

## The Amazing Son In Law Chapter 5499 -

charlie was even more puzzled, and couldn't help thinking to himself, "What the hell are you smoking? Are you hungry again? Are you trying to deceive Lao Tzu's aura?"  
Nanako Ito saw that

he was looking at the plain ring in his hand with a puzzled face, and went "Couldn't help but ask again, "Mr. charlie, is there anything special about this ring?"

charlie came back to his senses, and said with a casual smile, "It's nothing special, it's just that I picked up such a crappy thing in the aisle before, and now I've been hesitating whether to buy it or not." Throw it away."

Nanako Ito pursed her lips and said with a smile, "Then why don't you give it to the police, you can also find lost and found, and maybe you can find its original owner.

" The girl smiled, and said casually, "Its owner probably doesn't remember it anymore."

After that, she put it back into her pocket, and said to Nanako, "Leave it alone, let's go, the elevator hall in front is The building number sent by Mr. Tanaka."

At this time, Sister Xian drove out of the basement in the nanny car.

When the car drove out of the basement and the sun shone into the car along the front windshield, the two women in the back row let out a sigh of relief at the same time, thinking to themselves that it was dangerous!

Both of them were nervous because they suddenly saw charlie just now, but the difference was that Lin Wan'er (Alani) was completely relaxed at this moment, but Mia (Liu Manqiong) felt a little sour in her heart.

She didn't know who the woman walking beside charlie just now was, but he subconsciously believed that that woman should be charlie's wife.

And Nanako Ito's beauty and temperament are almost invincible among Asian women.

If it is said that Lin Wan'er (Alani) has the most authentic Chinese classical beauty, then Nanako Ito fully embodies the special intellectual beauty and obedient beauty of Japan's Yamato Nadeko in every way.

Even though Mia (Liu Manqiong) is already an absolute leader among the new generation of young women on Hong Kong Island, she still feels uncontrollably inferior in front of Nanako Ito.

Thinking of charlie's wife being so good, she naturally felt a little uncomfortable.

Lin Wan'er (Alani), who was at the side, could clearly see her performance and the subtle changes in her expression.

When the car didn't come out of the basement just now, she didn't dare to speak, because she knew that Charlie possessed aura and must have very strong senses, and she was afraid that Charlie would hear what she said.

However, now that the car has come out, she is completely relieved, so she deliberately teased Mia (Liu Manqiong) and said, "Sister Mia, what's the matter with you? You are fine, why does your complexion suddenly look bad?" Mia (Liu Manqiong) hurriedly said, "Is there anything?"

"Maybe... maybe I'm just too hungry..."

Lin Wan'er (Alani) deliberately teased her, "I thought you were attracted by that handsome guy outside the car just now!" "

Ah?!" "Where... how could it be... I didn't even pay attention to see if there was a handsome guy..."

Lin Wan'er (Alani) said casually, "It's the handsome guy who walked past our car in the basement just now. He's also very handsome."

"Yes... is it..." Mia (Liu Manqiong) said in a panic, "I didn't see it, I was a little distracted just now..." "

Okay." Lin Wan'er (Alani) smiled, "Next time a handsome guy passes by, I will definitely I'll tell you as soon as possible."

"Okay..." Mia (Liu Manqiong) thought she had been fooled, and subconsciously responded.

This series of her performances made Lin Wan'er (Alani) more convinced of her previous judgment that this Mia (Liu Manqiong) came here for Charlie.

Lin Wan'er (Alani) didn't speak anymore, but took out her mobile phone, and entered the five words Nanako Ito on the search engine.

She had read all of Charlie's files before, step by step, carefully deduced Charlie's identity, experience, current business map, and power blueprint.

She guessed that Yisu Shipping must be led by Charlie behind the scenes, so she also paid special attention to the information of the Banks family and the Ito family, and the

information of Ito Nanako. The appearance of a woman, so the moment she saw Ito Nanako just now, she guessed her identity.

And on her mobile phone, the related introduction of Ito Nanako soon appeared. She clicked on some public photos of Ito Nanako, and reconfirmed that the woman she saw just now was undoubtedly Ito Nanako.

At this time, she couldn't help thinking to herself, "According to the information I checked before, Charlie and his wife's family live in the villa area of Tomson Yipin, but why did he come to the high-rise area of Tomson Yipin together with Ito Nanako? Underground garage? Could it be that he can hide in the golden house here?"

Thinking of this, Lin Wan'er (Alani) raised her eyebrows, and couldn't help but think to herself, "It seems that this Charlie is really merciful. If he were to be an emperor in ancient times, wouldn't it be necessary to gather all three of you? The seventy-two concubines of the Sixth Courtyard of the Palace are enough?"

At this time, Sister Xian, who was driving, thought of something, and said, "By the way, Miss Mia, you are on the plane at 3:30 in the afternoon, right?"

"Yes." Mia (Liu Manqiong) subconsciously replied one sentence.

Sister Xian nodded and said, "Then I'll take you to the airport after dinner." Mia (Liu Manqiong) said, "Then it's hard work for

Sister Xian!"

"I guess you won't be able to stay for too long, right? Aurous Hill University will start at the end of the month. As a new faculty member, you should come to the school to report early, right?" "Yes."

Mia (Liu Manqiong) explained, "The school requires faculty members. It's time to report, and then we will make a unified arrangement for the work content of the new lecturers, and then start to hurry up and prepare lessons."

Sister Xian smiled and said, "Then you won't be able to stay for a few days this time, at most two weeks.

"You can go to school to report."

Sister Xian nodded, looked at Lin Wan'er (Alani) through the rearview mirror, and said with a smile, "Miss, you have to prepare early, I heard that the military training in mainland universities is very hard."

Lin Wan'er (Alani) smiled and said, "This I've heard about it, but to be honest, I'm looking forward to it."

When Lin Waner decided to enter Aurous Hill University, she had already learned about the admission process of mainland college students and the specific conditions of life and study in advance, so she also knew that freshmen had to Participate in military training.

When other girls think of military training, they might be more nervous and apprehensive, but Lin Wan'er (Alani) is looking forward to it, because she feels that if she wants to have a good relationship with Claudia, military training is definitely the best opportunity!
