

The Amazing Son In Law Chapter 5431 -

Lin Wan'er (Alani) thought to this point, and when she looked at Mia (Liu Manqiong) again, she suddenly joked with a smile, "Sister Mia, I think you came to Aurous Hill from Hong Kong Island so far away, it doesn't seem like you are looking for a job!"

Mia (Liu Manqiong) asked in surprise, "Why are you so far away? Say?"

Lin Wan'er (Alani) said with a narrow smile, "It feels more like she is desperate to pursue her sweetheart."

Lin Wan'er (Alani)'s seemingly teasing words pierced Mia (Liu Manqiong)'s heart at once, and she was a little flustered immediately, but she quickly covered it up "How... how come... I've never been to Aurous Hill, and I don't have any acquaintances here, let alone my sweetheart."

Although Mia (Liu Manqiong) hurriedly concealed it, the fluster in her expression had already been recognized by Lin Wan'er (Alani) . captured.

It was this slight change that made Lin Wan'er (Alani) more sure that her judgment was definitely correct.

Combined with Mia (Liu Manqiong)'s identity, besides Charlie, who else could make a rich young lady like her let go of her reserve and chase him all the way from Hong Kong Island to Aurous Hill?

However, Lin Wan'er (Alani) understands human nature very well, knowing that at this time, since Mia (Liu Manqiong) is a little flustered, she must stop in moderation, borrowing a sentence from the art of war, that is, the poor should not be chased.

So she immediately changed the subject, and said with a smile, "I saw that you are so beautiful, Sister Mia, so I deliberately made fun of you!"

Lin Wan'er (Alani) suddenly withdrew, which relieved Mia (Liu Manqiong). What is really seen.

From her point of view, although she loves Charlie deeply, Charlie is a married man after all. Even if she chases after Aurous Hill, she must never tell other people about her feelings. It is impossible for others to guess the clues. No.

However, she did not expect that Lin Wan'er (Alani) suddenly shot back at this time, and said to herself, "Sister Mia's family background is so good, and she is so outstanding. In Hong Kong Island, I am afraid that even the young talents who pursue you will not be able to pick you." , so how could you have a crush on a man from Aurous Hill?"

Lin Wan'er (Alani)'s move was based on retreat, and immediately touched Mia (Liu Manqiong)'s deep love for Charlie. She blurted out almost without thinking, "It's not so absolute. Although Hong Kong Island is much more developed than Arous Hill, men in Arous Hill may not be worse than Hong Kong Island."

In Lin Wan'er (Alani)'s eyes, Mia (Liu Manqiong) was subconsciously defending Charlie.

The so-called Aiwujiwu, if you really like a person, you will naturally defend everything related to him, not only not allowing others to say that he is not good, but even not allowing others to say that the city he lives in is not good.

Mia (Liu Manqiong) has such a mentality at the moment. She feels that Lin Wan'er (Alani) should not think that Hong Kong Island is better than Arous Hill in every way, because Hong Kong Island will never find a man like Charlie, so she must clarify her position on this point.

However, she didn't know that Lin Wan'er (Alani) had led her around by the nose several times. At this moment, Lin Wan'er (Alani) smiled sweetly, and

said with apologetic expression, "Sister Mia is right, it's because my way of understanding and looking at the problem is too one-sided."

, and couldn't help thinking to himself, "Miss has never behaved like this before. Is this intentional to test Mia? It's a pity that Mia can't see it at all."

At this time, the old lady Qiu followed the two people just now . topic, and sighed, "Mia, you are old and young. It's time to find a boyfriend and talk about marriage. The best time for a woman is the golden ten years from 18 to 28. If you delay it, you will regret it. It's too late."

The Amazing Son In Law Chapter 5432 -

Mia (Liu Manqiong) hesitated and said, "Grandma Qiu, I just graduated and I'm looking for a job soon, so I don't care about finding a boyfriend, let's talk about it after everything settles down." The

old lady Qiu nodded and sighed. Said, "Grandma is just afraid that you are wasting too many women's good time."

She then asked, "What kind of boy do you like? Grandma will help you find one later!"

Mia (Liu Manqiong) said quickly, "No need, Grandma Qiu, I think this This kind of thing still has to be encountered slowly, if you don't meet it, then it's fate, and if you wait, there will always be."

Seeing her firm attitude, Mrs. Qiu sighed softly and nodded slightly.

After lunch, Mia (Liu Manqiong) sat in Zijin Villa for a while, and then, accompanied by Sister Xian, drove to Aurous Hill University for an interview.

Lin Wan'er (Alani) smiled like a flower and sent Mia (Liu Manqiong) into the car. After the car walked out of the gate of Zijin Villa, when she turned around, she had already shed her innocent and innocent smile and returned to her usual calmness.

Qiu Yingshan followed behind, and said respectfully, "Miss, I have a question, I dare to ask you..."

Qiu Yingshan saw that Lin Wan'er had been cheating on Mia (Liu Manqiong), so he was a little puzzled, wondering why Lin Wan'er did this.

Lin Wan'er (Alani) knew what he wanted to ask, but she just said calmly, "Go and find out if Mia (Liu Manqiong) and charlie have met in the past, and you will know why."

"charlie?!" Qiu Yingshan asked in surprise, "Miss, what do you mean? Say, Mia came to Aurous Hill for charlie?"

Lin Wan'er (Alani) nodded, and said calmly, "I guess so, although I have 99% certainty in my heart, but I don't dare to be 100% sure, I guess Mia (Liu Manqiong) and charlie must have met before."

Speaking of this, Lin Wan'er (Alani) thought of something, and said, "Since Mia (Liu Manqiong) came to Aurous Hill for the first time, you can ask Lao Sun to check the entry and exit records of charlie with his current identity and see where he goes. I have never been to Hong Kong Island, if I have, I will check to see if he has had any contact with Mia (Liu Manqiong) when he went to Hong Kong Island." As he

spoke, Lin Wan'er (Alani) asked curiously, "By the way, where is Old Sun? I didn't see him for lunch. "

Qiu Yingshan said, "He is sleeping in his room, saying that he doesn't want to see strangers, and his identity is too sensitive, and he doesn't want people to know that he is in Aurous Hill."

Lin Wan'er (Alani) hummed, and said, "Let him check it out ." Well, I'm curious too, let me know the result."

"Okay."

Right now, charlie, in front of Lin Wan'er (Alani), no longer had the best disguise.

His current identity information has been mastered by Lin Wan'er (Alani), coupled with Sun Zhidong's special identity and background, it is easy to check charlie's entry and exit records at the customs.

Soon, Sun Zhidong found out the entry records left by charlie at the Hong Kong Island Customs when he went to Hong Kong Island before.

Later, he asked people to check the surveillance video of the airport.

Because the entry record has the entry time accurate to the second, and there is also a clear entry channel window number, so it is easy to find the monitoring of charlie's entry into Hong Kong Island that day.

Since the public areas of the airport are all 360-degree surveillance without blind spots, it is easy to find the scene of charlie walking out of the airport exit and Liu Jiahui and his wife respectfully welcoming them.

When Qiu Yingshan saw these video materials, he admired Lin Wan'er (Alani) completely.

He really couldn't figure it out. He was there the whole time Mia (Liu Manqiong) came here today. Mia (Liu Manqiong) didn't reveal any information about charlie, and didn't even say a word about charlie. How did Lin Wan'er guess that she was for charlie? Now, how did you guess that the two had crossed paths on Hong Kong Island?

The Amazing Son In Law Chapter 5433 -

When Qiu Yingshan reported the information he found to Lin Wan'er (Alani) full of doubts, Lin Wan'er (Alani) was not surprised at all.

She just said with a half-smile, "This charlie is obviously married, and he is still messing around everywhere. If he goes to Hong Kong Island, Mia (Liu Manqiong) will come all the way to Aurous Hill. If he goes to other places, he may also be hooked." With the souls of one or two little girls, if we can figure out charlie's itinerary over the past few years, maybe we can find a lot of infatuated women."

Qiu Yingshan smiled awkwardly, and sighed, "I can only say This kid is very charming, but Mia likes him as a married man, and I'm afraid it will be difficult to achieve a good result in the future..."

Lin Wan'er (Alani) smiled slightly, thinking of something, and then asked Qiu Yingshan, "Can you check the last time charlie went? Seeing Liu Jiahui on Hong Kong Island, what is his identity and what is he going to do?"

"It's easy." Qiu Yingshan nodded and said, "I'll call Jiahui and ask."

"No!" Lin Wan'er stopped him, opened the mouth and said, "Since Mia (Liu Manqiong)'s father knows charlie, he must also know that the real purpose of his daughter's visit to Aurous Hill this time is for charlie, and he also knows that his daughter just had lunch with you. If you Suddenly call him to ask him about charlie, you will definitely arouse his

suspicion, and then he will talk to Mia (Liu Manqiong), and we will not be able to explain the motive.”

Qiu Yingshan said with annoyance, “I am stupid, I didn’t pay attention. Considering the stakes involved, I am really ashamed...”

“It’s okay.” Lin Wan’er (Alani) said lightly, “It’s my fault that I didn’t make it clear to you. The premise of investigating this matter is that it cannot be exposed.”

She then said, “Investigate this matter. , You must curve to save the country, you can’t ask him directly, and you can’t ask people around him or people who have intersected with him, it’s best to find a controllable intermediary to inquire.”

Qiu Yingshan thought for a while, and opened his mouth Said, “It’s easy to handle. One of my former subordinates is related to Jiahui’s housekeeper. Later, he left me on the surface and returned to Hong Kong Island to develop. But in fact, I secretly funded him to work for me in Hong Kong Island.” , I’ll let him ask, the two of them are relatives, so they should be easy to talk to.”

“Okay.” Lin Wan’er (Alani) nodded, and then said, “By the way, tell Lao Sun again, I want charlie’s current status, and ask him to adjust and sort out all the entry and exit records for the past two years. Send me a list.”

“Yes ma’am!”

...

ten minutes later.

Together with Sun Zhidong, Qiu Yingshan came to Lin Wan’er (Alani) with a piece of printed paper.

Standing in front of Lin Wan’er (Alani), Qiu Yingshan said respectfully, “Miss, you asked me to investigate almost everything.”

Lin Waner nodded, “Let’s talk about it.”

Qiu Yingshan said, “First of all, charlie went to Hong Kong Island to meet Jiahui. The news I got was that charlie was an executive of Ysu Shipping Group at that time, and Jiahui had always wanted to cooperate deeply with Ysu Shipping, so Ysu Shipping sent charlie to have an interview with him, by the way Investigate his situation.”

“Ysu Shipping?” Lin Wan’er (Alani) frowned and asked, “What is the background of this company? With charlie’s identity and strength, I don’t believe he will hold a senior management position in any company.”

Qiu Yingshan hurriedly said, "Yisu Shipping has a lot of background. This is an ocean shipping group jointly operated by the Japanese Ito family and the China Banks family. Since the two companies already have very strong strengths in ocean shipping, after they are combined into one, it will be even more powerful. He has become a giant in the shipping field."

"The Banks family and the Ito family..." Lin Wan'er (Alani) pursed her lips and thought, "I have heard about these two families, one is the most powerful family in China, and the other is the most powerful family in Japan. There is nothing strange in the business field, but the strange thing is, why did Charlie go to meet Liu Jiahui as an executive of this company? He works for a shipping company."

The Amazing Son In Law Chapter 5434 -

Sun Zhidong interjected at this time, "Miss, there is another relationship here, which is even more strange."

Lin Wan'er (Alani) asked him, "What is the relationship, tell me."

Sun Zhidong explained, "That's right, the Banks family and the Wade family have been fighting openly and secretly for so many years, and the troubles in the early years were very unpleasant. Even the Banks family took the lead in forming an anti-Wade alliance in Eastcliff back then, just to fight against the Wade family. , until Bruce and his wife died unexpectedly, and the Wade family's vitality was seriously injured, the Banks family became the most powerful family in China, and it has always dominated the Wade family. It can be said that the two families have had a long-standing grudge, so I don't understand how could Charlie help Yisu Shipping..."

Lin Wan'er (Alani) shook her head and said, "Your thinking is wrong, it's not how Charlie can help Yisu Shipping, but whether Yisu Shipping is doing things for Charlie."

Qiu Yingshan and Sun Zhidong couldn't even understand the meaning of Charlie's mastery of spiritual energy.

But Lin Wan'er (Alani) deeply understood that with Charlie's strength and the courage of Charlie to fight against the Po Qinghui (Benn), it is impossible for any company in this world to order him.

So, after confirming this view, and then analyzing why Charlie went to see Liu Jiahui as an executive of Yisu Shipping, the conclusion she can draw is that there is a high probability that Yisu Shipping has a deeper connection with Charlie.

Because most of Qiu Yingshan's industries are located in Singapore and Malaysia, he has a good understanding of the current situation of the shipping market. He said at this time, "By the way, Miss, the origin of Yisu Shipping is really not simple. I don't know why. The relationship with Wanlongdian is very close. Now Wanlongdian has set

up an armed escort company, which almost monopolizes the commercial escort share of the entire Gulf of Aden. With the protection of Wanlongdian, the ships of Yisu Shipping are like nothing in the entire Gulf of Aden. In the realm of human beings, no pirate dares to touch their bad luck!”

“Wanlongdian?!” Lin Wan’er (Alani) frowned, muttering, “This is a famous mercenary organization. In the past, it only cooperated with governments and local warlords. How could it be possible? Is it deeply bound to a company?”

Sun Zhidong frowned suddenly, and murmured, “This person is also old, and his brain is really not enough. I just remembered a very important thing, which is related to Wanlongdian.”

Lin Wan’er (Alani) raised her head and said eagerly, “Tell me!”

Sun Zhidong said, “The Banks family has a very deep relationship with the Wanlong Palace. The father of Wan Pojun, the owner of the Wanlong Palace, was once the subordinate of Su Shoudao, the young master of the Banks family. The Banks family has always wanted to completely destroy the Wade family. Some time ago they Join hands with the Wan Po Army to kill Yeling Mountain, the Wade family’s ancestral grave, and plan to level the Wade family’s ancestral grave. In order to save their lives, the Wade family ceded half of their property to the Wanlong Palace. It was barely escaped...”

“How is it possible! “Lin Wan’er (Alani) said almost without thinking, “With charlie here, how could the Wade family lose? “

Sun Zhidong said subconsciously, “But the Wade family did lose... Almost everyone in the whole country knows about this matter...”

Lin Wan’er (Alani) shook her head and said, “Impossible, as long as charlie is on Yeling Mountain that day, the Wade family will lose.” It is absolutely impossible to lose. “

Sun Zhidong said, “Maybe charlie was really not there that day...”

“It’s impossible. Lin Waner said again, “As you said, since Yeling Mountain is the ancestral grave of the Wade family, charlie’s parents must be buried there, and in order to avenge his parents, charlie even dared to attack Po Qinghui (Benn), and the Wanlong Palace will destroy him.” How could he not go to his parents’ tomb? “

This...” Sun Zhidong fell into deep thought for a moment.

He was also a little confused by this series of inferences.

Lin Wan’er (Alani) muttered at this time, “The Banks family has a relationship with the Wanlong Palace, and the Banks family has a joint venture with the Ito family. these

seem to be all right, but the question is, the Banks family and Wanlongdian want to level the Wade family's ancestral grave, why did charlie go to see Liu Jiahui in Hong Kong Island as an executive of Yisu Shipping? ! “

“It's like the three Axis countries during World War II. It's okay for them to form alliances and cooperate with each other, but the United States was fighting them to the death. How could it be possible to shake hands with them all of a sudden?” So, I want to know, what resolved the hatred between charlie, the Banks family and Wanlongdian? “

Sun Zhidong and Qiu Yingshan also looked at each other. The

Banks family, Wade family, Wanlongdian, Ito family, and charlie, the relationship between them seems to be intricate and difficult to discern the truth.

At this time, Lin Wan'er (Alani) said again, “Hate will never go away.” The disappearance for no reason, the disappearance of hatred must be due to one party conquering the other, just like the United States dropped two atomic bombs on Japan in 1945, but Japan finally became the most solid ally of the United States in Asia. Once conquered, There will be no more hatred. “

Speaking of this, Lin Wan'er (Alani) said with firm eyes; “The Banks family and the Wanlong Palace will never conquer charlie. The only possibility is that charlie can conquer the Banks family and the Wanlong Palace!”
