

The Amazing Son In Law Chapter 5314 -

Hearing that Lin Wan'er (Alani) said that he wanted to see his old man, the strong man frowned instantly, and asked coldly, "Who are you?!"

Lin Wan'er (Alani) said flatly, "I told you, I'm Lin Wan'er (Alani), you don't have to come Ask me so many here, I know you are heavily guarded, and you don't know how many guns are aiming at me everywhere. I am here today to visit. You just need to pass on the message, and the old man in your family will naturally come to me Come out to meet me."

The burly man said angrily, "The little girl is so crazy! Do you know who lives here?!"

Lin Wan'er (Alani) raised her eyebrows involuntarily, but said in a calm tone, "You don't need to Spend too much time talking in front of me, I just need you to inform me that Lin Wan'er (Alani) is not a poison or a bomb, and it will not have any impact on your duty to protect him, but if you delay because of your refusal to pass on the message It's business, Sun Zhidong blames it, can you afford it as a mere bodyguard?" The

strong man didn't expect that Lin Wan'er (Alani), a little girl, would have such a boldness in front of him, and even the confidence that everything was under control made him Can not help but feel a little uneasy.

Moreover, she actually called the old man by his name, which made him even more shocked and frightened, and he couldn't help but speculate on the real origin of this girl.

He exchanged glances with his colleague, who nodded at him in a very small way, and he immediately understood, turned around and walked back a few meters, and then said to the microphone in his collar, "Please inform the master, the alley There is a little girl named Lin Wan'er (Alani) who wants to see her husband, please make a decision."

A voice came from the earphone, "Are you crazy? A little girl wants to see her husband, and you dare to let me pass the message?" The

strong man urged, "Don't do that. What nonsense, this little girl seems to have a lot of background, you go and report it!" When the

other party heard this, he didn't delay any longer, but just confessed, "If you blame me, sir, don't expect me to take the blame for you."

A few minutes later.

The one in the middle of the five three-open doors was pushed open from the inside.

Immediately afterwards, an old man in sixties came out with the support of the two.

The two strong men outside the door were stunned for a moment when their old gentleman came out in person.

After all, they had never seen a guest before, and it was worth the old gentleman coming out to greet them in person.

The old man's expression was joyful and anxious. The moment he saw Lin Wan'er (Alani), he was even more excited and trembling. He tried his best to walk faster, so that the two people around him who were supporting him were a little flustered.

And Lin Wan'er (Alani) stood there, looking at each other with a smile on her face, until the old man came to her.

The old man stood still in front of her, a little out of breath, and said a little excitedly, "Miss, it's really you! Why did you come here?"

Lin Wan'er (Alani) smiled slightly, "Is it convenient to come to join you for a while?"

"Convenient, Convenient!" The old man nodded hastily, and immediately asked, "Miss, are you alone? Jacob didn't follow?"

"No." Lin Wan'er (Alani) shook her head slightly, and said, "Jacob will come to China in a few days."

After saying that, Lin Wan'er (Alani) looked around, and said, "Let's go in and talk, I have some things, I want to ask you for help." The

old man quickly made a gesture of asking, and said respectfully, "Miss, please!"

Lin Wan'er (Alani) nodded, and stepped towards the Go through the grand door.

Only after entering this gate can one see that the inside of this courtyard is unbelievably large.

The courtyards neatly paved with bluestones are at least several thousand square meters.

The old man led Lin Wan'er (Alani) all the way to his study, and then ordered everyone to leave the study for fifty meters, so all the family members and servants retreated to the backyard.

In the study, the old man respectfully invited Lin Wan'er (Alani) to sit down on the huanghuali chair, and then asked, "Miss, where are you from? Why didn't you inform me in advance, so that I can arrange someone to pick you up?" !"

Lin Wan'er (Alani) said indifferently, "My journey was quite a toss. I set off from Northern Europe, then went to Murmansk in Russia by boat, and then transferred from Murmansk to land. I took a car, a train, to Moscow, and then from Moscow to Moscow. The plane went to Vietnam, and finally entered China by land from Vietnam, and then flew from the southwest to Eastcliff."

"It took so much trouble?" The old man asked in surprise, "Miss, you suddenly took such a tortuous route to China. What's the trouble?"

“Yes.” Lin Wan’er (Alani) didn’t hide it, and said calmly, “There was a big problem when I was in Northern Europe, and I almost died.”

“Ah?!” The old man asked in horror, “Why did this happen? Lin Wan’er (Alani) said with a wry smile, “

One of the subordinates trained by Jacob before somehow got in touch with the Poqing Society and exposed my whereabouts. Everyone outside was killed. Fortunately, Jacob and I escaped with the help of noble people.” The

old man said with a face full of shock, “The Poqing Society actually found you...”

“Yes.” Lin Wan’er (Alani) sighed He took a deep breath and said, “I’ve kept a low profile, but I didn’t expect that there would be internal problems. Jacob’s subordinates didn’t know my identity, but the Poqing Society has been chasing me through special channels. In order to find me, I also A huge reward was offered, and I guess it was Jacob’s subordinates who happened to get this information by some coincidence, and then sold me.”

Lin Wan’er (Alani) shrugged again and said, “But it’s all about me. After all, all of Jacob’s subordinates are dead, and I don’t know who betrayed me.”

Hearing this, the old man quickly said, “Miss, you should avoid the limelight with me for a while. , the long-term peace and stability of China is much safer than outside, and besides, although I am retreating behind the scenes now, I still have resources and connections, and I will definitely protect you.”

Lin Wan’er (Alani) smiled slightly and said, “I don’t actually want to come to you, I just want to Find someone for me.”

“Check someone?” The old man asked quickly, “Miss, I don’t know who you want to check. What information do you have?”

Lin Wan’er (Alani) said, “I only know that his name is charlie, male, and his age should be under thirty.” The

old man asked again, “Miss, what two words are you talking about charlie?”

Lin Wan’er (Alani) thought for a while, and said, “wade, It should be the leaves of the leaves, but I am not sure about the time of day. It is possible in the morning of the morning, or the time of the stars, or the dust of the dust. Please help me adjust the population data and export all the photos. I will compare them myself. That’s fine.”

Then, Lin Wan’er (Alani) asked again, “You should have no problem retrieving population data, right?” The

old man smiled and said, “No problem, any data can be retrieved.”

“That’s good.” Lin Wan’er (Alani) breathed a sigh of relief, He nodded and said, “Then it’s hard work for you to arrange someone to help me tidy up.” The

old man hurriedly said, "Miss, you are polite. It is our Sun family's honor to do things for you."

After that, he said respectfully, "Miss, please wait a moment." , I will arrange it now!"
