

The Amazing Son In Law Chapter 5143

Zayne was so shocked by charlie's words that he was speechless.

He really didn't expect that charlie would promise to hold a grand wedding for him.

In fact, the reason why he begged charlie just now was that after Kairi agreed to his proposal, charlie would allow him to hold a small ceremony and banquet in the villa where he was under house arrest, just because he didn't want to owe Kairi a wedding.

But he also knew his current situation. charlie was very kind to him by letting the Elms family put him under house arrest. Although he lost his freedom to go out under house arrest in Jinling, his other freedoms were not restricted in that villa. , you can use mobile phones, computers, Internet and TV, you can contact anyone you want to contact, and Kairi also takes good care of his food and clothing.

Combining with the previous behavior of the Banks family being a dog in the Wanlong Palace and killing Abbas's parents on Yeling Mountain, Zayne was very grateful to charlie for his lenient treatment of himself and other family members.

In this case, as long as charlie could promise him to hold a small wedding in the villa, he would be very satisfied.

But how could he have thought that charlie would give him such a big concession.

At this moment, all Zayne's inner dissatisfaction with charlie dissipated in an instant, and the only thing left was gratitude.

He tried to calm down his emotions, bowed deeply to charlie, and said to charlie with red eyes, "Mr. Wade, thank you... I really thank you! Thank you for repaying your grievances with virtue, and I, Zayne, are very grateful!"

charlie smiled lightly, pointed behind him, and reminded, "Ms. Kairi should be out soon, you should do your business as soon as possible."

charlie no longer hated Zayne.

Since he can sincerely propose to Kairi now, it is enough to prove that this person has lost his way. What's more, charlie admires Kairi's single-mindedness and dedication to his relationship, so charlie naturally hopes that his lover will eventually be married. .

Moreover, charlie has also made up his mind. After the wedding time is set, he will tell Xion in advance to let her plan a honeymoon trip for her parents, and then use it as a gift for the two at the wedding, and also at the same time. At that time, it was officially announced that Zayne's house arrest was lifted and he was completely freed.

At this time, Zayne didn't realize that Charlie had even bigger surprises waiting for him.

Immediately afterwards, there was a sound of a latch popping from the bathroom door, and Zayne's whole body was instantly shaken, and he hurried to the bathroom door to get ready.

In the bathroom, Kairi had put on a dress that her daughter Xion had bought in advance, her white and flawless arms were directly exposed to the air, and she looked very young and confident.

Xion opened the door and walked out with his mother Kairi, when he suddenly saw his father Zayne standing outside the door in a straight suit, and at Zayne's feet there was a large bouquet of roses.

At this time, Xion didn't think that her father was going to propose to her mother. She thought that her father knew from Charlie that her mother was about to return to normal, so she prepared flowers to celebrate.

At this time, Kairi did not expect that Zayne would be waiting at the door, and was a little surprised for a while.

As for Zayne, due to being overly nervous, he didn't realize that Kairi had undergone tremendous changes at this time.

The moment he saw Kairi, Zayne's nervous mind went blank for a while, and then he remembered the steps that Charlie told him before, and his heart sank, and immediately fell to one knee on the ground.

The moment Zayne knelt down, Xion instantly realized his father's true intentions, and covered his mouth in disbelief.

And Kairi seemed to be aware of Zayne's intentions. She, who had just regained her former self-confidence, was so nervous that she couldn't add more.

After all, in her opinion, she has been a servant of the Banks family for so many years, and is not worthy of a young master like Zayne, not to mention that she has been a disabled person for more than 20 years, and subconsciously feels that she and Banks. The gap between guarding the road has long been the difference between clouds and mud, and even if it is a dream, I dare not have any arrogance.

However, seeing Zayne in a neat suit suddenly kneeling in front of him on one knee, Kairi was so panicked that his heart was beating wildly, and he even lost his breath.

Zayne kept his head down. After kneeling on one knee, he groped for the ring box from the inner pocket of his suit.

Afterwards, he held the ring box with one hand, opened the ring with the other, looked up at Kairi's face with almost no traces of time, and said very emotionally, "Kairi... It's really hard for you to raise Xion by yourself for so many years. You..."

Kairi's tears kept flowing, but she just shook her head subconsciously, and said softly, "It's not hard... It's not hard at all..."

Zayne's brain was confused, and as soon as he opened his mouth, he found that he seemed to have gone astray. , the rings are all opened, shouldn't we propose first?

Thinking of this, he didn't know how to talk about the marriage proposal for a while, so he could only bite the bullet and say, "That... I mean... I haven't fulfilled my responsibility as a father for so many years... Let Xion eat it. A lot of suffering, a lot of grievances..."

Xion saw that his father was in a mess, and while moved, he couldn't help but choked and reminded, "Dad... What's the point you want to say? The ring, it should be for my mother, right?"

Zayne came back to his senses, looked at Kairi quickly, and said nervously but sincerely, "Kairi, I have really wronged you for so many years... Today in front of Xion I would like to ask if you would like to marry me, if you are willing, I will do my best to make you two happy for the rest of my life..."

Although Kairi had realized what Zayne was going to do before, she really When Zayne asked if he wanted to marry him, the whole person was still shocked and speechless.

For her, marrying Zayne was something she didn't even dare to think about.

Strictly speaking, Kairi never thought that she would marry Zayne in this life.

In addition to the huge difference between the identities of the two, more importantly, since she had a relationship with Zayne more than 20 years ago, she has always been very ashamed of her involvement in the marriage of Zayne and Du Haiqing. In the following twenty years, she hardly ever met Zayne again.

Even though the entire Elms family was serving the Banks family, and even the adult Xion was sent to Zayne's side, Kairi stayed in Mocheng and never set foot in the Banks family again.

So, now Zayne suddenly proposed to her, and she didn't know what to do for a while, so she was stunned and didn't move at all.

Xion on the side hurriedly urged “Mom, what’s wrong with you? Dad is still kneeling on the ground!”

Kairi came back to her senses and said in a panic, “Eldest young master...I...I don’t know what to say...”

Zayne He knew very well what Kairi was worried about, and he said seriously, “Kairi, let’s not care about what happened in the past, even without you, my original marriage would not be happy, not to mention that I am no longer what I used to be. The eldest young master of the Banks family, there is no gap between you and me in terms of status and identity. Right now, I just want to spend the rest of my life with you in a down-to-earth way, and give Xion a complete home, and the rest. Nothing is important, if you think the Banks family will make you uncomfortable, I can give up all my rights in the Banks family, I don’t ask for anything now, I just ask you to promise me!”

Xion couldn’t help but stand aside . He persuaded him, “Mom, just promise Dad. Dad and Aunt Deana have already divorced, and you have always had him in your heart for so many years. Now that Dad proposes to you, why do you have any hesitation? If you can get married ,I also have a real home...”

Kairi heard this, and her psychological defense was loosened a lot.

Xion grew up in a single-parent environment since she was a child. Although the Elms family loved her very much, she still It is impossible to make up for the lack of the role of father.

Before the Banks family did not provoke charlie, Kairi even knew very well that Zayne would never publicly admit Xion as a daughter in his life.

But now, he is kneeling in front of him and telling himself While proposing, she longed to give her daughter a complete home.

At this moment, all Kairi’s concerns disappeared, she said to Zayne with tears in her eyes, “I promise you...”

Zayne immediately asked excitedly, “Really ? ! Kairi, did you really promise to marry me? “

Kairi didn’t say anything, just looked at Zayne and nodded heavily.

Although this man whom she had loved for half her life was much older than before and lost the heroic spirit of the year, she was still the most attractive in her mind. The one. In the

past, she always controlled her heart and restrained her feelings for him.

But at this moment, her eyes were full of affection.

Xion on the side was also very relieved, and quickly urged, “Dad, Put your ring on for mom! “

“Oh yes yes yes!” Only then did Zayne come back to his senses and quickly took the ring out of the jewelry box.

Kairi didn’t adapt to the fact that his right arm had recovered, so he handed over his left hand subconsciously.

Zayne gently held Kairi’s palm , when she was about to put the ring on her, Xion next to her reminded again, “Dad! Male left female right ah! The ring should be worn on mom’s right ring finger! “

Zayne’s mind was blank at this time, and he had to rely on his daughter for guidance, so when he heard this, he said without thinking, “Oh, yes, I forgot about this...”

Kairi came back to his senses and handed his right hand to Zayne unskillfully.

Zayne was nervous and just wanted to put the ring on her quickly, so he didn’t notice anything unusual.

When he held the ring and carefully put it on Kairi’s right ring finger, he suddenly realized that something was wrong.

He stared at Kairi’s right hand for a long time, followed it all the way up, and found that the entire arm was actually growing on Kairi’s right shoulder!

At this second, he subconsciously looked at Kairi and asked in horror, “Kairi...this...what’s going on?!”

The Amazing Son In Law Chapter 5145

Because of the nervousness, Zayne, who was a little confused, has only just discovered that Kairi, who lost his right arm for more than 20 years, has turned into a normal person with healthy arms!

At this moment, he also thought that Kairi was wearing some kind of advanced prosthesis.

So he subconsciously said, “This...where is this prosthesis made? This...this is too real!”

Kairi said gratefully, “This is not a prosthetic... It was Mr. Wade who gave me an elixir . , after taking it, the arm that grows back...”

“What?!” Zayne asked, dumbfounded, “It grows back?! How...how is this possible?”

Xion reminded him, “Dad, You have seen Mr. Wade’s magical powers on Yeling Mountain, so you can’t use our limited common sense to measure his ability.”

Zayne’s expression froze for a moment, and he immediately remembered what he saw on Yeling Mountain that day.

The unbelievably powerful abbas Army was also defeated in a single blow in front of charlie.

And the second of the four war kings of Wanlong Palace, also died easily.

charlie’s strength and ability are indeed beyond his understanding.

Therefore, it seems that there is nothing incomprehensible about being able to come up with an elixir that can regenerate a severed limb.

Thinking of this, he couldn’t help sighing, “I didn’t expect our family to be blessed by Mr. Wade...”

Kairi nodded lightly and said, “Young master, please get up first, I want to thank Mr. Wade “Yes yes yes !

” Zayne was completely convinced, he quickly picked up the roses, handed them to Kairi, and said seriously, “Let’s go together to thank Mr. Wade...”

charlie, who was in the living room, heard the three people Before they came out, he immediately stood up and said loudly, “You family of three have a good chat, I’ll go back to the room first.” After

that, the person walked out.

Xion hurriedly chased out, and charlie was already out the door.

After hesitating for a second or two, she chased out the door and shouted to charlie’s back, “Mr. Wade...”

charlie turned around, glanced at Xion, and said, “Don’t say anything, you will be first tomorrow. Accompany them back. I believe your grandfather and the others will be very happy to know the good news. Why don’t you go back and give them a surprise. Besides, after I return to China, I will hold a wedding for your parents at Shangri-La. If you, a daughter, have any If you have any ideas or ideas, you can find a wedding company in advance to start communication.”

Xion was very moved, and quickly asked, "Mr. Wade, can Xion stay here and wait for your dispatch? You must still have a lot of needs here. The place to use people!"

charlie waved his hand and said, "You don't have to stay with Isaac Cameron and Don Albert. Go back to accompany your parents. From today, you are a serious family of three."

Saying, charlie said again, "Oh, yes, go to my place to sleep at night, I have many rooms, you can choose any one and give them a little private space."

Xion stuck out her tongue and closed the door directly. He lightly ran towards charlie and said with a smile, "I don't think I should stay and be a light bulb..."

...

This night, many people were so happy that they stayed up all night.

Ito Yuhiko was lying on the bed of the hotel at this time, while he was pedaling his 'air bike' into the air, while looking at the chandelier with silly joy.

He liked the feeling of regaining his legs so much, if he wasn't afraid of his daughter's anger, he would have wanted to go out and run three laps around New York.

The same goes for Tanaka Koichi.

He didn't lie on the bed for less than five minutes, and he couldn't help but get down and walk around a few times, and then put his legs on the table to look carefully and touch carefully. closed.

Kairi didn't have much chance to experience the feeling of having her right hand again, because Zayne couldn't wait to carry her to the bedroom. After more than 20 years, the two relived the passion of the year.

As for Li Yalin, who was the first to take Reshaping Dan, he returned to his home in Houston with his wife, daughter, and son-in-law on the private jet of Anjia.

Since Fei Kexin endorsed him, his image in the eyes of his family is comparable to that of a superhero.

In the early years, his wife and daughter lived with him in New York. At that time, he devoted himself to work and seldom asked about his wife and children.

And because of his identity as a policeman, he is quite strict with his wife and daughter on weekdays, and the atmosphere at home has been very depressed without knowing it.

Later, his relationship with his family became more and more tense. When his daughter was in college, she deliberately gave up the school in New York and chose to study in Houston, in order to stay away from him so that she could breathe a sigh of relief.
