

## The Amazing Son In Law Chapter 5501 -

charlie saw Ito Yuhiko again, and found that he was in very good condition.

To Yuhiko Ito, regaining his legs is like rebirth, and it also makes him cherish the present moment even more.

Seeing charlie, Ito Yuhiko was enthusiastic and respectful, he came out to welcome charlie in, and poured tea and water for charlie himself. Although he was busy walking around, he couldn't hide his excitement all the time.

Tanaka Koichi on the side was so respectful that he wished he could always maintain a ninety-degree bending and bowing posture.

charlie greeted the two of them, looked at the house curiously, and said with a smile, "I've lived in Tangchen Yipin for so long, and this is the first time I've been to this high-rise." After that, he looked through the living

room Huge floor-to-ceiling windows, looking at the rolling river outside, exclaimed, "The scenery here is really good! Mr. Tanaka has a good eye." Tanaka Koichi on the side said respectfully, "Mr. Wade, I

originally wanted to buy the top floor upstairs. It's a pity that a lady bought it a few minutes late, if you can buy the top floor, the scenery should be better!"

charlie nodded with a smile, and said, "This is already very good. Knowing that the scenery here is so good, I should have come here to buy a set."

Nanako Ito said, "Mr. Wade can come here often in the future, and I will ask Tanaka-san to take a fingerprint for you later, and just treat this place as my own home. If we are not here, if you want to stay alone for a while, you can come up at any time."

charlie was slightly taken aback, not knowing whether to refuse or accept.

At this time, seeing charlie hesitated, Tanaka Hao quickly said, "Mr. Wade, actually, there is no need to troubleshoot fingerprints. The door password is the lady's birthday." charlie looked

at Nanako, and he realized that he had known each other for so long, I don't know Nanako's birthday.

This is mainly due to the fact that during the time the two met, they didn't meet much, and charlie himself didn't pay much attention to birthdays, sometimes he couldn't remember to celebrate his own birthday, and had to be reminded.

And Nanako never told him when her birthday was, or when she celebrated her birthday.

Nanako on the side also knew that Charlie definitely didn't know when his birthday was, so he shyly said, "Mr. Wade Chen, my birthday can only be celebrated once every four years..." Charlie suddenly realized, and blurted out, "Then I know..."

2 On the 29th of the month..."

"Well..." Nanako nodded shyly, looked at him with big eyes affectionately, and asked, "Mr. Wade should know what year I am?" Charlie hurriedly said, "I know

... I know..."

Hiroshi Tanaka said with a smile, "Mr. Naha already knows the password of the door!"

At this time, Yuhiko Ito's younger sister, Emi Ito, had prepared a table of sumptuous Japanese cuisine.

Emi Ito, who was wearing a kimono, walked to Charlie's side, put her hands in front of her body, bowed respectfully and said, "Mr. Wade, I have prepared the best Japanese cuisine for you, and the ingredients are all ordered by you this morning." The most high-end seafood, whether it is sea urchin, oyster, sea bream or bluefin tuna, is the best that can be found in the Japanese market at present. Please also Enjoy!"

Ito Yuhiko said with a smile, "Mr. Wade, Huimei is best at making all kinds of sashimi. Her sensitivity to ingredients is much stronger than those of the so-called Michelin three-star chefs. I am afraid that the ingredients she comes into contact with on a daily basis Those Michelin three-star chefs have no chance to see it."

After that, he pointed to the tuna sashimi on the exquisite plate, and said to Charlie, "Mr. Wade, these sashimi are the meat on the cheeks of the blue flag tuna. This fish The auction price is three million U.S. dollars, but just a little bit of meat on the two cheeks costs hundreds of thousands, and when converted, a piece costs tens of thousands of U.S. dollars, even the best Michelin restaurant will not have it." Ito Yuhiko is not talking about

it , in Japan's luxurious society, the price of truly top-notch high-end products can be outrageously expensive.

## **The Amazing Son In Law Chapter 5502 -**

The highest auction record for bluefin tuna, one has been bought for a sky-high price of several million dollars. Most of the meat of such a fish will flow into high-end restaurants. It seems that enough high-end restaurants can eat this top-level ingredient. As long as you spend hundreds of dollars, you can eat a slice of it in the restaurant.

But the real situation is that the two gills of tuna like this are impossible to flow into the back kitchen of any restaurant.

Most people can't understand why those top rich people are extravagant to the extreme. It doesn't matter to them if the ingredients of a meal are tens of thousands or hundreds of thousands. In their eyes, the only value of a bottle of wine worth tens of thousands of dollars is only when it is opened. Hear a sound.

This is mainly because they are so rich that they can spend a lot of money without racking their brains, and it is impossible to spend it all in a few lifetimes. Ordinary people eat a daily meal, and a meal eats up a day or two of wages. But for a top rich man like Takehiko Ito, even if he eats 100,000 US dollars for a meal, he may only eat the interest generated by his savings in the bank for a day.

In other words, if he spends 100,000 US dollars on a meal, the proportion of his expenditure in the total net worth is the same as that of an ordinary person who spends 10 yuan on a bowl of vegetarian noodle soup.

Although Charlie is also very rich, money doesn't mean much to him, and he has never had the habit of spending extravagantly, so after listening to Emi Ito's introduction, he nodded slightly and said with a smile, "Ms. Ito has worked hard, I don't have such a tricky mouth, just eat some home-cooked food, don't have to be so extravagant."

Nanako Ito smiled and said, "Mr. Wade prepares it by himself, even if you don't come to the house as a guest, his aunt will prepare these for him. It's only his own food cost every year, which costs millions of dollars. To be honest, in my opinion, it's more of a gimmick than reality."

Ito Yuhiko laughed, and said, "Nanako, everything in this world can be called Tao as long as you pursue it to the extreme. You like Ikebana, so you will do everything possible to buy the most expensive flowers, roadside flowers." You can buy one rose in the store for only 1 yuan, but those top-quality ones selected from thousands of top cultivars can even sell for tens of thousands, with the best flowers and the best matching. The combination of utensils and utensils in the most elegant way becomes the way of flowers, but the bouquets of 100 yuan in the roadside flower shop will never have anything to do with the way of flowers in a lifetime; "And tea, ordinary

people. Make a cup of tea, or make a tea bag, or make a tea bag and mix it with milk, These can only be regarded as drinking tea, only the use of top-level tea leaves, top-level tea sets, and the most sophisticated brewing methods can be called the way of tea! "

Although I don't know the way of flowers and tea, I know the way of food!" That is to eat the best ingredients and drink the most expensive wine! Nanako Ito

stuck out her tongue, and deliberately teased him, “Just say greedy, why bother to talk so much...”

Ito Yuhiko laughed heartily, and immediately took a bottle of sake with “14 generations” written on it, He said to charlie, “Mr. Wade, this is not an ordinary great master, this is one of the top-notch Long Xiao Jiutian, even the prime minister may not have the chance to smell it! “

“Long Xiao Jiutian...” charlie twitched the corner of his mouth, and smiled awkwardly, and asked him, “Why did you choose such a name...” Ito Yuhiko said with a smile, “This is the unique sense of

ritual of Japanese brands, let’s ignore it Whether something is good or bad, the name must be packaged in a high-end atmosphere. It is best to let others not understand, so that he will feel that this thing is very professional! The nouns in sake can write a book. Well-known brands and series include Heilong, Longyin, and Longquan. This Longxiao Jiutian is the ceiling of the ceiling.

Charlie looked at him, and asked a question, “Mr. Ito, tell your heart, is this wine good?”

” Good...is it good to drink?” “Takehiko Ito fell into deep thought for a moment, thought for a while, and said very seriously, “To be honest, Mr. Wade, this thing is far worse than Coke in terms of taste alone.

After finishing speaking, he quickly added another sentence, “But this sake is the quintessence of Japan after all! ” The wine made by Europeans from raw, rotten grapes is not as good as grape juice. Isn’t it their national quintessence! Ye

Chen nodded in understanding, and said with a smile, “It seems that Japanese sake and French red wine are similar to our girl’s drinking music. “

Takehiko Ito laughed tacitly, clapped his hands and said, “Mr. Wade is right! “

After all, he took the initiative to pour a glass of sake for charlie, and said with a smile, “But Mr. Wade, although the wine is not delicious, but the feeling of being slightly drunk is indeed something other things can’t give. Let Tanaka also accompany us for a while.” Drink a little, everyone will have more fun while drinking and chatting!”

## **The Amazing Son In Law Chapter 5503 -**

charlie, Ito Yuhiko, and Tanaka Hiroshi exchanged glasses, while Nanako stood by and kept adding wine for him.

What’s interesting is that Nanako only drinks for charlie, Emi Ito only drinks for Yuhiko Ito, and Koichi Tanaka can only drink for himself.

The so-called Long Xiao Nine Heavens, in Charlie's opinion, is not good to drink. Except for the pure rice fragrance, this thing is really lackluster. If you want to feel a little drunk, you have to have at least 40% alcohol. To him, drinking sake is no different from drinking tap water.

However, since it was the national quintessence brought by Ito Yuhiko all the way, Charlie naturally gave enough face.

Including the top seafood sashimi prepared by Emi Ito, Charlie is still full of praise.

But in fact, what he thinks in his heart is that sashimi itself has no taste, and what he eats is just the taste of different fish. After dipping it in soy sauce and wasabi, the overall taste is not much different.

This is very similar to hot pot. After eating, what you eat is just the taste of the bottom of the pot and the dipping sauce.

After having lunch at the Ito family's new residence, Charlie and Ito Yuhiko chatted for a while, then got up to say goodbye and leave.

He told Zara Banks earlier that he would visit Deana's house, so naturally he couldn't break his promise.

Although he drank a lot of sake with the two of them, fortunately he had spiritual energy in him. Before setting off, he used spiritual energy to remove all the alcohol, and then drove to his old house.

At this time, Deana, brother and sister Fitz and Zara Banks had already had lunch. Fitz changed into clean clothes, shaved and tied up his shoulder-length hair. Much quieter and sharper.

Zara Banks sat on the sofa, keeping an eye on the movement outside the yard, hoping to see Charlie as soon as he arrived.

And when the BMW that Charlie was driving slowly stopped at the gate of the courtyard, Zara Banks was overjoyed, and quickly said to her mother and brother, "Mr. Wade is here!" After that, she had already stood up

, Run towards the door.

Deana and Fitz also got up quickly, and followed behind to greet them.

When Charlie got off the car, the three of them had already walked to the door one after the other.

Zara banks opened the retro iron gate, a little shy, and said respectfully, "Mr. Wade, you are here!"

Fitz also said very respectfully, "Mr. Wade..."

Deana was not as good as the two of them. Cautious, as if she saw a good friend's child, she said kindly, "charlie is here, come in!"

charlie nodded slightly, and respectfully said, "Hello, Aunt Deana, I haven't seen you for a while, How are you recently?"

## **The Amazing Son In Law Chapter 5504 -**

Deana said with a smile, "I'm fine, the environment in Aurous Hill has become more and more comfortable for me, and I don't have as many troubles as before, so I'm still very comfortable."

charlie nodded, "That's good! I wasn't in Aurous Hill at that time, but I probably won't go out in the near future. If you need help with anything in Aurous Hill, please contact me anytime." "Okay!" Deana didn't go

out More polite, smiled and agreed, and then invited charlie into the house.

Entering this old house, charlie couldn't help feeling as if he had passed away.

When my parents rented this old house, they also carefully restored it, just like now, although it still looks so simple, it can give people a new look.

After 20 years of idleness, this old house was once dilapidated, but after Deana's careful restoration, all this seemed to have returned to the state it was 20 years ago.

For a moment, charlie even felt that he was back to the way he was when he was seven or eight years old. His parents had just settled down in Aurous Hill, and the family of three was living an ordinary but full of happiness here.

Deana saw that charlie was looking around and his whole person was a little lost, so he deliberately didn't say anything, but let charlie take a good look and think about it.

After a long time, charlie withdrew his thoughts before he almost burst into tears, held back his tears, and said to Deana with a smile, "Aunt Deana must have taken a lot of trouble cleaning this house..." Deana nodded and smiled, and said, "It took a

lot Thoughtful, but also fun."

As he spoke, Deana pointed to the set of rustic old-fashioned leather sofas, and said to charlie, "Sit down and rest for a while!"

“Okay!” charlie nodded, and after sitting down, he couldn’t help sighing. “Aunt Deana, this sofa is basically the same as the sofa I had when I was a child... Can I still buy this style of sofa now?”

Deana said with a smile, “When we were young, leather sofas basically looked like this. Unless those sofas imported from Europe and the United States will look more exaggerated, but this kind of sofa is not available for purchase now, I specially hired someone to do it by hand.” charlie nodded slightly, and couldn’t help but sigh in his heart, “Aunt Deana is really very nice

. She is careful, and she really knows her father very well, and her vision in many places is very similar to that of my father...”

After feeling emotional, charlie deliberately changed the topic, looked at Fitz at the side, and asked, “Young MasterBanks, what’s the matter?” The past six months must have been very hard, right?”

Fitz stood up subconsciously, and said respectfully, “Mr. Wade, it’s not hard... I would like to thank you for your advice. If it weren’t for you, I might still be the same person who is not good at all.” Unlearned dude...”

charlie asked him, “I made you kneel and walk on a pilgrimage all the way, don’t you hate me at all?”

Fitz said truthfully, “Return to Mr. Wade, for the first month, every time I I hate you all the time, and I even fantasize in my heart that if one day I can be stronger than you, I will definitely make you pay back ten times, a hundred times, but... a month later, I gradually understand your good intentions...”

charlie asked curiously, “My good intentions? In the eyes of many people, I am a person full of evil tastes. I often come up with some weird ways to punish others. I am afraid they would like to kill me. Why? Only you say that I have good intentions?”

Fitz said sincerely, “Actually, you have plenty of ways to punish me. Even if it takes my life, no one can do anything to you. What’s more, my life itself was saved by you in Japan, but you It still gave me another way out, and also gave me a chance to find my way back...”

Fitz pursed his lips and remained silent for a moment, then said, “Besides, I know that you have always sent people to protect you in secret. I am considerate, I have encountered danger to my life several times in the past six months, and I must have helped you behind the scenes to save the day.”

## **The Amazing Son In Law Chapter 5505 -**

charlie did not speak, but Zara banks asked in surprise, "Brother, what kind of life did you encounter? Is it dangerous? Why didn't I hear you mention it?"

Fitz said, "In the second month since I set off, I began to treat this pilgrimage sincerely, so I dismissed the entourage that Mr. Wade specially approved me to bring, and planned to really go on my own. At the end..."

"I fell ill after being exposed to the rain, so I stayed overnight in a farmhouse. After all, many pilgrims would stay overnight along the way, so I didn't think there was anything wrong..." "In the end, the couple took advantage of me

. When I was almost in a coma with a high fever, I wanted to sell me to the owner of a local black brick kiln; "I

heard from two of them that an adult with sound limbs can be sold for 20,000 yuan. Workers, at least three or four thousand yuan a month, the kiln owner bought them back, and as long as they squeezed them for more than half a year, they could pay back their capital, and the rest was pure profit

; I seemed to be unconscious, bargaining for the other party, and pressed the price back to five thousand..."

Zara banks's eyes widened, and he asked quickly, "What happened next?"

Fitz said, "Then I was killed by the kiln owner and his three The thugs moved into an off-road vehicle. At that time, I wanted to call for help, but because of the high fever, I didn't even have the ability to fully open my eyes, let alone resist..." "After getting on the car, I

thoughtMy life is definitely over, but I didn't expect that the kiln owner's off-road vehicle was rear-ended by a car not long after he drove out, and he got out of the car with his thugs to argue with others, and the four of them were shot down by the other party..."

The fish couldn't wait to ask, "Then what? !

Fitz said in a low voice, "The two people who shot them threw their four bodies into a ditch beside the road, then lifted me out of the off-road vehicle, and sent me back to the farmhouse... .."

"Huh? ! Zara banks was even more puzzled, "Why should I send you back?" "

Fitz said, "They thought I had been in a coma and didn't know anything, so they discussed in the car that they wanted to send me back to that farmhouse, and then used guns to force the couple to take good care of me until I recovered. I'll deal with the couple after we leave, but they don't know, I've heard all these conversations. "

Speaking, Fitz looked at Charlie and said gratefully, "Mr. Wade, the two of them discussed in the car whether they should report this matter to Mr. Isaac of Shangri-La, but the two felt that this trivial matter would be discussed later. I may encounter it often, as long as my safety can be guaranteed, there is no need to report again and again, so I knew at that time that you have been secretly arranging people to protect me..." Immediately afterwards, Fitz suddenly knelt on the

ground. On the ground, he kowtowed respectfully and said gratefully, "Thank you Mr. Wade for saving my life time and time again, I will never forget it!"

Charlie stretched out his hand to help him up, and said calmly, "For this matter, you don't have to be grateful to me. You are Aunt Deana's son and Ms. Banks's brother, and you did not commit a heinous crime, so it is reasonable and reasonable. I can't take your life, and that's why I let you go on a pilgrimage. The original intention was actually to let you go on a pilgrimage.

"In the past twenty years, I have been experiencing all kinds of hardships, and these hardships are also a kind of penance in my opinion

; To shape a person's soul, no matter you were rich and well-fed, arrogant and domineering, or you were hungry and self-deprecating, you can find a radical change in the penance;"

"If you can do this, it will be a good thing for you and your family;"

If you can't, at least you will have lingering fears and fears because of this arduous punishment. There will definitely be restraint;"

Speaking of this, Charlie changed the subject and said firmly, "But I definitely can't let you lose your life because of natural disasters and man-made disasters on the road of penance! In that case, all this will not only deviate from the I can't explain my original intention to Aunt Deana and Miss Banks."
