

The Amazing Son In Law Chapter 5485 -

Hearing this voice, the three women followed the prestige and saw that charlie had already stepped into the sky garden.

The expressions of the three women were unconsciously excited at this moment.

But because they knew that charlie was talking about Zara banks's brother, Xion and Ito Nanako just smiled at charlie and didn't speak.

Zara banks was overjoyed, and quickly confirmed with charlie, "Mr. Wade, you mean, can you bring my brother back?" "Yes."

charlie nodded, and said calmly, "But it can only be for the wedding, the wedding After the end, he will continue his unfinished punishment."

Zara banks asked subconsciously, "Then... Mr. Wade, if my brother comes back to attend the wedding, after the wedding, he will still return to the place where he was picked up before , or start everything from the beginning?"

charlie smiled and said, "Of course, he will go back to where he came from, how could I let him start from the beginning."

Zara banks immediately breathed a sigh of relief, and said gratefully, "Thank you, Mr. Wade, for your generosity. Then I will arrange for someone to pick him up..."

charlie waved his hand, "I'll let Isaac Cameron pick him up, your brother's movements, Isaac Cameron's subordinates have been watching, and they can pick him up at any time, besides, he's been away for so long , who lives and sleeps all day long, and has no contact information on him, so it will be difficult for you to find him in a while."

"Okay..." Zara banks nodded, and said respectfully, "Then I will trouble Mr. Wade."

charlie said, " I'll make arrangements now, and if it's quick, he will be able to arrive in Aurous Hill tonight."

Zara banks mustered up his courage and asked, "That... Mr. Wade... can I ask you one more thing..."

charlie nodded and said, " Tell me."

Zara banks pursed her lips, and said quietly, "You know, my mother has been living in Aurous Hill since the divorce, and she missed my brother very much during this time, so I think my brother will come back this time, You can let him meet my mother too."

charlie readily agreed and said, "No problem, I will ask isaac to bring him back before tonight. From today until August 10th, he can move freely within the jurisdiction of Aurous Hill City. At eight o'clock in the morning, let him come to Shangri-La on time and report to isaac."

Zara banks didn't expect that although his father and Kairi's wedding date was on the eighth, charlie gave him an extra two days, and he felt complacent I was very grateful, so I said without thinking, "Okay, Mr. Wade, I will stay in Aurous Hill and keep an eye on him, and make sure that he will report to Shangri-La on time at eight o'clock in the morning on August 10!" At this time, Isaac Cameron learned that charlie had come to the hotel

, So when he heard the news, charlie called him to the front and asked, "Old isaac, where is Fitz, Young Master Banks?" Isaac Cameron was slightly taken aback, then

glanced at Zara banks, and said awkwardly "Master Banks has gone for about a third of his time, and he has already arrived in Sanqin Province."

charlie nodded and said, "You can arrange someone to bring Master Banks back. Remember, mark the location where you picked him up, and send Young Master Banks back to the original place on August 10th." "

Okay." Isaac Cameron said without thinking, "I'll arrange the local men to pick up Young Master Banks by helicopter. , we have a plane at Chang'an Airport, and when Master Banks arrives, the plane can take off and bring Master Banks back directly." "Okay."

charlie instructed, "You make arrangements as soon as possible."

...

Soon, a helicopter came from three The outskirts of Chang'an, the capital of Qin Province, took off and flew quickly all the way to the southeast.

The straight-line distance between here and Fitz's location is only more than 40 kilometers, and the helicopter can reach it in only ten minutes at full power.

At this moment, Fitz, who was walking on the land of Sanqin, continued his pilgrimage even though he had a scruffy beard and was covered in tatters.

The Amazing Son In Law Chapter 5486 -

Although his body was tattered, he wore thick protective gear on his hands and knees. Every three steps he took, he had to kneel on the ground, and then he kowtowed to the ground before getting up. After getting up, he took another three steps and continued to kneel down. So cycle.

When he first started on the road, Fitz's body couldn't bear such high-intensity exercise at all, and his body was tortured. He had already reached his limit by walking three to four kilometers a day, which was much slower than the speed of ten kilometers a day for normal believers. .

However, with the passage of time and the longer and longer distances, he gradually adapted to this rhythm, and gradually increased from three to four kilometers a day to the current seven or eight kilometers.

In more than five months, he has traveled more than a thousand kilometers.

Originally, Fitz felt that he was a standard outlier when he kowtowed three times on the road during the day and slept in the open at night.

But as he walked farther and farther, he gradually discovered on the road that there were many people who, like himself, kowtowed their long heads and made pilgrimages to the southwest.

The difference from them is that these people are all people of faith, and Fitz is an atheist himself. Others do this for their faith, but he has to do this because charlie ordered him to do it. thing.

However, as the distance traveled got farther and farther, Fitz's mentality became more and more relaxed.

In the process of progress, he almost replayed his life of more than 20 years several times.

During the review process, Fitz also became more and more aware of his many mistakes and shortcomings in the past. Over time, Fitz felt that he was a guilty person.

Relying on the young master of the Banks family to be arrogant and domineering, ignorant and incompetent, is the first crime;

being rescued by charlie without gratitude is the second crime;

his father was taken away by his grandfather, his mother and sister were murdered by his grandfather, and his life and death are unknown At that time, for the sake of my future, I went to the culprit and got my grandfather to compromise. This is the third deadly sin.

Over time, although Fitz didn't have any religious beliefs, he was surprised to find that the punishment that charlie gave him, which was similar to corporal punishment, could calm his heart down.

After the mind calmed down, the daily fatigue of the body was no longer a kind of torture to him.

He is like a person who has never exercised, but became addicted to fitness because of his insistence on exercising. He gradually began to immerse himself in it, unable to extricate himself. As long as it is not a strong wind and rain, he will never stop moving.

Moreover, after he reflected on his mistakes and sins over the years, the hatred for Charlie gradually disappeared in his heart, and he finally understood Charlie's intention of making him make a pilgrimage all the way.

In the past, he was dazzled by interests and material desires, and his family and humanity were greatly affected by this. After such training, his material desires have already been reduced to the extreme. Luxury houses, luxury cars, yachts, and airplanes are all things to him. It's all a passing day, and now he only needs to fill his stomach every day, and he has already lived a very fulfilling life.

With the reduction of material desires, his humanity gradually recovered. He began to miss his relatives and sympathize with the poor people along the way. When he saw the poor areas, he silently remembered them in his heart, hoping that when he had the ability in the future, he would What can be done for them.

In Fitz's mental journey, he not only overcame the difficulties and obstacles on the road, but more importantly, he was purified and sublimated in his own spiritual level.

Just as Fitz continued to kowtow three steps at a time, there was a whistling sound of a helicopter in the sky, and a helicopter quickly flew in front of him from far and near, and then landed slowly in front of him.

After kowtowing, Fitz stood up from the ground, looked at the helicopter, and wondered why the helicopter blocked his way.

At this moment, the hatch of the helicopter opened, and a middle-aged man jumped out of the plane, stepped in front of Fitz, and said, "Master Banks, my master please go back."

The Amazing Son In Law Chapter 5487 -

"Your young master?!"

Fitz asked in amazement, "Who is your young master?"

The middle-aged man said respectfully, "My young master is in Aurous Hill and his name is Charlie!"

“Charlie?!” When Fitz learned that the middle-aged man in front of him was actually sent by Charlie to invite him back, he was horrified in his heart!

He looked at the man and asked in surprise, “You said that Mr. Wade invited me back?”

“Yes.” The middle-aged man nodded and said seriously, “The plane is already waiting to take off at the airport. You send me back to Aurous Hill.”

Fitz widened his eyes and said, “Hi, I want to know, I haven’t reached the finish line yet, why did Mr. Wade let me go back now?” The

middle-aged man didn’t hide anything, and said directly, “Young Master banks, your father, Mr. Zayne, is getting married soon, and the wedding will be held in Aurous Hill. What Mr. Wade means is, let me pick you up to attend the wedding, and come back to continue the pilgrimage after the wedding is over.” “

“Father is getting married?” Fitz was dumbfounded for a while, but he quickly recovered and asked, “Is my father going to marry Aunt Elms?” The middle-aged man shook his head and said apologetically,

“I’m sorry, Young Master banks, I don’t know the specific situation, I’m the person in charge of the Wade family in Shanxi and Shanxi provinces, and I don’t know much about the situation in Aurous Hill.” After that, he said again, “Master Banks, my young master hopes that you will arrive as soon as

possible, He said that your sister is waiting for you in Aurous Hill, and your father and mother are also in Aurous Hill, go back earlier, and you can have more time to reunite with them.” Fitz recovered, nodded quickly and

said “Okay! Thank you for your hard work!”

After finishing speaking, he looked at the surroundings and asked the middle-aged man, “Can you please record exactly where I am now?” The

middle-aged man said, “Don’t worry, Young Master banks. I have recorded the coordinates, and I will be responsible for sending you over when the time comes.”

Only then did Fitz feel relieved and was about to get on the plane. Seeing his dirty body, he said a little embarrassedly, “I might dirty the interior of your helicopter...” The middle-aged man smiled and said,

“It’s okay, you don’t need to worry about it, let’s hurry up and set off!”

“Okay.” Fitz nodded and stepped onto the helicopter.

When the helicopter took off, Fitz kept looking at the place where he got on the plane just now. He wanted to remember the geography and landforms here, so that he could make sure that he would not mistake the place when he came back.

And when the helicopter rose higher and higher, he looked at the continuous, majestic and mighty Qinling Mountains in front of him, and he couldn't help feeling yearning and reverence in his heart.

What he didn't know was that from the time the helicopter hadn't landed just now, until he got on the helicopter after the conversation with the middle-aged man, the whole process was captured by the camera accurately.

The video at this time has already been sent to Isaac Cameron's mobile phone.

charlie was currently in the hanging garden, quietly watching Nanako Ito carefully arrange a bouquet with the flowers she brought from Japan.

Nanako Ito used her long and slender fingers to carefully match different flowers together. This bouquet already has a wonderful sense of beauty. This kind of beauty, to charlie, Xion and Zara banks, All unprecedented.

And with every flower Nanako Ito adds, this bouquet will give people a refreshing feeling, as if every decision she makes is the finishing touch, which makes people constantly surprised.

Sisters Zara banks and Xion have been completely impressed by her superb flower arrangement skills and her unique aesthetics, and charlie is also shocked. Unexpectedly, Nanako has such a talent.

The Amazing Son In Law Chapter 5488 -

At this time, the phone suddenly vibrated, and he opened it to find that it was a video sent by Isaac Cameron. This was also the video he had specially told Isaac Cameron to arrange for someone to take it quietly, in order to see Fitz's real state now.

After seeing Fitz's performance, charlie's impression of him has also changed a lot.

The reason why he was asked to kowtow was not simply to punish him, but also to give him a chance to reflect on himself.

There are countless ways to punish him. In fact, the best way is to put him in a kennel like Kobayashi Jiro and let him be with dogs all day long.

However, in charlie's view, Fitz is Zara banks's elder brother after all, and also Aunt Du's own son. If he can go back to the right path, it will be a big deal for Zara banks and the entire Banks family. good thing.

charlie originally thought that he would at least have to wait until this experience was over before he could change from the bottom of his heart, but judging from Fitz's current performance, it basically exceeded charlie's expectations for him.

Putting down the phone, Nanako Ito's first bouquet of flowers had already been inserted.

Xion and Zara banks have been obsessed with watching it, and Zara banks can't help but sigh, "I never thought that a bunch of flowers can be so beautiful, no matter from which angle you look at it, it is perfect..." Xion on the side is

also Eyes flushed with excitement.

She was still thinking about how to make her parents' wedding different from other people's weddings.

However, when she started preparing for this matter, she realized that in fact, so many rich people all over the country had already ruined their wedding ideas.

No matter what kind of plan it is, I thought it would be amazing at first, but if you really ask the knowledgeable people, they will immediately come up with a lot of similar cases.

Although the hardware of the sky garden is very good, Aurous Hill is only a second-tier city after all, and such high-end banquet halls cannot be counted with two hands in a first-tier city.

What's more, I don't intend to be extravagant and wasteful, so it is even more difficult to make any truly innovative elements.

However, when she saw Nanako's flower arrangement skills, she immediately realized that this is the most precious and rare innovation.

If such stunning flower arrangements fill the venue on the wedding day, they will definitely amaze everyone.

After Nanako Ito finished the bouquet, she looked at Xion at the side and asked her, "Miss Su, are you satisfied with this match?" "

Satisfied, very satisfied!" Xion said excitedly, "Ito Miss, I have never seen such a good flower arranger as you... These flowers are no longer as simple as flowers in your hands, but more like works of art!" Ito Nanako said with a smile, "artworks are not so

much , It's just some color, pattern and space matching. Before I came, I probably thought of seven or eight matching plans for my uncle's and aunt's wedding. After I make them all, you can choose according to the site layout. In addition, you'd better bring me Take a look at the style of the wedding dress that Auntie has already

determined. I can design the bouquets on both sides of the wedding walkway according to her wedding dress.” Xion

said quickly, “The style of the wedding dress has been determined, and now I am tailor-made to modify it. I’ll take you to have a look!”

“Okay.” Nanako nodded, then looked at charlie, and asked him with a smile, “Mr. charlie, Father is also here this time. If it’s convenient for you at noon, wait until I finish my work here.” Come with me to find my father and have a cup of tea, what do you think?” charlie

Ye asked with a smile, “Where is Mr. Ito? Why didn’t you come here?”

I’m here.”

charlie asked again, “Are you staying in a hotel?”

“No.” Nanako Ito blinked and said with a smile, “I asked Tanaka-san to buy a house in Aurous Hill in advance, oh yes, it’s in Tangchen One product!”
