Furious, he gritted his teeth and said, "Boy, you are looking for death yourself, don't blame me for being rude to you!"

After finishing speaking, the heavy fist swung at charlie.

But charlie was not afraid at all, let alone dodge, but looked at him provocatively, and said lightly, "You fight, I will let you know what it means that a strong dragon can't overwhelm a local snake, believe it or not Just one phone call can make you a wanted target in Aurous Hill, black and white?!"

As soon as charlie said this, Hong Tianshi's expression suddenly became astonished!

Immediately afterwards, he subconsciously stopped the fist he had swung.

It wasn't that he was afraid of charlie, but he understood a truth from charlie's words, "This kid must be a local snake in Aurous Hill. Although I am not afraid of him, I am new here and I don't have any connections. What if I call him today?" Without him, the police will arrest me everywhere, and I'm afraid it will be difficult for me to stay in Aurous Hill any longer. In that case, my most important purpose of coming to Aurous Hill will be delayed!" Thinking of this, he gritted his teeth and said to himself, "Forget it!

Little If you can't bear it, you will make a big conspiracy! Let this boy spare his life today!"

At this point, Hong Tianshi withdrew his fist, stared at charlie, and said with tearing eyes, "Boy! Today is your fate, Hong doesn't want to be here Otherwise, based on your disrespectful words to me just now, I would have sent you to see the Supreme Sanqing!"

charlie spat and continued to taunt, "Bah! You old man! The mouth is still quite hard, it's not that I look down on you, but fortunately you didn't do anything! Otherwise, I'll punch you out on the spot! Then don't hold your crotch and say that I don't respect the old and love the young!"

"F\*ck you!"

At this moment, Hong Tianshi almost gritted his teeth!

He didn't expect that the kid in front of him was so cheap, so cheap that it made people want to kill him!

Obviously he was the one who spared his dog's life and let him go, but instead of acknowledging her, she even said such disrespectful words to herself, it was simply 'tolerable, which can't be tolerated'!

However, the more charlie angered him, the less he dared to fight charlie.

This is not true, he was afraid of Charlie, mainly because he was afraid of causing public security incidents here, or even criminal cases.

If that happens, the police will be involved. Although I am an eight-star martial artist, I would definitely not dare to confront the police in a metropolis like Aurous Hill.

In his opinion, it was very simple to kill charlie by himself, but just one punch could beat his brains apart.

However, how to end after the fight has become very troublesome.

Once he became a wanted criminal in Aurous Hill, how could he find the whereabouts of Huichun Pill with peace of mind here? !

Moreover, the reason why I want Dr. Simmons's Serene Medical Clinic is because after many inquiries, I learned that Dr. Simmons of Serene Medical Clinic is the most famous Chinese doctor in Aurous Hill, and there are rumors that he once cured a paraplegic with a kind of magic medicine. Patient, it's amazing.

At that moment, he realized that if this matter was true, then Dr. Simmons probably had the same elixir as Stefanie sun.

However, he pretended to be a patient a few times before and came to try it out, but found that although Dr. Simmons had good medical skills in Chinese medicine, he was not proficient in the way of alchemy, so it was impossible for him to refine the elixir that turned decay into magic.

So, he moved his crooked mind.

He wanted to use aggressive methods to force Dr. Simmons to compete with himself in medical skills, and then designed him to lose Ji Shitang to himself.

In this way, if there are capable people behind Dr. Simmons, they might be able to attract capable people.

If Dr. Simmons didn't have a capable person behind him, then he would be famous in Aurous Hill if he beat him in medical skills and occupied his Serene Medical Clinic.

With fame, there is also the capital to quickly gain a foothold in Aurous Hill.

And he is very clear that whether it is medical skills or metaphysics, top talents in these two fields will become the objects of pursuit of the rich and powerful.

Once he replaces Dr. Simmons, he will inevitably become a highly sought-after genius doctor in the eyes of Aurous Hill's dignitaries, and this will also facilitate his quick integration into Aurous Hill's upper class society, and it will also be convenient for him to inquire about news.

It is precisely because of this that Ji Shitang has become the first battle that he is determined to win in his eyes.

Although Charlie in front of him is arrogant, Hong Tianshi doesn't think Charlie will be the capable person behind Dr. Simmons, but just regards him as a clown.

Right now, this jumping beam clown kept jumping in front of him, really annoyed, but he couldn't hit him, so he said with a dark face, "Boy, do you know, I have never had anyone in my life who dared to do that like you!" Talk to me?"

Charlie curled his lips, "Put a feather duster in your husky's a\*s, pretend to be a f\*cking wolf with a big tail, if you want to pretend to be aggressive, go out to the Xuanwu police station across the road, don't f\*cking upset me here." "You

! "Hong Tianshi was furious again and raised his hand to hit him, but when he heard that the police station was on the opposite side, he could only forcibly dispel his impulse. With nowhere to vent his anger, he jumped around in place, gnashing his teeth and said, "Boy, what the hell are you doing?" Who, why are you humiliating this old man over and over again?! In all fairness, even if you are not afraid of this old man's strength, you still have to show some face to this old man when you look at his age!

"He ran up to me like a wild dog and yelled at me, and asked me to show you face, who the hell do I know you are?"

After finishing speaking, Charlie said again, "Come on, tell me what your last name, name, and where you live Come, where are you going!"

"I..." Hong Tianshi's fists were rattling with anger, and his body was shaking like a Parkinson's patient, he gritted his teeth and said, "My name is Hong Changqing! Dao name Changqing Sanren! In North America, everyone respectfully calls me Hong Tianshi!"

Charlie curled his lips, looked him up and down, and asked, "Just you, Hong Tianshi?"

Hong Changqing gritted his teeth and said, "That's right! Hong Tianshi is the old man!"

Charlie smacked his lips and said, "Oh, everyone calls me Master Wade, but your name is Hong Tianshi, I am the big, you are the sky, you are more than me, so in this sense

you are stronger than me?" Hong Changqing thought that charlie was still deliberately mocking him, and said angrily, "

Boy, You are really eloquent! But I am not in the mood to talk nonsense with you now! I came here today to find Dr. Simmons, where is he, let him come out and talk to me!" As soon as he finished speaking, Xyla ran in quickly

While running, she said to charlie, "Master Wade, I have done everything you asked me to do!"

Hong Changqing looked at Xyla, and immediately asked, "Girl! Where is your grandfather?! Why did you say you were willing to gamble yesterday?" Admit defeat, I will be a turtle today!"

Xyla snorted, "Old scoundrel, my grandfather is not a turtle! If you want to talk about a turtle, it has to be you! You are that old turtle who desperately sticks his head out to bite someone "

"You..." Thinking of Xyla's description, Hong Changqing turned pale with anger, and cursed angrily, "Okay! If Dr. Simmons doesn't come out, I'll take his plaque off myself!" charlie immediately stopped him, "Wait

! The old thing is really stinky and shameless. What are you, you dare to come to other people's clinics to pick up other people's plaques? Are you a bandit?" Hong Changqing said coldly, "He, Dr. Simmons, lost this Serene Medical Clinic

yesterday Does he want to break his promise?"

charlie pouted and said, "Oh, I'm afraid you don't know the law, you old man? In such a medical clinic, even the decoration of the house and the furnishings inside, at least If you say that others lost millions to you, then you are gambling illegally!" After finishing speaking, he

immediately said to Xyla, "Xyla, call 110 now, I want to see What did the police say!"

Hong Changqing became anxious, stomping his feet and said, "You...you are clearly playing a rascal!"

charlie sneered and said, "I'm not playing a rogue, you made the bet yourself! What's more, I didn't see how you bet. Do you have any witnesses?" Hong Changqing said coldly, "Of course I have witnesses. I saw a doctor here yesterday

. All of them are my witnesses! Among them are the women who volunteered to be our test subjects when I competed with Dr. Simmons, and she can also prove it!"

charlie asked again, "Then tell me what you are all compared to. "

Hong Changqing said arrogantly, "Compare the pulse! Who can determine the age of the other party in the first competition, and who can be accurate in the second competition..." Before

he could finish speaking, charlie interrupted him and blurted out, "Okay, okay, Don't talk about it, just talk about the first point, I'm curious, how do you set the rules for comparing the age of your pulse?" Hong Changqing

said coldly, "The rule is that the two of us will take the pulse of the woman together, and then use the pulse Write down the date of birth on a piece of paper, and ask the woman to take out her ID card to see whoever writes the date closest to the woman's actual date of birth will win!" charlie nodded and asked again,

" What about the specific results of your date yesterday?"

Hong Changqing immediately said loudly, "Yesterday I reported that the woman was born on August 8, 1966, and Dr. Simmons reported that the woman was born on March 1, 1967. Finally, the identity of the woman The date of birth on the certificate is August 15, 1966! It's only a week away from the date I issued!" Charlie

frowned and asked, "Are you so awesome? The pulse can be used to record the other party's birthday, and the error is only seven days "

Hong Changqing snorted and said with a smile, "The frog in the well, the old man can tell you a lot!"

charlie curled his lips, stretched out his hand to him, and said, "Come on, take my pulse and see what year and month my birthday is. Day! I can tell you in advance, if the error exceeds seven days, you be careful I will slap you in the face!"
