This bedroom, in his eyes, was the gentle homeland he had been faraway from for nearly 30 years.

But now, he can only stand outside the door, expecting Matilda to vary clothes inside.

The key’s that after Matilda changed his clothes,

Jacob , who was getting to take him for a run , gave an extended sigh, covered his face with one hand and his head with the opposite , and squatted down at the door of Matilda’s bedroom.

On the opposite hand, Matilda was almost as if he had been beaten up. With such a touch exercise, including panting, she didn't even change her complexion.

Soon, Jacob really couldn't hold it anymore, and panted, "I can't run the sound, why don't we take a break?"

Matilda not only didn't feel tired, but there was a sort of

I don't know what's wrong with me, and that i don't feel all energy is employed . , Can only be consumed by two legs, so I can't stop in the least ."

Jacob gritted his teeth and said, "Then I'll be with you."

After finishing speaking, he hurriedly used the strength of feeding and followed desperately. .
