With what kind of charm, you can actually capture the heart of Miss Mia Liu, who was crowned with the title of Mie Shitai at the University of Hong Kong..."

Mia glared at her and reminded: "Be busy with serious business, don't always gossip! "

Micah said with a smile: "How can gossip be fun in serious business!" "

Speaking, she suddenly remembered something and exclaimed: "Sister Mia, the one you fell in love with, shouldn't it be the boy you brought over during the last charity sale in Tsim Sha Tsui? He also said at the time that it was your fiancé, do you really have an affair? !"

Mia looked at her speechlessly, and asked helplessly: "Can you stop being so vulgar, Mr. Wade and I are innocent, how can we have a leg..."

"Mr. Wade... I'm innocent..." "Micah stuck out her tongue and joked, "I guess you are starting to name your future children, right?" His surname is wade, so what would be better for you to have a son named wade? Oh, by the way, if you don't dislike it, I will be a godmother for the child, what do you think? Mia

felt that her face was a little swollen, and said a little angrily: "Micah, if you are always so unscrupulous in the future, then it's better for me to stay away from you in the future!" "

Micah pouted and asked her, "Sister Mia, when is it convenient to ask him to come out and let's have a meal together? I don't have any other skills. I definitely have the ability to identify a scumbag. It can be seen in the time of the meal!"

Mia said with some melancholy: "There is no chance, he will leave tonight and will leave Hong Kong Island."

"Ah?" Micah asked in surprise: "He is going back to the mainland. If I guessed correctly, he should be from Aurous Hill, right?"

Mia was reluctant to let go, and he never did it again at this time.

to hide for love

Ah!"

Mia held his chin, looked at the wall not far away in a daze, and murmured, "He went to the United States to accompany his wife to school, and he will be back in Aurous Hill next month."

Micah asked, dumbfounded: "Sister Mia...you...what did you say?! He...he...he has a wife?"

"Yes." Mia nodded and said seriously: "He has been married for four years."

"I'll go . "... " Micah couldn't believe it for a while, and blurted out, "Sister Mia, you...you...you can't figure it out..."

Mia subconsciously turned the pen in his hand and muttered: "I It's not that I can't think about it, I just can't control myself." As

she spoke, she suddenly caught a glimpse of the time in the lower right corner of the computer and blurted out, "Oh, it's already four o'clock, I have to ask him when he will leave.

"

After discussing with Fei Kexin, charlie set the time for the plane to take off at 7 o'clock in the evening.

The reason why I chose to take off at seven is because it takes about twelve hours for Fei Kexin's private plane to fly to Providence. It takes off at seven o'clock on Hong Kong Island, and it happens to be seven o'clock in the evening local time in Providence. This time is a relatively suitable landing time. Too early will squeeze charlie's last day's itinerary on Hong Kong Island. If it is too late, if it arrives in the second half of the night, it will also affect his wife Claire's rest.

However, at seven o'clock in the evening, it was somewhat embarrassing for Arman and Liu Jiahui.

Because both of them wanted to invite charlie to dinner in private, Arman wanted the family to thank charlie, but Liu Jiahui wanted to take this opportunity to get closer to charlie.

It's a pity that charlie's departure time was too late to arrange dinner, because considering the various procedures of international flights before boarding, charlie decided to leave for the airport at 5 o'clock in the afternoon. This time is really not suitable for another time. Go in for dinner.

When Charlie received a message from Mia and asked him when to take off, Charlie sent him the tentative time.

When Mia got charlie's reply, she quickly stood up and said eagerly to Micah: "Micah, I have to go first, the gift prepared for him has just arrived on Hong Kong Island in half an hour, and I haven't bothered to pick it up yet! "
