

The Amazing Son In Law Chapter 4919 (The Charismatic Charlie Wade Chapter 4919) -

It's almost Friday.

Because she was leaving for New York today, Elaine got up early in the morning and started packing her suitcases.

Now, Elaine is already on the verge of returning home.

It was finally in the afternoon. After Claire was out of class, charlie drove Elaine and picked up Claire at the school gate. The three of them drove directly to New York.

According to charlie's plan, after arriving in New York on Friday night, take Elaine for a walk around New York's night scene, take a look at the Statue of Liberty, take her around New York on Saturday, and take her around during the daytime on Sunday. As she goes shopping and shopping in New York, she can be taken to the airport in the afternoon.

For Elaine, although this time in the United States was short, it was a long trip, and he had to buy some local New York souvenirs and local specialties.

On the way to New York, Elaine sat alone in the back row, took out his mobile phone, and sent a message to Stella, informing him that he was arriving in New York tonight.

Stella quickly replied with a voice. In order not to be heard by charlie and his daughter, Elaine converted the voice into text.

The text shows: Elaine, this time you are in New York. As the host, I originally planned to treat you to a big meal and show you around, but because you are going back to China in the past two days, there are many people in the United States. Things have to be done before leaving, so I'm very busy, I'm really sorry... Or else, after we arrive on Hong Kong Island, don't rush back to the mainland, I happen to have a villa on Shixun Road on Hong Kong Island, you Play with me on Hong Kong Island for a few days, then stay at my house, give me a chance to do my best as a landlord, and then you can go back to the mainland after a few days of fun.

Since the content of speech recognition is displayed bit by bit, when Elaine saw the first half, she was still a little disappointed, but when she saw the second half, she was suddenly excited again.

She couldn't help but ponder in her heart: "I've grown up so much, and I've never been to Hong Kong Island. This time I'm going to Hong Kong Island for a transfer, and

I'll only stay for a few hours when I land. Local customs, since there is such a good opportunity, it is better to spend a few days on Hong Kong Island. Anyway, this Stella has money, and he eats and drinks with her. I'll be wronged..."

Thinking of this, she happily agreed, and quickly replied: "Okay! Anyway, I don't have anything important to do when I go back, why don't I just stay on Hong Kong Island for a few days, and then I'll give you more money. Trouble." The

other party quickly replied: With Sister Jovie's relationship, you and I are welcome anytime, so let's talk about it first, I still have something to do here, let's wait until the airport and have a good chat! "

"No problem. Elaine happily replied three words, and then asked Charlie pretending to be curious: "Oh, that's right, good son-in-law, didn't you just come back from Hong Kong Island? Do you know where Shi Xun Dao is?

charlie asked in surprise: "Mom, why did you suddenly remember to ask this? "

Elaine lied: "Didn't I just read the circle of friends, a friend said that this place is very famous, this is the first time I have heard of it, so I will ask you about it.

charlie didn't think much about it, so he replied casually, "Shi Xun Dao is a luxury residential area on Hong Kong Island. The most expensive houses in Hong Kong are basically there, and they are also the richest people on Hong Kong Island. " of those people. "

"Mom! When Elaine heard this, he immediately exclaimed: "This place is so powerful!" "

While speaking, Elaine had a little more admiration for Stella's strength.

She didn't even realize that the liar had already established an indestructible rich person in her heart through special words and techniques before meeting her.

Now Elaine is so excited, she starts to plan her itinerary for the next period of time, first having a good time in New York for two days, then flying to Hong Kong Island, and then to the most expensive and rich area on Hong Kong Island , enjoy a few days.

At that time, I must post more Moments, and let the people in Moments take a good look at my unrestrained lifestyle.

This time charlie chose the wade family's Buckingham Palace Hotel in New York.

Isaac Cameron instructed the hotel in advance to reserve a presidential suite for charlie.

After checking in, charlie took Claire and Elaine to have dinner at the hotel, and then took Elaine to visit the night scene of New York with Claire.

While Claire was helping Elaine take a photo with the Statue of Liberty, he walked aside and called Fei Kexin.

When the call was connected, Fei Kexin said respectfully at the other end, "Good evening, Mr. Wade."

charlie snorted and said, "Miss Fei, I'm calling to let you know that I've already arrived in New York. If there is nothing unexpected, I will visit the mansion tomorrow night, you can inform Mr. Fei and let him wait at home."

Fei Kexin said excitedly: "That's great! Grandpa and I Having said that, he has been very excited about your coming to New York recently, and he was just asking me when you will arrive in New York." After speaking, Fei Kexin hurriedly asked again, "Mr. Wade, when will you come tomorrow night?"

charlie smiled slightly and said, "Around eight o'clock tomorrow night."

Fei Kexin said excitedly: "Okay, In the evening, I will have someone prepare the banquet in advance!"

"Don't bother." charlie said, "I came with my wife and mother-in-law this time, and I will go there after dinner with them tomorrow night, and I won't stay for too long, so You don't need to prepare anything."

Fei Kexin said with some regret: "You came so far and didn't have a meal at home, Kexin is really sorry..."

"It's fine." Charlie said indifferently, "I'm in New York this time. It's mainly to take my mother-in-law back, and she's on the flight the day after tomorrow to meet the old man by the way, so you don't need to pay too much attention to the form."

When Fei Kexin heard that charlie's mother-in-law was on the flight the day after tomorrow, she knew that it must be an ordinary airline. charlie hurriedly said, "Mr. Wade, the Fei family has several business jets and private jets at the New York airport. Why don't I arrange a special plane to take your mother-in-law back."

charlie said without hesitation, "It's not necessary. When I came here, I had already arranged a special flight for her, so there is no need to go back. My mother-in-law

doesn't understand her routines, so I still have to let her get down to it, otherwise she will float too much, and because of her personality, if it floats too high, I don't know what it will be like in the future."

Fei Kexin couldn't help laughing softly when she heard this.

In fact, when she was in Aurous Hill, she had investigated Charlie and Charlie's wife's family. Although Fei Kexin had no contact with Elaine, she had already learned a lot about her wonderful deeds.

So, she didn't insist any longer, smiled and said, "Mr. Wade, Kexin will be waiting for your driver at home tomorrow!"

The Amazing Son In Law Chapter 4921 (The Charismatic Charlie Wade Chapter 4921) -

next day, Charlie and Claire accompanied Elaine to play in New York for a day.

During lunch, Charlie talked to the two of them. There was a client in New York who wanted to ask him to talk about something at night, but they didn't think much about it. After all, Charlie's "business" is very busy now, and the two of them have long been psychological. Prepare.

Charlie accompanied the two of them to dinner, then drove the two back to the hotel by car, and then drove to the Fei family's private manor on Long Island.

Originally, Charlie just wanted to come over to see Mr. Fei, and in front of Fei Kexin, give him a promise he dreamed of, and at the same time let him have a lifetime of unswerving support for Fei Kexin.

But what Charlie didn't expect was that, knowing that he was coming, Mr. Fei notified everyone in the Fei family last night, requesting all the immediate family members of the Fei family, no matter where they are, they must rush back to the Fei's family to meet Charlie tonight. welcome.

After all, Jian was the number two person in the Fei family, so no one dared to violate his order without Fei Kexin expressing any objection.

So, when Charlie drove into the Fei's manor, he was surprised to find that the people on both sides of the road were all the Fei family.

At the end of the road, standing respectfully and waiting, were Fei Kexin and Jian's grandparents.

As soon as charlie stopped the car, Jian came to the door with the help of Fei Kexin.

After charlie got off the bus, Jian was the first to take the lead in bowing, and said respectfully, "Congratulations to Mr. Wade for your visit!"

The Fei family members around him also said in unison, "Congratulations to Mr. Wade for your visit!"

Among the crowd, charlie also saw Jian's eldest son, Jamura's grandfather Zaki, and Jamura's father, yogi.

The two of them stood in the crowd at this time, with the same respect and humility on their faces, and they could no longer see the arrogance and domineering of the past.

In addition, there are some unfamiliar faces that seem to have not been seen before.

charlie didn't expect that he just came to see Jian and Fei Kexin, but the Fei family made such a big scene.

charlie said in surprise: "Everyone, is this battle a little too grand?"

Jian looked at charlie and said respectfully, "Mr. Wade, you are the benefactor of the Fei family, I know you are coming, the Fei family Everyone attaches great importance to it, and dare not give any negligence!"

charlie waved his hand and said indifferently: "I will interact more and more frequently with the Fei family in the future, you don't need to be so inspiring." After

speaking, he told Jian: "Mr. Fei, I'm here this time mainly to talk to you and Miss Fei. I don't know if I can move on

A place to speak quietly? "

Jian said quickly: "No problem, then ask Mr. Wade to move to the study!" "

Immediately, Fei Kexin helped Jian and walked into the villa with charlie.

The other Fei family members stood there one by one.

They knew that charlie had something to talk about with the old man and Fei Kexin. He was definitely not qualified to follow, and after Jamura was executed, charlie became the most irresistible existence in the eyes of the Fei family, so they stood in the same place, waiting for charlie to come out, and then respectfully. Send him out of Fei's house.

charlie and his grandson and grandson came to the study.

When the three of them walked to the precious book case, Jian specially said, "Mr. Wade, Kexin is now gone. It is the head of the Fei family. I have passed on the title of the master of this book case to her. Please sit in the distinguished seat directly opposite Kexin! Charlie nodded lightly,

he understood what Mr. Fei was saying, and he just wanted to tell himself that he had completely and unreservedly handed over the power of the Fei family to Fei Kexin

. The chair configuration is a bit particular. Because the couch of the master seat is only one person, the couch is much wider than the guest seat opposite, and it is also ten centimeters higher.

The Amazing Son In Law Chapter 4922 (The Charismatic Charlie Wade Chapter 4922) -

The intention of this design is the same as that of the emperor's dragon chair, in order to highlight The status of the head of the family.

Fei Kexin said nervously at this time: "Mr. Wade, you are here, how dare Kexin sit higher than you... please sit on the master seat!

Charlie smiled slightly, waved his hand gently and said, "You are the master of this family, no matter who comes here, it is the same, so you are the biggest here, and I, as a guest, can't take over." With

that said, he pulled away the seat opposite Fei Kexin and sat down.

Fei Kexin suddenly didn't know what to do, but Jian, who was on the side, said, "Ke Xin, you should follow Mr. Wade's instructions. Mr. Wade is right. You are the head of the Fei family. No one else is qualified to do it."

Fei Kexin had no choice but to sit down.

In fact, the etiquette of the Chinese people is the most important.

Just like at the dinner table, whoever has a higher status, when toasting, whose wine glass is higher, if someone has insufficient qualifications and strength, and still holds the wine glass high, maybe he will be taught a lesson on the spot.

Fei Kexin didn't want her seat to be higher than Charlie, and couldn't help but feel annoyed: "Why didn't I think of this earlier, if I had thought about it earlier, I would have replaced all the seats with the same... It seems I can only pay attention next time..."

After Fei Kexin was seated, Jian slowed down

Sitting slowly beside charlie, at this moment, he was full of expectations, but at the same time he was a little nervous.

So, he couldn't help but ask charlie: "Mr. Wade, I don't know why you are here tonight, why?"

charlie smiled lightly: "Thanks to the help of Kexin and the Fei family during this time, I solved it for me. There are a lot of difficult things, so I came here this time mainly to thank you."

Fei Kexin said quickly: "Mr. Wade...It is an honor for the Fei family to be able to help you, how can you afford it? Thank you..."

charlie waved his hand: "As long as I have been helped by others, I must be grateful. This is the way of life that my parents taught me since I was a child."

After speaking, he looked at Jian , said seriously: "Mr. Fei, when I came back from Hong Kong Island, I asked Miss Fei if there was anything I needed to help. Miss said that she was worried about your health, and she had nothing else to do. I am worried, so I came here this time mainly at the request of Miss Fei to solve some urgent problems for you."

When Fei Kexin heard this, she knew that charlie was asking for favors for herself.

When Jian heard these words, he felt a little more moved and recognized for his granddaughter.

In addition, he is also looking forward to charlie's next statement. He doesn't expect charlie to give him a rejuvenation pill, but he thinks that he can still think about it.

Just when he was looking forward to it, charlie said: "Mr. Fei, everyone has known each other for so long, so I won't betray you. Since Miss Fei is most worried about your health, then I charlie made a statement here today, as long as you can support Miss Fei in the management of the Fei family, in return, I will guarantee your old man's life for another ten years!"

Jian was immediately excited and asked quickly: Mr... ..Mr. Wade...what you said...is what you said true? ! "

charlie nodded and said sternly: "What I promised charlie, I will do what I say."

Jian burst into tears for a while.

For ten years, this commitment is more important to him than Mount Tai!

So, he stood up, clasped his fists in both hands, and said respectfully, "Jian, thank Mr. Wade for your kindness. Your great kindness and virtue will be unforgettable!"

After saying this, he wanted to kneel down.

charlie reached out to stop him at this time, and said seriously: "Mr. Fei, don't be in a hurry to thank me, I have a condition that you must agree to."

Jian hurriedly said, "Mr. Wade, please tell me, don't say one condition, it counts as ten. There are hundreds of them, and I will never hesitate to do so!"

charlie said lightly: "I want you to completely give up bidding for Huichundan from now on!"
