

# The Amazing Son in Law Chapter (Charlie Wade)

## CHAPTER 2593

When Charlie finished the banquet and left from the Moore Family, Zayne had already started to set off for Aurous Hill.

In order to be able to get in touch with Ito Yuhiko as soon as possible, he specially arranged for his staff to book a hotel room in Shangri-La with other identities.

He also knew very well that Shangri-La was the property of the Wade Family, so he could not only let the Wade Family know that he was staying at Shangri-La, he could not even let them know that he would be in Aurous Hill.

According to his plan, after he has booked a room, checked in, and received his room card, he will wait near the Shangri-La Hotel. When he arrives, give him the room card, and he can skip the check-in link and enter directly hotel room.

Although the hotel clearly requires the real-name system at the moment, the real-name system can only be implemented to the opener.

And the more high-end hotels, the more attention to user experience and privacy, as long as the guests in and out are dressed decently, basically there will be no staff to verify his identity.

Charlie didn't know that Zayne was on the road to Aurous Hill.

He drove away from the Moore's house, and on the road called Jacob, the phone was connected, and he asked, "Dad, I'm done here, how about you? If you are over, I will pick you up.

Jacob gasped and said, "Charlie

, I'm almost exhausted. Come and save me."

Charlie asked in surprise, "Dad, what's the matter with you?

Jacob's voice said with utter despair, "Don't mention it. your aunt pulled out of the running, almost broken leg."

Charlie heard this, could not help laughing.

ROK-US Mostly a patient, suddenly took Jacob go for a run, appears to be too strong physical strength and energy are due.

so It seems that the dose of his own rejuvenation

pills is still a bit large. Then, he smiled and asked Jacob: "Dad, where are you running? Send me an orientation and I will pick you up. "

Jacob hurriedly said : "Wait a minute, I will send you the location! After that, Jacob hung up the phone in a hurry and sent a location to Charlie on WeChat.

Then, another text message was sent: "Good son-in-law, you Come on, my leg is about to be broken!"

Charlie replied, and drove to the location where Jacob was.

At this moment, Jacob was sitting on the curb on the side of the road, sweating all over

his body. He was really today . I didn't even dream of it. I wanted to take advantage of Matilda's illness to brew the atmosphere, and the sound of a wave would still be there, but who would have thought that when he came, Matilda would be dragged by Matilda and ran on the riverside all night.

And Matilda's Surprisingly good physical strength, it seems that he is not tired no matter how he runs, but his old body has such a foundation, he almost lost half his life when he was tired after running for half an hour.

I wanted to give up a long time ago, but because I didn't want Matilda to look down on herself , So he can only grit his teeth and persist, but even if he tries his best, he still lags behind Matilda a lot, so Matilda can only run out by herself for a while, then turn back, jog with Jacob for a while, and then run out again, and so on. .

Jacob long run tears.

now, he let alone thinking of ways to clear with the Korea-US remains the same, even if it is clear the ROK-US initiative to ask, he simply powerless, just want to hurry to go home and lie down and rest.
