

The Amazing Son in Law Chapter (Charlie Wade)

CHAPTER 2595

The trio followed their reputations and found a middle-aged man with a strong build wearing sports shorts and short sleeves, trotting all the way to the front.

Charlie couldn't help but look at this middle-aged man. The opponent was almost 1.8 meters tall, his figure was very well-proportioned, and there were muscle lines all over his body, and he looked only in his early forties.

Moreover, the other party is in such a cold day, wears so little running, and knows that the physical fitness is very good.

What's more rare is that this man is very handsome and has a thick short hair, which is really stylish.

When Jacob saw this man, he immediately became vigilant, looking at him up and down, but he couldn't help feeling a little inferior.

Compared with this man, Jacob is an ordinary fifty-year-old middle-aged man. He usually does not exercise, let alone fitness, and has no systematic diet and exercise habits. His energy and energy are a lot worse than others.

At this time, Matilda was also surprised and said: "Oh, why are you here?"

The middle-aged man smiled slightly and said, "Didn't I come out for a run? I didn't expect to be here. Met you. "The

more Jacob looked at the other party's energetic energy, the more jealous he became, and couldn't help asking: "Matilda, who is this?"

Matilda hurriedly introduced: "Jacob, this is my colleague at the University for the Elderly, Hank, He used to be administered by the old professor at MIT, also recently returned home soon, has served as vice president of finance and economics at the School of Economics and Management University of Nanking, is also a visiting professor at the University of old age. "

Charlie heard Nanking University of Finance and Economics, the heart can not help but dark Thinking: "Isn't this the school Aurora attended?"

After speaking, she said to Hank: "Hank, this is my former college classmate Jacob, next to his son-in-law Charlie. "

Jacob subconsciously asked: "MIT? What MIT?"

At this time, Hank took the initiative to explain to Jacob: "This gentleman, MIT is the abbreviation of Massachusetts Institute of Technology, which is a university in the United States."

embarrassed.

Jacob's expression immediately became extremely embarrassed that

MIT is the top three top universities in the world. Jacob is also a university student, and of course he has heard of it.

However, he didn't know the abbreviation of Massachusetts Institute of Technology is MIT, so he suddenly showed his timidity.

Looking at this man again, Jacob felt even more inferior in his heart: "I am a professor at the Massachusetts Institute of Technology. To be able to be a professor at MIT, he must have at least a Ph.D. degree? And me, I just graduated from Zhongshan University. , The rank is one hundred and eight thousand li worse than others, and his body is very young, shit, standing face to face with him,

acting as if I am his second uncle. Hank saw Jacob silent for a long time. He smiled and asked, "Hello, Mr. Jacob, I don't know where is Mr. Jacob now?"

" Matilda on the side introduced: "Jacob is the standing director of the Calligraphy and Painting Association. Our calligraphy hobby group at the Senior College often interacts with them. .

Hank nodded his head, smiled and said: "I did not expect Mr. Jacob or even painting circles, I actually liked the calligraphy, also practiced some days ago, but now the work is busy, so no time to attend, there is a chance, certainly more than Learn from Mr. Jacob

Jacob didn't expect this guy's academic qualifications and background to be awesome,-he was so humble, and suddenly felt that he was a lot less interesting, he said in a vague way: "Oh, this, don't worry, there will be opportunities in the future. "

After that, he deliberately looked down at the Rolex on his wrist, and said: brother, it's a bit late today, we have to go first, sorry."
