

The Amazing Son in Law Chapter (Charlie Wade)

CHAPTER 2578

"How can it's done?" Jacob said emotionally, "I won't forget what happened that day, albeit I die. I even have been eager to tell you for therefore a few years , but I did not have an opportunity . I finally took an opportunity . You didn't let me say it. .."

Matilda said helplessly: "I didn't allow you to say that i'm , I am.

Having said that, Matilda didn't skills to continue on this subject , so she sighed and said:" Hey, I just think that if you run to me so late, Elaine will certainly be angry if you discover out, otherwise you should return quickly, lest Elaine is unhappy.

When Jacob heard her mention Elaine, he snorted coldly, and said, "Matilda, don't mention that shrew ahead of me. If it weren't for her, how could we two become like now? Already married and having two or three children,

Matilda smiled helplessly, and said seriously: "Some things are fate, and you'll not really blame the horse.

"Of course it's her." Jacob said angrily, "I just consider you these years. I hate her and hate her teeth."

After saying that, Jacob waved his hand and said, "Okay, let's not mention her. It's too disappointing to say her."

Matilda hummed and said, "I guess I should rest in bed for a short time . you'll be ready to recover slowly. If you've got problems reception , return early to avoid extra branches.

Jacob didn't expect that when she just received Matilda's house, she couldn't wait to let herself head home .

This made Jacob a touch bit hurt in his heart . .

but he soon put it all attributed to Elaine's head, thought to himself: "I want to travel back to the us and sunny, and positively don't want to speak to me, but the fear of Elaine that bitch that smelly bitch, really ghosts everywhere leave

this in mind, he heard angry, said: "I'm not leaving until you are doing not recover, I'm not going anywhere Elaine So what I usually don't bother ignores her, in my mind, she isn't you The thermometer in

his armpit is vital to him.

Matilda didn't skills to urge back to the present moment. Jacob checked the time and said hurriedly: "Five minutes, show me the thermometer.

Matilda took out the thermometer carefully and handed it to Jacob.

Jacob glanced at it and breathed a sigh of relief, and said, "It is 39 degrees immediately . You measured it to be 39 degrees 2, right?

Matilda nodded.

Jacob said happily, "It has dropped by 0.2 degrees. Although the decline isn't large, a minimum of it's begun to say no. I guess, if you lie and eat something, take an honest rest, you ought to be ready to recover. , I helped you upstairs and

Matilda said hurriedly: "Or don't toss and lie on the bed and eat, I'll just have a bite here.

When Jacob heard this, he waved his hand hurriedly and said, "Isn't it uncomfortable to take a seat here? The longer you sit, the more uncomfortable you'll be. Go, I will be able to take you to bed and put two pillows on your back. you'll feel far more comfortable. As for eating, I'll just feed you."

Matilda hesitated for a flash. Seeing Jacob's firm expression, she nodded and said, "Well then, you'll help me to the elevator."

Jacob was overjoyed and couldn't help but sigh. : "Haha, the chance is here
