

The Amazing Son in Law Chapter (Charlie Wade)

CHAPTER 2577

“Oh oh oh, although Jacob felt a touch disappointed in his heart, he still pretended to be suddenly enlightened, patted his head and exclaimed: “Oh, check out my brain, patronizing the memory of the past, and forgetting the business. .

After speaking, he hurriedly said again: “Matilda, you sit and await me first, I’ll get you wet the towel.”

Matilda hurriedly said , “There may be a bathroom on the primary floor. Turn left ahead .

“Good to

see Jacob rotate . After the toilet , Matilda was finally relieved.

actually , Jacob’s purpose was very clear to her.

To be honest, Jacob isn’t only her first man, but also the person she loves most in her life, so she naturally has some illusions and expectations for Jacob in her heart.

However, she is, after all, a highly educated woman who has been an honest woman all her life.

She knew that although Jacob and Elaine had separated now, their view of marriage still existed. supported this, she felt that she couldn’t make a principled error anyway.

Although Elaine shamelessly used her body to intervene in her and Jacob’s feelings, she was unwilling to try to to an equivalent thing.

even as she sighed in her heart, Jacob had already walked over with a wet towel.

Jacob wiped her forehead with a wet towel, and said, “Matilda, I bought you some digestible dinners. After a short time , i will be able to assist you return to the space and lie on the bed. Then i will be able to feed you something. additionally , you’ve got already taken the anti-fever medicine, and that i believe it’ll take an extended time.

Matilda nodded: “Thank you, to be honest, I’m really hungry. i have never eaten much all day.

Jacob hurriedly said: “Hey, why didn’t you tell me earlier? you ought to tell me as soon as you fell ill, but you’re fine. If i do not ask you on WeChat, you will not tell me the reality .

Matilda said, “I don’t need to bother you either. i feel I can survive it. I didn’t expect it to be getting worse.”

Jacob sighed and said lovingly, “If you’ve got such a thing within the future, i need to notify you immediately . I, i will be able to definitely come here

as

soon as possible. does one know Matilda nodded and said gratefully: “I am only satisfied once I realize Jacob , and said: “By the way, Matilda, where is your mometer? you’re taking your blood heat once to ascertain if

it gets better." Matilda nodded, pointed to a thermometer on the cocktail table, and said, "I wanted to require it again before you came, but I used to be really exhausted. No, I can't shake the mercury-in-glass thermometer. Could you please shake it for me?"

Jacob hurriedly reached out and grabbed the thermometer in his hand. While shaking it, he said distressedly, "Hey, I actually don't know that Paul is on a business trip, otherwise, I need to have come to ascertain you an extended time ago. you're ill reception. What if you would like to possess an extended and two shortcomings?"

He handed the handed temperature meter to Matilda, and said: "Clip it quickly. Buy an electronic thermometer to stop you from being inconvenient alone."

He just remembered something, and hurriedly changed his words: "Don't buy electronic ones. Electronic ones aren't as accurate as mercury. If you cannot shake it alone, Find me, I'll assist you."

Matilda nodded moved.

She was naturally very happy with the thoughtfulness of Jacob in her heart, especially when she was sick, she suddenly didn't know where the sense of dependence grew.

So, she said with a touch of

shyness: "Thank you. Jacob smiled and said, "You still need to say many thanks to me. Didn't you're taking care of me like this back then?"

Matilda's expression turned her face. It's even more popular.

She whispered helplessly: "It's all about old rotten grains, so don't always mention it
