

The Amazing Son In Law Chapter 5321 -

The

old man asked curiously, "Is there anything else you can't figure out? Now that we have his identity information when he was a child, do you want to use his birth date to do the calculation again?"

Lin Wan'er shook her head, "I can't even find any clues about him with the Near God Hexagram, let alone the horoscope of his birthday." The

old man sighed, "Then

, as you said, go to Aurous Hill and try it!" After finishing speaking, the old man went to Ask her, "Miss, how about I go to Aurous Hill with you!"

Lin Wan'er didn't comment, just looked at him and said, "I think your qi and blood are weak, and you don't seem to be in good health?"

"Yes." The old man smiled wryly, and said, "I am already eighty-eight this year, and I have diabetes and high blood pressure. , coronary heart disease, had a myocardial infarction, had stents and bypasses, had lung cancer a few years ago, had my left lung removed, and underwent chemotherapy. My body is obviously not doing well. The doctor said a few days ago that my kidneys had begun to fail. Yes, I should start to do hemodialysis after a while, but in my situation, I can't bear any troubles, and I'm satisfied if I can live for another two years."

Lin Wan'er frowned and asked him, "Can't I have a kidney transplant?" "The

old man smiled and said, "Look at my body, can I still withstand such a major operation? I guess I will be dead before the new lungs are put in on the operating table."

"Yes." Lin Wan'er nodded, lightly Said, "Let me take your pulse." The

old man was shocked when he heard this, and quickly asked flatteredly, "Miss, this... I'm afraid I can't do it... How dare I ask you to take my pulse..."

Lin Wan'er waved her hand, "It doesn't matter." No. "

She pointed to the armrest of the chair and said, "Put your hands here."

"Thank you, Miss!" The old man quickly put his left hand on the armrest of the chair, and Lin Wan'er lightly rested his fingers on his veins. On top of that, I closed my eyes and felt for a while, then took my hand back, sighed, and said very directly, "I'm sorry, although I know some Chinese medicine, it may not be profound enough. In your case, I am already unable to do it." What has changed?" The

old man was startled when he heard this, and then smiled and said, "Miss, you don't have to blame yourself, I am already very satisfied that I can live to this day."

Lin Wan'er was silent for a moment, and said, "Let me tell you a fortune, I The level of fortune-telling is still much better than that of Chinese medicine."

After all, without waiting for the old man to respond, and took out nine copper coins from his pocket.

Then, she placed nine copper coins on the coffee table in front of her. As before, she divided the copper coins into three rows, and in a diagonal manner, she first grabbed three and threw them on the table.

Immediately, she looked at the hexagram of the copper coin, frowned and said, "The hexagram shows that your life expectancy is approaching. At most, there is still half a year left."

"Half a year?" on the spot.

However, he quickly came back to his senses, and gave a wry smile, "Although it's a little shorter than I expected, it's okay, half a year is enough for me to explain and arrange my funeral..."

Lin Wan'er continued to pick up the three coins on the lower left without saying a word. The copper coin was thrown on the coffee table again.

This time, she raised her eyebrows lightly, and said, "However, the current hexagram has a chance of life. If you can seize this chance, you can live a long life."

"Long life?!" The old man stared for a moment With big eyes, she blurted out, "This...is it possible? To live to be a hundred years old, there are at least twelve years left..."

Lin Wan'er said seriously, "The hexagrams don't lie. There are only two possibilities for your longevity, either , within half a year; or, after the age of 100." The

old man said with some surprise, "Miss...then...then how can I seize this chance?"

Lin Wan'er grabbed the last three copper coins again and threw them on the coffee table table, and then looked at the nine copper coins on the table, frowning in silence.

Seeing her solemn expression, the old man didn't dare to ask questions, and could only wait anxiously.

After a while, Lin Wan'er said suspiciously, "It's strange, the hexagram says that your vitality is related to me, but I really have no way to save your life... If my father is still there, he must have a way, but it's a pity Until he left, he never taught me that kind of ability... Maybe it's because I'm not that kind of material..." The

old man didn't know whether to be happy or worried at this time, after all, even Lin Wan'er couldn't figure out the reason, let alone himself Enlightened.

At this time, Lin Wan'er grabbed the southernmost copper coin, held it up to the old man, and said seriously, "This Yongle Tongbao carries three coins. In my hexagram, it

represents the gate of life. It is at the southernmost end of the nine copper coins.” , means that your birth gate is south of Eastcliff.”

“South of Eastcliff...” the old man muttered, confused.

Lin Wan’er (Alani) eyes suddenly lit up, and she said with a smile, “Although I don’t have the abilities of my father, I know there is someone who definitely has it!”

After finishing speaking, she looked at the old man, and said seriously, “The south of Eastcliff must be Aurous Hill!”

...

s: The first update on New Year’s Day 2023, I wish you all a happy, healthy and safe New Year!

“Aurous Hill?” The

old man asked in surprise, “You mean, my birth gate is in Aurous Hill?”

“Yes.” Lin Wan’er (Alani) nodded lightly, and said, “It seems that you really should go to Aurous Hill with me! “The

old man hurriedly asked, “Miss, can I... can I go with you?”

“Of course.” Lin Wan’er (Alani) nodded, and said, “Since your origin is in the south and it is related to me, Aurous Hill is the most likely place.” , let’s go together, if we can find your birth gate, you will live a long life.” The

old man was so excited that he said reverently, “Thank you, miss, for your kindness!”

After saying that, he trembled and wanted to kneel down.

Lin Wan’er (Alani) hurriedly got up to support him, and said seriously, “You don’t need to kneel to me. Although this gate of life is related to me, it is definitely not something I can bring to you, so you still have to go to Aurous Hill to find your own chance encounter. What I can do for you may be to wish you a helping hand in your search.” The

old man nodded hastily, and choked up, “Thank you, miss! If I can find it, I will die. If I can’t find it, I will have no regrets in this life.”

“Okay.” Lin Wan’er (Alani) nodded slightly, and said with a smile, “It’s best if you have this kind of mentality.”

After that, she put away all the nine copper coins and said, “Get ready , let’s go to Aurous Hill as soon as possible.” The

old man hurriedly said, “Miss, don’t worry, you have a special status, I’d better have someone arrange a residence in Aurous Hill in advance.

"If I remember correctly, Mrs. Qiu Yingshan's ancestral home is in Aurous Hill, they should have some property in Aurous Hill, I will ask him to borrow a property to live in temporarily." The

old man suddenly realized, "Brother Yingshan! He likes to deal with property everywhere. In the early years I bought all over Nanyang, and later I bought a lot in the whole country and the world. I heard from him a few years ago that he has more than 5,000 properties in the world. Since Aurous Hill is his wife's ancestral home, then There should be many industries."

Lin Wan'er (Alani) nodded, "The Qiu family was the real richest man in Nanyang before the separation. Although the paper data has dropped a bit after the split, the actual assets are still unmatched in Nanyang." After finishing

speaking, she said to the old man, "You Give him a call, and I'll tell him after I get through, I've had a tortuous journey to Huaxia this time, and I changed a mobile phone every time I went to a place, and the last mobile phone was lost before I came to Eastcliff."

"Okay!" The old man Without thinking, he said, "I'll call him right away!"

After that, he took out his mobile phone, found Qiu Yingshan's number from the address book, dialed it, and turned on the speaker at the same time.

Soon, an old man's voice came from the other end of the phone, teasing, "Sun Zhidong, Sun Zhidong, you old boy, haven't you called me for two or three years? How can you be so elegant today?"

Sun Zhidong laughed and said, "Don't hide it. Brother Yingshan, I have suffered a great crime in the past two or three years. I fight wits and courage with Lord Yan every day. I really don't have the energy to communicate with you, Brother Yingshan. Please forgive me, Brother Yingshan.

"Everyone is the same, at this age, they are all fighting with

Lord Yan." Sun Zhidong said with a smile, "Brother Yingshan, I called you today mainly because there is a noble person who wants to talk to you."

"Great person?" Qiu Yingshan asked curiously on the other end of the phone, "My loess is buried to the hairline, where is there any noble person..." Sun Zhidong smiled, and said

, "Let her tell you in person."

Respectfully handed it to Lin Wan'er (Alani).

Lin Wan'er (Alani) smiled slightly, and said, "I don't dare to be a nobleman."

Qiu Yingshan on the other end of the phone asked in a surprised and joyful voice, "Miss?! Is that you?!"

Lin Wan'er (Alani) hummed, and said flatly, "It's me."

"My God!" Qiu Yingshan exclaimed, "Miss, why did you go to Zhidong's place?"

The Amazing Son In Law Chapter 5322 -

"Aurous Hill?" The

old man asked in surprise, "You mean, my birth gate is in Aurous Hill?"

"Yes." Lin Wan'er (Alani) nodded lightly, and said, "It seems that you really should go to Aurous Hill with me! "The

The Amazing Son In Law Chapter 5323 -

Lin Wan'er (Alani) said, "I have some private matters, so I ask him for help."

After finishing speaking, he went straight to the point and said, "I plan to go to Aurous Hill, and I may need to live in Aurous Hill for a while. I would like to ask if you have a house in Aurous Hill where I can temporarily settle down."

Qiu Yingshan immediately said without thinking, "Yes. Of course! I have a hilltop villa in Zijin Mountain, Aurous Hill, which is located in an inner area of the forest park that is not open to the public. A special road was built for this mansion, and this forest park is located in Aurous Hill City, so it is very convenient to go anywhere. If you go to Aurous Hill, you can condescend to stay there! I still have a few cars and a car there. There is a special person to take care of the helicopter."

Lin Wan'er (Alani) was not polite, and said, "Okay, please help me arrange it, I will arrive in the afternoon."

Qiu Yingshan hurriedly said, "Okay miss! I will arrange it now!"

Lin Wan'er (Alani) said, "By the way, just tell your servants that I am your distant granddaughter who is going to study in Aurous Hill, so you lent me the house to stay temporarily."

Qiu Yingshan said respectfully, "Good miss. "

Lin Wan'er (Alani) said again, "Oh, and I really want to find a university in Aurous Hill to study, and I happen to be at the age of university, do you have the resources?"

"Yes, too much!" Qiu Ying Shan Dao: "I donated 500 million yuan to Aurous Hill University back then, and half of the new campus was built by me. If you don't mind, I can arrange for you to study at Aurous Hill University, which is also the best university in the province. "

Okay!" Lin Wan'er (Alani) smiled and said, "Then go here!"

After she finished speaking, she remembered something, and asked Qiu Yingshan, "By the way, where are you living now?"

Qiu Yingshan said, "Miss, I am currently in Singapore , These years I have lived in Singapore and Malaysia, and I am getting older, and I seldom travel far."

Lin Wan'er thought for a moment, and said, "Then please help me arrange a Malaysian identity, and then let me Go to Aurous Hill to study as an overseas student from Malaysia."

Qiu Yingshan subconsciously said, "Miss, Is Singapore identity better? After all, Singapore is relatively more developed than Malaysia.

Lin Wan'er (Alani) said, "Fix me with a new identity, I have to go there in person, and fly an inbound itinerary to China, so I don't want to go to Singapore, the country is too small, the management is too strict, it is inconvenient to hide, and it is easy to expose .

Qiu Yingshan hurriedly said, "Okay, then I will prepare a Malaysian identity for you. " Lin Wan'er (Alani) thought for a while, and said, "

Just find a suitable family from among your distant relatives to put me in, and then submit the materials to Aurous Hill University and ask them to send me an admission letter." "

Qiu Yingshan said respectfully, "Okay miss, let me arrange it. What's your name for this identity?" Lin Wan'er (Alani) laughed casually, "

If you can find a family surnamed Lin, then call it Lin Xiaowan. If you can't find it, just any Wan'er is fine." "

" No problem! "Qiu Yingshan blurted out," I'll arrange it now. Lin Wan'er (Alani) said, " Then I won't go to Aurous Hill today, I will go to Malaysia first." "

Lin Wan'er (Alani) is very clear that since she intends to use the identity of an international student to live in Aurous Hill, study at Aurous Hill University, and wait for charlie to appear, she must prepare a complete chain of evidence in advance.

At least, she must get With the new identity of Malaysia, fly from Malaysia to Huaxia and complete an official entry record.

Otherwise, once I meet charlie and charlie suspects himself, I can find out that I have no entry record at any time.

In that way, charlie would probably see through himself.

And as a distant relative of Qiu Yingshan, he went to Aurous Hill from Malaysia openly and aboveboard, and then studied in the university donated by Qiu Yingshan in Aurous Hill, and lived in Qiu Yingshan's real estate in Aurous Hill, everything seemed logical!

At this time , Qiu Yingshan on the other end of the phone said respectfully, "Miss, you asked Zhidong to arrange a plane for you directly from Eastcliff to Georgetown, Malaysia, and I will fly there right now to wait for you!" "

The Amazing Son In Law Chapter 5324 -

Lin Wan'er (Alani)'s acting style is fast-paced, without any sloppiness.

After hanging up Qiu Yingshan's phone, she immediately said to Sun Zhidong, "Old Sun, you have to work hard to arrange a plane for me. I will go to Malaysia now."

Sun Zhidong hurriedly said, "Miss, let me go with you!"

Lin Wan'er (Alani) He waved his hand and said seriously, "Don't go to Malaysia with me. You have a special status. If you leave a record of the two of us leaving the country together, things will be easily exposed in the future. I will go there with the identity of this entry, and then Immediately change to a new identity and come back, and go directly to Aurous Hill when you come back, and you will meet me in Aurous Hill then, and we will meet in Aurous Hill."

Sun Zhidong nodded and said, "Alright, then I will wait for your news in Eastcliff, you After arriving in Aurous Hill, I will meet you in the past!"

"Okay." Lin Wan'er (Alani) asked him, "When will the plane be able to fly at

the earliest?" Sun Zhidong hurriedly said, "There is a Gulfstream G700 business jet on standby at Eastcliff Airport, ready to fly at any time. You can arrive in Malaysia within five hours."

Lin Wan'er (Alani) nodded, "Then help me prepare as soon as possible, and work hard to arrange a car to take me to

the airport." Sun Zhidong said respectfully, "Okay miss, I will arrange it now!"

Soon, Sun Zhidong arranged a convoy to escort Lin Wan'er (Alani) all the way to Eastcliff Airport by himself.

Forty minutes later, Lin Wan'er (Alani), who successfully passed the customs, took off in the Sun's private jet at Eastcliff Airport.

After the plane took off, it bypassed the city of Eastcliff in the northwest direction, and then flew all the way to the southwest.

The flight speed of the Gulfstream G700 is close to the speed of sound, which is much faster than ordinary civil aviation airliners, and George Town in Malaysia is a little closer than Singapore, so it can be reached in more than four hours.

At the same time, Qiu Yingshan, who was far away in Singapore, dragged his 90-year-old body, and started with his wife, excitedly took a helicopter to Georgetown, and sat and prepared for Lin Wan'er's arrival.

Georgetown is the city with the largest number of Chinese in Malaysia, and it is also the place where Qiu Yingshan made his fortune in the early years. He has several manors in Georgetown, and the largest one even has a two-kilometer private beach.

It just so happened that one of Qiu Yingshan's distant cousins in Georgetown was named Lin, so he asked people to seize the time to concoct a personal file, fabricating an eighteen-year-old girl named Lin Xiaowan out of thin air, and even forged this girl a series of profile information.

And when Lin Wan'er (Alani)'s plane flew out of China's airspace, Charlie and Claire, who were in the United States, also finished the graduation ceremony of the master class.

So far, Claire has finally fulfilled his dream for many years and obtained the master class completion certificate from Rhode Island School of Design.

Afterwards, Charlie returned to the hotel together with Claire and Fei Kexin. The two women decided to go to the hotel's executive lounge to have a drink and chat for a while, so Charlie returned to the hotel room alone to arrange tomorrow's itinerary.

He has asked Fei Kexin to arrange Fei's family's private jet to fly to Canada tonight, and tomorrow morning, Don Albert and Isaac Cameron will take the Concorde airliner from New York to Canada to take Aunt Lisa and Claudia. They were all picked up at the airport and arranged for them to board the plane arranged by Fei Kexin. Afterwards, Don Albert and Isaac Cameron took the Concorde airliner and returned to Aurous Hill directly.

At that time, the Fei family's plane will bring Mrs. Lewis and the three of them to New York, and Charlie will also take Claire and mother-in-law Elaine to board the same plane in New York and return to Aurous Hill together.

The Amazing Son In Law Chapter 5325 -

In order to confirm Elaine's recovery, and inform Elaine to prepare, Charlie specially called her.

When the phone was connected, Elaine said cheerfully, "Oh my good son-in-law, why are you calling me at this time?"

Charlie said with a smile, "Mom, how is your recovery?"

Elaine said with a smile "It's very, very good. Tiantian's shark fin abalone and cordyceps sea cucumber are better than football players. The doctors here are also very skilled. My leg is recovering quite well."

Charlie said, "That's good. Claire's school has already closed today. We plan to check out and go to New York tomorrow morning. After picking you up, we'll go back to Aurous Hill together."

"Back to Aurous Hill?" Elaine's tone lost instantly, said, "Good son-in-law, it's boring to go back to Aurous Hill. Mom's legs and feet are not convenient, and you have to cause trouble in life. If you want me to say, it's better for you to go back with Claire first. Mom stays here for a few more days. Come back when you're done!"

Charlie was helpless for a while.

He is willing to let Elaine stay in the United States, which can be regarded as out of sight and out of mind, but Claire still doesn't know about her mother's hospitalization. If this matter keeps dragging on, Claire will definitely become suspicious. It's not good and I don't think about food and drink.

Therefore, letting Elaine go back with him is the best solution. If Claire sees that Elaine is limping again tomorrow, Elaine can also say that he accidentally fell on his leg when he went out to play with his friends, not while a ghost at the Bedford Hills Correctional Facility, his leg was broken.

So, he said with some embarrassment, "Mom, staying in the hospital every day is not as comfortable as coming home. Besides, you are not familiar with the place in New York, so it is definitely not interesting to be alone. After you go back, you still want to eat these I will ask Tianxiang Mansion to bring you delicacies from mountains and seas every day, and it will definitely not be worse than what you eat in the hospital."

Elaine, who was feasting on the hospital bed, thought about it for a while, and thought to herself, "Even if you stay here, you can eat and drink well. There are people serving, but every day except for the wards and the green area downstairs, it is really meaningless. If I go, I can quickly sell the exact same necklace that Charlie gave me, and spend some cash."

Then every day, he will still have Qian Hongyan following behind to flirt, and life must be very happy! “

Thinking of this, she said with a smile on her face, “Good son-in-law, since you have said so, then mom will go back with you!” “

Charlie smiled and told her, “Mom, if you find out about your leg problem tomorrow, just say that you accidentally fell while playing with your friends. The old injury didn’t heal quickly, and then it recurred. , Don’t talk about what happened in prison, lest she feel uncomfortable. “

“Okay okay.” Elaine agreed, and said with a smile, “Even if you don’t tell me, I can’t tell the truth to Claire. If people know that I broke my leg when I saw a ghost in Bedford Hills, then I will. Wouldn’t this world’s fame be completely ruined? Charlie felt dizzy when he heard the

words Bedford Mountain Ghost Sorrow, but he could only smile and say, “Mom, you are right.” Elaine said with a smile, “

Okay, what time will it be tomorrow, tell me, and I will explain to the doctors and nurses when I’m done, and let them take me to the airport.” “

” OK. “Charlie said, “Claire and I drove there after checking out the room in the morning, but we still have to check out the car. It will probably be noon after we finish our work, so you can go to the airport after lunch. Elaine quickly asked, “

What time is the flight?” “

Charlie laughed and said, “We don’t take a civil airliner, but a client’s private jet. “

“I’m going!” Elaine said in surprise, “Take a private jet again?” I came to the United States this time, but I enjoyed the private jet! “

Speaking, Elaine hurriedly said, “Good son-in-law, then I will meet you at the airport tomorrow after lunch at the hospital!” “

” Good. Charlie instructed, “You can go directly to the building tomorrow, Claire and I will wait for you there.” “
