

The Amazing Son In Law Chapter 5124

Emi Ito, who was distressed for her brother, couldn't help but hugged Yuhiko Ito gently at this time, crying while choking: "Oni-chan... Since your accident, I have been looking forward to you every day to cheer up, and now I can finally If you wish, please don't fall into the state of decadence before, please!"

Ito Yuhiko was well aware of his sister's love for him, and said repeatedly: "Emi, don't worry, Ouni-chan will never feel sorry for herself again when the sky falls from today! I will definitely cheer up!"

At this moment, the door of the other bathroom opened, and Koichi Tanaka, who was wearing the same tracksuit, came out tremblingly.

When he saw Ito Takehiko, he burst into tears, hoarse, and choked with excitement: "Sir...you...you have recovered too!"

Ito Yuhiko looked at Tanaka Koichi, who also stood up and walked out by himself, and tears flowed out again unsatisfactorily.

He immediately stretched out his hand towards Tanaka Hiroichi, and at the same time took his legs and walked towards him.

When Tanaka Hiroshi saw this, he was even more in two hands and ran two steps to meet him.

The two masters and servants clasped their hands together with excitement, and Ito Yuhiko was full of tears, and said with great relief: "Tanaka, Ito Yuhiko can have today without your protection! Now that you are back to normal, I am truly grateful. No regrets!"

Tanaka Koichi even sobbed and said, "Sir, seeing you stand up again is more important to me than anything else!"

charlie saw that the master and servant were sympathetic to each other, and when he was moved, he couldn't help but reminded: "You two, it is still a bit shocking to the outside world, so when you return to Japan, you must pay attention to it. Don't expose the details of your leg reshaping in front of strangers to avoid unnecessary attention."

Ito Yuhiko said without hesitation: "It must be sure! Please rest assured, Mr. Wade, I will never let any outsider see my legs!"

Tanaka Koichi also expressed his position: "It's the same below! Please rest assured, Mr. Wade!"

charlie nodded and said again: "If you are unavoidable to appear in the eyes of the outside world, remember to wear long pants and stockings as much as possible. If the outside world doubts, you will declare to the outside world that you have chosen a tailor-made high-tech prosthesis. And have undergone professional rehabilitation training."

The two immediately agreed in unison.

charlie looked at the time at this time, it was almost half an hour before the scheduled dinner time, so he said to the two of them: "You two have just recovered, and you must be eager to go out for a walk. Bar?"

The two looked at each other and did not dare to speak for a while.

In fact, the two of them even wanted to go out and run a half-marathon to express their excitement.

But,

New York Central Park.

Ito Takehiko and Tanaka Koichi, who are wearing shorts and shorts, are walking on the trails of the park wearing masks.

The two started walking at the speed of walking, but before they took a few steps, they unconsciously walked faster and faster. In the end, it was like a race walk, leaving charlie and Nanako behind.

Nanako, who was wearing a kimono, ignored the surprised eyes of passers-by, walked beside charlie unhurriedly, looked at the backs of her father and Tanaka, and said with a smile, "charlie, Oduosang and Tanaka-san seem to be competing. Woolen cloth."

"Really?" Seeing the two of them walking farther and farther, charlie couldn't help saying happily, "Is it faster than anyone else?"

"It should be." Ito Nanako pursed her lips and said, "Look at Odosan, I can't wait to jump one step at a time."

Saying that, she tried a few steps on the spot, each time she took one leg first, and then jumped up slightly after taking the step, so there was a cheerful rhythm of jumping step by step.

charlie looked at her figure and couldn't help teasing: "We call this kind of walking a jump."

Ito Nanako turned around and asked charlie curiously, "Is it the one who's 'it won't last long'?"

charlie smiled and said, "Yes, but what you said is a bit unlucky."

Ito Nanako stuck out her tongue, smiled brightly, and said, "With charlie, every time you have good luck, it will not be unlucky."

Saying that, she asked charlie: "By the way, Jun charlie, every time you see me, you have to help me or help my family solve problems in various ways. Will it be annoying..."

charlie smiled and said, "How come, why do you ask that?"

Ito Nanako said earnestly: "I need your help every time, and I also feel very embarrassed for helping me a lot..."

charlie looked at her and said with a smile, "Don't be embarrassed, after all, every time I help you, I take the initiative to find you."

Ito Nanako was stunned for a while, then smiled sweetly, tilted her head and said, "It seems to be the case... The first time you rescued me was at home in Kyoto, and it was snowing heavily that day."

Saying that, Ito Nanako stopped, looked up at the leaves blown by the breeze, turned to look at charlie, and asked him, "charlie, do I look good?"

charlie replied without hesitation: "Of course it looks good."

Nanako Ito asked again, "Will I look a little out of place in this kind of place when I wear this suit?"

charlie thought about it for a while, and said with a smile, "I can't talk about violations, but it's a bit of a mix and match."

Ito Nanako nodded and said with a smile, "Actually, I have rarely worn a kimono to go out. There are only one cases where I will come out in a kimono..."

charlie asked her curiously, "What's the specific situation?"

Nanako Ito pretended to wink and smiled mysteriously, then she changed the topic and said with a look of longing: "Mr. charlie, I have imagined four pictures of meeting you, of which I am most looking forward to being able to meet you in Kyoto. Walking in the snow with you on a snowy night, luckily this wish came true last year."

charlie asked again, "What about the other three?"

“The other three...” Ito Nanako admired the trees in New York at night and sighed: “The second is when the cherry blossoms in Hirosaki Park are in full bloom, wearing a kimono and walking under the cherry trees with charliejun, but unfortunately the cherry blossoms bloom in March, April at the latest, has now passed...”

charlie didn't know what was wrong with him, so he blurted out, “It doesn't matter, I missed this year and next year.”

After speaking, he realized that he had said the wrong thing.

However, it was too late to realize the mistake at this time.

When Ito Nanako heard charlie's words, she turned around to look at him excitedly, and asked with wide eyes, “Jun charlie! Are you really willing to accompany me to enjoy the cherry blossoms next year?”

Seeing her expression of anticipation, charlie nodded subconsciously: “Yes.”

Ito Nanako was so excited that she couldn't add any more, and said with anticipation: “That's great! I'll definitely show you the best cherry blossoms in Japan!”

Seeing that his words had already been released, charlie simply no longer hesitated, and said straightforwardly: “The other two will also be said, and I will try to help you realize it next year.”

“Really?!” Ito Nanako's expression was about to melt away with happiness, and she subconsciously grabbed charlie's arm and said softly, “I still want to walk with charlie on the coast of southern Hunan in midsummer, and enjoy the autumn in Hokkaido with charlie. The red leaves...”

charlie couldn't help but ask her with a smile, “Snowy nights in winter, cherry blossoms in spring, seaside in summer, and red leaves in autumn, right?”

“Yes!” Ito Nanako nodded heavily, staring at charlie with big eyes, and asked with great anticipation, “Jun charlie, is it alright?”

charlie asked her, “Why are they all in Japan? Cherry blossoms, sea and red leaves are also available in China, and as long as you choose the right time and place, the scenery may not be worse than Japan.”

“I know...” Ito Nanako said seriously: “The reason why I think of these places is not because I think arrogantly that cherry blossoms, seaside, and red leaves are only the best in Japan... It's just the heavy snow in Kyoto, the cherry blossoms in Hirosaki, and Shonan. The seaside and the red leaves of Hokkaido have left a deep impression on

me. When I go to these places and enjoy these scenery in the corresponding seasons, I make a wish in my heart, hoping to be with me in the future. Loved ones go to relive these scenery together... This is like a small wish and obsession in my heart..."

After speaking, Ito Nanako hurriedly said: "But if charlie wants to take me to enjoy these beautiful scenery in China, I have no opinion!"

There are many women who have confessed to charlie, but Nanako Ito's confession always gives charlie a different feeling.

Other people's confessions made charlie subconsciously want to decline, or to divert the topic, but Ito Nanako's confessions always made him want to respond in the depths of his heart.

Therefore, when Nanako Ito mentioned that she had made a wish to relive these scenery with her beloved, charlie could not find any reason to refuse.

So, he said very confidently: "It doesn't matter, since it's what you think, it's all according to what you want."

When Ito Nanako heard charlie's answer, she was happy, and her eyes were a little wet.

She grabbed charlie's arm and said again: "By the way, charlie-jun, I just said that there is only one situation for me to wear a kimono to go out, that is, when the cherry blossoms are blooming, I wear a kimono to go out to enjoy the cherry blossoms. If you come next spring Japan, I still wear this outfit to accompany you to enjoy the cherry blossoms!"

charlie nodded and said with a smile, "I have to state in advance that I won't be wearing your traditional clothes then."

Ito Nanako smiled sweetly and said, "I understand, if I want to marry a Chinese person in the future, I won't let my husband wear our traditional clothes. Tradition is just about yourself, don't force others. ."

As she said, she suddenly remembered something, and said with a smile: "Actually, if I marry china in the future, then I would prefer to marry in traditional Chinese clothing! charliejun, do you think I will look good in china's dragon and phoenix gown or Xiuhe?"

charlie nodded: "It will definitely look good."

Ito Nanako remembered something, and blurted out excitedly: "Well then, charlie-jun, you come to Japan next spring, and I will wear Xiuhe to accompany you to enjoy the cherry blossoms!"
