

The Amazing Son In Law Chapter 5496 -

“Eight months?”

Zara banks exclaimed, “If you want to reach the Jokhang Temple within eight months, wouldn’t you have to travel at least eight or nine kilometers every day?!”

Fitz nodded and said, “Eight or nine kilometers.” Kilometers are guaranteed, and when the condition is good and the weather is good, you have to drive more, so that you can leave time to stay for a while when passing by those majestic natural scenery.” Zara banks couldn’t help feeling distressed again, while the other

side But Deana turned to her and said, “Zara, take a good bath for your brother, let’s not disturb him.”

Zara banks nodded lightly, and said to Fitz, “Brother, take a good bath first, we are here Waiting for you outside.”

Fitz responded, and when Zara banks closed the bathroom door, he took off his tattered clothes and prepared to take a good bath.

But standing in front of the bathtub, looking at the clear warm water inside, he hesitated for a moment, and took his dirty clothes to the shower room beside him.

He put the dirty clothes on the ground first, then turned on the shower, rinsed the dirty clothes, and then began to wash off the dirt on his body little by little.

Zara banks and his mother, Deana, had already arrived at the restaurant at this time, and the mother and daughter looked at each other, and they could see the complicated look in each other’s eyes.

After a moment of silence, Zara banks was the first to speak, “Mom... brother has really changed a lot in the past six months... so many words came out of his mouth, I can’t believe that he is really him, as if there is someone else It’s like a soul replaced his body...”

Deana smiled slightly, and couldn’t hide his gratification and said, “I told you before that everything in the world has its own definite number. Although your brother has been a playboy for more than 20 years, but Now it seems that he is destined to change his mind.”

As he said that, Deana said again, “When your brother returns from the Jokhang Temple in eight months, his life trajectory may undergo an earth-shaking change. Although I don’t know exactly what this change will be, I believe this change must make him better.”

Zara banks nodded lightly, and sighed, "It seems that my brother's suffering along the way is not in vain. If he can walk on the right path from now on, it is really thanks to Mr. Wade's thunderous means..." Deana agreed and said, "

Some Sometimes people need to break and then stand up, but some people have been spoiled and spoiled since they were young, and they are too well protected. The people around him are not willing to let him go through the process of breaking, so I really want to thank charlie." Zara banks hurriedly said,

" Oh, by the way, Mr. Wade said that he will come to visit after lunch."

Deana was slightly taken aback, and asked her subconsciously, "charlie is coming?"

"Yes." Zara banks nodded.

"Okay." Deana said with a smile, "It's just a matter of time to thank him in person!"

...

The Amazing Son In Law Chapter 5497 -

On the other side.

charlie drove the old man's BMW 530 and brought Nanako Ito to Tomson Yipin.

Tomson Yipin's house is divided into villas and high-rise areas. In the villa area, cars can drive directly into the ground, but in the high-rise area, considering the relatively dense population, the developer has divided people and vehicles. charlie can only drive the car Drive to the underground garage.

Just as he drove into the underground garage, Mia (Liu Manqiong) just took the elevator and came out of the elevator hall of the underground garage.

At this time, outside the elevator hall, an imported seven-seater nanny car was already waiting here.

Sitting in the driver's seat of the car was Miss Xian, the housekeeper of Zijin Villa, and sitting in the first-class seat on the left side of the second row was Lin Wan'er (Alani), an eighteen-year-old ancient girl.

The second and third rows of the nanny car are all pasted with extremely deep one-way privacy films, and the inside cannot be seen clearly from the outside.

The reason why the two of them came to Tangchen Yipin was because they had just accompanied Mia (Liu Manqiong) to Aurous Hill University to sign the contract in the

morning, and originally planned to go back to Zijin Villa for lunch with Mia (Liu Manqiong).

But because Mia (Liu Manqiong) received a lot of contracts, materials, documents, badges, access control cards, and many customized stationery from Aurous Hill University, she took a lot of them in a mess.

Moreover, these are all needed for Mia (Liu Manqiong)'s later work, and there is no need to bring so many things back to Hong Kong Island, which is not only troublesome but also easy to lose and forget, so she proposed to let sister Xian drive to Tomson Yipin first, and she put These things are first stored in the new house here.

Lin Wan'er (Alani) originally wanted to have a good relationship with Mia (Liu Manqiong), so she took the initiative to accompany her to Aurous Hill University to sign a contract, but she didn't expect Mia (Liu Manqiong) to come to Tomson Yipin after signing the contract. This decision really shocked her.

Although Lin Wan'er (Alani) came to Aurous Hill to find charlie, she was not ready to meet charlie yet, so she was absolutely unwilling to come to this first-class Tomson.

Fortunately, the back row of the nanny car was very private, so she sat in the car and waited for Mia (Liu Manqiong) to get off, excused that she was unwell.

Mia (Liu Manqiong) stepped out of the elevator hall, and Sister Xian opened the electric sliding door on the right side of the back row. Mia (Liu Manqiong) stepped into the car and said to the two with a smile, "Sorry, I kept you waiting, let's go." Lin Wan'er (Alani) breathed a sigh of

relief , said with a smile, "It's not too long, it's only five or six minutes."

Mia (Liu Manqiong) nodded, and asked her with concern, "Didn't you just have a stomachache just now? How do you feel now?"

Lin Wan'er (Alani) hurriedly said, "I feel better already." , it should be fine."

Mia (Liu Manqiong) said with a smile, "Maybe your period is coming soon, what date is your period?"

Lin Wan'er (Alani) said a little embarrassedly, "Mine... it's about these two days of every month. ..."

"No wonder." Mia (Liu Manqiong) said with a smile on her face, "I must drink plenty of hot water today to avoid catching a cold, and at the same time avoid strenuous exercise." "Okay, okay."

Lin Wan'er (Alani) quickly agreed, Then he said to Sister Xian, "Sister Xian, let's go back quickly, I'm already hungry."

Sister Xian nodded and said with a smile, "It only takes ten minutes for us to go back, and we can have dinner when we get home."

With that, she started the nanny car and was about to drive out of the basement.

The Amazing Son In Law Chapter 5498 -

At this time, charlie had already parked the BMW he drove in an empty parking space not far in front of the nanny's car. Since Tanaka Koichi didn't bother to buy a property right parking space when he bought the house, charlie could only park the car at the property. Specially designated temporary parking areas.

The biggest disadvantage of the temporary parking area is that it is generally far away from the elevator entrance.

So , after he parked the car, he and Nanako Ito followed the signs in the garage to find the location of the elevator hall.

charlie has lived in Tomson Yipin for such a long time, and today is the first time to go to the underground garage in the high-rise area. As for Ito Nanako next to him, it is even the first time for Tomson Yipin to come, so neither of them are familiar with the route , can only be searched according to the address sent by Koichi Tanaka and the building number indicated.

When the two walked towards the elevator hall side by side, they happened to meet the nanny car driven by Sister Xian.

Although the inside of the car was very dark, making it impossible to see what was going on inside, it was very clear from the inside out.

Mia (Liu Manqiong) saw charlie walking towards him and Nanako Ito beside him at a glance, because she never dreamed that she would run into charlie, so she let out a cry of surprise.

At this moment, Lin Wan'er (Alani) was relieved because Sister Xian was about to drive away, but Mia (Liu Manqiong) who was at the side suddenly let out an exclamation, which shocked her who had been tense all the time.

She just wanted to ask Mia (Liu Manqiong) what's wrong, but the next moment she looked in the direction of Mia (Liu Manqiong)'s gaze, and saw charlie walking side by side with Ito Nanako.

At this moment, Lin Wan'er (Alani)'s expression was extremely horrified, she immediately closed her mouth, and then subconsciously covered her mouth and nose with her hands, for fear of being discovered by Charlie.

She subconsciously felt that no matter what, she couldn't let Charlie find herself.

At this time, Sister Xian had already driven past Charlie, and Charlie outside the car subconsciously pulled a handful of Nanako to let her hide behind him so as not to be hit by the car.

This thoughtful little gesture of his made the two women in the nanny's car see clearly.

At this time, Sister Xian asked subconsciously, "Miss Mia, are you okay?"

Mia (Liu Manqiong) subconsciously shook her head, and while she couldn't help turning her head to look at Charlie's back, she whispered unnaturally, "Sister Xian, drive quickly, I'm hungry too..."

At this moment, Charlie, who was standing shoulder to shoulder with Ito Nanako, suddenly felt another strong throbbing in his pocket, he subconsciously covered his trouser pocket with his hand, frowned slightly, and thought to himself, "Strange, Why is this broken ring convulsing again?"

Nanako Ito was originally following Charlie, but when she saw Charlie suddenly stop and frown, she quickly asked him, "Mr. Charlie, what's wrong with you?" Charlie said

with a confused face, "I don't know..."

, he subconsciously took out the ring.

When this thing was between his fingers, it was still shaking like a Parkinson's patient, but when Charlie took it out, it gradually returned to calm and became motionless again.
