

The Amazing Son In Law Chapter 5330 -

The news about Fei's family was very popular at the beginning, and Elaine knew something about it.

When she saw Fei Kexin on TV for the first time, as the head of the Fei family, and was ordered to solve the huge crisis of the family, she felt such emotion in her heart, "It is also a woman, and some people in their 20s are young. Being able to manage a super financial empire worth trillions of dollars, but my mother has lived for 50 years, and she doesn't even have 500,000 in her bank account, she is really blind."

Just because she still had a fresh memory of Fei Kexin, Elaine saw When it was time for Fei Kexin to become a real person, he was so excited that he couldn't add anything.

However, what Elaine didn't know was that the Fei Kexin in front of him was actually Zhan Feier who gave Jacob the Rolls-Royce Cullinan in Aurous Hill back then.

At this time, Fei Kexin also said politely to Elaine, "Hello, Auntie."

Elaine said excitedly, "Miss Fei...you...do you know my daughter and son-in-law?"

Fei Kexin laughed and said, "Of course I know you, Master Wade has helped me a lot in Fengshui and is kind to me."

"Really?!" Elaine said with disbelief, "Even Miss Fei, you are my son-in-law's client."

Fei Kexin nodded, and said with a smile, "It's my honor to be Master Wade's client."

Elaine was overjoyed and said, "Oh my god, it has to be my son-in-law, my son-in-law's ability, his level, This contact, I really can't find a second one even with a lantern!" As

she spoke, she quickly took out her mobile phone, handed it to Claire who was at the side, and said impatiently, "Claire, give it to me and Miss Fei." Let's take a few photos together!"

As soon as Elaine said this, Claire knew that her mother definitely wanted to take a photo and send it to Moments as a pretense.

However, Fei Kexin has a special status after all, and Claire instinctively felt that it would be inappropriate for her mother to post a photo of her and Fei Kexin in Moments.

So she persuaded, "Oh my mother, and the identity is very sensitive, so don't take a group photo. Besides, you are still in a wheelchair. It doesn't look good. It seems like Miss Fei is caring for the disabled."

Elaine Hearing this, he quickly said, "It doesn't matter, you help me up quickly, I can barely stand on one leg for a while!"

Fei Kexin said with a smile, "Auntie, don't make trouble, or I will be one with you in a half-squat Let's take a picture!"

"Okay, okay!" Elaine was very excited, and quickly handed the phone to Claire, and said impatiently, "Claire, hurry up and take a picture, and you squat down to take a picture too!"

Claire didn't pick up the phone handed over by her mother, and said in a serious tone, "Mom, Ms. Fei is also a public figure now, just listen to me once, don't take pictures."

Seeing her daughter's tough and persistent attitude, Elaine knew that her daughter must have seen through her little thoughts, In desperation, she could only say bitterly, "It's okay, it's okay, if you don't shoot, you don't want to shoot, it doesn't matter."

charlie saw that Elaine gave up, but his expression was still a little sad, so he smiled and said, "Mom, actually It's not interesting to take a group photo at the airport. If you take a photo here, even your friends will think that you ran into Miss Fei at the airport by chance and dragged her to take a photo. It's not what you want The desired effect."

charlie's words were a little cryptic, but Elaine understood the essence of it all at once, so she thought to herself, "What a good son-in-law said is right, take pictures with people at the airport, especially celebrities , 100 people saw it, and wished that 101 people said that this must be a photo taken by a coincidence, begging someone to take it, and it was really sent out, and I can't pretend to be forced. I guess it can stimulate money. A person like Hongyan."

Actually, Fei Kexin thought it was indifferent at first, but seeing Claire seemed to be trying to stop him, he also smiled and said, "Auntie, I'm afraid it won't look good in public this time, how about Let's shoot again when we have a private meeting in the future."

When Elaine heard this, she felt a little disappointed at first, but immediately improved a lot. She thought to herself, "I'm a good son-in-law, with such great abilities, even Miss Fei is his client, so we must meet each other in the future." If you can really take a photo with Ms. Fei at the party, that would be awesome."

So, she agreed without thinking, and said with a smile, "If Ms. Fei has time, she must come to Aurous Hill. You want to come to our house as a guest!"

Fei Kexin nodded, and said with a smile, "No problem, Aunt , I will definitely pay a visit!"

At this time, charlie received the voice message from Lisa, and listened to it , Lisa said in the message, "Brother charlie, we have landed at New York Airport, have you arrived yet?"

The Amazing Son In Law Chapter 5331 -

charlie replied, "We have just arrived at the airport, and we will start checking in immediately.

" That's great, the captain said we don't need to get off the plane, just wait for you on the plane."

charlie replied, "That's right, you just wait on the plane, we'll be right there."

After replying to Lisa's message, charlie then said, "The plane has already landed, or let's go through the formalities quickly."

After that, he said to Fei Kexin, "Miss Fei, after passing the security check, you will be out of the customs, so don't send it in." Let's go back quickly."

Fei Kexin felt reluctant, but still nodded with a smile, and said, "Master Wade, Claire, Aunt , you all have a good journey, so I won't see you off."

Elaine blurted out "Oh, I heard them say that you can't fly with the wind, the plane will fall down with the wind, and I don't know if it's true or not."

charlie smiled and said, "Mom, don't listen to their nonsense, the plane only needs to go against the wind when it takes off." Fly, after flying into the sky, the tailwind can fly faster, originally it could arrive in 10 hours, but if the wind is tailwind, maybe it will arrive in 8 hours."

"That's it..." Elaine murmured, "The last time I came to America , souna asked my circle of friends to wish me a smooth journey, but I scolded her all the way in my heart, it seems that I wrongly blamed her."

charlie not only burst out laughing, but then Oscar and Claire prepared to go through the security check together.

After saying goodbye to Fei Kexin, the three passed through the security check and customs, and boarded the plane directly from the parking stand outside the VIP building.

Elaine's legs and feet are inconvenient, and the airport specially sent two service personnel to help her along the way.

On the plane, Mrs. Lewis, Lisa, and Claudia saw charlie boarding the plane, and they all stood up quickly to say hello, especially Lisa and Claudia, when they saw charlie, they all shouted shyly in unison, " Brother charlie."

charlie grinned at the two of them, and asked, "How are you two doing?"

"It's pretty good." Lisa smiled and said, "Recently, we are both very excited when we think about going back to Aurous Hill. We have to talk about Aurous Hill for a long time at night."

charlie nodded, looked at Claudia, and said with a smile, "Claudia, while it's still summer vacation time, you still have time to get used to it when you arrive in Aurous Hill. When the time comes, let Lisa take you around to get to know the customs of Aurous Hill."

Claudia nodded lightly, and said seriously, "Okay, brother Charlie, thank you,..." On the

side Lisa smiled and said, "Brother charlie, don't forget that Claudia's mother came from Aurous Hill. Speaking of which, Aurous Hill is Claudia's grandma's home."

charlie smiled and said, "Really, Do you have any relatives in Aurous Hill?"

"No." Claudia shook her head and said, "My grandpa and grandma have both passed away, and an uncle is also abroad, and I haven't had much contact with him, so this year basically There are no relatives anymore, and some of them are distant relatives who haven't met very much, and can't even pronounce their names."

charlie smiled and said, "It's okay, there are Mrs. Lewis, Lisa, and me, we are all you relatives."

Claudia was moved and nodded heavily.

At this time, charlie introduced to Mrs. Lewis, "By the way, Mrs. Lewis, let me introduce my mother-in-law to you."

As he said that, he gestured to Elaine, and then said to Elaine, "Mom, this is Mrs. Lewis from the orphanage. You should have heard of it."

"I have, I have heard of it!" Elaine looked at Mrs. Lewis said in amazement, "I used to hear charlie talk about you every day!" While speaking

, Elaine couldn't help recalling that when Mrs. Xiao celebrated her birthday, charlie suddenly asked Lend one million to see a doctor for this Mrs. Lewis.

At that time, I really hated charlie who had no eyesight, but who would have thought that now charlie has become a wealthy son-in-law who can't even ask for it.

Thinking of this, she quickly said to Mrs. Lewis, "Oh, it was really hard for charlie to treat your illness, and our family also tried their best to help..."

The Amazing Son In Law Chapter 5332 -

Speaking of Now, Elaine sighed without changing her face, "It's a pity that the dead old lady of Willson's family was just a penny-pinching cock. It's too much to scold charlie bloody in public at the birthday banquet!" Aunt

quickly thanked, "You really have a heart, thank you!"

A good son-in-law has been talking about you, so we naturally want to do our part." As she spoke, she asked with concern, "By the way, are your illnesses cured?"

"Okay." Mrs. Lewis nodded and said, " Back then, I went to Eastcliff for an operation, and I have recovered."

"That's good!" Elaine said with a look of relief, "In the future, you must take care of your health. My son-in-law knows a very famous doctor, who seems to be called Simmons. Oh, yes, Dr. Simmons! Let her take you to take a good look later!"

Mrs. Lewis smiled slightly, nodded and thanked, "Thank you, you have a heart!"

charlie couldn't help but feel a lot of emotion when he heard what Elaine said. .

First of all, it is natural to feel that my mother-in-law's kung fu in lying is really the best in the world. No matter what kind of false words, she can open her mouth, which is really unmatched.

Secondly, it is a great turning point in my life.

Ever since Mrs. Willson's birthday party, when I became a trash trampled by everyone, my own people's life has truly bottomed out and rebounded, and it has soared into the sky.

At this time, the captain walked into the cabin from the cockpit and said very politely, "Dear guests, I am the captain of this flight. I am very happy to serve you. We have about eleven hours of flight. If you are all ready, alright, we can take off."

Elaine subconsciously took out her phone, wanting the captain to go back and try again, but when she thought that there were many people around her, she had no choice but to give up, but she still wanted to show off, so she said to Claire, "Claire, call your dad and tell him to pack up quickly and watch that Rolls Royce pick us up at the airport."

Claire said helplessly, "Mom, you didn't listen to him. What the captain said just now, we have to fly for more than ten hours..."

"Oh..." Elaine suddenly realized, and then waved her hand and said, "It doesn't matter, just tell him and ask him to pick us up at the airport an hour early. That's enough."

Claire has always disliked high-profile, so she said, "Oh, mom, don't let Dad drive to pick us up again, the car he drives is really too conspicuous, if I say it better, let Charlie book a larger business car on the mobile phone in advance, not only the three of us can sit, but Mrs. Lewis and the three of them can also sit together."

Elaine curled her lips, "I'll tell him!"

... The

plane quickly took off, carrying the six of them. They left New York and flew all the way to Huaxia.

Eleven hours later, the plane finally landed at Aurous Hill Airport.

Back to Aurous Hill after a long absence, whether it is Charlie and Claire, or Mrs. Lewis and Lisa, they all feel very cordial.

Claudia looked very calm, and chatted with Lisa a lot along the way, but Charlie could also tell that she seemed a little nervous and uneasy.

Charlie understands how this little girl feels. After all, he is only a teenager, and he has already experienced too much suffering in his life. Now he has to leave his hometown and start a new life in a city more than 10,000 kilometers away. He is nervous and apprehensive. Even confusion and anxiety are understandable.

However, charlie didn't say anything to persuade her, because charlie knew Croatia's personality. Although this girl was young, her mind was already very mature. I believe she would be able to adjust quickly.

It was already nine o'clock in the evening in Aurous Hill.

charlie had already arranged for Isaac Cameron in advance to take Mrs. Lewis and the others to the villa they had already bought.

Because of Claire and Elaine, it was inconvenient for Isaac Cameron to show up, so he arranged for a luxuriously modified Toyota Coaster to pick up the plane.

The reason for arranging such a large bus is mainly because Mrs. Lewis and the others have come back from abroad to settle down, so there must be a lot of luggage brought along with the plane. Such a bus can easily accommodate six people and all their belongings. Luggage is also more than adequate.

At the gate of the airport, Mrs. Lewis and the others met a driver who had been waiting for a long time. The driver and an assistant graciously helped them carry several suitcases into the car. Mrs. Lewis looked at Elaine

and asked, "Ms. Elaine, this car is quite big, why don't we go together?"

He waved his hand and said with a smile, "Sister, we won't go with you, I'll wait for my husband to pick me up."

As he spoke, he couldn't help cursing, "This damn Jacob, let him come earlier, earlier. Come on, why hasn't it appeared yet! If you dare to release my mother's pigeons, see if my mother will tear him up!"
