

The Amazing Son In Law Chapter 5344 -

When Elaine heard that she might be held accountable, she immediately panicked.

She has been in prison several times, and she has been in prison in the United States. In all fairness, although the days of ghosts and sorrows in Bedford Hills Correctional Institution are like gods, but if she is really allowed to go in again, she is absolutely dare not.

So, she could only sarcastically said, "I think you are trying to cover up that bastard surnamed! When I find the evidence, I will report it to your higher authorities and file a complaint with you!"

After finishing speaking, she immediately hung up phone.

Claire knocked on the door of the bathroom at this time, and asked, "Mom, what's wrong with you?"

"

into the bathroom and helped Elaine out.

As soon as Elaine went out, she saw charlie waiting outside the door, and immediately scolded angrily, "Good son-in-law! I know how the hell souna turned around! That stinky shameless Damn girl, you actually started a live broadcast on the Internet!"

She said with more emotion, "Do you know how shameless she is? She put her mobile phone in Christopher and Harold's bedroom, and let Christopher and Harold Harold was lying on the bed like a vegetative person, and when it was over, he let the dead old lady bend over with her and feed the two of them!"

"While feeding, she also told the camera how miserable she was. Poor, said that her husband's son was hit by a car, the SecretaryShe and her 80-year-old mother-in-law had no choice but to go to the vegetable market to pick up cabbage leaves

that no one else wanted and feed them back; He never gave up on the two of them, and made up such a lot of lies, just to deceive these netizens into buying what she sells in his live broadcast room! "

Speaking of this, Elaine's face turned pale with anger, and she scolded tremblingly, "Damn it, the key point is that this bitch is quite popular, and there are more than 10,000 people online in the live broadcast room!" Those 10,000 people are like fucking idiots, she believes everything she says, not only does she sell something, but those people rush to buy it, as if she has never seen anything before! You say you are not angry!

charlie asked curiously, "Mom, how do you know? " Elaine said angrily, "

It's not that I went to the bathroom and had nothing to do, so I took out my mobile phone to watch short videos, and then pushed me a live broadcast in the same city. I heard the voice and felt familiar. After thinking about it carefully, it's not souna gorgeous? Then I went into her live broadcast room to see what was going on, she was lying to people in it, I saw how this would work, I had to expose this stinky shameless thing, and then I edited a lot of things that exposed her The content was posted in her live broadcast room, but as a result, a bunch of idiotic fans in her live broadcast room kept brushing what Yan Jie has worked hard, Yan Jie is a model of a good woman in the contemporary era, and the content I posted was rejected before the fucking show It's gone, I don't know what's going on after it's over, I won't be able to get in again! I asked the online customer service, and the online customer service said that it was because I was blocked by the other party, so I couldn't watch the other party's live broadcast! "

Then I hurriedly called the police, but the police said that souna's matter was not a crime and that she could not be arrested. How could this happen?" ! For souna's stinky and shameless behavior, it wouldn't be wrong to shoot her directly! It really pissed me off! I'm furious! "

The Amazing Son In Law Chapter 5345 -

Elaine's description of souna surprised charlie.

He really didn't expect that souna would have seized the biggest buzz on the Internet at the moment, and imitated others to start a live broadcast.

What's more, what charlie didn't expect was that souna even set up a profile on the Internet.

There are tens of thousands of people playing live broadcasts, but there are very few people who know how to benefit people and can set them up well.

Some people package themselves as a master of success, teach others how to turn 10,000 yuan into 10 billion on the Internet every day, and flaunt everywhere how many star companies and grassroots entrepreneurs they have won. Maybe he didn't even finish high school, and he did fried skewers in the early years, but because he didn't have a sanitation permit and the city management didn't allow him to set up a stall, the project failed. Later, when the trend of short videos came, he transformed into a

Some people like to design some unusual and refreshing mantras or body movements for themselves, and brainwash the audience by repeating such symbols .

In addition, some people like to show off their wealth and flaunt themselves as the rich second generation; some people like to pretend to be intellectuals and boast that they have read tens of thousands of books;

souna is the latter.

She has gained a lot of fans by selling miserably and being a strong woman, and she has managed to make some fans sympathize with and admire her. Therefore, when she started live broadcasting goods, she pretended to make money for the paralyzed in bed. When her husband and son were earning medical bills, she began to wave a sickle at her fans.

At this time, Elaine took Claire's mobile phone and found souna's live broadcast room through the short video platform.

In the live broadcast room at this time, the number of people online has exceeded 20,000.

Sitting on the bedside of her husband Christopher, souna wiped Christopher's face and introduced to the camera, "My family, this towel in my hand is made of 100% natural cotton, which is very absorbent. , and it is very soft when you rub your body!"

"A person like my husband who is paralyzed in bed must scrub his body every day to prevent him from sweating and covering himself with bed sores. This kind of towel is very easy to use, wipes clean, and does not leave much moisture after wiping. , can keep the body dry!"

"Towels like this must be kept at home, and old towels must be replaced frequently. When guests come to the house, there are new towels for guests to use, and this towel is on sale now, three for only nine Nineteen, and the manufacturer is still giving out benefits, buy three and get two free, which is less than 20 yuan, which is very cost-effective!"

"I have won a total of 3,000 orders with the manufacturer. If you need it, please place an order as soon as possible After passing this village, there will be no such shop."

As she spoke, souna picked up the water glass and fed Christopher to drink, but Christopher acted dully and accidentally spilled water on his neck, souna immediately wiped the spilled water with a towel After wiping off the water, she said to the camera, "Look, everyone, this towel is really absorbent. Thanks to it, otherwise my stupid husband would definitely wet the bed."

Elaine said cursingly, "F*cking Yes, look at Christopher, he pretends to be so damn good! I remember that he only has legs and feet, but he doesn't have dementia!"

charlie laughed and said, "It must be an act, there is a script for it, And it was rehearsed in advance."

At this time, souna in the live broadcast was not in a hurry to get into the shopping cart, but after patiently helping her husband clean up, she sighed, "Actually, if my husband and son were not paralyzed, I would also I don't want to make money from my family here. I sell one order of this kind of towel, and I can earn two yuan in commission. If I

sell all three thousand orders, I can earn about six thousand yuan. Six thousand yuan sounds like a lot, but The old and young in my family have several mouths waiting to eat. My husband and son are still waiting for money to go to the hospital for rehabilitation. You have to buy them all. In this case, why don't you buy a copy from Yanzi, which can be regarded as a gift of love to Yanzi. Yanzi is here to thank her family!"

The Amazing Son In Law Chapter 5346 -

Elaine scolded angrily when she heard this, "He Damn, I'm going to throw up just watching it again! souna, that stinky bitch, really knows how to act!"

At this time, souna in the live broadcast picked up another mobile phone at this time and said, "Family, I am going to get in the shopping cart now, everyone needs to grab it quickly, three, two, one, get in the car!"

Elaine muttered, "This broken towel doesn't even have a brand, and it sells five pieces for 99 yuan. I think that's the price for a good towel made of high-grade long-staple cotton. Only a fool would buy hers!" After

finishing speaking, she muttered again, "Let me see how many orders you can sell."

As she said that, she clicked on the shopping cart icon in souna's live broadcast room with her finger, clicked on it, and the link was listed at The first one is this towel, buy three get two free, free shipping for 99 yuan, and the real-time sales volume has exceeded 1,800 orders.

Elaine was shocked, and blurted out, "Damn, someone actually bought it?! More than 1,800 orders?! souna earned three yuan for one order. Doesn't that mean that she earned five yuan for her farting work?" More than a thousand dollars?!"

As she spoke, she asked Charlie, "Good son-in-law, she said that she can only carry three dollars for a towel worth ninety-nine dollars, is she lying? Why do I think at least one is worth it?" It's five or six yuan!"

charlie smiled and said, "Mom, you said it's too little, I estimate that souna's commission is at least twenty yuan per order."

"How much?!" Elaine was dumbfounded, incredible Blunted, "Can you earn at least 20 yuan per order? Then she sold more than 1,800 orders at once. According to this, she earned more than 30,000 yuan?!"

"About." charlie nodded and said "There may be some people who swipe the bill, or there may beSome of the goods are returned, but I estimate that I can earn at least 10,000 to 20,000.

Elaine was already mad with anger, she gritted her teeth and scolded, "Damn it, souna, that stinky bitch, would she spend so much money if she was given it?" ! "

charlie said casually, "Didn't he just buy a Mercedes-Benz Big G?" Hearing charlie 's words, Elaine was extremely depressed. But

what was even more depressing was that at this time, souna choked up and said, "All three thousand orders have been sold out, thank you family members!" Thank you family! Yanzi has nothing to repay, let's sing a song for everyone, this is the theme song of my favorite TV series, the heroine is almost worse than me, but her perseverance has always inspired me, let I am stronger! "

As she said, she hummed softly, "Yuyou years, you said you were so confused back then..."

Elaine felt dizzy for a while, and blurted out, "Damn, all 3,000 orders are sold out?" ! After finishing speaking ,

she exited and refreshed, and sure enough, it had been taken off the shelves, and the sales volume was exactly 3,000.

Elaine was so jealous that she rushed to the villa next door to tear up souna, and scolded through gritted teeth, "3,000 orders, Sixty thousand yuan! Is this making money? This is a robbery! After finishing speaking, she muttered angrily, "

Damn, with so many orders, just packing and express delivery will exhaust this bitch!" It's best to give her a tired cerebral hemorrhage, and she is paralyzed on the bed like Christopher and Harold! "

charlie shook his head helplessly, and continued to make up the knife, "Mom, souna is only helping the manufacturer to sell the goods live, she doesn't need to worry about packaging and delivery. After these 3,000 people place an order and pay, the manufacturer will start Packing and shipping, souna didn't have to do anything, just wait for the commission to be withdrawn. "

"What? ! Elaine was about to go crazy, and asked almost collapsed, "You said she earned so much money that she didn't even need to pack and deliver the goods herself?" ! So much money, let her brag and sing and earn it! Is there any F*cking reason for this? ! "
