

## The Amazing Son In Law Chapter 5305 -

"You said I was his client?"

Fei Kexin asked curiously, "Who is it?"

Matthew Peterson immediately pointed to charlie not far away, and said with a smile, "That's the gentleman, he said he was Feng Shui Master, he also said that you are also one of his clients, Miss Fei, do you know him?"

Fei Kexin saw charlie's back and immediately recognized charlie.

She was overjoyed at first, then she couldn't help but frowned, thinking to herself, "This Matthew Peterson's tone of voice doesn't seem right, what he said earlier is quite normal, but why did he bother to ask if I recognize him at the end?" Know Mr. Wade? Could it be that he suspects that Mr. Wade is lying?"

Thinking of this, Fei Kexin immediately guessed the matter, thinking, "It seems that this guy probably doesn't believe what Mr. Wade said, so he took the opportunity to run away Come to say hello to me, and mention Mr. Wade on purpose, and want me to expose Mr. Wade personally."

At this point, Fei Kexin couldn't help but said to Matthew Peterson in surprise, "I do have a cooperating Feng Shui master, but he I went to another place some time ago, so I probably won't appear here, the back of that person doesn't seem to be him."

When Matthew Peterson heard this, he was surprised and said, "Oh! I guess that person It's an impostor! Miss Fei, you don't know anything. He has been using your name to deceive you. When I heard that even you were his client, I almost signed a multi-million-dollar feng shui contract with him. Da Dan, fortunately I met you here, otherwise I would have been deceived!"

Seeing Matthew Peterson's upper body, Fei Kexin snorted and said casually, "The feng shui master I worked with, The appearance fee is very high, if someone is not familiar with him, let alone a few million dollars a year, even if it is tens of millions of dollars a year, he will not take a second look."

Matthew Peterson said with a smile "It seems that the Feng Shui master you cooperated with is the real master. The one here must be a counterfeit."

Matthew Peterson couldn't help hesitating, wondering if he should ask Fei Kexin to identify him Let's look at charlie.

The reason why he hesitated was that although he really wanted to do this in his heart, he was afraid that Fei Kexin would reject him if he said it out, making Fei Kexin feel that he was too small.

After all, Fei Kexin is the head of the Fei family, and such a high-ranking person probably wouldn't care about an ordinary person bluffing and deceiving under his own name.

Just like the technology industry, there are countless people bluffing and swindling under the names of Bill Gates and Elon Musk. The true and false depends on the people you meet. I will not come out to clarify one by one, or investigate one by one.

However, for Matthew Peterson, if he didn't invite Fei Kexin to come and identify him, he couldn't slap Charlie in the face in front of Claire.

You know, this is a good opportunity. Once Claire sees through her husband's hypocrisy, it is easy to invite Claire to join her company.

Fei Kexin, who is extremely intelligent, could see at a glance what Matthew Peterson was struggling with, so she smiled and said, "Mr. The liars care about it, but they have tricked me to come here today, if I don't care about it, it's really unreasonable."

Matthew Peterson's mouth almost grinned to the back of his ears in excitement.

Excitedly in his heart, he thought to himself, "What the f\*ck is really here, what you want, what you want!"

Thinking this way, he respectfully said to Fei Kexin, "Miss Fei, you are so responsible!"

After finishing speaking, he quickly made a gesture of invitation, and said, "Miss Fei, this way please!"

Fei Kexin smiled without saying a word, nodded slightly, and followed Matthew Peterson towards Charlie and Claire past.

Seeing Fei Kexin coming over, Emily Wang didn't know where to put her excited hands.

Before meeting Fei Kexin, the most valuable person she had ever met in her life was probably herself, the chairman. He owns 10% of the company's shares and is worth more than one billion US dollars.

But what is Fei Kexin's identity? The financial empire under her command has assets exceeding one trillion yuan. In front of her, Matthew Peterson is simply a poor household who cannot afford enough food and clothing. The gap between them is worlds apart.

Seeing such a high-ranking and powerful person, Emily's snobbish eyes naturally felt 10,000 excitements and excitements in her heart, and she also thought of 10,000

possibilities in her heart to make friends with Fei Kexin and then reach the pinnacle of life .

At this time, Claire also saw Fei Kexin walking over quickly.

Thinking of Fei Kexin's real identity and the past when she used Zhan Fei'er's identity to be friends with him, Claire felt somewhat embarrassed, not knowing how to face Fei Kexin now.

On the other hand, charlie kept calm all the time, and didn't even turn his head to take a look.

charlie had heard clearly the conversation between Fei Kexin and Matthew Peterson just now, and he just couldn't help sighing in his heart at this moment, Fei Kexin, a girl, is indeed very smart and close to a monster, but she just passed through the horse. Hugh Peterson, with a little bit of ulterior thought, can replay the whole thing in his mind and come up with a good deal. This kind of analysis canPower is amazing.

What makes charlie even more interesting is that Fei Kexin's channel is surprisingly consistent with his own.

The reason why I lured the enemy deep was to push Matthew Peterson to a desperate situation, but Fei Kexin had accurately detected his intention and made an absolute cooperation. This tacit understanding really made charlie sigh.

However, charlie's performance of not looking back, in Emily's view, is an absolute evidence of guilt, and she also believes more and more firmly that charlie definitely doesn't know Fei Kexin.

As a result, the smile on her face grew stronger, just waiting to see the jokes between charlie and Claire.

At this time, Matthew Peterson had already graciously led Fei Kexin all the way to the front of the three of them.

Before Matthew Peterson could speak, Emily stretched out her hands to Fei Kexin nervously and excitedly, and said in a trembling voice, "Fei... Hello Miss Fei... I... I'm... I'm sorry I'm a little nervous... Seeing

that Emily couldn't speak well when she was nervous, Matthew Peterson quickly introduced, "Miss Fei, this lady is Emily, a very outstanding young talent in our company, and a master class student in this field, also I was just promoted to our senior partner..."

Fei Kexin nodded, and shook Emily's hand politely.

At this time, Matthew Peterson looked at Charlie with a face full of complacency, and said with a smile, "Sir, I invited Miss Fei here! Miss Fei, this is the gentleman who said that you are his client. I don't know you. Do you know him?"

After that, he looked at Charlie with a smile, as if he was waiting for Charlie's lies to be exposed.

Fei Kexin looked at Charlie, his eyes widened in feigned surprise, then he bowed slightly, and said with surprise and respect, "Master Wade! Why are you here too!"

As soon as Fei Kexin said this, Matthew Peterson and that Emily Wang stood there stunned as if struck by lightning.

The two were still waiting to see Charlie being exposed by Fei Kexin himself, but unexpectedly, Fei Kexin bowed to him respectfully and called him Master Wade!

Matthew Peterson broke out in cold sweat almost instantly and drenched his entire back in an instant. He couldn't help looking at Emily blankly. Apart from shock, there was also questioning in his eyes.

Because he really couldn't figure out what was going on.

Could it be that Claire, this young husband, is really a Feng Shui master? !

Emily was also trembling with fright!

In her eyes, Fei Kexin was as unattainable as a god, but who would have thought that Claire's husband could make Fei Kexin's real body respectful!

This... Isn't this stabbing the trouble into the sky? !

Just when the two of them were terrified and didn't know what to do, Charlie looked at Fei Kexin and said with a smile, "I will definitely come to support my wife's graduation ceremony. Why is Miss Fei coming here when she is free?"

Fei Kexin was busy said, "Master Wade, I also heard about Claire's graduation ceremony today, so I want to come over to congratulate you."

"My lord?!" Both Matthew Peterson and Emily turned pale with fright!

Matthew Peterson even thought tremblingly in his heart, "This... is this f\*cking nonsense?! The famous Fei Kexin, claimed to be inferior in front of a Feng Shui master?!"

And Emily thought But she was thinking, "My God... Fei Kexin came to Rhode Island School of Design on a special trip to attend Claire's graduation ceremony... What is the origin of Claire's husband..."

Matthew · Subconsciously, Peterson asked Fei Kexin, "Miss Fei, you...do you know him?"

Fei Kexin nodded, and said calmly, "This is Master Wade. I can become the head of the Fei family thanks to Master Wade's help."

"This..." Matthew Peterson was even more frightened. He quickly wiped the cold sweat off his forehead, looked at charlie, and said with an apologetic smile, "So it's Master Wade! It's a great honor to know you!"

charlie raised his eyebrows "Just now you said that I was a liar, now I am lucky to be a three-year-old. Mr. Peterson seems to be a little fickle."

Matthew Peterson was so frightened that his scalp was numb, and he waved his hands quickly, "No, I don't have any kindness for you. Doubt!"

After that, he quickly pointed to the flustered Emily, and blurted out, "It's Emily who has blind eyes and blind eyes, and has been questioning your identity. I was also led astray by her..."

Ai Mili Mi Li was so frightened that her heart rate rose rapidly. She didn't expect that the boss would throw the blame on herself at this time.

Just as she was about to explain, she suddenly saw Matthew Peterson winking at her wildly, so she could only say in panic, "I'm sorry, Mr. wade, it's all my fault. It's my blindness. Don't be as knowledgeable as me..."

wade Seeing that Matthew Peterson asked Emily to come out to top the bag, Chen was not surprised at all, so he said, "I am a person who generally doesn't like to care about others."

Matthew Peterson and Emily Hearing this, he thought that charlie was not as knowledgeable as himself, and his expression instantly relaxed a lot.

However, charlie changed the subject and said coldly, "But today is an exception!" The two of them trembled in fright when they heard this.

charlie looked at Matthew Peterson, and said calmly, "Mr. Peterson, I'll talk to you about the two of us later."

After speaking, he looked at Emily again, and said with a slight smile, "Miss Wang, It's fine if you question me, and even sarcasm to my wife, even saying that she has a vicious mind and a vicious heart, no matter how good-tempered I am, charlie, I can't bear you to humiliate my wife."

Emily paled and hurriedly explained Said, "Mr. wade... I... I just said something wrong on the spur of the moment... You... You must not be as knowledgeable as me..."

After finishing speaking, she hurriedly looked at Claire, and begged, "Claire, please forgive me this time because I didn't mean it..." Before

Claire could speak, Fei Kexin took the lead Step by step, he said, "Ms. Claire is my good friend, and Mr. wade is even more kind to me. How dare you speak rudely to them! Even if Mr. wade and Claire forgive you today, I will not forgive you.

After all, Claire looked at Emily and said coldly, "In my opinion, people like you should not stay in the design industry! I will make a suggestion to the International Federation of Designers, and completely Ban you, a designer with poor conduct!"

Emily almost fainted when she heard this.

She was just promoted to the senior partner of the company today, and her future was bright. If Fei Kexin really wanted to kill her, it would be impossible for any well-known design company in the world to hire her again, and those powerful Party A would not be able to hire her again. It was impossible to cooperate with Fei Kexin at the risk of offending Fei Kexin.

The design industry itself is a service industry. If you want to achieve a certain height in the design field, you must serve high-end customers. Once you lose high-end customers, you will immediately become the bottom of the design industry.

To be honest, if there are high-end clients, then any luxury house design is a big project worth millions or even tens of millions of dollars. I am afraid it is difficult to accept the design of an ordinary residence of 200 square meters;

for the public, if there is a high-end Party A, the design projects undertaken are often large shopping malls, landmark buildings, or even stadium management for major events, but once lost Even if you want to pick up a high-end Party A, The design of a residential area is also difficult.

What's more, Emily knows her own situation very well. She doesn't have any outstanding design talent at all. She can climb to today's heights only by selling her body. If she is really banned by high-end customers, her point Even if you go to a small design company or set up your own studio, it will be difficult to make any money.

Originally, Emily could get an annual salary of several million dollars a year, but once she was really blocked and couldn't get along in the design industry, it was impossible for her to have a place in other high-end industries. It is difficult to earn tens of thousands of dollars a year!

The huge gap made her extremely regretful, so she knelt down in front of Charlie and Fei Kexin without thinking, choked up and said, "Mr. Wade, Miss Fei, please forgive me for the sake of my knowledge of my mistakes Just once... I finally got to where I am today, if you two block me, I will have nothing..."

Fei Kexin glanced at her, then turned to look at Matthew Peterson, He asked him with great interest, "Mr. Peterson, you, the chairman, should be responsible for letting such an employee become a senior partner of your company?"

Matthew Peterson was shocked and frightened when he heard this. Next, he quickly expressed his attitude and said, "Miss Fei, there is an old saying in Huaxia that one knows the face but not the heart. I don't know what kind of person this Emily is...but you are right. As the chairman of the company, I have Unshirkable responsibility... Don't worry, I will immediately call the company's human resources director and go through the resignation procedures for Emily, and I will never hire you in the future!"

Emily didn't expect that Matthew Peterson would pull her One by myself, I didn't expect this guy to sell himself at a critical moment!

So, she immediately became exasperated and hysterically scolded, "Peterson! You bastard! I did all this for you, and you dare to make trouble at this time, are you still a f\*cking human?!"
