

The Amazing Son In Law Chapter 5373 -

In Lin Wan'er (Alani)'s heart, she was a girl with a withdrawn personality and a bit of aloofness.

She doesn't like interpersonal communication, and likes to stay at home alone, read books, drink tea, write calligraphy and draw pictures, and burn incense to tell fortunes.

Qiu Yingshan's mansion really surprised her. Thinking of running around for days, she just wanted to take a good rest here and regain her slow pace of life.

Moreover, she has already decided not to contact Charlie before school starts, so it is the best plan for her to practice self-cultivation here and occasionally visit the places of interest in Aurous Hill in disguise.

So, she made a series of lists and asked Sister to help purchase them. In the list, there were a hundred ancient books, seal incense made of ten materials, tea leaves from five different origins, and various pens, inks, papers and inkstones.

Sister got the list and asked her with some doubts, "Miss Lin, I can understand everything else, but these one hundred ancient books, do you have any requirements? For example, the title of the book, the author, etc..."

"No." Lin Wan'er (Alani) smiled slightly and said, "Just go to the Aurous Hill Antiques Market and find some real ancient books. No matter what kind of books, as long as they are ancient books and can still be read, you can buy them. As for the money, let your family buy it directly." It's fine if you come out, Mr. Xian."

Sister was secretly surprised, these days, people who read physical books are rare, so why would anyone like to read ancient books.

Ancient books are also antiques, and buying a hundred antiques at once is certainly not a small sum.

However, her professional ethics always told her to do things according to her duties, and don't ask questions that shouldn't be asked.

So, she said, "Okay, Miss Lin, I'll get ready later!"

At noon, Lin Wan'er (Alani) and Qiu Yingshan and his wife had a sumptuous lunch at the manor on the first floor of Zijin Villa.

Not long after dinner, the travel-worn Sun Zhidong rushed over from Eastcliff.

Although Qiu Yingshan asked someone to go to the airport to greet him in advance, when Sun Zhidong arrived, he was still stunned when he saw that Sun Zhidong was alone, and blurted out, "Zhidong, you...why didn't you even bring a bodyguard?"

Sun Zhidong said without hesitation Said, "I came to Aurous Hill to meet Miss. Naturally, I should bring as few people as possible! Miss has a special status, and the situation is also special. I have to minimize the risk as much as possible."

Qiu Yingshan said, "But you come alone, they How can you agree? Even if you force them with a gun, they have to send someone to follow, right?"

Sun Zhidong laughed and said, "Not to mention, I really took out the gun and forced them not to follow me, but it was useless to me. The gun was aimed at them, but at myself, and I told them that I would live for half a year anyway, and if I was not allowed to go out of Beijing, I would shoot myself and finish the job ahead of schedule."

Qiu Yingshan asked in surprise, " Who said you can live for only half a year? I think you are in good spirits, and it is not a big problem to live another five to ten years!"

Sun Zhidong smiled helplessly, and glanced at Lin Wan'er (Alani).

Qiu Yingshan suddenly realized, and quickly asked Lin Wan'er, "Miss, did you figure this out ?

"

The turning point is..."

Lin Wan'er (Alani) said indifferently, "I don't know the details, but as long as the old grandson stays in Aurous Hill, there is a chance to find this turning point."

Then, Lin Wan'er (Alani) said, "This time coming to Aurous Hill is also a great opportunity for me. It is a once-in-a-lifetime opportunity. Whether you can avenge the murder of your father depends on this time. If you don't succeed this time, you may not have a chance in the future."

The Amazing Son In Law Chapter 5374 -

Qiu Yingshan was slightly stunned, and asked, "Miss, do you have a plan to eradicate the Po Qinghui (Benn)?" Is there a solution?"

"I don't have it." Lin Wan'er (Alani) shook her head, and immediately said, "But there is one person." After all

, Lin Wan'er (Alani) didn't hold back, and said to Qiu Yingshan and Qiu Yingshan's wife, "I came to Aurous Hill this time to find a A man named charlie, he saved my life in Northern Europe."

Afterwards, Lin Wan'er (Alani) told the two of her experiences in Northern Europe.

To her, Qiu Yingshan and his wife, like Sun Zhidong, were absolutely credible, and she couldn't come to Aurous Hill without the help of the two of them, so she didn't hide anything from them.

After saying this, Qiu Yingshan and his wife were naturally shocked and couldn't add anything.

When Lin Wan'er (Alani) talked about how she found out charlie's true identity step by step, Qiu Yingshan exclaimed, "The lady's savior turned out to be An Qishan's grandson?!"

Lin Wan'er nodded and asked him curiously, "Do you know An Qishan?"

"I know." Qiu Yingshan nodded and said, "In the early years, An's family was in the rubber business in the United States, and we had cooperated. Almost all the rubber in my hand was sold to him, which can be regarded as some personal friendship." As

he said, he Not only sighed, "His eldest daughter, Lydia (Ava) (Charlie's mom), was really powerful and impressive back then!"

Lin Wan'er (Alani) laughed and said, "You know the An family, my grandson knows the Wade family, and I was rescued by charlie. Chen has some connections."

Sun Zhidong on the side quickly asked, "Miss, you haven't said yet, how did you find charlie in such a short period of time? This is incredible..."

Qiu Yingshan was also stunned, Exclaimed, "Miss, did you find Charlie?! When did it happen?! Didn't we just arrive?"

Lin Wan'er (Alani) smiled slightly and said, "It was when I was at Aurous Hill University just now." As

she spoke, she told her today He told me the process of finding charlie's clue.

After Sun Zhidong heard it, he couldn't hide his shock and said, "This...isn't this a coincidence?!"

Lin Wan'er (Alani) nodded and said with emotion, "I didn't expect everything to go so smoothly."

Sun Zhidong couldn't help but sigh, "The Wade family and the An family also It's so stupid, I searched all over the world for twenty years, but I couldn't find this charlie, miss, you found him just an hour after you arrived in Aurous Hill..."

Qiu Yingshan looked puzzled, "But twenty years have passed, why is he still in Aurous Hill? If he was in Aurous Hill, how could he escape the Wade family and the An family's search?"

Lin Wan'er (Alani) said, "My preliminary guess is that twenty years ago someone Changed a new identity for charlie, and concealed his new identity, and the other party was very smart, and hid him in Aurous Hill all the time, and hid him extremely secretly, absolutely no one would have thought that he was an eight-year-old child , can hide so deeply in Aurous Hill, so after the two families have searched for Aurous Hill, they will definitely put the scope outside of Aurous Hill. In this way, the chance of charlie being exposed in Aurous Hill is very small. "

Sun Zhidong hurriedly asked, "Miss, when are you going to meet charlie?"

Lin Wan'er (Alani) said, "Don't worry, let's talk about it when Aurous Hill University starts."

Sun Zhidong asked again, "What are your plans before the start of school? "

"No plans." Lin Wan'er (Alani) said, "Lao Qiu is a very good place, I want to be quiet and quiet here first." She said, "By the way, Lao Sun, let Lao Qiu arrange a room for you, and you can stay here too. " Here it is, Lao Zhang will be here in a few days, you old buddies can get together first, I will go up and have a rest first, in the next three days, except for Sister's delivery and emergencies, don't bother me Me." The

two hurriedly said respectfully, "Good lady!"

the other side.

charlie took Claudia back to Mrs. Lewis's new home from the shopping mall. He and Lisa, like in the orphanage, helped Mrs. Lewis in the kitchen and helped Mrs. Lewis cook a table of delicious dishes.

Mrs. Lewis and Lisa were very happy to learn that Claudia's schooling had been settled, and they both expressed 100% support for Claudia's choice of archeology major.

The four of them had lunch happily, and Lisa suggested, "Brother charlie, do you have something to do this afternoon? If there is nothing, let's take Claudia to the famous scenic spots in Aurous Hill together!"

charlie apologized He said, "This afternoon may not be very convenient. I just came back, and I still have some things to deal with urgently."

charlie had already asked Isaac Cameron to find Abbas, and asked him for the current domestic address of the old lady who gave him the phoenix bone vine. .

In addition to visiting the old lady, charlie also has to hurry up and put the wedding of Zayne and Kairi on the agenda.

When he was in America, Zayne was able to propose to Kairi, which indeed changed charlie's impression of him a lot.

In addition, he was the father of Zara and Xion, so charlie didn't intend to continue to embarrass him any longer, so he hurriedly asked the two of them to hold the wedding, and after the wedding was completed, he would completely give Zayne freedom.

And they were still waiting for him to go back to China to discuss the date of marriage with them, so charlie planned to do it first this afternoon.

Lisa heard that he was busy, so she smiled and said, "It's okay, anyway, Claudia still has about a month to start school, so I have a lot of time, let's talk about it when you are free."

"Okay." charlie agreed , Said, "Then wait until I finish working these few days."

Afterwards, charlie sent Xion a WeChat message, asking if she was in He's villa.

Xion saw charlie's message, and asked him in surprise, "Mr. Wade, are you back?"

"I'm back." charlie replied, "I'm not far from the Elms family's villa now. If you're here, I'll drop by in a while."

"I'm here!" Xion said excitedly, "Everyone in the Elms family Everyone is here, my dad is also here, when will you come?"

charlie looked at the time and said, "About twenty minutes."

"Okay!" Xion said excitedly, "Then I'll wait for you!"

charlie After saying goodbye to Mrs. Lewis and the three of them, they drove to He's villa alone.

These days, everyone in the Elms family is deeply in joy and cannot extricate themselves.

Kairi was reborn with a broken arm, and Xion's cultivation was promoted to two levels, becoming a five-star warrior. For the Elms family, this was a happy event that they could not even dream of.

In addition, there is another great joy, that is, Kairi has agreed to Zayne's marriage proposal. After Charlie returns to China, the two can choose an auspicious day to complete the wedding.

These past few days, Wilfred, the old man of the Elms family, was so happy from ear to ear every day that he hoped that his daughter would get married as soon as possible.

As a father, he has always been very distressed about the situation of his daughter. A disabled woman with a broken arm is also a single mother who gave birth to a child out of wedlock. He has suffered and suffered too much in the past 20 years. The lack of love and affection has been filled, and he is naturally very pleased.

As for Xion, that's needless to say.

In the past few days, she has been searching for wedding cases on the Internet, hoping to plan an unforgettable wedding for her parents.

Hearing that Charlie was coming, Xion immediately told her parents and grandfather Wilfred.

The Amazing Son In Law Chapter 5376 -

The crowd was so excited that they quickly summoned all the Elms family members and waited in the courtyard to welcome them.

When Charlie arrived at the Elms family's villa, the Elms family was already waiting in line on both sides, and Zayne, who had a new look, was also on the way to welcome him.

As soon as Charlie got out of the car, the Elms family, led by Wilfred, knelt on the ground in unison, and said respectfully, "Mr. Wade is good!"

Even Zayne, after seeing all the Elms family members kneeling, knelt down without hesitation. Kairi and Xion's side.

Charlie was a little surprised, and quickly said, "Please hurry up, it's not the first day you know me, why did you make such a big

fight." Wilfred, who was kneeling at the front, said respectfully, "Mr. Wade's kindness to the Elms family is as great as a mountain, and Elms family can have today's good fortune, all thanks to Mr. Wade, please Mr. Wade accept the homage of the Elms family!"

charlie took a step forward, helped Wilfred up, and said firmly, "The Elms family has long been loyal to me. If you are loyal to me, I will naturally give you enough in return."

Then, he said to the other people who were still kneeling, "Please get up, everyone, I have something to talk to Mr.Elms, Ms.Elms and Mr.Elms today. Make up your mind, Mr. Banks, let's move inside and talk about business!"

Wilfred knew that charlie came for his daughter's wedding with Zayne, and he was even more excited, so he quickly bowed down and made an invitation He said in a loud voice , "Please, Mr. Wade!"

Everyone moved to the lobby on the first floor of the villa. Wilfred asked the other Elms family members to temporarily disperse, leaving only Kairi, Zayne, and Xion.

The four of them sat down on the reception sofa, and charlie got straight to the point and said, "Mr.Elms, when Mr. banks and Ms.Elms were in the United States, they already had the intention of getting married. I wonder if you support it?"

Wilfred said without hesitation, "Support , Support! Ten thousand supports!"

charlie nodded, and said, "In this case, let's set a time for the wedding. As long as you fix the time for the wedding, the sky garden of Shangri-La Palace will be available for you to use anytime.

"The garden is the best banquet venue in Aurous Hill, but it has never accepted reservations here. Since its establishment, only charlie and Claire held a wedding there.

From charlie's point of view, Zayne was originally the son of banks's eldest son with a prominent status, and Kairi was Xion's biological mother. Since he wanted to hold a wedding for them, he naturally had to make it grander and more luxurious.

Letting them hold their wedding in the sky garden is the best solution charlie can give so far.

Xion was also very excited when she heard about it. She had lived in Shangri-La Palace for a while and knew that the sky garden of Shangri-La Palace was extraordinarily luxurious and beautiful. Have an unparalleled dream wedding.

Zayne was also very grateful, and cupped his hands to charlie and said, "Thank you Mr. Wade for making it happen!"

After that, he said, "As for the time of the wedding, I think the sooner the better if there is enough preparation time. What do you think?"

Charlie smiled and said, "I have no objection." Wilfred on the

side said, "I have read the almanac, there are several good days in August, and August 8th is the most, and there is still about a week left. Although the time is a bit rushed, if the pace is faster, it is quite sufficient, especially Mr. Wade has already taken out the hanging garden of Shangri-La Palace for the two of them to use. Ordering should be completed in a week, so I suggest choosing this day."

Xion asked subconsciously, "August 8 is a bit rushed... Mom's wedding dress hasn't been chosen yet..."

charlie smiled and said, "The wedding dress is easy to deal with. , the only store in the province that specializes in veraang wedding dresses is invested by Jasmine moore of the Moore Family. I'll give her a call and you can go and choose anytime."

Zayne immediately said excitedly when he heard this, "In this case, then Just set it on August 8th!"
