

The Amazing Son In Law Chapter 5470 -

Seeing that Elaine had cheated herself to death, but still kept flaunting herself, souna was even trembling with anger!

She pointed at Elaine, raised her head and cursed, "Damn, you won't come down, will you? If you don't come down, I will rush up and throw you off the balcony! If I don't kill you, I will not be human!

"Oh, you scare me to death souna, you are a black-hearted anchor who has made two bucks, and you are lawless and lawless, don't you? Do you know that trespassing on private houses is to Imprisoned?! Come in and try if you have the ability, and I will call the police right now!"

souna's arrogance suddenly weakened a little unconsciously when she heard this.

She is smarter than Elaine, knowing this situation, she can't do anything out of the ordinary except for using her temper to scold her mother.

Not to mention that trespassing on a private house is a crime, Elaine's son-in-law charlie alone can't afford to offend him.

That charlie is in Aurous Hill, but he is a man with great hands and eyes. Many rich and powerful people follow behind him, yelling at Master wade one by one. If he really rushes in and angers charlie, it will be even worse. There is no good fruit to eat!

However, at this moment, she was full of anger and had nowhere to vent, and her whole body was completely broken. She simply took off her shoes, slammed on the door frantically, and cursed angrily, "Elaine! If you cut off my money, I will kill you sooner or later! I'm a ghost and I won't let you go! Come down for me!!!"

For a moment, the whole community was in a panic.

However, this is a high-end community after all, and no one yelled at them when they heard the quarrels and noises below, but many people stuck their heads out to watch the excitement, and then they stopped asking.

Even Mia (Liu Manqiong), who lived on a high floor and was admiring the river view, was attracted by the commotion in the community. Seeing someone swearing in the community, she went to the south window and frowned, and vaguely saw a crazy woman in the villa area. He yelled and cursed outside the door, so he simply closed all the windows on the south side.

At this time, souna was like someone who had no guns or cannons and wanted to attack Ping'an County alone. Seeing the solid gate of charlie's house, she kept cursing hysterically.

Elaine was lying on the railing, although souna's unbearable curses were all in her ears, but she still laughed happily when she saw souna's panic-stricken appearance.

So she was not angry, but stopped the video recording first, took out a handful of melon seeds from her trousers pocket, and threw the melon seeds from the terrace while nibbling, and at the same time looked at souna with a playful face. Yan shook her head and said, "souna, to be honest, I just like to see you want to kill me but have nothing to do with me, like a vicious dog who barks but can't eat bones, not to mention how interesting it is." !"

souna was so angry that she almost vomited blood, stomped her feet and scolded, "Elaine! I must tear your f*cking mouth apart!"

Elaine said contemptuously, "Oh, souna! , aren't you usually very polite when you speak? Why is your quality so low now? This is not the way you usually talk to your family members in the live broadcast room!" Said, Elaine imitated souna's live

broadcast Huo's tone, crying and saying, "My family! Come and help Yanzi! Yanzi's husband and son are paralyzed! The mother-in-law is starving to death without food! She is about to give birth, and has no money and no child to buy milk powder! Yanzi also has a venereal disease and no money for treatment, and she scratches all over the place with itchy thorns all day long, and has no money to see a doctor!" souna did not expect that Elaine would expose her here

. Short, the more I listened, the more angry I became, and finally I couldn't get enough of it, so I threw the high-end leather shoes in my hand at Elaine.

Elaine reacted quickly, she tilted her head and dodged it, then turned to souna with a smile and said, "Hey, you're a bitch!"

souna gritted her teeth, took off the other shoe and smacked it. In the past, Elaine tilted her head again to dodge perfectly, then looked at souna, and smiled and said, "Oh, you still use your grandma Ma as Bush?"

The Amazing Son In Law Chapter 5471 -

Bush, the president of the United States at that time, was even lost two shoes by Iraqi reporters. Easily dodged, that scene has always been a classic scene in the international news, and now Elaine also avoided souna's two combo attacks, and immediately connected herself with Bush.

souna really broke Elaine's anger. Because she was too angry, her breathing became short of breath and her brain became dizzy. Then she took a few steps back uncontrollably, and sat down on the ground. Then she looked at Elaine was so mean as to eat melon seeds, and cried, "Elaine, you are too much of a bully! Woooooo... It's been a few days since I finally turned around, why are you screwing me to death? You!

Wooooooooooooooooooooooooooooo Huh... I have been bullied by the old lady Xiao for half my life, and now I can finally stand up and call the shots, and you are driving me to death again, are you with her?" Elaine licked melon seeds

while He said with a smile, "souna, your mistake is that you shouldn't be so embarrassing in front of your grandma Ma, what's wrong? It's not you who earns two money. You come to me every day to feel your presence, don't Forget, the money you earn is all dirty money, even if I don't expose you, sooner or later someone will expose you." As he spoke,

Elaine narrowed his eyes and smiled again, "Oh, I don't know much about the law. , I don't know if this is considered a fraud? If it is a fraud, the amount of money involved in your case is huge, and the police may come to arrest you!" souna was terrified when she heard this

!

Driving all the way here, all she could think about was that her fortune would be cut off., I hated Elaine in my heart, but I forgot that after I was exposed, it seemed that it was not just as simple as being cut off from my fortune!

Making up stories to deceive the public, concealing income and failing to declare taxes are all big hidden dangers!

Just when souna was at a loss, many law enforcement vehicles drove into the community one after another, including the police, taxation department and industry and commerce department.

The blue and red lights on various law enforcement vehicles were constantly flashing, which was so dazzling that souna was so frightened that she trembled all over.

Among them, two police cars parked in front of souna's Mercedes-Benz, and several police officers got out of the car and walked to souna.

One of them looked at her and asked coldly, "Are you souna?"

souna looked at the police officer in front of her, and asked with a pale face, "I am...you...what's the matter with you?"

The policeman said blankly, "According to the information exposed on the Internet, we suspect that you are involved in fraud and tax evasion. Please go back with us and cooperate with the investigation!" As soon as she heard that she wanted to cooperate with the investigation, souna knew this

. This time I was afraid that I was really going to die, so I said in great horror, "Officer... I... I didn't cheat..."

Did I make a mistake ?!" I know, hurry up and come with us!"

Then, the police officer pointed to the villa in front of him and asked, "Is this your home? Your husband, your son, and your mother-in-law live here They also have to cooperate with us in the investigation!"

souna was so frightened that she couldn't speak, Elaine pointed to the villa next door excitedly on the balcony and said, "Officer, this is my house, not hers. The house is next door! Her husband, her son, and her mother-in-law you are looking for all live next door!"
