

The Amazing Son In Law Chapter 5506 -

Ever since he confirmed that the Banks family had nothing to do with the death of his parents, Charlie never thought of taking the life of anyone in the Banks family. Zayne could let him off and make it happen, let alone a mere Fitz.

And he asked people to protect Fitz in secret, because of the face of Deana and Zara Banks. The pilgrimage to the Jokhang Temple is not like Kong DeLong riding a bicycle to Aurous Hill. The latter has a bicycle, and the way is the most economically developed in China. In the area, as long as you don't blindly pedal your bicycle on the high speed, there is basically no danger to your life.

But Fitz was different. All the way westward, the environment was getting worse and worse. If he was not careful, he would be in danger everywhere. If he didn't protect him secretly, if he died on the way, how could he tell Deana and Zara explained.

Fitz also knew that Charlie asked people to protect him, not because he was really kind to him, but because of the face of his mother and sister.

But even so, he was still grateful to Charlie for awakening himself from his former dandyism.

Therefore, he said to Charlie very devoutly, "Mr. Wade, no matter what your purpose is, I still thank you for your kindness of reinvention!"

"Turn around, come back this time, if you don't want to continue, the pilgrimage can be terminated."

When Charlie said this, Fitz, Deana, and Zara Banks's mother and daughter were all surprised.

Fitz thought that there was something wrong with her ears, and never dreamed that Charlie would allow herself to stop the pilgrimage. You must know that I only walked a third of the way, and it was the easiest third. , the remaining two-thirds are the most severe challenges. As the altitude gets higher and higher, the road ahead will become more and more difficult. It is no exaggeration to say that if we stop now, at least 80% of the hardships can be avoided.

What Charlie said was not entirely out of his sincerity.

He just wanted to see if Fitz really changed his past.

If he can really change his past and decide to abandon everything before him, then he will definitely choose to continue this pilgrimage.

But if he is still lucky, then he will definitely seize this once-in-a-lifetime opportunity.

The reason why Charlie tested him in this way was to decide whether to allow Fitz to return to the decision-making level of the Banks family in the future.

Although the current head of the Banks family is Zara Banks, it is impossible for Zara Banks to be in charge of the entire Banks family alone. Zara Banks is like the chairman of a group company with the highest decision-making power and veto power. She cannot do all the core things by herself, so her subordinates still need a lot of core executive positions to help her run the entire Banks family's industry.

In a huge group company, under the chairman, there are at least several executive directors and an executive president, and each company entity under the group also needs a set of management teams. The power in the hands is very large, so there must be a trustworthy person in charge, so as to avoid management failure to the greatest extent.

But right now, Zara Banks doesn't have many people of her own who can use her. Her father has been under house arrest by the Elms family and cannot interfere in the affairs of the Banks family. The old man Lord Banks also went to Madagascar. Deana also went through the divorce procedures with Zayne. It is also inconvenient to have any relationship with the Banks Group.

Therefore, if Fitz can completely change his past, Charlie still hopes that he can return to the Banks family and be used by Zara Banks.

It was because of this idea that Charlie decided to give Fitz a real test.

If Fitz passes this temptation, even if he becomes the number two member of the Banks family in the future, he will not stop him.

The Amazing Son In Law Chapter 5507 -

But if Fitz fails this temptation, from today onwards, although he can regain his freedom, he will never be allowed to get his hands on the Banks family's property.

Because he wants to find an absolutely trustworthy and loyal subordinate for Zara Banks, so he must not bury any hidden dangers in this candidate, but if Fitz has the slightest idea of giving up on this pilgrimage, he will take it. He is excluded.

Deana and Zara Banks didn't know Charlie's real intentions. When they heard that Charlie was willing to give Fitz a lenient chance, they couldn't hide their excitement. They hoped that Fitz would agree to the situation.

But Fitz hesitated for a moment, but said, "Mr. Wade, thank you for your kindness, but I still want to finish this pilgrimage."

charlie said blankly, "You have to think carefully, and there will be more Difficult, you will enter the mountains, enter the plateau, enter the no-man's land, and even climb several mountains with an altitude of four to five kilometers. Your side will no longer be surrounded by modern cities, but will be replaced by almost unpolished In the primitive world, where the environment is dangerous and wild beasts are around, it is very likely that an ordinary altitude sickness can kill you."

Fitz nodded and said sincerely, "I know the road ahead will be difficult, but I still If you want to accomplish this, don't give up halfway... To tell you the truth, I didn't have faith or reverence before, but through these months of experience, I already have my own belief in my heart. This belief is not a religion. It's the persistence to the goal. I hope I can have the character of never giving up, and finishing this pilgrimage is the first step to have this character. If I give up now, I may not be able to do so in the future. There will be another chance..."

charlie couldn't help but look at Fitz with admiration.

Being able to say these words, Fitz really did not waste the past six months.

So he orderedHe nodded and said, "Since you have made up your mind, I won't say much. There is still a long way to go. During this process, if you feel pressure and difficulties, you can quit at any time. I won't blame you." You, let

alone stop you." Fitz cupped his hands and said, "Okay, Mr. Wade, I understand!"

charlie said again, "However, if you are not going to quit for the next journey, then you won't give it to me again." You have a chance to come back and rest halfway, you can only go to the end, and when you arrive at the Jokhang Temple, I will arrange a plane to pick you up." "Okay!" Fitz said without thinking, "Please rest assured, Mr.

wade, you will succeed next time." Arrived at the Jokhang Temple!"

charlie nodded, stood up, and said to Deana, "Aunt Deana, I won't disturb the reunion of your family of three, I will come to visit you another day!" Deana didn't expect

charlie to leave so soon, It was also at this moment that she suddenly understood the purpose of charlie's visit this time, and thought to herself, "charlie should not come here today to visit, but to test Fitz and see if Fitz is getting terminated." What choice will he make after the power, now that Fitz has made his choice, charlie is ready to leave..."

Thinking of

this, she also roughly guessed charlie's deeper purpose, and she couldn't help feeling a little joyful.

She also stood up and said very politely to charlie, "Then Auntie will see you off!"

Zara banks who was on the side didn't expect charlie to leave suddenly, so she subconsciously asked, "Mr. Wade, don't you sit down for a while longer?" Already?"

charlie smiled slightly and said, "Don't sit down, let's go another day."

After finishing speaking, he got up and walked outside.

Deana took charlie out with a pair of children. After charlie got into the car, he let out a sigh of relief, turned around and said to Fitz, "Fitz, it seems that you have passed the test charlie gave you!"
